7. We acknowledge and understand that we will not be allowed to change the subconsultant without written permission from the City.
8. All project charges are a "Not-to-Exceed Fixed Fee" which includes conservatively estimated reimbursable expenses, as submitted in a separate envelope and made a part of our proposal.
9. KTU+A will document and provide the results of the work to the satisfaction of the City. This may include preparation of field and final reports, or similar evidence of attainment of the Agreement objectives.
10. KTU+A will immediately document and notify the City of any defects or hazardous conditions observed in the field.
11. Hourly rates for KTU+A and IBI are included in the separate fee proposal envelope. This rates will be used for invoicing for progress payments and extra work incurred that is not part of this RFP but requested and authorized by the City of Moreno Valley. All extra work will require prior approval from the City.
12. KTU+A does not discriminate against any employee or applicant for employment because of race, color, religion, sex, or national origin.
13. KTU+A will adhere to all federal laws and regulations, notwithstanding any state or local laws and regulations. In a case of conflict between federal, state or local laws or regulations, the strictest shall be adhered to.
14. KTU+A will allow all authorized federal, state, county, and City officials access to our place of work, books, documents, papers, fiscal, payroll, materials, and other relevant contract records pertinent to this special project. We will retain relevant records for at least three years.
15. KTU+A will comply with the Davis-Bacon Fair Labor Standards Act (40 USC 276-a through a-7), and the implementation regulations issued pursuant thereto (29 CFR Section 1, 5), any amendments thereof and the California Labor Code, as applicable. Pursuant to the said regulations, entitled "Federal Labor Standards Provisions," Federal Prevailing Wage Decision" and State of California prevailing wage rates, respectively.
16. KTU+A will comply with the Copeland Anti-Kickback Act (18 USC 874) and the Implementation Regulation (29 CFR 3) issued pursuant thereto, and any amendments thereof.
17. KTU+A offers and agrees to assign to the City all rights, title, and interest in and to all causes of action it may have under Section 4 of the Clayton Act (15 USC Sec. 15) or under the Cartwright Act (Chapter 2 [commencing with Section 16700] of Part 2 of Division 7 of the Business and Professions Code), arising from purchases of goods, services, or materials pursuant to the public works or the subcontract. This assignment shall be made and become effective at the time the City tenders final payment to us, without further acknowledgment by the parties.
18. KTU+A acknowledges this project is funded by a Community Based Transportation Planning Grant as administered by Caltrans and that we will abide by the provisions of Fund Transfer Agreement 74A0688, as applicable.
19. Disclosure of Lobbying Activities (Form LLL) - KTU+A has no lobbying activities to report. Form LLL is included on Page 21
20. Complete Proposer's List of Subconsultants.
21. KTU+A has provided its complete name, address and corporation statement on the Table of Contents page.

PROJECT OBJECTIVES, CONCERNS AND KEY ISSUES

The objective of the City of Moreno Valley Bicycle Master Plan Update is to develop feasible and implementable solutions to provide safe and accessible facilities for pedestrians, bicyclists and transit users. Along with those facilities, an educational component must be incorporated for a cohesive plan. Even though facilities may be built, people may not understand how to use them appropriately. Frequently, cyclists can be found riding the wrong way in bike lanes, which causes conflict with cyclists using it properly. The Five Es: Engineering, Education, Encouragement, Enforcement and Evaluation are an integral part of non-motorized planning. These focus areas will be incorporated to develop a well-rounded Bicycle Master Plan for the City of Moreno Valley.

A concern that needs to be sensitively addressed is how to change established thinking about vehicular traffic priorities that helped create the current auto-centric environment in the first place. The common approach has been to predict worst-case traffic patterns and mitigate these situations with larger streets, more lanes, and less edge friction created by the non-vehicular users of streets. Fortunately, "Complete Streets" legislation requires and empowers local governments to consider all users and without CEQA requirements to mitigate for vehicular level of service (LOS) changes. Though this legislation does not require that all users are actually accommodated with equal facilities, it does at least offer the dialogue to discuss other options and relieves the pressure to only look out for vehicular-based uses.

Additionally, most general plans and other policy documents strive to increase active transportation by improving walkability and bikeability through physical design. These policies, along with various greenhouse gas (GHG) reduction strategies, vehicle miles traveled (VMT) reduction objectives, smart growth policies, transit oriented development (TOD) priorities and healthy community programs, can all serve as a strong foundation for improving an area's walkability and bikeability. The human component of education, encouragement and enforcement are also key factors in the comprehensiveness of this plan.

Based on the experience of our team, we will provide a very balanced approach to improve the non-motorized options within the study area, while limiting impacts on the dominant vehicular use patterns of the area. As transportation planners, traffic engineers, landscape architects, and physical site planners, our team can bring all of the needed academic, professional and creative skills needed to solve the projects challenges. Our experience with pedestrian and bicycle master plans, ADA transition plans, integration of transit facilities and understanding of bicycle facility requirements will provide the project with the needed tools to accomplish all tasks in an effective manner.

ANTICIPATED PROJECT CHALLENGES

1. Determining where priorities should be placed for investments, land use change and how to balance competing narrow interests with broader stakeholder interests.

Potential Solution: The project team will utilize GIS tools to identify actual walking and cycling times to and from major destinations and origins. This walk and bike time analysis will show 5, 10, 15 and 20 minute times utilizing existing systems. Our GIS capabilities employ actual on-the-ground routes, not just vague radius bubbles. This means that our analysis takes discontinuous streets into account and even the presence or lack of sidewalks, if data is available.

The distances between the City's major attractions and public facilities such as schools, parks, open space, employment and retail centers will help inform where mobility system priorities should be placed. A comparison of population within the 20 minute walk/bike zone and acreage within this zone can be contrasted with models run with new improvements that will close gaps or remove barriers. The team has a great deal of experience in modeling cycling and pedestrian priorities and connection opportunities.

Universal access and ADA priorities must also be considered, as well as improved safety. Often, the most effective investments are those that will provide multiple benefits to multiple sectors of the public.

We have found that employing these objective planning tools and techniques help to counter potentially narrow self-interests that may arise during public discussion and prioritization.

2. Providing safe access and crossings along where the trail and major streets intersect.

Potential Solution: The interface between multi-use trails and roadways can be very challenging, especially if the roadways carry heavy traffic volumes and are multi-lane. The project team will identify destinations and origins along heavily traveled roadways to determine the best crossing points for trail users. These crossing points will be analyzed using a number of factors, such as daily vehicle travel volumes, posted speeds, sight lines, proximity to destinations and origins, other existing roadways, trails and sidewalks, and public participation input. The team will examine the most appropriate, safe and direct pedestrian and bicycle crossings.

A comprehensive bicycle and pedestrian collision analysis will be conducted to identify locations where improved treatments are warranted. The bicycle and pedestrian collision analysis will also be used to identify trends and common factors causing these collisions. There are often applicable factors that only become visible during field investigation.

Traffic calming measures such as curb extensions and rectangular rapid flashing beacons (RRFBs) are example remedies to address some issues, especially those at unsignalized mid-block intersections.

3. Providing safe bicycle routes to activity centers such as parks, schools, trails, retail, transit and employment centers.

Potential Solution: Utilizing a combination of GIS analysis, context-sensitive solutions and public input, the KTU+A team will identify routes that can make these connections with not only bicycle facilities, but also employing Complete Streets principles. On a city-wide level, identifying these routes can be straightforward based on input and data gathered. However, knowing the level of impact by adding bicycle facilities to a roadway can have an effect on other modes. It is important to examine these connections as a whole for overall connectivity to these activity centers. However, understanding how they affect other modes in terms of feasibility, accessibility and implementation is equally, if not, more important.

GIS-based Collision Analysis

Statewide Integrated Traffic Records System (SWITRs) data has already been collected for the City from the five-year span of 2006-2010. When the 2011-2012 datasets become available, KTU+A will incorporate it into the analysis. KTU+A will also coordinate with the Police Department's Traffic/Community Services Division for additional data. Our team also has experience with the other three Es of planning; Evaluation, Equity and Encouragement. KTU+A has developed GIS-based tools to disseminate our analysis results in tabular and graphic formats. The datasets can then be further analyzed to identify geographic and behavioral trends to support appropriate recommendations and safety countermeasures. We have mapped and displayed these datasets at workshops for public comment for many of our client cities, which we can do for the City of Moreno Valley as well.

4. Providing outreach tools to a predominantly Hispanic community

Public input is an integral component of any planning process. For bicycle master planning, it is particularly critical. Our outreach methods employ a number of formats to try to reach as many community members as possible. In forming our outreach plan, we work with community leaders and stakeholders to brainstorm the most effective methods of engaging the community during the planning process. We use on-line and hard copy surveys that can be distributed through e-mail blasts, city website links and on flyers posted at community centers and libraries, and at workshops. All of our materials can be created in both Spanish and English and our workshop content can be presented in both languages. Additionally, bilingual staff will be present to record and interpret community input.

The most important aspect of community input is listening, including diverse opinions, and even extreme perspectives or those that may be counter to professional planning principles. Many of these differences can be resolved if the position is analyzed and opinions or principles offered that may be able to persuade or at least dissuade negative and counter-consensus opinions. If not dissuaded, counter-consensus opinions should be part of compromise. Although the planning and engineering team's professional experience is important to the process, their goals must be subservient to those of the community. It is not for the team to decide what to do on the project. Instead, it is their responsibility to show how to best do what the community wants to accomplish. It is certainly relevant to point out the positive and negative aspects of any direction the community wants to consider, but the decision needs to be a joint one between the general public, stakeholders, agencies and the community.

City of Moreno Valley Bicycle Collision Data

Project Management

Communication is the central requirement for an efficiently run project. Communication is essential between the client, the project stakeholders, the team and the elected officials asked to approve the project. It needs to be regular, clear and focused on action items and informed decisions. John Holloway will be the project manger and is committed to the project over the next year. Mike Singleton will be the principal-in-charge of this project and will directly support John Holloway as the project manager and as a coordinator of company resources and quality control and review.

Vision and Implementation

The KTU+A team offers both visionary leadership in the development of solutions, as well as a practical desire to make these visions realized. An effective vision can motivate politicians, agencies and the general public to make appropriate resource and access decisions, but the vision needs to be realistic about the issues and other priorities that local governments face. The vision must establish methodologies and strategies to assist the City of Newport Beach and its citizens in finding the right balance between lofty visions and pragmatic plans.

Appropriate Use of Technology

Analytical tools will be utilized to generate useful mapping for this project. High quality mapping and graphics can easily and efficiently explain project options and assist the public in understanding proposals. KTU+A utilizes these tools not just as graphic production software, but as analytical tools to uncover hidden relationships and existing conditions that could be overlooked through other methods.

Analytical software will include ESRI's ArcGIS suite, especially Spatial Analyst and Network Analyst for travel time analysis. Presentation tools include Prezi and PowerPoint. Document production tools include Microsoft Office, Adobe InDesign, Illustrator, Photoshop and Freehand. Potential social media and notification tools include Facebook, Twitter and various survey platforms such as Survey Monkey and Constant Contact. Special flyers will be developed and e-mail notification processes set up.

Public Participation

We recognize that current and future users of the system will be the best equipped to assist the project team to assess the existing plan's effectiveness in meeting active transportation and recreational needs, and to make plan enhancement recommendations.

Public participation is not simply providing the community the opportunity to speak. It is also about providing the consultant the opportunity to listen. With the right participation strategy, the team can learn a great deal from the public about their community and their priorities. In a nutshell, we provide the "how" and the public decides on the "what, where and when." Given this philosophy, we structure workshops to maximize individual input opportunities. Conventional hearings can be commandeered by a few strong-willed individuals whose opinions can unduly influence the conversation. Open microphones can result in "soap box" speeches instead of civic discussion. However, it is important for people to be able to speak and to participate in a dialogue that fosters community sentiment.

KTU+A is a collaboration of planners, landscape architects, GIS analysts, irrigation designers and graphic designers focused on the creation of healthy communities. Established in 1970, KTU+A has expanded the boundaries of a traditional landscape architecture office by incorporating active transportation, community planning, federal planning, and natural resource management practices into our portfolio. With this diversity, KTU+A has the ability to help shape the bigger picture while addressing the fine-grained details that contribute to sustainable natural and built environments.

How We Approach Your Project
The planning of a project requires an understanding of the regulations and requirements to protect the public's health safety and welfare; an understanding of the most innovative design technologies to meet current and future needs; an understanding of the needs and priori-ties of the users; and an understanding of the responsibilities of the client in terms of risk management, maintenance, future expansion opportunities and costs. KTU+A takes these responsibilities seriously and collaborates with our clients and the consultant team to ensure the project meets and exceeds its goals and objectives.

The trends towards higher energy costs, lower oil production and more sustainable economic growth necessitate the need to provide better transportation plans that emphasize human mobility as part of the solution. Whether this is achieved through principles of smart growth, traffic calming, universal access, or pedestrian and bike facility integration with vehicular streets and open spaces, the technical challenges must be met. Our streets are not just for drivers. They should evolve into "complete streets" for the entire community. KTU+A offers a proven track record of cost-effective, technically proficient and creative approaches towards mobility that connects people, places and resources.

Project Experience
KTU+A has provided planning and design services for a number of projects requiring the integration of various modes of transportation, including pedestrian, bicycle and transit. Services have included alignment alternatives, design feasibility, safety evaluation, determination of appropriate land uses, design guidelines development, integration with recreational, residential and commercial land uses, analysis and identification of bikeway and walkway locations, and ADA accessibility. Our qualifications include:
- All plans prepared by KTU+A comply with State, Federal Highway Administration, AASHTO and MUTCD standards.
- Experience in researching and recommending innovative facility treatments and programs for specific issues.
- GIS computer applications for producing alignment analysis, pedestrian and bicycle suitability modeling, maps, route selection, graphic production, estimating and 3-D visualizations.
- Expertise in pedestrian and bikeway planning and commitment to the integration of recreation, land use planning, community design, urban design and non-motorized alternatives.
- Extensive research on pedestrian and bicycle safety factors and common accident scenarios.
- Professional experience with the integration of trails systems within environmentally and visually sensitive areas.

Michael L. Singleton, AICP, ASLA, LEED-AP, Principal Planner

EDUCATION

- B.S. Landscape Architecture, California Polytechnic State University, San Luis Obispo, California, 1981

REGISTRATION

- LEED AP
- AICP Certified Transportation Planner
- State of California Landscape Architect, LLA 2386

Mike Singleton is the principal of KTU+A's Planning team. He specializes in the planning and design of integrated transit facilities, including pedestrian studies, trail studies, and public transportation. He is a frequent presenter at the local,, and state level on the interface between walkability, smart growth and urban forestry issues.

City of Temecula Non-Motorized Trails and Bikeway Master Plan
Principal planner for the City's Trail and Bikeway Plan. Components include site analysis and environmental impacts; needs analysis; trail development; design standards; and preparation of maps, plans, exhibits and conceptual designs. The study included recommendation for Class 2 and 3 bike routes on city streets, in addition to identification of road-separated trails for equestrians, cyclists, hikes, skaters, runners and walkers.

City of La Mesa Alternative Transportation and Parks Master Plan
Principal Landscape Architect for a city-wide parks master plan to identify upgrades, expansions and potential additions to the City's park system to meet both current and future needs of the community and to contribute to the public's health. Thru walk audits and workshops recommendations were made to ensure parks and open spaces are easily accessible by walking or biking, particularly near residential neighborhoods.

City of Carlsbad Bikeway Master Plan
Principal-in-Charge of a bikeway master plan to analyze recreational and commuter requirements and connections between transit modes and park facilities. A component of this plan included the development of concepts for bikeway facilities within the Carlsbad coastal rail corridor. Recommendations were based on the evaluation of existing roadways and bike facilities using field surveys, GIS analysis, survey questionnaires and a bicycling suitability formula. The plan included general design and engineering guidelines for the development of new facilities and upgrades to existing facilities.

City of Oceanside Pedestrian Master Plan
Principal planner responsible for the research of existing conditions, facilitation of public workshops, and development of recommendations for pedestrian enhancements, design standards, public input and safe pedestrian circulation throughout the city. The plan establishes standards and guidelines for design features, and installation and maintenance standards for sidewalks, crosswalks, and pedestrian access to the beach to ensure universal access and enhanced mobility.

John Holloway, ASLA, LEED GA, LCI, Project Manager

EDUCATION

- B.S. in Biology, University of North Texas, Denton, Texas, 1982
- Master of Landscape Architecture, Texas A&M, 1988

REGISTRATION

- State of California Landscape Architect, LLA 3734
- League of American Bicyclists Certified Instructor #2008
- LEED Green Associate

John provides technical and functional expertise in pedestrian, bicycle and trail planning and design. He brings hands-on knowledge of the critical components of successful circulation systems. Much of his recent volunteer work has been directed at developing antidotes to the decades-long reduction in outdoor activity and the resulting childhood obesity epidemic, especially attracting kids and their parents back to the outdoors with age-appropriate activities and facilities that appeal to their sense of fun and adventure.

City of Temecula Trails and Bikeway Master Plan, Temecula, CA
Responsible for the development of the master plan including site analysis and environmental impacts, needs analysis, trail development, design standards and preparation of maps, plans, exhibits and conceptual designs. The study addressed multiple uses of road-separated trails including facilities for equestrians, cyclists, hikers, skaters, runners and nature observers. A review of public and private open space and major recreational destination points was conducted to determine high priority trail linkages.

City of Huntington Beach Bicycle Master Plan, Huntington Beach, CA
Project manager responsible for preparation of a city wide bicycle facilities master plan. Tasks include analyzing recreational and commuter facility requirements, as well as identifying potential connections between transit modes and important destinations, especially the beach. The project process included evaluating existing roadways and bicycle facilities using conventional field techniques, as well as geographic information systems (GIS) for mapping and bicycling suitability modeling, an on-line survey questionnaire and two community meetings. The plan includes general design and engineering guidelines for new facility development, as well as education and encouragement programs and policies.

Santa Ana River Trail, Riverside County, CA
Trail designer/landscape architect for paved bikeways and associated soft surface trails along Santa Ana River in southern Riverside County, a seven mile portion through the Prado Basin of a 75 mile trail system. Role is to refine trail alignments and design amenities and enhancements that minimize impacts to river-related habitat, wildlife corridors and flooding. Evaluating route alternatives involves significant field work and agency coordination. Project scope includes developing construction drawings for staging areas and oversight of overall design team's drawings to ensure positive user experience.

Joe Punsalan, GISP, LCI, Mobility Planner/GIS Analyst

EDUCATION

- B.A., Geography, Cal State University, Sacramento, 1998

REGISTRATION

- GISP, GIS Certification Institute
- League of American Bicyclists LCI #2005

Joe is responsible for scope development, report writing and coordination on recreational and transportation planning projects such as trail, pedestrian and bikeway master plans. He is very familiar with the League of American Bicyclists' requirements for a Bicycle Friendly Communities and incorporates that information into each bicycle master plan. As an avid cyclist, Joe has knowledge of roadway conditions and obstacles that face cyclists and pedestrians every day.

City of La Mesa Bikeway Master Plan/Complete Streets Plan, La Mesa
Project manager in charge of submittals, scheduling, facilitating meetings and workshops for BMP (55,000) population and complete streets plan. Other duties include identifying existing bicycle facilities that meet state standards, improved pedestrian and transit facilities and recommending improvements to the bikeway system. Tasks such as ADA compliance, pedestrian infrastructure and the development of complete street and street classification guidelines are part of the project's scope. A second phase of the project was the identification of on-street improvements needed to provide easy and safe access to transit stations and bus stops. Led the coordination between city staff and volunteers for data collection through a series of walk audits and workshops.

National City SMART Foundation, National City, CA
Project manager in charge of coordination, data collection, public outreach plan, report production and management of team. Technical responsibilities include GIS-based hot spot analysis, crime and collision data collection and analysis, pedestrian and bicycle propensity modeling, recommendations and project design review. Public outreach responsibilities include; walk audits, presentations, focus group and public workshops.

City of San Clemente Bike/Pedestrian Master Plan, San Clemente, CA
Planner responsible for the GIS-based modeling and mapping for the pedestrian, bicycle and Safe Routes to School tasks. Assisting in facilitating Safe Routes to School walk-audits, workshops and working group meetings. Developing recommendations and matrices for pedestrian and bicycle improvements throughout the City.

City of Oceanside Bikeway Master Plan, Oceanside, CA
Project planner responsible for field work and research, GIS analysis and modeling, community workshop and working group facilitation, and documentation. During the plan process, Joe was involved in the implementation of Oceanside's Shared Lane Markings (Sharrows), the first in San Diego County.

Catrine Machi, AICP, LCI, Mobility Planner/GIS Analyst

EDUCATION

- M.S. Urban and Regional Planning, University of Wisconsin-Madison, 2007
- M.S. Geography, University of Wisconsin-Madison, 2007
- B.A. Human Geography, University of Wisconsin-Madison, 2005

REGISTRATION

- American Institute of Certified Planners
- League of American Bicyclists LCI #2426

Catrine's academic and work experience provides her with a technical background in ArcView and AutoCAD for GIS mapping, research and analysis. She combines her planning experience and education with interests in bicycling, running and traveling to bring a passion for multi-modal transportation and well designed facilities for both recreation and transportation. Prior to joining KTU+A, Catrine worked for pedestrian and bicycle non-profits, building knowledge of state-of-the-art facilities and working to educate and encourage the public about bicycling and walking as an alternative form of transportation.

City of La Mesa Bikeway Master Plan/Complete Streets Plan, La Mesa
Developed base maps and informational bicycle facility design graphics for public workshop. Reviewed and drafted a revised policy document to include pedestrian, bicycle, transit and ADA compliant objectives goals and action items. Summarized and integrated proposed pedestrian oriented projects from existing plans into a single prioritized list.

City of La Mesa Safe Routes to Transit/Safe Routes to Parks, La Mesa
Assisted with coordination between City staff and volunteers for data collection through a series of walk audits and workshops. Created field worksheets, surveys and checklists for collecting the field data necessary to identify on-street improvements needed to provide easy and safe access to transit stations, bus stops, parks and recreational facilities. The final plan was incorporated into the City's Bicycle Facilities and Complete Streets Plan.

Carlsbad ADA Transition Plan, Carlsbad, CA
Researched California and Federal Regulations for ADA Access. Processed field work notes into a searchable database for prioritization and cost estimates. The Carlsbad ADA Transition Plan evaluates existing conditions against latest state and federal regulations to create a series of phased projects working towards increasing compliance.

City of Dana Point Connectivity Study, Dana Point, CA
Project planner conducting field work, data collection, and document review. Assisting in the development of connectivity solutions, compilation of bicycle and traffic counts, and identification of grant funding sources for improvements.

City of Huntington Beach Bicycle Master Plan

KTU+A is preparing a city-wide bicycle facilities master plan for the City of Huntington Beach. This city is unique in that many arterials had Class 2 bicycle lanes put in place without the benefit of conventional bikeway planning. Residents often rely on non-motorized vehicles to access the beach area due to congestion during summer months and special events. Further expanding bicycle travel is a plan goal, particularly since the city is essentially flat and has an established grid street system, both of which support bicycle use.

Tasks include analyzing recreational and commuter facility requirements, as well as identifying potential connections between transit modes and important destinations, such as the beach area and downtown. The project process includes evaluating existing roadways and bicycle facilities using conventional field techniques, as well as GIS for mapping and bicycling suitability modeling, an online survey questionnaire and two community meetings. The plan will include general design and engineering guidelines for the development of new facilities and an emphasis on education and encouragement programs and actions for existing facilities.

City of Temecula Bike and Trail Master Plan

The City of Temecula's Multi-Use Trails and Bikeways Master Plan included site analysis and environmental impacts; needs analysis; trail development; design standards; and preparation of maps, plans, exhibits and conceptual designs. The study covered multiple uses on road-separated trails that include facilities for equestrian users, cyclists, hikers, skaters, runners and nature observers. Another major component of the study was the analysis and recommendations of bike routes (Class 2 & 3) on city streets. A review of public and private open space and major recreational destination points was conducted to determine high priority trail linkages. Community workshops were held to gather user input and determine user preferences and community priorities. An extensive mail-out questionnaire was used to help determine user profiles, preferences and priorities. Implementation strategies and funding sources were also identified.

In April 2013, KTU+A was selected by the City of Temecula to prepare an update to this plan.

Client
City of Temecula

Status
Completed 2002; Update to start May 2013

City of San Clemente Bicycle and Pedestrian Master Plan

The City of San Clemente's Bicycle and Pedestrian Master Plan analyzes the existing bike and pedestrian network and identifies recommendations and implementation tools to create a safe, connected, and consistent system. It also creates connections with the existing system of regional bikeways in the southern Orange County area. The plan recommends additional programmatic improvements, particularly programs and policies related to education, encouragement, enforcement, evaluation, and planning to encourage more people to ride or walk, as an alternative to driving. The education and outreach programs are designed for implementation by the city, schools, volunteers and the Orange County Sheriff's Office.

Plan recommendations address hilly terrain and significant grade changes; connections through Interstate 5 interchanges; existing informal pathways; low volume streets without sidewalks; access to the beach route; bicycle parking; employment site amenities; education programs for drivers and cyclists; and Safe Routes to School programs.

The recommendations are based on public input, coordination with city departments and community groups, as well as best practices employed by agencies around the country. Recommendations are in accordance with the American Association of State Highway and Transportation Officials (AASHTO) *Guide for the Development of Bicycle Facilities* and the *Manual of Uniform Traffic Control Devices* (MUTCD), among others. Substantial sections of the Los Angeles County *Model Design Manual for Living Streets* have also been incorporated. The plan satisfies the requirements of the California Bicycle Transportation Act (BTA, 1994). With Caltrans approval, this certifies the city's eligibility for state-distributed bicycle facility funding.

Plan implementation is multi-faceted and long-term. Besides the adoption of goals and policies, it also includes the implementation of programs and the pursuit of project funding through the city's capital improvements project process and grant funding.

Status: On-going 2013

City of Oceanside Bikeway Master Plan Update

This study is a comprehensive update of the 1995 City of Oceanside General Plan Circulation Element and Recreational Trails Element. The city's growth necessitated an update to better address local bicycle travel needs, and to better serve regional long-distance travel and promote tourism. The bicycle master plan is responsive to the General Plan changes that may affect circulation patterns.

Plan objectives included establishing facility types to be implemented and identifying points where the city's bikeway system could integrate with the existing San Diego County regional bikeway system. The project's scope included documenting and evaluating the City of Oceanside's existing bikeway facility system and its relationship with other systems, such as mass transit, and recommending improvements where appropriate.

The bicycle master plan maximizes the efficiencies offered by multi-modal connections between mass transit and bikeways, and promotes a viable alternative to automobile travel in a climate particularly conducive to bicycle transportation. The plan also provides a more convenient bikeway system for cyclists who do not have ready access to motor vehicles.

Oceanside received designation as a Bicycle Friendly Community in 2008 from the League of American Bicyclists, the first in San Diego County.

Client: City of Oceanside, John Amberson
t: 760 435-5091

Status: Completed 2008

Awards

2009 - APA San Diego Section
2009 - ULI Smart Growth Award
2009 - ASLA San Diego Chapter

La Mesa Bicycle Facilities/Complete Streets Master Plan

The La Mesa Bicycle Facilities and Complete Streets Master Plan is an update to the General Plan Circulation Element incorporating goals, policies and programs related to bicycle facilities and other Complete Street transportation infrastructure. This study recommends a number of actions including closing facility gaps; and creating bicycle boulevards, colored bike lanes and enhanced bike routes.

Bike and pedestrian counts were conducted in each quadrant of the City. Pedestrian improvements such as median refuges, cantilevered bridges, mid-block crossings, RRFBs, curb extensions and ADA compliance were also recommended. Helping the city to effectively prioritize the closing of sidewalk gaps is a unique element of the Circulation Element update process.

A chapter of the study is dedicated to the development of a Complete Streets framework for the City's future planning efforts. This chapter includes guidance for improving major arterials and intersections with amenities such as cycle tracks, bike corrals, speed tables, parking alignments, bus shelters, pavement treatments and road diets to provide traffic calming.

The Safe Routes to Transit and Safe Routes to Parks studies looked specifically at the typical walking distances, conditions and barriers to accessing transit and park facilities. GIS-based network analysis determined specific walk and cycling zones around the LRT, bus stops and parks for connectivity. KTU+A conducted a workshop to educate and train the volunteers before the data collection process. Detailed site inventory was conducted by volunteers in these 10-15 minute walk zones and recommendations made to improve access and safety within the transit and walking environment. The data was then converted into a GIS database for analysis, cost estimating and mapping, which provides the City with comprehensive data to support project implementation.

Client: City of La Mesa, Patricia Rutledge
t: 619 667-1185

Status: Completed 2012

City of Chula Vista Bicycle Master Plan Update

KTU+A recently completed an update of the city's 2005 Bicycle Master Plan, which was also prepared by KTU+A. The primary objective of the new master plan was to review and provide recommendations on how the current bikeway network within the city planning area can be updated to best suit the needs of the city now and in the future. The scope included identifying existing facilities and bicycle deficiencies throughout the city, along with cost estimates to make improvements.

A bicycle suitability model was developed to determine the most likely areas within the City of Chula Vista where cyclists are likely to ride. The model was created to prioritize areas and projects to benefit the largest number of cyclists possible. The model identifies existing and potential bicycle activity areas citywide utilizing existing data within an extensive GIS database. Bicycling attractors include schools, park and recreation facilities, neighborhood and community retail centers, and neighborhood and community civic facilities, such as libraries, post offices, and transit facilities. The model also utilizes demographic data as indicators of potential volume of cyclists based on how many people live or work within the cycling activity areas identified in the Attractor Model. Existing and projected total population and employment were used, as well as other demographic data such as age and use of public transportation. Detractors are traits that tend to discourage people from riding their bikes and are often related to vehicular intensity and perceived safety of the cycling environment. Streets with high traffic volumes and high speeds tend to discourage people from cycling due to the amount of traffic adjacent to their route.

Upon adoption of the master plan by the City Council in January 2011, KTU+A prepared and submitted a Bicycle Friendly Community application to the League of American Bicyclists in February 2011.

Firm Profile

IBI Group is a multi-disciplinary consulting organization, offering services since 1974. We are a leading international, multi-disciplinary provider of a broad range of professional services focused on the physical development of cities. IBI's business is concentrated in four main areas of development: Transportation, Urban Land, Facilities, and Systems. The integration of these disciplines within a single firm allows us to provide comprehensive professional services for a variety of projects. IBI Group ownership is shared between public Income Trust Fund Holders and the IBI Management Partnership. The IBI Management Partnership has responsibility for the firm's operation. Ownership of the IBI Management Partnership consists of roughly 90 active Directors and Associate Directors.

We offer a full range of architecture, engineering, and planning services to the public and private sectors. IBI Group currently employs over 3,100 persons in 80 offices across North America, Europe, Middle East, and Asia. IBI Group is in excellent financial health and no conditions exist that would impede its ability to provide the professional services for this contract. IBI Group is an ISO 9000 certified firm, Certificate Number FS 501660, Management Standard BS EN ISO 9001:2000.

IBI Group provides a full range of active transportation planning consulting services to public agencies including:

- Planning: IBI Group is at the forefront of pedestrian and bicycle planning. IBI Group's active transportation planning practice is anchored by a group of highly skilled and motivated individuals who bring extensive experience in the preparation of master plans, implementation plans, and complete street plans.

- Design: IBI Group's active transportation design capabilities include a full range of services from project/program management, to various facets of civil design. Our design capabilities and experience include the development of innovative concepts that are at the cutting edge of bicycle and pedestrian facility design.

IBI Group has over 150 professionals in California. The integration of our four disciplines provides a set of professional services for the comprehensive analysis of all aspects of transportation, transit, highway, streets, roads, goods movement and alternative modes planning, as well as project management.

Project Experience

Fourth District Bikeways Collaborative and Implementation plan

IBI Group was retained by OCTA to provide technical assistance and facilitate a series of meetings with members of the North Orange County Bikeways Collaborative, which included the cities of Anaheim, Brea, Buena Park, Fullerton, La Habra, Placentia, and Yorba Linda. Other stakeholders involved include Caltrans, County of Orange, South Coast Air Quality Management District, and various bicycle advocacy groups. The project focused on collaboration and cooperation among member agencies to identify regional bikeway priority projects. IBI Group also led the stakeholder outreach effort, meeting with staff from each of the seven cities involved in the Collaborative, and conducted a Stakeholder Roundtable and an Open House to engage members of the community in the process. The project has resulted in the identification of ten regional bikeway corridors that provide connections and safe access to employment centers, transit stations, and schools. Three "Focus Corridors" were identified to be carried forward for joint pursuit of grant funding opportunities and implementation. This project was also awarded a Compass Blueprint Award by SCAG for promoting walkable communities while enabling prosperity. IBI Group was selected subsequently by OCTA to lead the 4th District Bikeways Implementation Plan. This study is an extension of the 4th District Bikeways Collaborative to develop shelf-ready implementation plans for the top tier corridors identified by the Collaborative.

First & Last Mile Strategic Plan

IBI Group is currently assisting Metro and SCAG in the development of a First-Last Mile Strategic Plan, which will form the basis for a new Metro Active Transportation Policy. Spurred on by SCAG's visionary 2012 RTP/SCS, Metro is considering its role in the support of active transportation networks, and how such networks interface with the broader regional transportation network. The project aims to inform policies, goals and guidelines that will lead regional implementation efforts in the interests of transit connectivity, social justice and health.
IBI Group is moving beyond typical pedestrian and bicycle planning models, and looking more critically at the spatial and physical active transportation needs of all demographic groups, not just the young, and able. IBI has conducted a thorough review of Metro's 2011 System Wide On-Board Origin –Destination Study, and carefully considered the present and future active transportation needs of various transit dependent user groups. IBI Group is also preparing a Taxonomy of Mobility Devices, and together with the planning analysis developing a strategy for strengthening active transportation networks at all Metro station areas.

William Delo, AICP, Associate Transportation Planner

EDUCATION

- B.A. (Environmental Analysis and Design), University of California, Irvine, CA, 2000

REGISTRATION

- Certified Planner, American Institute of Certified Planners #019993)

Mr. Delo has over thirteen years of experience in transportation planning and traffic engineering. Mr. Delo is an experienced project manager, responsible for the successful completion of numerous projects ranging from traffic and parking studies to regional multi-modal transportation studies. His career experience has included extensive participation in public and agency outreach activities.

Fourth District Bikeways Collaborative, Orange County, CA
Mr. Delo was the project manager tasked with working collaboratively with seven North Orange County Cities and the County of Orange to identify and plan for regional bikeway priorities in this section of the county. The project involved identifying priority routes and working towards a more cooperative planning process for regional bike routes. The project received a Compass Blueprint Planning Award from SCAG.

Santa Ana General Plan Circulation Element, Santa Ana, CA
Mr. Delo is the deputy project manager of this current IBI Group effort to assist the City of Santa Ana in updating their General Plan Circulation Element. The update is being conducted to incorporate Complete Streets policies into the Element and to reflect current planning efforts for Streetcar in the city.

Agua Caliente Section 14 Complete Streets Plan, Palm Springs, CA
Mr. Delo is the project manager for this study focused on the development of a Complete Streets plan and vision for the Section 14 Master Plan. This study is being conducted for the Agua Caliente Band of Cahuilla Indians. IBI's role includes the development of the Complete Streets chapter for the Master Plan.

Metro First and Last Mile Study, Los Angeles, CA
Mr. Delo is the deputy project manager for this study effort focused on developing a set of guidelines and policies for planning for first and last mile access to regional transit stations. The study includes examining conditions for bicycle and pedestrian access at 12 Metro stations, and the development of design guidelines for future improvements.

Michigan Avenue Neighborhood Greenway, Santa Monica, CA
Mr. Delo is IBI Group's task lead for the conceptual design element for this project, which is focused on the implementation of a neighborhood greenway along Michigan Avenue, link the beach with Santa Monica HS and the Pico/Union neighborhood. Strategies include traffic calming, traffic circles, and other bike improvements.

Lydia La Point, P.E., LEED AP, Transportation Engineer

EDUCATION

- B.S. (Civil Engineering with a Minor in Information and Computer Science), University of California, Irvine, 2003

REGISTRATION

- Registered Civil Engineer - California 70858; Arizona 52638

Ms. La Point is a Transportation Engineer with nine years of experience in the Irvine office of IBI Group. Her depth and breadth of planning and engineering experience includes forecast analysis, grant funding, and the preparation of engineering plans, specifications and estimates. She has managed and prepared numerous traffic and parking analyses for a variety of land uses that included issues related to neighborhood traffic management, parking requirements, shared parking, alternative transportation, transit planning, and passenger car equivalent analysis.

Fourth District Bikeways Collaborative, Orange County, CA
This project identifies and plans for regional bikeway priorities in this section of the county. The project involved working with staff and bicycle advocates from each city to identify priority routes and work towards a more cooperative planning process for regional bike routes that would cross jurisdictional boundaries. Ms. La Point was the task lead for the development of conceptual design plans prepared for two bikeway corridors.

Pasadena Road Diets Study, Pasadena, CA
This study was prepared for the City of Pasadena to test the effectiveness of Road Diets in reducing speed and improving safety. Road Diets involve the removal of existing traffic lanes and allocating newly available street right-of-way to left turn lanes, bicycle lanes, and/or improved pedestrian facilities, including: sidewalks, median refuges, and landscaping. Ms. LaPoint utilized the CompleteStreets software package to analyze conditions.

Figueroa Corridor Streetscape Project, Los Angeles, CA
The Figueroa Corridor Streetscape Project is exploring streetscape and separated bicycle lane opportunities along Figueroa Street between 7th Street and 41st Street. Ms. La Point prepared the traffic analysis for the each of the alternatives, and developed preliminary striping and signal plans for the preferred alternative.

Santa Ana Circulation Element Update, Santa Ana, CA
IBI Group is assisting the City of Santa Ana in the update of their General Plan Circulation Element. It involves a complete evaluation of the Master Plan of Streets and Highways and development of a Bicycle and Pedestrian Master Plan. Ms. La Point is working on the traffic analysis and technical report associated with the update.

Staffing Plan

KTU+A has a dedicated mobility team for active transportation projects such as bicycle, trail and pedestrian master plans. Collectively, this team has prepared more than 30 active transportation plans in San Diego, Riverside, San Bernardino, Orange and San Luis Obispo Counties. The team includes:

- *Principal Planner Mike Singleton*: responsible for contract administration, project oversight and quality control
- *Project Manager John Holloway*: responsible for coordination with the City of Moreno Valley, management of the KTU+A in-house and subconsultant team, public outreach facilitator
- *Mobility Planners Joe Punsalan and Catrine Machi:* responsible for GIS analysis, research and development of recommendations, public outreach support

Current and Anticipated Commitments:

Mike Singleton (KTU+A)

- Salinas River Trail Master Plan - complete October 2013
- City of Encinitas Coastal Rail Trail - complete December 2013
- SANDAG Vanpool and Carpool Study - complete June 2013
- City of Temecula Multi-Use Trails and Bikeway Master Plan - Start May 2013

John Holloway (KTU+A)

- Salinas River Trail - complete October 2013
- City of Encinitas Coastal Rail Trail - complete December 2013
- City of Huntington Beach Bicycle Master Plan - complete May 2013
- City of Temecula Multi-Use Trails and Bikeway Master Plan - Start May 2013

Joe Punsalan (KTU+A)

- National City SMART Foundation - complete March 2014
- City of Huntington Beach Bicycle Master Plan - complete May 2013
- City of Temecula Multi-Use Trails and Bikeway Master Plan - Start May 2013

Catrine Machi (KTU+A)

- City of Huntington Beach Bicycle Master Plan - complete May 2013
- City of Temecula Multi-Use Trails and Bikeway Master Plan - Start May 2013

Bill Delo (IBI)

- OCTA District 1 & 2 Bikeways Strategy - complete June 2014
- Santa Ana Circulation Element - complete December 2013
- Yosemite Mariposa Grove Visitor Shuttle Operations Study - complete July 2013

Lydia La Point (IBI)

OCTA District 1 & 2 Bikeways Strategy - complete June 2014

- Figueroa Streetscape Plan - complete June 2013
- Yosemite Mariposa Grove Visitor Shuttle Operations Study - complete July 2013

David Aulwes (IBI)

- Michigan Avenue Neighborhood Greenway - complete December 2013
- Santa Monica Bicycle Lane - complete July 2013
- Tri-Met On-Call - complete September 2013

Project Scheduling and Budgeting

KTU+A utilizes Microsoft Project for milestone tracking and progress. A Project Critical Path will be provided including all tasks. Specific dates for near term tasks will be agreed upon with the City. The Microsoft Project schedule will be updated monthly and a summary of completed tasks and progress percent per phase will be provided for the quarterly reports. In addition to Microsoft Project, KTU+A utilizes Deltek "Vision" as an accounting, invoicing and resource leveling software tool. This tool is used on a weekly basis to schedule all staff and to check on the progress of milestones and project budgets. KTU+A assures best project management practices within the firm through guidelines developed internally to provide in-house continuity and standards.

Task 1: Project Initiation

Kick-Off meeting and developing work plan

Upon contract award, a kick-off meeting with the City will be scheduled within two weeks after receipt of the notice to proceed. The kick-off meeting will address project objectives, detailed work plan, public participation, project schedule, data collection and system inventory. This will be an opportunity to fine-tune the work plan and schedule to fit City needs.

Task 2: Public Process

Public Workshop #1: Provide Bicycle Master Plan overview, vision and goals and gather input

The first public workshop will be conducted to begin developing project vision, goals and objectives. Existing facilities, opportunities and constraints will be presented to begin soliciting feedback on improvements needed for these facilities and for developing new ones. The public comments will assist in developing recommendations, identifying potential projects and determining the level of community awareness.

Public Workshop #2: Present existing conditions/gather public input

The second public workshop will present the results of the data collection effort and needs assessment process to solicit comments from the public regarding issues, concerns and recommendations regarding the existing and proposed bicycle facilities. Recommended programs and policies will also be presented to gather feedback on what kind of programs and policies the public would like to see to improve the City's cycling environment.

Public Workshop #3: Present preliminary plan to the stakeholders

The third workshop will be held at the recommended projects stage of the planning process. The recommended projects will be presented to the stakeholders to fine-tune the plan. The Final Bicycle Master Plan will summarize and reflect the results of the public participation input.

KTU+A will reach out to unique communities of interest, including cyclists, pedestrians and transit users at the workshops. These workshops will also be an opportune time to provide educational materials and outreach to attendees. KTU+A's team has three League Certified Instructors (LCIs) that can assist those wanting more information and education regarding safe cycling. KTU+A can assist in producing materials with the help of the Stakeholder Group to educate new and less experienced cyclists.Spanish translation will be available at the workshops.

Added Value: KTU+A communicates complex issues through informative graphics, such as large-scale maps and 3D models. Many of these graphics have been compiled for other projects and will allow the team to spend time on the specifics of this scope instead of preparing materials for general communication. This includes presentation materials and mapping, as well as tables and charts that help to explain the issues and solutions related to bikeways and related facilities.

Develop on-line survey

KTU+A will develop an on-line survey and a map-based input tool for community input. The map-based on-line tool will allow the public to pinpoint areas of concern and provide comments about these locations. Past experience has shown that on-line surveys are an efficient way to gather relevant information. They allow those who cannot attend the public workshops or are hesitant to speak in public to voice their concerns. Surveys will be on-line until the production of the first draft. The on-line survey can also be provided in Spanish.

Stakeholder Group meetings

KTU+A will coordinate with the City to identify and develop a Stakeholder Group. Meetings with the Stakeholder Group will be held as needed to ensure the Bicycle Master Plan is progressing in concert with other ongoing projects in the City. Team members will attend a maximum of four (4) Stakeholder Group meetings at the discretion of the City's project manager.

Deliverables: List of prospective workshop attendees, meeting summaries project vision/goals, facility opportunities and constraints and summaries including stakeholder suggestions.

Task 3: Data Collection and Analysis

3.1 Review and inventory existing facilities, including bike parking

a. Collect GIS and CAD data

KTU+A will collect GIS data for Riverside County Transportation & Land Management Agency (TLMA) and SCAG and will supplement the data with that of the City's. Once data needs have been established, KTU+A will collect, create and assemble GIS mapping of existing multi-use paths, bicycle lanes and routes, connections to current trails, bicycle parking facilities, transit service network, key community destinations (schools, libraries, parks, pedestrian districts, community centers, churches, employment centers, etc.), and the important connections between these alternative transportation networks and the destinations where City residents live, work and play, both locally and regionally.

b. Conduct existing conditions mapping

With the data collected, KTU+A will create base maps for initial field work and identify any data gaps or other needs to complete the plan. These datasets are essential for field work, presentations, analysis, public workshops and the report. KTU+A is familiar with relevant state and federal laws, especially as they apply to bikeways and trails. We will prepare the necessary maps to satisfy state requirements for bicycle transportation plans and also include a section in the final plan that provides a checklist of the California Streets and Highways Code section 891.2 requirements noting their location in the document.

When the initial mapping exercise and model development has been completed, field investigations will mostly consist of cycling throughout the City to get a "cyclist's perspective" of how the facilities function, individually and as a whole. KTU+A will encourage members of the Stakeholder Group to join our field investigations to show us areas they know are of concern to cyclists.

In what condition are the facilities? Do they meet standards? What aspects of the facilities feel unsafe? What are possible solutions? These are questions that often can only be analyzed by experiencing the facilities themselves. The team will identify missing links, extensions and safe routes to schools, parks, employment centers, retail and transit, as well as inventory bicycle push buttons and bicycle detector loops. Connections to existing and planned facilities in adjacent jurisdictions will also be identified. In some instances, solutions to problems may need to be innovative for conflicts to be mitigated. KTU+A will identify potential innovative, cost-conscious and practical solutions to mobility issues.

Bicycle parking is an issue in many cities. There is usually not enough or it is not located in the areas where it is most needed. Recently, KTU+A has inventoried bicycle parking for similarly sized cities such as Chula Vista and Huntington Beach and developed cost estimates and recommendations for proper installation to improve bicycle parking. KTU+A has also created materials for volunteers to survey bicycle parking. This same effort can be conducted for this project. The data will be compiled and organized for delivery to the City at the end of the project.

c. Conduct bicycle counts

The second proposed data collection effort will focus on counting peak period bicycle activity at up to ten (10) locations across the city. IBI Group will coordinate and schedule these counts at selected locations, such as those with a history of bicycle-related collisions or those identified by the Stakeholder Group. This data will then provide baseline bicycle activity levels, and can also be utilized to normalize the bicycle collision data, thus allowing the City to understand the true collision rate. Counts could be repeated annually at the same locations to track both activity levels and collision rates. This data from both of these tasks are especially valuable to support future grant applications.

3.2 Review existing documents

KTU+A will review and summarize existing goals, objectives and policies concerning bicycle facilities and programs included in the City's current General Plan Circulation and Infrastructure Elements, WRCOG Non-motorized Transportation Plan, Compass Blue Print Plans, Regional Transportation Plan, Sustainable Communities Strategy and adjacent cities' bicycle master plans. Analysis of the existing bicycle program will reference the checklist of required elements for bicycle transportation plans in the California Streets and Highways Code section 891.2.

3.3 Identify other transportation modes within City

This task will identify and document the range of travel modes available within the City of Moreno Valley, with particular emphasis on identification of local, regional and inter-regional transit services. These services include Riverside Transit Agency (RTA) bus service, Metrolink commuter rail and Amtrak inter-city bus service. KTU+A's subconsultant, IBI Group, will lead this task, drawing on the firm's extensive knowledge of transit systems and transit system operations within Riverside County and southern California. IBI has been involved in several transit studies for Western Riverside County, including the completion of a comprehensive operational analysis for RTA and a bus rapid transit study for WRCOG. IBI will be responsible for collecting the appropriate data on headways, service and ridership from each of the transit operators offering service in the city.

The objective in identifying these transit services, as well as the stops, stations, frequencies and other pertinent information, is to identify how the City's bicycle network can provide improved and safe connections with the local and regional transit network. In the review of regional documents and transit services, IBI will focus on strengthening first and last mile connections to transit stations for cyclists. Linking bicycle routes and infrastructure to transit services expands the potential travel distance for cyclists and can help to encourage more cycling and use of transit for commute and non-commute trips. IBI has been working recently with LA Metro and SCAG on a first-last mile strategic plan for transit stations in Los Angeles County. Their work on this project highlights the importance of strengthening these connections between active transportation and transit to promote travel by both modes. Included within this work effort is the identification of best practices and street design guidelines for improving bicycle access to transit. Many of the lessons learned from this effort can be applied to Moreno Valley.

In this task, all transit routes, stations, and stops will be identified on a map of the City. This map can then be overlaid on the bicycle network map developed in subsequent tasks to identify and strengthen connections between the planned bicycle network and transit services. Information related to service frequency, destinations and connections served and span of service will also be documented in a matrix to be used as part of network development and evaluation process.

3.4 Review bicycle facility state of practice

KTU+A will review information regarding the City, regional and national bicycle facility state of practice, not just bicycle facilities, but for Complete Streets, including bicycle and accessible pedestrian facilities, and transit supporting infrastructure. KTU+A's has experience with planning and designing innovative bicycle facilities such as those found in the NACTO Urban Bikeway Design Guide and the AASHTO Guide for the Development of Bicycle Facilities. These documents will be utilized to bring Moreno Valley up to date with the most current state of bicycle planning practices. KTU+A will provide descriptions and diagrams of design standards, a map of proposed street classifications with text descriptions and will suggest tools and techniques to reduce barriers to individuals choosing alternative travel modes.

The team will focus on integrating the goals and objectives of these separate initiatives to form a cohesive and comprehensive statement of the City's goals, policies and programs for a "Complete Streets" approach to transportation. We know that

community health is linked to community design; it is know recognized that supporting bicycling and walking - and the policies and practices that affect them – is a public health, environmental, safety and welfare issue.

Added Value: *Develop GIS-based suitability index for analysis*
KTU+A developed and maintains a current GIS-based Bicycle Suitability Index for bicycle planning. This model provides an objective tool to assist in recommending and ranking projects. KTU+A will develop a GIS model for the initial field work, evaluation and ranking of bicycle facility projects. The model incorporates data such as demographics, collisions and activity centers to assist in project ranking and to identify areas that warrant further investigation for need or improvement of bicycle facilities. This model will be used for the Moreno Valley Bicycle Master Plan, the ability to objectively prioritize proposed projects directly supports future City grant applications.

Research bicycle related collisions: KTU+A will collect and analyze the City's bike-related collision data to identify education needs to improve driver/cyclist education. Data will be collected through the California Highway Patrol's Statewide Integrated Traffic Records System (SWITRs). Collision data provides insight into patterns of unsafe bicycling environments, such as time of day, time of year and how they relate to location. This can highlight a need for increased education for students riding their bike to school, for example. Additionally, a pattern of locations like mid-block versus intersection crashes can reveal localized problems with visibility, engineering or driver education. A pattern of crashes resulting from wrong-way cycling may suggest additional cyclist education programs focused on correcting this dangerous activity.

Deliverables: Summary memos, maps and exhibits

Task 4: Bicycle Master Plan Development

4.1 65% Draft Bicycle Master Plan

The KTU+A team will incorporate pertinent comments and changes from the reviewers into the 65% Bicycle Master Plan. The comments will be compiled by the City before they are sent to KTU+A for incorporation.

Subtask A: Engineering: *Identify deficiencies/issues/conflict areas and provide solutions*
The team's planners are regular cyclists of varying experience types and abilities. With our hands-on approach to field work, we will ride throughout the City ourselves and base our analysis on a cyclist and pedestrian's perspective, as well as from a professional planning standpoint.

Based upon the findings of the existing conditions and resulting needs, KTU+A will develop solutions to missing connections, barriers and conflict points that may be deterring residents from cycling more. Our cycling experience, along with our extensive experience in preparing local bicycle and pedestrian plans, will provide the City of Moreno Valley with state-of-the-art, feasible, functional and implementable solutions.

a. Develop vision, goals and objectives
From input gathered from the Stakeholder Group meetings and public workshops, KTU+A will develop and refine plan vision, goals and objectives. A thorough review of plans, such as the City's General Plan, will be conducted to assure compliance with existing City documents. These visions, goals and objectives will be amorphous as public feedback is gathered. Other elements of the General Plan and related City documents will be reviewed for consistency and integration. Regional and adjacent city bicycle plans will also be reviewed and incorporated where applicable.

b. Develop recommended bikeway projects (including bike parking)
KTU+A will analyze all the existing data, GIS model, public and Stakeholder Group input to develop recommendations to improve the bicycle network.

Bikeway project development will include identifying and closing the City's bikeway network gaps and utilizing opportunities along flood channels, active or abandoned railways, power lines and other utility easements. Connections to schools, employment areas, public facilities, parks, bus and transit stops and adjacent city facilities are all components of bikeway facility recommendations. Other factors, such as traffic volumes, speed limits, bicycle-related collisions, project cost and feasibility, are additional elements analyzed for project development. Public input plays a significant role in determining the best routes throughout a city. Local knowledge of everyday cycling situations in Moreno Valley is some of the most important information we consider.

Individual project sheets will be developed to provide the details necessary for implementation. Details may include suggested lane widths, traffic calming treatments, signage, street crossing improvements and flood channel and power line easement alternatives. In addition, this task includes the identification of amenities to further encourage cycling in Moreno Valley, such as bicycle lockers or racks and proposed locations for each amenity. The City will review these projects for feasibility prior to ranking and cost estimating.

c. Prioritize recommended bikeway projects and cost estimates
The prioritized projects will be listed by facility type and include opportunities and constraints, improvements and cost estimates. The prioritization process includes results from the Bicycle Suitability Index and other metrics such as system gaps, collision rates and safety concerns. Depending on the project needs, cost estimates include improvements such as painted lane treatments, intersection controls and additional signage.

When the prioritized projects are approved for each facility type, an implementation process can be developed. This process can include:

- Propose a phasing strategy to implement on-street bike lanes incrementally
- Identify high demand/priority routes and destinations that should be implemented first
- Identify existing infrastructure projects already approved to incorporate bike facilities
- Prioritize the remaining routes to be built after high priority routes are completed
- Identify national, state and local funding sources available to implement bike lanes
- Identify other funding ideas/mechanisms being utilized in other communities
- Strategize ways to market cycling as a means of transportation and incentivize developers to incorporate bicycle friendly design into their developments

d. Caltrans BTA requirements
Items a-k in the Caltrans Bicycle Transportation Account Code Section 891.2 Compliance will be addressed throughout the 65% submittal phase.

Subtask B: Evaluation and planning
Under this task, KTU+A will focus on two key subtasks – bicycle facility and travel evaluations and policy/municipal code evaluations. Each of these subtasks is described below.

a. Needs and demand: Bicycle facility and travel evaluation
Two key data collection efforts will support an evaluation of bicycle facility and travel in the City: development and distribution of an on-line survey and the peak period bicycle counts.

Summarizing the public input, on-line survey and bicycle counts will provide an important baseline riding behavior and preferences database of Moreno Valley's residents. The survey can be re-administered at three to five year intervals and incorporated into an active transportation performance monitoring report that can serve as a bicycle promotional piece oriented toward elected officials, city staff and community members.

b. Policy evaluation
This subtask will focus on three key components: an evaluation of existing educational and enforcement programs; a review of current municipal codes; and development of a performance-monitoring program. Each of these efforts is described below.

KTU+A will utilize the Stakeholder Group's knowledge to understand the City's full spectrum of existing bicycle educational and enforcement programs. We will assemble our findings, along with information about preferences obtained from the on-line survey, and draft recommendations for the City to enhance and expand its approach to education and enforcement.

KTU+A will review the current municipal code for bicycle parking requirements and compare it against national best practices. Recommendations will be made for modifications to the municipal code to enhance the provision of bicycle parking as new development and redevelopment occurs.

KTU+A will develop a performance-monitoring plan, including a set of desirable bicycle travel and facility indicators that can ideally be incorporated into the circulation element. Performance measures, along with the necessary data types, will be identified. As part of this planning effort, the baseline values for some of the indicators can be calculated and documented. The performance-monitoring plan will provide a framework for future and on-going bicycle-related data collection to support a thorough understanding of cyclists' needs and progress towards increasing citywide cycling rates and safety.

c. Estimation of existing and future bicycle commuters
KTU+A will use American Community Survey, SCAG regional forecasts and Census 2010 data to estimate existing bicycle commuters and other mode shares. Formulas based on increasing bicycle mode shares will be utilized to estimate Moreno Valley's future bicycle commuter increase. The bicycle counts will also be used as baseline information to develop guidance in monitoring improvements as bikeways get implemented.

Estimation of other mode shares, vehicle miles reduced, and air quality benefits will also be included as required by SB 375.

d. Map production
Maps of existing and future conditions will be developed and incorporated into the report and public workshops. All map production will be completed using ArcGIS 10.1 with Spatial and Network Analyst extensions. Data will be compiled and delivered at the end of the project.

Subtask C: Education
a. Identify City's current bicycle programs
KTU+A will work with City staff and Stakeholder group members to identify and summarize the City's current bicycle education programs. These programs may be administered by the City, local schools, and police department.

b. Coordinate with City and Stakeholders on efforts for increased education
KTU+A will coordinate with stakeholders to review current bicycle programs to identify where efforts to increase education would be best directed. Stakeholder groups are often a unique combination of individuals and the organizations and departments they represent. This collaboration can bring to light innovative approaches to increasing education.

c. Develop recommendations for educational opportunities
KTU+A will provide recommendations for bicycle education programs employing background research, experience and brainstorming. However, these recommendations fall short without local champions to engage in these efforts. KTU+A will coordinate with the Stakeholder group to identify programs and ideas more likely to move forward. With this refinement, KTU+A can focus more on applicable recommendations.

Subtask D: Enforcement
KTU+A recommends including law enforcement representation in the Stakeholder group since they play a critical role in the educational and enforcement aspects of improving cycling. When law officers cite cyclists for violations, they also have the opportunity to provide timely educational insight.

KTU+A will evaluate current enforcement programs and other programs currently in place or planned. With LCIs on the team, KTU+A is well versed in the rights and obligations of cyclists. With the team's knowledge of the different enforcement methods of promoting cycling safety in southern California, we can suggest successful programs and provide additional recommendations to aid the City's ongoing efforts.

The team will look at ways to support equitable and general enforcement, identifying areas of improvement for existing enforcement efforts and to provide materials to support these efforts. Reviewing applicable City codes will be a part of this task, as well as providing recommendations to improve codes and policies to target enforcement, safety enhancements, effectiveness and cycling convenience.

Subtask E: Encouragement: *Research incentive programs, increased awareness and community events to increase ridership and research local cities and adjacent counties on their encouragement efforts*
KTU+A will assist with brainstorming for ideas to encourage cycling in Moreno Valley by researching ideas regionally, from across the nation and even internationally. We can provide unique insight as to how other encouragement efforts have been implemented. Additionally, KTU+A bicycle planners are all members of the Association for Pedestrian and Bicycle Professionals (APBP). This organization provides a wealth of knowledge about what does and does not work for bicycling in cities across the nation and in other countries.

a. Develop recommendations to encourage more bicycle ridership
KTU+A will coordinate with the City and Stakeholder Group to sift the many brainstormed ideas into a list of feasible opportunities for encouragement programs.

Subtask F: Equity
Equity is the newest 'E' to be added to the standard Es. The demographic diversity of Moreno Valley must be taken into account when planning facilities to assure that all user needs are considered. Equity will focus on assessment and recommendations that serve the diverse population and those that cycle or walk out of necessity. Because over 50% of the City's population is Hispanic, providing both Spanish and English versions of surveys, flyers and other media will be very important. KTU+A will create workshop media in both Spanish and English and will provide translation services at workshops.

We will follow direction from the City regarding what to include from the City's social and environmental justice analysis in this portion of the plan.

a. Update grant funding sources
Bicycle Transportation Account compliance requires a description of past expenditures for bicycle facilities and future financial needs for projects that improve safety and convenience for bicycle commuters in the plan area. KTU+A will compile the necessary financial information provided by the City and combine it with the implementation plan cost estimate and prioritization to fulfill this requirement and provide the City with a user-friendly template to begin planning to fund the recommended bicycle projects.

KTU+A updates our funding sources as new ones are created and older ones end. This provides the City with the latest information to apply for grants to begin planning and construction of bikeway projects. The KTU+A team has experience in grant writing and can work the City with writing a grant at the end of the project.

b. Design Guidelines
KTU+A has developed a toolbox for bicycle facilities to assist our clients in visualizing what possible solutions are needed. The toolbox meets Caltrans and Complete Street design guidelines, as well as provides innovative solutions such as those from the NACTO Urban Bikeway Design Guide and the AASHTO Guide to the Development of Bicycle Facilities. The comprehensive toolbox contents will be updated to meet the City's needs.

c. Draft Plan Preparation
The KTU+A team will prepare a 65% Draft Bicycle Master Plan that provides complete documentation of the project as previously described. The draft plan will include pertinent background information, all the analysis done to date, GIS mapping of existing and proposed bicycle facilities, goals, policies, cost estimates and recommended programs for the Six Es.

Deliverables: 65% Draft Submittal. Five (5) hardcopies and one PDF

4.2 90% Draft Bicycle Master Plan
The KTU+A team will incorporate comments and changes and submit a 90% Draft Plan for staff review. This plan may be posted on the city's web site for an informal review. Review will be for minor corrections since the plan should basically be complete by this time. The 90% draft will include updated cost estimates for the recommended improvements and an updated implementation plan identifying funding opportunities that reflect any changes since the earlier draft.

Deliverables: 90% Draft Submittal. Five (5) hardcopies and one digital PDF

4.3 Final Bicycle Master Plan
The final plan will be submitted for Planning Commission and City Council review and approval. Design guidelines, cost estimates, and the implementation plan will be included.

Deliverables: Final Draft of the Bicycle Master Plan. Five (5) copies and one PDF

Added Value: Graphic clarity: The plan will be assembled using Adobe® InDesign® software that supports effective integration of photographs, tables, text, maps and digitally connected tables of contents, lists of figures and indexes. The outcome is a product easy to understand, informative and useful.

KTU+A communicates complex issues through informative graphics such as large-scale maps and 3D models. Many of these graphics have been compiled for other projects and will allow the team to spend time on the specifics of this scope instead of preparing materials for general communication. This includes presentation material,s as well as tables and charts that explain the issues and solutions related to bicycle and related facilities.

4.4 Adoption of Master Plan

Planning Commission Public Hearing: KTU+A will provide support for staff presenting the final plan for Planning Commission and Parks and Recreation Commission consideration and recommendation of approval to the City Council. This meeting will be noticed as a public hearing and the public will have an opportunity to comment and speak on behalf or against the plan.

City Council Public Hearing: The master plan will be considered by the Moreno Valley City Council for approval and adoption. This meeting will be noticed as a public hearing and the public will have an opportunity to comment and speak on behalf or against the plan.

Deliverables: Approved Moreno Valley Bicycle Master Plan, Five (5) hardcopies and one digital PDF copy

Task 5: Project Management and Administration

As the project progresses, KTU+A will provide quarterly progress reports to the City Project Manager, which will include the following information:

- Status of work completed to date
- Work anticipated to be completed in the next reporting period
- Problems/obstacles identified during this period
- Updated project schedule
- Outstanding issues (items would remain on this list until resolved)

Deliverables: Quarterly progress reports, agendas, meeting minutes, detailed project schedule

Project Schedule

Quality Control and Assurance Plan

Principal involvement in our projects ensures that the design integrity is upheld, while the project meets all applicable codes, restrictions and regulations. KTU+A delegates assignments to staff with the necessary experience and skill to meet the project requirements and/or assure that those tasked with the project are trained effectively. KTU+A has a written Quality Control Plan with specific procedures that are supervised by the principals of the firm to ensure completeness, accuracy, well-coordinated plans and documents that meet the client's scope and expectations.

KTU+A's quality assurance plan is summarized as follows: KTU+A has a comprehensive Quality Control Plan that is implemented at specific project phases (see below);

- KTU+A starts with a clear understanding of project requirements and client needs prior to commencing work;
- KTU+A, the client and the consultant team schedule regular review meetings to discuss project issues, requirements, budgets, schedules, design parameters and progress;
- The KTU+A project manager maintains close communications with in-house support staff and client;
- Submittals by KTU+A to the client are scheduled to allow a complete plan check and coordination review before each formal submittal;
- KTU+A uses an in-house third party review procedure to ensure the effectiveness of our Quality Control Plan.

Insurance

KTU+A has comprehensive general liability policy with an aggregate total of $2,000,000. We also maintain a Professional Liability Error and Omissions policy with an aggregate claim limit of $2,000,000.

KTU+A Quality Control Plan

KTU+A has no lobbying activities to disclose

CITY - SERVICES TO BE PROVIDED

TO CONSULTANT

1. Furnish the Consultant all in-house data which is pertinent to services to be performed by the Consultant and which is within the custody or control of the City, including, but not limited to, copies of record and off-record maps and other record and off-record property data, right-of-way maps and other right-of-way data, pending or proposed subject property land division and development application data, all newly developed and pertinent design and project specification data, and such other pertinent data which may become available to the City.
2. Provide timely review, processing, and reasonably expeditious approval of all submittals by the Consultant.
3. Provide timely City staff liaison with the Consultant when requested and when reasonably needed.

TERMS OF PAYMENT

1. The Consultant's compensation shall not exceed $134,381.00.

2. The Consultant will obtain, and keep current during the term of this Agreement, the required City of Moreno Valley business license. Proof of a current City of Moreno Valley business license will be required prior to any payments by the City. Any invoice not paid because the proof of a current City of Moreno Valley business license has not been provided will not incur any fees, late charges, or other penalties. Complete instructions for obtaining a City of Moreno Valley business license are located at: http://www.moval.org/do_biz/biz-license.shtml

3. The Consultant will electronically submit an invoice to the City upon completion of the defined milestones for progress payments along with documentation evidencing services completed to date. There will be no monthly invoice payments unless specifically identified otherwise below. These Milestones are:

    1. Public Outreach complete.
    2. Data Collection and Analysis complete.
    3. 65% Draft Master Plan complete.
    4. 90% Draft Master Plan complete.
    5. Master Plan Adoption.

The City shall make sole and final determination if a milestone as described above is complete and acceptable for payment. At no time will the City pay for more services than have been satisfactorily completed and the City Engineer's determination of the amount due for any progress payment shall be final. The consultant will submit all original invoices to Accounts Payable staff at AccountsPayable@moval.org. Accounts Payable questions can be directed to

(951) 413-3073. Copies of invoices may be submitted to the Capital Projects Division at miab@moval.org or calls directed to (951) 413-3155.

4. The Consultant agrees that City payments will be received via Automated Clearing House (ACH) Direct Deposit and that the required ACH Authorization form will be completed prior to any payments by the City. Any invoice not paid because the completed ACH Authorization Form has not been provided will not incur any fees, late charges, or other penalties. The ACH Authorization Form is located at: http://www.moval.org/city_hall/forms.shtml#bf

5. The minimum information required on all invoices is:

   A. Vendor Name, Mailing Address, and Phone Number
   B. Invoice Date
   C. Vendor Invoice Number
   D. City-provided Reference Number (e.g. Project, Activity)
   E. Detailed work hours by class title (e.g. Manager, Technician, or Specialist), services performed and rates, explicit portion of a contract amount, or detailed billing information that is sufficient to justify the invoice amount; single, lump amounts without detail are not acceptable.

6. The City shall pay the Consultant for all invoiced, authorized professional services within forty-five (45) days of receipt of the invoice for same.

CITY ATTORNEY	
CITY MANAGER	

Report to City Council

TO: Mayor and City Council

FROM: Richard Teichert, Chief Financial Officer

AGENDA DATE: June 25, 2013

TITLE: FINAL APPROPRIATION FOR CAPITAL PROJECTS FUNDED BY THE 2007 TAX ALLOCATION BONDS

RECOMMENDED ACTION

Recommendations:

1. Approve the final appropriation for capital projects funded by the 2007 Tax Allocation Bonds as presented in Attachment 1.

2. Approve the creation of the Capital Project Reimbursement Fund (Fund 3008) to record the receipt of federal, state and local project reimbursements and appropriate the revenues and expenses presented in Attachment 1 in the amount of $834,525.

BACKGROUND

On November 29, 2007, the City's Redevelopment Agency (RDA) issued $41.6 million in Tax Allocation Bonds (TAB), Series A, to fund an important list of capital projects to improve traffic circulation, upgrade important infrastructure and to enhance the overall quality of life in the community.

DISCUSSION

The list of projects was amended on January 13, 2009, to represent the current list of approved projects to be completed from TAB proceeds. The City was challenged, upon this amendment, to complete the projects within timeframes required by IRS code. Staff worked expediently to move the projects forward quickly to meet the primary requirement to expend 85% of the bond proceeds by the 5 year anniversary of the

bonds to prevent the IRS from determining the bonds to be “hedge bonds”. Staff has worked with the IRS over the past several months to mitigate the penalties for not complying with the 5 year expenditure requirement by June 30, 2013. As staff is moving quickly to complete the remaining projects, primarily the Nason Bridge and the Moreno Beach Off-ramp projects, there is a need to administratively shift funds between these projects to ensure there is adequate budget in the correct project funds to keep the projects on track to rapid completion.

This staff report is recommending the City Council approve the shift of funds between the approved projects to accomplish administrative requirement. The most recent project budget approvals are included in the Capital Improvement Program budget appropriations. See Attachment 1 for the recommended shift of funds between projects to complete the final expenditure of bond proceeds. There is no additional request for funding.

Staff is anticipating federal reimbursements for both the Nason Bridge and Moreno Beach Off-ramp projects. Staff is recommending the creation of the Capital Project Reimbursement Fund (Fund 3008) to record the receipt of federal, state and local project reimbursements. Staff is recommending approving the appropriation of expected revenues and expenditures as presented on Attachment 1. This will allow the completion and close-out of these projects as the final funding source.

ALTERNATIVES

Not applicable

FISCAL IMPACT

The staff recommendations allow the completion of expenditures from TAB proceeds to complete needed projects that are nearing completion. The recommended appropriation changes from TAB funds reallocates funds between projects and provides no additional funding for the projects. Approval of the recommended TAB appropriation changes will allow staff to complete negotiations with the Internal Revenue Service to resolve pending issues regarding the timely expenditure of bond proceeds.

Creation of the Capital Projects Reimbursement Fund will allow staff to receive project reimbursements from a variety of local, federal and state sources and provide a fund for the appropriation of these funds.

There is no impact to the General Fund based on the staff recommendations.

CITY COUNCIL GOALS

Public Facilities and Capital Projects. Ensure that needed public facilities, roadway improvements, and other infrastructure improvements are constructed and maintained.

SUMMARY

On November 29, 2007, the City's Redevelopment Agency issued $41.6 million in Tax Allocation Bonds, Series A, to fund an important list of capital projects. The projects are nearing completion. A final allocation of bond proceeds between the remaining active projects will allow staff to proceed with completion of the projects and final expenditure of bond proceeds.

The City also receives funding reimbursements from federal, state and local sources. Staff is recommending the creation of a Capital Projects Reimbursement Fund to receive and track the receipt and expenditure of these capital project funds.

Report to City Council

TO: Mayor and City Council

FROM: John Terell, Interim Community & Economic Development Director

AGENDA DATE: June 25, 2013

TITLE: RESOLUTION TO RATIFY THE APPLICATION FOR THE 2013 EDWARD BYRNE MEMORIAL JUSTICE ASSISTANCE GRANT PROGRAM (JAG) AND TO ACCEPT THE $60,317 ALLOCATION TO THE CITY

RECOMMENDED ACTION

Recommendations: That the City Council:

1. Approve Resolution 2013-58 to ratify the application by the Code & Neighborhood Services Division for the Edward Byrne Memorial Justice Assistance Grant (JAG) and to accept the $60,317 allocated to the City. A Resolution of the City Council of the City of Moreno Valley, California, Approving the Grant Application Submitted by the Code & Neighborhood Services Division to the Office of Justice Programs for the Edward Byrne Memorial Justice Assistance Grant and Accept the $60,317 Allocation.
2. Authorize revenue and expenditure budget appropriations of $60,317 respectively to a new JAG Grant Fund for FY 2013-14.

ADVISORY BOARD/COMMISSION RECOMMENDATION

Not applicable.

BACKGROUND

The U.S. Department of Justice, through the Office of Justice Programs, provides Federal leadership for the development of programs nationally aimed at preventing and suppressing crime. This effort is carried out through the formation of partnerships with other Federal, state and local agencies. Additionally, the Office of Justice administers

grants that assist states, tribes and local governments to focus on programs that address youth crime, substance abuse, family violence and other enforcement needs, the prosecution of offenders, crime prevention and education of the community.

In June 2013, U.S. Department of Justice, Office of Justice Programs' Bureau of Justice Assistance awarded the 2013 California JAG allocations. For fiscal year 2013/2014 the JAG Program allocated a total of $445,413 to Riverside County, including $60,317 awarded to the City of Moreno Valley, as a sub-grantee, with an emphasis on crime prevention through enforcement efforts. Ten percent of the grant allocation ($6,038) will be paid to the Riverside County Sheriff's Department to offset the department's costs associated with being the Fiscal Agent of the grant.

Moreno Valley's Code and Neighborhood Services Division is proposing to continue the use of remaining 90% of JAG grant ($54,285) to fund the City's Weekend Code Enforcement Program and the Foreclosure Strike Team. The two programs allow for the provision of code enforcement services seven days a week and a focus on preventing blight through proactive enforcement on pending and completed foreclosures.

DISCUSSION

Since January 1, 2009, the Code and Neighborhood Services Division has experienced the loss of several positions due to budgetary constraints. Community demand for services has increased during this time due to home foreclosures and deferred property maintenance by area residents. As a result, Code staff has experienced difficulty in their ability to maintain service levels and pursue specialized enforcement activities proactively.

Code personnel began searching for additional funding sources to augment traditional funding resources aimed at maintaining the integrity of its neighborhoods. Code staff applied for 2009, 2010, 2011 and 2012 JAG allocations respectively and has subsequently been awarded a total of $378,879 to support the City's Weekend Code Enforcement Program and Foreclosure Strike Team.

To date, staff has expended approximately $303,043 of the total JAG funds awarded and anticipates that the remaining funds will be expended prior to the end of FY 2013/2014.

Staff is proposing to apply for the 2013 allocation to continue the support of these important programs, including the five part-time officers currently assigned to them.

ALTERNATIVES

1. Approve and authorize the recommended actions as presented in this staff report. *This alternative will provide funding to support the City's Weekend Code Enforcement Program and Foreclosure Strike Team.*

2. Do not approve and authorize the recommended actions as presented in this staff report. *This alternative may result in the termination of the City's Weekend Code Enforcement Program and Foreclosure Strike Team.*

FISCAL IMPACT

There is no requirement to match funds associated with this grant. All expenses are reimbursed by the grant. Therefore, this is cost neutral to the City and there is ***no impact to the General Fund.***

Budget Appropriation

RESOLUTION NO. 2013-58

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF MORENO VALLEY, CALIFORNIA, APPROVING THE GRANT APPLICATION SUBMITTED BY THE CODE & NEIGHBORHOOD SERVICES DIVISION TO THE OFFICE OF JUSTICE PROGRAMS FOR THE EDWARD BYRNE MEMORIAL JUSTICE ASSISTANCE GRANT AND ACCEPT THE $60,317 ALLOCATION

WHEREAS, The City of Moreno Valley, a city within the State of California, has applied for the 2013 Edward Byrne Memorial Justice Assistance Grant; and

WHEREAS, the Office of Justice allocated $60,317 of 2013 JAG grant to the City of Moreno Valley.

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF MORENO VALLEY, CALIFORNIA, DOES HEREBY RESOLVE AS FOLLOWS:

1. The City Council approves the grant application submitted by the Code & Neighborhood Services Division to the County of Riverside for the 2013 Edward Byrne Memorial Justice Assistance Grant.

2. The City Council accepts the $60,317 allocation from the grant and hereby directs Finance to establish a separate account identified with a separate unique expenditure activity number.

3. The City of Moreno Valley hereby agrees to use the funds in the manner presented in the grant application and in accordance with the application package. It also may execute any and all instruments required by the Office of Justice for participation in the Edward Byrne Memorial Justice Assistance Grant Program.

4. The City of Moreno Valley authorizes the City Manager to execute the grant application in the name of the City of Moreno Valley, and all other documents required by the Office of Justice for participation in the Edward Byrne Memorial Justice Assistance Grant Program.

Edward Byrne Memorial Justice Assistance Grant
Program Narrative

The City of Moreno Valley Code and Neighborhood Services Division is responsible for the enforcement of City's municipal codes relating to neighborhood nuisances, health and safety, substandard housing, vehicle abatement, zoning/land use, illegal signs, parking control, business licenses, illegal vendors and graffiti restitution. Blight and nuisances can devalue, detract and degrade the quality of any neighborhood. The City has adopted codes that govern the use and maintenance of private property in order to enhance and protect the quality of life for all who work, live and play in Moreno Valley.

Since 2009, The Code and Neighborhood Services Division has experienced reductions in staffing due to the City's budget challenges while community demand for services increased due to the proliferation of home foreclosures and deferred property maintenance by area residents. Existing staff resources were and continue to be challenged in their ability to pursue compliance activities pro-actively.

Faced with increased demand for services and decreased resources, staff began the process of identifying alternate and/or outside funding sources via grants to augment the staffing reductions and maintain existing service levels. Staff identified JAG as a potential funding source and subsequently applied for the JAG grant and was rewarded in 2010, 2011 and 2012. JAG funding was used to support the code programs that were impacted most significantly by the reductions, the Weekend Enforcement Program and the Foreclosure Strike Team.

Staff has fully expended funding for the grant years 2009 and 2010. Staff estimates that 2011 and 2012 JAG funding will be fully spent by the end of fiscal year 2013/2014. The City of Moreno Valley, is currently applying for the 2013 allocation to continue the support of the said programs.

Staff has provided a brief description of both programs below to comply with application provisions under the Program Narrative section of the U.S. Department of Justice, Edward Byrne Memorial Justice Assistance Grant 2013 local solicitation guidelines.

Weekend Enforcement Program

JAG funds will be utilized to continue deployment of five part-time code officers on weekends when full-time staff is unavailable. Code personnel will continue to pro-actively target specific violations that primarily occur on weekends such as unlicensed vendors, illegal automotive sales, theft of recyclable materials, posting of signs in the public right-of-way, illegal commercial vehicle parking and

garage sales. In addition, staff will provide emergency inspection services for the Moreno Valley Police Department and the Fire Department when necessary for violations including but not limited to the following; Fire damaged buildings, unsecured vacant residences and pools, substandard housing and other severe health and safety issues that warrant immediate action.

Foreclosure Strike Team

The City of Moreno Valley has been heavily impacted by the foreclosure crisis and lending institutions failure to adequately maintain properties to code standards. In response to this, the City Council directed the Code and Neighborhood Services staff to assemble a proactive team of inspectors to address all maintenance issues originating from foreclosed properties.

In 2008, a team of two Building Inspectors and two Code Compliance Officers was composed in response to City Council direction. However, the City's budget challenges led to reduced staffing within the Division and forced staff to reduce the team to two inspectors. These reductions challenged staff's ability to pursue foreclosure compliance activities as vigilantly as before.

Staff responded by applying for the JAG grant to augment the reduced staffing levels. The grant allocations were approved and resulted in the deployment of two part-time officers tasked with enforcing maintenance standards on foreclosed properties.

Staff anticipates that the funding will be expended in fiscal year 2013/2014 and is therefore requesting the 2013 allocation be partially applied to the continuation of this program.

Edward Byrne Memorial Justice Assistance Grant
Budget Review

As stated in the Attachment B - Program Narrative, The City of Moreno Valley's Code and Neighborhood Services Division is proposing to use 2013 JAG funds for two City programs; the Weekend Enforcement Program, and the Foreclosure Strike Team. Specifically, staff intends to utilize JAG funds to augment staffing levels of the two programs mentioned which have been reduced due to budgetary constraints.

Staff has determined the cost for staffing and additional expenditures for the programs. The Budget Detail Worksheet details all related costs such as salaries, retirement benefits and Medicare for all personnel, in addition to standard and supplementary costs for field personnel (i.e. cell phone usage, fuel, maintenance costs and office supplies) per JAG requirements.

Edward Byrne Memorial Justice Assistance Grant
Abstract

Applicant's Name: City of Moreno Valley, CA

Title of Project: Weekend Enforcement Program and Foreclosure Strike Team

The City of Moreno Valley's Code and Neighborhood Services Division is proposing to utilize 2013 JAG grant funds for the continued funding of part-time staff assigned to the foreclosure and weekend enforcement programs. The presence of grant funded staff members would continue code's ability to respond to unmaintained foreclosed properties timely and provide seven day coverage.

Goals and Objectives:

Create a trust fund to deposit allocated funds.
The enforcement program will continue staff's focus on foreclosure enforcement activities described above in effort to reduce blight.
The enforcement program will provide continued weekend enforcement personnel that will focus on specialized code activities occurring on weekends in effort to reduce the frequency of occurrences.
Augment existing staff and better direct division focus towards property maintenance efforts in blighted residential areas.
Conduct quarterly programmatic and financial reports to assess grant objectives, and verify that grant funds are being utilized appropriately and efficiently.
Complete the dispersing of funds in a timely manner within the four year allocation.

Project identifiers

Below, staff has listed the five top project identifiers per JAG's application requirements;

Policing
Task Force
Community Based Programs
Surveillance
Crime Prevention

BUDGET OFFICER	
CITY ATTORNEY	SMB
CITY MANAGER	

Report to City Council

TO: Mayor and City Council

FROM: Ahmad R. Ansari, P.E., Public Works Director/City Engineer

AGENDA DATE: June 25, 2013

TITLE: AGREEMENT FOR PROFESSIONAL CONSULTANT SERVICES TO BURST COMMUNICATIONS, INC. FOR THE MVTV-3 BROADCAST EQUIPMENT UPGRADE PROJECT – PROJECT NO. 803 0021 70 77

RECOMMENDED ACTION

Recommendations:

1. Approve the Agreement for Professional Consultant Services with Burst Communications, Inc., 8200 S. Akron Street, Suite 108; Centennial, CO 80112, for the MVTV-3 Broadcast Equipment Upgrade Project.

2. Authorize the City Manager to execute the Agreement for Professional Consultant Services with Burst Communications, Inc. in the form attached hereto.

3. Authorize the issuance of a Purchase Order to Burst Communications, Inc., totaling $460,000 ($450,720 plus $9,280 contingency) when the Agreement has been signed by all parties.

4. Authorize the Public Works Director / City Engineer to execute any subsequent related minor Amendments to the Agreement for Professional Consultant Services with Burst Communications, Inc. up to, but not to exceed, the contingency amount of $9,280, subject to the approval of the City Attorney.

5. Authorize the transfer of $500,000 within the Public / Education / Government Access Program (PEG) Fund from account 2011-16-16-16150-620910 to the CIP – Buildings account 2011-70-77-80003-720199.

BACKGROUND

The City seeks to improve the level of service to its residents as well as businesses and visitors by upgrading the technology, audio and visual equipment used for broadcasting City Council meetings, other board/committee meetings and programming on the government access channel (through Time Warner Cable, AT&T UVerse and Verizon FIOS service). The existing older equipment is approximately 20 years old. The existing equipment is unable to clearly broadcast PowerPoint Presentations to the public due to limitations of outdated equipment.

MVTV-3 staff members have been troubleshooting video and audio equipment failures for several years. At this point, however, continued deferral of upgrades has become increasingly ineffective and cost prohibitive. Because Moreno Valley's current cameras, audio capture, and editing equipment have exceeded their operational life, manufacturers no longer provide technical support, repair services, or even parts for some of the oldest equipment.

This technology upgrade project will also allow the City to implement the SIRE electronic voting system.

MVTV-3 has accumulated the funding for this project from a combination of NON-General Fund sources, which must be used for this purpose:

- Public/Education/Government Access Program Funds are restricted for use only on television broadcasting and cannot be diverted to support other General Fund services: $200,000

- Equipment Replacement Funds have been set aside on an ongoing basis from the annual MVTV-3 budgets, and cannot be diverted to support other General Fund services. The City Council approved the transfer of $300,000 from the Equipment Replacement Fund to the PEG Fund for this project as part of the mid-year budget review on March 26, 2013.

DISCUSSION

The MVTV-3 Broadcast Equipment Upgrade project includes replacement of all MVTV-3 control room equipment, upgrading the technology, audio and visual equipment used for broadcasting City Council meetings, other board/committee meetings and programming on the government access channel, implementation and installation of a quality audio / video presentation system and providing the SIRE electronic voting system.

The work requires City use of consultants with specialized skills with high technology equipment customized for specific applications. The consultant team shall be completely responsible for all design work and equipment/system integration.

The City advertised a Request for Qualifications on March 7, 2013. Additional outreach efforts included email solicitation of the vendors. Six respondents submitted a

Statement of Qualifications (SOQ) for Professional Consultant Services on March 26, 2013. All the SOQs were carefully reviewed and scored by the evaluation committee. Three qualified consultants with the highest score were short-listed and provided a Request for Proposal (RFP) for the project on May 8, 2013. Only one company of the three short-listed consultants responded to the RFP on May 28, 2013. The City then modified the proposed scope of work to better align with the project budget and re-advertised the project RFP on June 3, 2013. Two proposals were received on June 12, 2013. Staff reviewed and rated the proposals according to each consultant's ability to complete the project requirements.

The proposals were evaluated according to the following criteria:

§ Proven recent experience on similar projects. (20 points)
§ Demonstrated understanding of the needed design, processing and construction tasks to be included in the project. (20 points)
§ Strength of proposed project team including Project Manager and Staff. (20 points)
§ Deliverable work plan and schedule. (20 points)
§ Demonstrated success in quality control and demonstrating measurable results. (10 points)
§ Demonstrated ability to complete the project within the preferred installation timeframe. (10 points)

Burst Communication, Inc.'s proposal was found to be the most responsive and met all requirements per the selection criteria set forth in the Request for Proposal. Staff has negotiated an acceptable contract with Burst Communication, Inc. in the amount of $450,720. The contract includes all design work, providing and installing project equipment, SIRE voting system integration, testing and training. The equipment installation is scheduled mainly during the City Council recess period which will start on July 10, 2013 and end by August 19, 2013 to minimize the impact to City Council meetings.

ALTERNATIVES

1. Approve the Agreement for Professional Consultant Services with Burst Communications, Inc., for the MVTV-3 Broadcast Equipment Upgrade Project and authorize the recommended actions as presented in this staff report. *This alternative will facilitate completion of the project in a timely manner with the majority of the work done during the Council recess period.*

2. Decline to approve the Agreement for Professional Consultant Services with Burst Communications, Inc., and decline to authorize the recommended actions as presented in this staff report and provide staff with alternative direction. *This alternative will delay the project.*

FISCAL IMPACT

The project is included in the Fiscal Year 2012-2013 Capital Improvement Plan. Work will be funded via $200,000 from the PEG fund and a previously approved by City Council transfer of $300,000 from the Equipment Replacement Fund to the PEG fund. Neither of these funding sources can be diverted to City services supported by the General Fund. There is no impact to the General Fund.

Proposed Budget Transfer

Fund	GL Account No. (GL) Project No. (PN)	Type	Original Budget	Proposed Appropriation	Revised Budget
PEG	GL - 2011-16-16-16150-620910	Exp	$500,000	($500,000)	$0

AGREEMENT FOR PROFESSIONAL CONSULTANT SERVICES PROJECT NO. 803 0021 70 77

This Agreement is by and between the City of Moreno Valley, California, a municipal corporation, hereinafter described as "City," and **Burst Communications, Inc.**, a California corporation, hereinafter described as "Consultant." This Agreement is made and entered into effective on the date the City signs this Agreement.

RECITALS

WHEREAS, the City has determined it is in the public interest to proceed with the work hereinafter described as "Project"; and

WHEREAS, the City has determined the Project involves the performance of professional and technical services of a temporary nature as more specifically described in Exhibit "A" (City's Request for Proposal) and Exhibit "B" (Consultant's Proposal) hereto; and

WHEREAS, the City does not have available employees to perform the services for the Project; and

WHEREAS, the City has requested the Consultant to perform such services for the Project; and

WHEREAS, the Consultant is professionally qualified in California to perform the professional and technical services required for the Project;

THEREFORE, the City and the Consultant, for the consideration hereinafter described, mutually agree as follows:

DESCRIPTION OF PROJECT

1. The Project is described as professional consultant design services for:

MVTV-3 BROADCAST EQUIPMENT UPDGRADE

Project No. 803 0021 70 77

SCOPE OF SERVICES

2. The Consultant's scope of service is described on Exhibit "B" attached hereto and incorporated herein by this reference. In the event of a conflict, the City's Request for Proposal shall take precedence over the Consultant's Proposal.

3. The City's responsibility is described on Exhibit "C" attached hereto and incorporated herein by this reference.

PAYMENT TERMS

4. The City agrees to pay the Consultant and the Consultant agrees to receive a "Not-to-Exceed" fee of $**450,720** in accordance with the payment terms provided on Exhibit "D" attached hereto and incorporated herein by this reference.

TERM OF AGREEMENT

5. This agreement will terminate on **June 30, 2014** unless the termination date is extended by an amendment to the agreement.

TIME FOR PERFORMANCE

6. The Consultant shall commence services upon receipt of written direction to proceed from the City.

7. The Consultant shall perform the work described on Exhibit "A" in accordance with the schedule set forth in Exhibit "E" attached hereto and incorporated by this reference.

8. The Consultant and the City agree that the schedule in Paragraph 7 above represents their best estimates with respect to completion dates, and both the Consultant and the City acknowledge that it will not unreasonably withhold approval of the Consultant's requests for extensions of time in which to complete the work required of the Consultant hereunder.

9. The Consultant shall not be responsible for performance delays caused by others or delays beyond the Consultant's reasonable control, and such delays shall extend the time for performance of the work by the Consultant. Delays caused by non-performance or unjustified delay in performance by a subconsultant of the Consultant are not considered to be beyond the Consultant's reasonable control.

10 (a) The Consultant agrees that the personnel, including the principal Project manager, and all subconsultants assigned to the Project by the Consultant, shall be subject to the prior approval of the City.

(b) No change in subconsultants or key personnel shall be made by the Consultant without written prior approval of the City.

SPECIAL PROVISIONS

11. It is understood and agreed that the Consultant is, and at all times shall be, an independent contractor and nothing contained herein shall be construed as making the Consultant or any individual whose compensation for services is paid by the Consultant, an agent or employee of the City, or authorizing the Consultant to create or assume any obligation or liability for or on behalf of the City.

12. The Consultant may also retain or subcontract for the services of other necessary consultants with the prior written approval of the City. Payment for such services shall be the responsibility of the Consultant. Any and all subconsultants employed by the Consultant shall be subject to the terms and conditions of this Agreement, except that the City shall have no obligation to pay any subconsultant for services rendered on the Project.

13. The Consultant and the City agree to use reasonable care and diligence to perform their respective services under this Agreement. Unless hereinafter specified, neither party shall be responsible for the services of the other or any subcontractor or sub-consultant employed by the other party.

14. The Consultant shall comply with all applicable federal, state, and local laws in the performance of work under this Agreement.

15. To the maximum extent allowable by law, the Consultant agrees to indemnify, defend, and save the City, the Moreno Valley Housing Authority (MVHA), and the Moreno Valley Community Services District (CSD), their officers, agents and employees harmless

from any and all liability, claims, demands, damages, or injuries to any person, including injury to the Consultant's employees and all claims that arise out of, pertain to, or relate to the negligence, recklessness or willful misconduct of the Consultant, its officers, agents or employees, or its subconsultant(s) or any person acting for the Consultant or under its control or direction; provided, however, that this indemnification and hold harmless shall not include claims arising from the negligence or willful misconduct of the City, MVHA and CDS, their officers, agents or employees.

16. (a) The Consultant shall procure and maintain, at its sole expense, throughout the term of this Agreement and any extension thereof, Professional Errors and Omission Insurance coverage in the form and substance and with carriers acceptable to the City. Such coverage limits shall not be less than $1,000,000 per claim and aggregate.

(b) During the entire term of this Agreement, the Consultant agrees to procure and maintain General Liability Insurance in form and substance and with carriers acceptable to the City at its sole expense to protect against loss from liability imposed by law for damages on account of bodily injury, including death therefrom, suffered or alleged to be suffered by any person or persons whomever, resulting directly or indirectly from any act or activities of the Consultant its sub-consultant or any person acting for the Consultant or under its control or direction, and also to protect against loss from liability imposed by law for damages to any property of any persons caused directly or indirectly by or from acts

or activities of the Consultant or its subconsultants, or any person acting for the Consultant or under its control or direction.

(c) Such General Liability Insurance shall be maintained in full force and effect throughout the terms of the Agreement and any extension thereof in the minimum limits provided below:

	General Liability
Bodily Injury	$1,000,000 per occurrence
Property Damage	$ 500,000 per occurrence

A combined single limit policy with aggregate limits in the amount of $2,000,000 will be considered equivalent to the above minimum limits.

(d) If the operation under this Agreement results in an increased or decreased risk in the opinion of the City Manager, then the Consultant agrees that the minimum limits hereinabove designated shall be changed accordingly upon request by the City Manager.

(e) The Consultant shall procure and maintain, at its sole expense, and throughout the term of this Agreement and any extension thereof, Public Liability and Property Damage Insurance coverage for owned and non-owned automotive equipment operated on City premises. Such coverage limits shall not be less than $1,000,000 combined single limit.

(f) The Consultant shall procure and maintain, at its sole expense, Workers' Compensation Insurance in such amounts as will fully comply with the laws of the State of California and which shall indemnify, insure and provide legal defense for both the Consultant and the City, MVHA and CSD against any loss, claim, or damage arising from any injuries or occupational diseases happening to any worker employed by the Consultant in the course of carrying out the Agreement.

(g) The City of Moreno Valley, the Moreno Valley Housing Authority, and the Moreno Valley Community Services District, their officers, employees and agents shall be named as additional insured on all policies of insurance except errors and omissions and worker's compensation.

(h) A Certificate of Insurance and appropriate additional insured endorsement evidencing the above insurance coverage shall be submitted to the City Clerk prior to the execution of this Agreement on behalf of the City.

(i) The Certificate of Insurance or an appropriate binder shall bear an endorsement containing the following provisions:

> "Solely as respect to services done by or on behalf of the named insured for the City of Moreno Valley, it is agreed that the City of Moreno Valley, the Moreno Valley Housing Authority, and the Moreno Valley Community Services District, their officers, employees and agents are included as additional insured under this general liability

policy and the coverage(s) provided shall be primary insurance and not contributing with any other insurance available to the City of Moreno Valley, the Moreno Valley Housing Authority, and the Moreno Valley Community Services District, its officers, employees and agents, under any third party liability policy."

(j) Insurance companies providing insurance hereunder shall be rated (A minus: VII - Admitted) or better in Best's Insurance Rating Guide and shall be legally licensed and qualified to conduct insurance business in the State of California.

(k) The terms of the insurance policy or policies issued to provide the above insurance coverage shall not be amended to reduce the above required insurance limits and coverages nor shall such policies be canceled by the carrier without thirty (30) days prior written notice by certified or registered mail of amendment or cancellation to the City, except that cancellation for non-payment of premium shall require ten (10) days prior written notice by certified or registered mail. In the event the said insurance is canceled, the Consultant shall, prior to the cancellation date, submit to the City Clerk new evidence of insurance in the amounts established.

17. During the performance of this Agreement, the Consultant will not unlawfully discriminate against any employee or applicant for employment because of race, religion, creed, color, national origin, sex, or age. The Consultant will take affirmative action to

ensure that applicants are legally employed, and that employees are treated during employment without regard to their race, religion, creed, color, national origin, sex, or age.

18. Consultant and subconsultants shall pay prevailing wage rates when required by the Labor Laws of the State of California.

19. (a) The Consultant shall deliver to the Public Works Director/City Engineer of the City or his/her designated representative, immediately upon request in both hard copy and electronic format, all documents, drawings, models, presentation materials, renderings, calculations, specifications, permits and permit-related documents, surveys, materials tests, geotechnical reports, etc., if available, developed to date for the City's project and any other City-provided documents, which shall become the property of the City. The Consultant may retain for its files, at its expense, copies of any and all materials, including drawings, documents, and specifications, produced by the Consultant in performance of this Agreement. It shall be understood that the City shall be the owner of all project-related documents and drawings at all times and during all phases of the project. The City reserves the right to ask for a hard copy and/or an electronic copy of the documents developed to date at any time during the period of this agreement.

(b) The Consultant shall be entitled to copies of all furnished materials for his files and his subconsultants, if any, for professional services related to the City's project.

(c) The City agrees to hold the Consultant free and harmless from any claim arising from any unauthorized use of computations, maps, and other documents prepared or provided by the Consultant under this Agreement, if used by the City on other projects without the permission of the Consultant. Consultant acknowledges that Consultant work product produced under this agreement may be public record under State law.

20. (a) The City may terminate this Agreement without cause on the part of Consultant by giving at least ten (10) days written notice to the Consultant. The written notice shall specify the date of termination. Upon receipt of such notice, the Consultant may continue services on the project through the date of termination, provided that no service(s) shall be commenced or continued after receipt of the notice, which is not intended to protect the interest of the City. The City shall pay the Consultant within thirty (30) days after the date of termination for all non-objected to services performed by the Consultant in accordance herewith through the date of termination.

(b) Upon notice of termination, the Consultant shall deliver to the Public Works Director/City Engineer of the City or his/her designated representative, in both hard copy and electronic format, all documents, drawings, models, presentation materials, renderings, calculations, specifications, permits and permit-related documents, surveys, materials tests, geotechnical reports, etc., if available, developed to date for the City's project and any other City-provided documents, which shall become the property of the

City. The Consultant may retain for its files, at its expense, copies of any and all materials, including drawings, documents, and specifications, produced by the Consultant in performance of this Agreement. It shall be understood that the City shall be the owner of all project-related documents and drawings, regardless of the completeness of said documents.

(c) The Consultant shall be entitled to copies of all furnished materials for his files and his subconsultants, if any, for professional services related to the City's project.

(d) The City agrees to hold the Consultant harmless from any claim arising from any unauthorized use of computations, maps, and other documents prepared or provided by the Consultant. Consultant acknowledges that Consultant work product produced under this Agreement may be public record under State law.

(e) Either party may terminate this Agreement for cause. In the event the City terminates this Agreement for cause, the Consultant shall perform no further service(s) under the Agreement unless the notice of termination authorizes such further work.

21. This Agreement is binding upon the City and the Consultant and their successors and assigns. Except as otherwise provided herein, neither the City nor the Consultant shall assign, sublet, or transfer its interest in this Agreement or any part thereof without the prior written consent of the other.

22. A City representative shall be designated by the City and a Consultant representative shall be designated by the Consultant. The City representative and the Consultant representative shall be the primary contact person for each party regarding performance of this Agreement. The City representative shall cooperate with the Consultant, and the Consultant's representative shall cooperate with the City in all matters regarding this Agreement and in such a manner as will result in the performance of the services in a timely and expeditious fashion.

23. This Agreement represents the entire and integrated Agreement between the City and the Consultant, and supersedes all prior negotiations, representations or Agreements, either written or oral. This Agreement may be modified or amended only by a subsequent written Agreement signed by both parties.

24. Where the payment terms provide for compensation on a time and materials basis, the Consultant shall maintain adequate records to permit inspection and audit of the Consultant's time and materials charges under this Agreement. The Consultant shall make such records available to the City at the Consultant's office during normal business hours upon reasonable notice. Nothing herein shall convert such records into public records. Except as may be otherwise required by law, such records will be available only to the City. Such records shall be maintained by the Consultant for three (3) years following completion of the services under this Agreement.

25. The City and the Consultant agree that, to the extent permitted by law, until final approval by the City, all data shall be treated as confidential and will not be released to third parties without the prior written consent of both parties.

26. The Consultant shall employ no City official or employee in the work performed pursuant to this Agreement. No officer or employee of the City shall have any financial interest in this Agreement in violation of federal, state, or local law.

27. Subject to the provisions of Section 19 (a) above, all plans, drawings, specifications, reports, logs, and other documents prepared by the Consultant in its performance under this Agreement shall, upon demand by the City, be delivered to and become the property of the City for the limited use as set out above, provided that the Consultant shall be entitled, at its own expense, to make copies thereof for its own use.

28. The laws of the State of California shall govern the rights, obligations, duties, and liabilities of the parties to this Agreement, and shall also govern the interpretation of this Agreement. Venue shall be vested in the Superior Court of the State of California, County of Riverside.

REQUEST FOR PROPOSAL
PROFESSIONAL CONSULTANT SERVICES FOR
MVTV-3 CONTROL ROOM BROADCAST EQUIPMENT UPGRADE
PROJECT NO. 803 0021 70 77

I. INVITATION

You are hereby invited to submit a Proposal for the Professional Consultant Services for MVTV-3 Control Room Broadcast Equipment Upgrade Project.

Four (4) copies (one of the copies shall be unbound and paper clipped, with no tabs, holes, perforations, or cardboard inserts, suitable for copying with an automatic-feed copy machine) of your Proposal shall be submitted before **12:00 p.m., June 12, 2013** addressed to City of Moreno Valley, Capital Projects Division, 14325 Frederick Street, Suite 9, P.O. Box 88005, Moreno Valley, California 92552-0805. Attention: **Henry Ngo, P.E., Senior Engineer.**

II. PROJECT DESCRIPTION

The MVTV-3 Control Room Broadcast Equipment Upgrade Project includes replacement of all MVTV-3 control room equipment, upgrading the technology, audio and visual equipment used for broadcasting City Council meetings, other board/committee meetings and programming on the government access channel (through Time Warner Cable, AT&T UVerse and Verizon FIOS service), modifying the council dais furnishings to accommodate new equipment installation, implementation of a high quality audio / video presentation system and providing the SIRE electronic voting system according to the attached project details.

III. PROJECT BUDGET AND SCHEDULE

The City of Moreno Valley will fund the MVTV-3 Control Room Broadcast Equipment Upgrade Project with Facility Equipment Fund and Public Education Fund. The anticipated budget, including design, equipment and installation for the project is $450,000.

The Consultant shall be required to meet or exceed the following timeline for this project:

1.	Notice To Proceed	June 26, 2013
2.	Design	June 26, 2013- July 10, 2013
3.	Preferred Installation timeframe	July 10, 2013 – August 19, 2013

NOTE: The City anticipates issuing a Notice to Proceed to the Consultant by June 26, 2013. The City Council's Recess period is from July 10 through August 19, 2013.

IV. SCOPE OF PROFESSIONAL CONSULTANT SERVICES

The Professional Consultant will be completely responsible for all design work, permitting, providing equipment, coordinating between City's Divisions, Communication companies, integrating and installation of the MVTV-3 Control Room Broadcast Equipment Upgrade Project as described in Project Description. City's Divisions that will involve in this project as customers are the City Council, Media Division, City Clerk's office, Technology Services Division, and Capital Projects Division.

The project requires the removal and disposal of the current broadcast equipment and the replacement / integration of new equipment. The MVTV-3 Control Room Broadcast Equipment Upgrade Project generally includes:

A. CONTROL ROOM: Design, provide equipment and install, integrate and provide training for a new broadcast and audio visual system.

B. COUNCIL CHAMBER: Modifying the City Council dais to accommodate the new equipment installation, and implementation of a high quality audio/video presentation system.

C. AUTOMATED VOTING SYSTEM: provide and install image server, plat screen work stations, modify dais and integrate the SIRE electronic voting system which includes one (1) Vote System feeding into the system inputs and be available via the Video Switcher. Vote System is Sire Meeting Management and Voting System (see attached specifications) including integration with existing Sire Electronic Document Management System, Agenda Plus, Minutes Plus, and Video Plus systems.

The expectation is that a majority of "Control Room Equipment" (production console/rack units) will be assembled offsite prior to the start of the control room equipment installation and integration process.

Project shall include the following phases:

1. Preliminary Design and Cost Estimate: including existing system analysis and recommendation with preliminary design and cost estimate.
    a. Meetings with the City for Preliminary Design.
    b. Define the system performance standards and specifications.
    c. Analysis of the existing A/V equipment to determine the requirement for the new system.
    d. Reconcile the equipment type and manufacturer for all equipment listed in Project Details.
    e. Monitor the project schedule, including identifiable milestones for City review and approval. The update project schedule with identifiable milestones shall be submitted no later than (5) working days after Notice to Proceed (NTP).

f. Reconcile and detail the cost estimate at the Preliminary Design submittal.
g. Coordinate with all associated and involved City personnel and other participating entities, including all utility, communication companies, etc. to ensure review, participation, input and resolution of issues related to design, schedule, installation and costs.
h. Deliverables: Preliminary Design plan shall include, but not limit to, block diagram, work flow, floor plans, equipment layout, electrical plans, single line diagram, mechanical plans, material list/schedule (bill of materials), diagram/plan for voting system, project schedule and detailed cost estimate.

2. Detailed Design
   a. Meetings for Design Phase.
   b. Final Design based on approved Preliminary design which includes final floor plans, electrical plans, mechanical plans, rack elevations, consoles equipment layout for Control Room, diagram/ plan for Sire Voting system integration.
   c. Update project schedule.
   d. Secure approval and permits from all applicable entities, divisions relating to this project in a timely manner so that the project schedule is not negatively affected.
   e. Ensure that the documents meet all applicable standards and codes.
   f. Update the project cost estimate with delivery schedules.
   g. Final Bill of Materials (BOM) which includes quantities, manufacturers, model #s and prices. Secure approval for the Bill of Materials.
   h. Deliverables: Final Design plan shall include, but not be limit to, floor plans, equipment layout, electrical plans, single line diagram, mechanical plans, material list/schedule (bill of materials), diagram/plan for voting system, final project schedule and final cost estimate.

3. Installation and Integration
   a. Meet weekly during equipment installation.
   b. Pre-build and pre-wire. Off-site assembly.
   c. Provide all cables and connectors necessary to terminate wiring cables. Only high quality and approved.
   d. Furnish and deliver all materials and equipment on-site.
   e. Install materials, equipment, racks and consoles on-site.
   f. Obtain inspection and approval for all installations. Equipment and/or installations that fail inspection or do not meet codes / requirements shall be removed and replaced at no cost to the City.

4. Commissioning and Testing
   a. Test and commission the system.
   b. Trouble shoots all system failures.

5. Training and Project Close out
    a. Provide training for all equipment as required.
    b. Provide project As-Built plans with all AutoCAD files, and spreadsheets.
    c. Operational Manuals.
    d. All manufacturer CDs for equipment, software, drivers installed on the equipment.
    e. Equipment accessories.
    f. Warranties for all installed equipment and work.

V. CONSULTANT'S PROPOSAL

At a minimum, the Proposal shall include the following sections:

A. **Experience:** List of similar media, television equipment upgrade projects with the agency and contact person for each project. Description of the consultant's involvement in the similar projects. Cost of the similar projects designed and constructed. Similar projects' length of design time in months and installation time in calendar days.

B. **Project Understanding:** This section should convey clear understanding of the general nature of the work and identification of potential project issues and solutions thereof. Proposals that demonstrate an understanding of the City's requirements and needs will be preferred.

C. **Project Management and Staffing Plan:** Discuss project management staffing plan and the firm/team's approach for completing the services within budget and schedule. Identify a project manager for the entire project.

D. **Work Plan and Schedule**: Envisioned timeline from "Notice to Proceed" to finished installation (timeline should include, but not be limited to Preliminary design, final design, submittals, approval, order materials, installation, commission, training, project closeout documents, etc.). Include a description of how the necessary project tasks will be conducted and a proposed implementation schedule that complies with the City's preferred installation timeframe. The work plan should include sufficient detail to demonstrate a clear understanding of the project, and the consultant team's effort in coordination with City's staff and communication companies in all project phases. Discuss the consultant team's general approach for completing the project.

E. **Quality Control and Assurance:** Discuss general QA/QC measures proposed for each phase/deliverable for this project. Proposal shall include system warranty, reports, and inspection. Inspection shall be performed by the consultant's project manager and the City. The City will require weekly progress reports for this project. All equipment, software,

furnishing that fail inspection shall be replaced to meet project requirement. Final project completion inspection will be determined by the City's Project Manager and the Media and Production Coordinator.

F. **Fee proposal:** Present a "Project fee" proposal with cost break down for Phases in a separate sealed envelop. The cost break down shall include all phases as described in Section IV for Control Room, City Council Chamber, and Automated Voting System.

The Consultant's Proposal shall include the following statements:

1. A statement that this Request for Proposal shall be incorporated in its entirety as a part of the Consultant's Proposal.

2. A statement that this Request for Proposal and the Consultant's Proposal will jointly become part of the Agreement for Professional Consultant Services for this project when said Agreement is fully executed by the Consultant and the City of Moreno Valley.

   A single and separate section with the heading "ADDITIONS OR EXCEPTIONS TO THE CITY'S REQUEST FOR PROPOSAL" containing a complete and detailed description of all of the exceptions to the provisions and conditions of this Request for Proposal upon which the Consultant's Proposal is contingent and which shall take precedent over this Request for Proposal for Professional Consultant Services.

3. A statement of sub-consultant's (include relief personnel) qualifications applicable to this project including the names, qualifications and proposed duties of the sub-consultant's staff to be assigned to this project; a listing of recent similar projects completed including the names, titles, addresses, and telephone numbers of the appropriate persons whom the City could contact.

4. A statement that the Consultant will document and provide the results of the work to the satisfaction of the City. This may include preparation of daily and final reports, or similar evidence of attainment of the Agreement objectives.

5. A statement that the Consultant will immediately document and notify the City of any defects or hazardous conditions observed in the vicinity of the project site prior, during, or after the construction work.

6. A copy of the Consultant's hourly rate schedule and a statement that said hourly rate schedule is part of the Consultant's Proposal for use in invoicing for progress payments and for extra work

incurred that is not part of this Request for Proposal. All extra work will require prior approval from the City.

7. A statement that the Consultant will not discriminate against any employee or applicant for employment because of race, color, religion, sex, or national origin.

8. A statement that all federal laws and regulations shall be adhered to notwithstanding any state or local laws and regulations. In a case of conflict between federal, state or local laws or regulations the strictest shall be adhered to.

9. A statement that the Consultant shall comply with the California Labor Code. Pursuant to the State of California prevailing wage rates.

10. A statement that the Consultant shall comply with the Copeland Anti-Kickback Act (18 USC 874) and the Implementation Regulation (29 CFR 3) issued pursuant thereto, and any amendments thereof.

VI. PAYMENT TO CONSULTANT

A. The Consultant shall provide a "Project Fee Schedule" indicating the fee for individual tasks Bill of Materials which shall be the sum of all tasks by phases, and milestones as described in Scope of Work.

B. The City will pay the Consultant for work completed based on milestones completed and accepted by the City. These Milestones are:

1. Completion of Preliminary Design and Cost Estimate.
2. Completion of Detailed Design.
3. Completion of Installation, and Integration.
4. Completion of Commissioning and Testing.
5. Completion of Training and Project Close Out. Any other additional authorized work on a task successfully completed and accepted basis.

The City shall make sole and final determination if a milestone as described above is complete and acceptable for payment.

C. Invoices will specifically identify job title, person-hours, and costs incurred by each task but payments will only be made when specific identified milestones have been accomplished.

D. Reimbursement costs such as mileage, printing, telephone, photographs, postage and delivery, are to be included in the "Project Fee."

E. The City will pay the Consultant for all acceptable services rendered in accordance with the "Agreement for Professional Consultant Services."

F. When the Consultant is performing, or is requested to perform, work beyond the scope of service in the "Agreement for Professional Consultant Services," an "Amendment to the Agreement" will be executed between the City and Consultant.

G. The Consultant shall receive no compensation for any re-work necessary as result of the Consultant's errors or oversight.

VII. GENERAL CONDITIONS

A. **THE PREFERRED INSTALLATION TIMEFRAME IS FROM JULY 10 THROUGH AUGUST 19, 2013. POINTS WILL BE AWARDED TO THE CONSULTANT THAT CAN MEET THIS SCHEDULE.**

B. Pre-contractual expenses are defined as expenses incurred by the Consultant in: (1) preparing the Proposal; (2) submitting the Proposal to the City; (3) presentation during selection interview; (4) negotiating with the City any matter related to this Proposal; (5) any other expenses incurred by the Consultant prior to an executed Agreement. The City shall not, in any event, be liable for any pre-contractual expenses incurred by the Consultant.

C. The City reserves the right to withdraw this Request for Proposal (RFP) at any time without prior notice. Further, the City makes no representations that any agreement will be awarded to any consultant responding to this RFP. The City expressly reserves the right to postpone reviewing the Proposals for its own convenience and to reject any and all responses to this RFP without indicating any reasons for such rejection(s).

D. The Consultant's Proposal shall be no more than thirty (30) pages, excluding a cover letter of up to two (2) pages, timeline of one (1) page, pictures/photographs/renderings of ten (10) pages, floor plan of ten (10) pages, and dividers. Double-sided sheets will be counted as two (2) pages, graphic information will be considered as pages.

VIII. INSURANCE

The proposals are to show that the Consultants and sub consultants have or will procure general liability, workers' compensation, and errors and omissions insurance. The detail requirements are in the attached sample Professional Consultant Services Agreement.

IX. SELECTION CRITERIA

A. Consultants' proposals will be selected according to by the following criteria.

1. Proven recent experience on similar projects. (20 points)
2. Demonstrated understanding of the needed design, processing and construction tasks to be included in the project. (20 points)
3. Strength of proposed project team including Project Manager and Staff. (20 points)
4. Deliverable work plan and schedule. (20 points)
5. Demonstrated success in quality control and demonstrating measurable results. (10 points)
6. Demonstrated ability to complete the project within the preferred installation timeframe. (10 points)

PROJECT DETAILS

CONTROL ROOM:

1. Equipment Removal – remove and store (MVTV-3 storage) all existing equipment which will not be integrated into the new system.

2. Maintain Live Channel/Server Play-out – During the construction phase MVTV-3 must remain "live" on-air. Server control must also be available to MVTV-3 staff for regular programming. Until such time as the new "live feed" or master broadcast output is installed properly and approved by the Media and Production Coordinator the current live feed shall remain in place for MVTV-3. Regular testing of the channel will be permitted.

3. Video Switcher – supply, install, mount and configure one (1) Ross Carbonite High Definition digital video production switcher with signal distribution to mix, record, broadcast and monitor all video sources for the system. The switcher must also be accompanied by the Ross Xpressions C.G. System and the Ross Blackstorm 2 Channel Playback System. The system must also be integrated with an Apple Ipad for the multiuser G.U.I.

4. Robotic Cameras with Pan/Tilt/ Zoom – supply, install, mount and configure seven (7) Panasonic AW-HE120 cameras.

5. Robotic Camera Control Unit - supply, install, mount and configure one Panasonic AW-RP120 (1) Panasonic High Definition Digital Camera Robotic Control Unit for no less than seven (7) cameras.

6. Camera Monitor - supply, install, mount and configure one (1) High Definition Digital multi-view monitor for the Robotic Camera Control Unit.

7. Video Server (2 or 4 Channel) Ingest & Play-out - supply, install, mount and configure one (1) High Definition video ingest and play-out server/schedule with a High Definition or higher monitor.

8. Video System Playback Controller (Server Controller) - supply, install, mount and configure one (1) server playback controller. Server Playback must also feed into the system and be available via the video switcher for playback during live broadcasts.

9. Time Warner, AT&T, Verizon Small On Air Broadcast Monitors - supply, install, mount and configure three (3) small High Definition monitors for Time Warner, AT&T and Verizon broadcasts.

10. On Air Monitor - supply, install, mount and configure one (1) high definition on air monitor to go directly above the three (3) small high definition on-air monitors.

11. Provide a mastered audio and video broadcast signal to the existing Time Warner, AT&T, and Verizon transmission boxes.

12. Gentner Assisted Hearing Device Receiver - supply, install, mount and configure one (1) Gentner Assisted Hearing Device Receiver.

13. Gentner Assisted Hearing Devices - supply eight (8) Gentner Assisted Hearing Devices.

14. Senheiser Wireless Microphone Receiver – supply four (4) Senheiser wireless handheld microphone receivers.

15. Blu-ray Recorder/HDD – supply, install, mount and configure one (1) Blu-ray Recorder/HDD recorder.

16. Backup HD Digital Video Recorder – supply, install, mount and configure one (1) Backup HD Digital Recorder. The City's preference is a Black Magic Hyper Deck Studio Rack Mounted SSD recorder or a comparable device.

17. DVD Recorder with down-converted signal - supply, install, mount and configure one (1) DVD Recorder with a down-converted video signal via an AJA box.

18. System Playback Blu-ray Player - supply, install, mount and configure one (1) Blu-ray player for playback into system.

19. Marshall Engineering Reference Monitor - supply, install, mount and configure one (1) Engineering Reference Monitor.

20. Marshall Vectorscope & Waveform Monitor - supply, install, mount and configure one (1) Vectorscope and Waveform monitors for each individual input into the system.

21. Playback Monitor - supply, install, mount and configure one (1) Playback Monitor.

22. CG Computer Monitor - supply, install, mount and configure one (1) CG Computer Monitor (May be combined in a multi-viewer monitor).

23. CG Reference Monitor - supply, install, mount and configure one (1) CG Reference Monitor (May be combined in a multi-viewer monitor)..

24. Input Reference Monitors - supply, install, mount and configure eighteen (18) Input Reference Monitors (7 Cams, 4 Input Cams, 2 PPTs, 1 Vote System, 1 CG, 1 Server/BD-R Player, 2 additional Inputs) (May be combined in a multi-viewer monitor).

25. Program Monitor - supply, install, mount and configure one (1) Program Monitor (May be combined in a multi-viewer monitor).

26. Preview Monitor - supply, install, mount and configure one (1) Preview Monitor (May be combined in a multi-viewer monitor).

27. Blu-ray/Server Playback Monitor(s) - supply, install, mount and configure one (1) Blu-ray and Server Playback Monitor.

28. Audio Patch Bay - supply, install, mount and configure one (1) Audio Patch Bay.

29. Video Patch Bay - supply, install, mount and configure one (1) Video Patch Bay.

30. Audio Equalizer - supply, install, mount and configure two (2) Equalizer/Limiters (2 Channels – Feedback Elimination).

31. Audio Broadcast Amplifier - supply, install, mount and configure one (1) Audio Broadcast Amplifier (Compressor/Limiter).

32. Video Distribution Amplifier - supply, install, mount and configure one (1) Video Distribution Amplifier.

33. Audio Distribution Amplifier - supply, install, mount and configure two (2) Video Distribution Amplifiers.

34. Program Out Audio Distribution Amplifier - supply, install, mount and configure one (1) Master "Program" Audio Distribution Amplifier.

35. Main Out Audio Distribution Amplifier - supply, install, mount and configure one (1) Main Out Audio Distribution Amplifier.

36. Speaker Amplifiers - supply, install, mount and configure three (3) Speaker Amplifiers.

37. Master Video Out Distribution Amplifier - supply, install, mount and configure one (1) Master Video Out Distribution Amplifier.

38. Video Distribution Amplifiers - supply, install, mount and configure two (2) Video Distribution Amplifiers for system inputs.

39. Reference Monitor Routing Switcher - supply, install, mount and configure one (1) Reference Monitor Routing Switcher.

40. Playback Routing Switcher - supply, install, mount and configure one (1) Playback Routing Switcher

41. Live Broadcast Routing Switcher - supply, install, mount and configure one (1) Live Broadcast Routing Switcher.

42. Playback Audio Amplifiers - supply, install, mount and configure five (5) Playback Audio Amplifiers (if necessary with a digital system).

43. Time Base Corrector - supply, install, mount and configure one (1) Time Base Corrector (if necessary with the new digital system).

44. Scan Convertor - supply, install, mount and configure up to three (3) Scan Convertors for computer inputs (if necessary with the new system).

45. Closed Circuit Video Transmitter- supply, install, mount and configure one (1) Closed Circuit Video High Definition Transmitter with an A/B selector to monitor in house feed and Time Warner Cable feed.

46. PowerPoint and Presentation Computer – supply, install, mount and configure one (1) computer for presentations which will feed into the system inputs and be available via the Video Switcher.

47. Call-in System – Integrate the current call in system to enable live call in with audio mixed from the council chamber and caller.

48. "Skype" Call-in System – Supply, Install and configure one "Skype" or equivalent video call in system.

49. Audio Mixer - supply, install, mount and configure one (1) audio mixing board or digital audio solution to enable at least (32) channels of audio. A Biamp or comparable system is preferred.

50. "Talk Back" Microphone – supply, install, mount and configure one talk back microphone for communication between the Control Room and Council Chamber.

51. SIRE Vote System – supply, install, mount and configure one (1) image server, five (5) work stations, dais mounting for Vote System which will feed into the system inputs and be available via the Video Switcher. Vote System is Sire Meeting Management and Voting System (see attached specifications) including integration with existing Sire Electronic Document Management System, Agenda Plus, Minutes Plus, and Video Plus systems.

52. MP3 Recorder - supply, install, mount and configure one (1) digital MP3 recorder, which will push audio files to the City's server as well as be accessible via the City's server. Marantz equipment is preferred but an equivalent will be accepted.

53. Control Room Speakers - supply, install, mount and configure one (1) set of control room speakers.

54. Bulletin Board System - supply, install, mount and configure one (1) high quality bulletin board system.

55. Communications System - supply, install, mount and configure one (1) communications system with at least two wireless receivers/transmitters and multiple discrete communication ports throughout the chamber.

56. Rack Units - supply, install, mount and configure two to four (2-4) Rack Units for the necessary video and audio components for the MVTV-3 control room.

57. Production Console/Rack Unit - supply, install, mount and configure one (1) Production Console with Rack Units for the necessary video and audio components for the MVTV-3 control room per the specification of the Media and Production Coordinator.

58. Control Room Chairs - supply, install, mount and configure four (4) Control Room Chairs per the specification of the Media and Production Coordinator.

59. Control Room Desk - supply, install, mount and configure one (1) large Middle Atlantic control room desk which can raise or lower electronically. The desk must also be configured with the necessary monitor mounts as well as be safe for the connected cables to be raised and lowered.

60. Electro Racks - supply, install, mount and configure the necessary quantity of Black Electro Racks and Rack Unit covers needed to install the aforementioned control room equipment.

61. Electro Racks Lighting - supply, install, mount and configure the appropriate lighting for future engineering work on the Electro Racks.

62. Music Player – supply, install, mount and configure one (1) music player to broadcast selected "appropriate" radio, online streaming radio or "Muzak" content throughout the City Hall building.

<u>COUNCIL CHAMBER :</u>

1. Cameras with Robotic Pan/Tilt/Zoom Heads – supply, install, mount and configure seven (7) Cameras (HD) with Robotic Pan/Tilt/Zoom Heads in the Council Chamber.

2. Press Breakout Panel – supply, install, mount and configure one (1) Press Breakout panel in the rear of the Council Chamber. The breakout panel must contain the following outputs: (4) HD-SDI, (4) HDMI, (4) BNC (down-converted), (4) Balanced XLR, and (4) additional power outlets. The press breakout panel must also have a removable "snaked" splitter to accommodate up to sixteen (16) additional press XLR outputs.

3. Rear Camera Input Panel – supply, install, mount and configure one (1) Video & Audio Input Panel in rear of room to accommodate up to four additional camera inputs. The panel should be configured with the following (4) HD-SDI, (4) HDMI, (4) BNC, (4) Component, (4) RCA and (4) XLRs.

4. Presentation System – Design, supple and install one (1) presentation system controlled by a Creston or AMX box. The system must be compatible with several inputs VGA, HDMI, or SDI inputs.

5. Council Dais – modify the current Council Dais to accommodate up to seven (7) council members with power, ethernet, iPad/tablet/PC Charging capabilities as well as audio, video, and VGA, DVI, and HDMI Input/Output connectivity.

6. Council Monitors – Supply, Install and mount seven (7) Council Monitors (possible with touch screen capability) to receive the MVTV-3 control room video feed, and SIRE voting system feed. The Council Members will need the ability to toggle between inputs via a switch.

7. Staff and Council Microphones - supply, install, and mount thirty (30) Staff and Council Microphones. The microphones must contain on/off indication lights. Five will be set aside as backups.

8. Podium Microphones - supply, install, mount and configure one (1) podium microphone and one (1) backup podium microphone.

9. Wireless Microphones - supply four (4) Senheiser wireless handheld microphones.

10. Council Chamber Speakers - supply, install, mount and configure as many as twelve (12) Council Chamber room speakers with zero feedback and clean audio signals.

11. Podium – supply and install one (1) new podium. The new podium must be A.D.A. compliant (contain enough space for wheel chair access) as well as have the ability to be raised and lowered electronically both through the podium and well as the presentation system control box. The podium needs a small monitor for live feed with a feed from the timer.

12. Ceiling Mounted Projector - supply, install, mount and configure one (1) Ceiling Mounted Projector.

13. High Definition Monitors - supply, install, mount and configure four to six (4 to 6) Large High Definition monitors for viewing the in house feed and the Time Warner Channel 3 broadcast feed.

14. Scan Convertor - supply, install, mount and configure one (1) Scan Convertor for computer inputs (if necessary with a digital system).

15. Vote System - supply, install, mount and configure seven vote system buttons or necessary hardware on the new Council Dais.

16. Multiple Communication System Panels - supply, install, mount and configure several discrete communication system ports throughout the chamber.

17. XLR Audio Inputs/Outputs – supply install, mount and configure 16 XLR audio inputs and 4 XLR audio output in the rear of the Council Chamber to be used for City Council Study Session Meetings.

18. Audio Snake – supply, install, and configure one (1) Sixteen (16) Channel audio snake to be used for City Council Study Session Meetings.

SIRE MEETING MANAGEMENT AND VOTING SYSTEM SPECIFICATIONS

Hardware:
1. Image Server (1)
2. Touch Screen Client Workstation (5)
   (Voting server provided by the City)

Software: Sire Meeting Management & Voting System (provided by the City):
3. SIRE Meeting Management and Voting System Server License
4. SIRE Meeting Management and Voting System Client License
5. SIRE Meeting Management and Non-Voting Participant License

The Automated Voting shall include following functions:
6. Ability to manage meeting activities via Voting Module
7. Ability to Pre-annotate Agenda Items and set Post Meeting Actions
8. Login capability for Meeting Members
9. Ability to display current meeting item being discussed to public display
10. Ability to display / communicate motion on floor and first and seconder
11. Ability to Display Vote Results
12. Ability to Request to Speak at Dias and Manage Time
13. Ability to input Public Speakers
14. Ability to manage public speakers order and time and assign to specific items
15. Ability to display speaker timer (configurable)
16. Ability at dais to view current and all other agenda items on screen and attachments
17. Ability to synchronize with personal notes that were made on mobile device

AGREEMENT FOR PROFESSIONAL CONSULTANT SERVICES

This Agreement is by and between the City of Moreno Valley, California, a municipal corporation, hereinafter described as "City," and _____, a (California corporation, partnership, sole ownership) hereinafter described as "Consultant." This Agreement is made and entered into effective on the date the City signs this Agreement.

RECITALS

WHEREAS, the City has determined it is in the public interest to proceed with the work hereinafter described as "Project"; and

WHEREAS, the City has determined the Project involves the performance of professional and technical services of a temporary nature as more specifically described in Exhibit "A" (City's Request for Proposal) and Exhibit "B" (Consultant's Proposal) hereto; and

WHEREAS, the City does not have available employees to perform the services for the Project; and

WHEREAS, the City has requested the Consultant to perform such services for the Project; and

WHEREAS, the Consultant is professionally qualified in California to perform the professional and technical services required for the Project;

THEREFORE, the City and the Consultant, for the consideration hereinafter described, mutually agree as follows:

DESCRIPTION OF PROJECT

1. The Project is described as professional consultant _____ services for:

Project Name

Project No. XX-XXXXXXXX

SCOPE OF SERVICES

2. The Consultant's scope of service is described on Exhibit "B" attached hereto and incorporated herein by this reference. In the event of a conflict, the City's Request for Proposal shall take precedence over the Consultant's Proposal.

3. The City's responsibility is described on Exhibit "C" attached hereto and incorporated herein by this reference.

PAYMENT TERMS

4. The City agrees to pay the Consultant and the Consultant agrees to receive a "Not-to-Exceed" fee of $_____ in accordance with the payment terms provided on Exhibit "D" attached hereto and incorporated herein by this reference.

TERM OF AGREEMENT

5. This agreement will terminate on **Month Date, Year** unless the termination date is extended by an amendment to the agreement.

TIME FOR PERFORMANCE

6. The Consultant shall commence services upon receipt of written direction to proceed from the City.

7. The Consultant shall perform the work described on Exhibit "A" in accordance with the schedule set forth in Exhibit "E" attached hereto and incorporated by this reference.

Or

7. The Consultant shall perform the work described on Exhibit "A" in accordance with the design/construction schedule as stated in the Notice to Proceed.

8. The Consultant and the City agree that the schedule in Paragraph 7 above represents their best estimates with respect to completion dates, and both the Consultant and the City acknowledge that it will not unreasonably withhold approval of the Consultant's requests for extensions of time in which to complete the work required of the Consultant hereunder.

9. The Consultant shall not be responsible for performance delays caused by others or delays beyond the Consultant's reasonable control, and such delays shall extend the time for performance of the work by the Consultant. Delays caused by non-performance or unjustified delay in performance by a subconsultant of the Consultant are not considered to be beyond the Consultant's reasonable control.

10 (a) The Consultant agrees that the personnel, including the principal Project manager, and all subconsultants assigned to the Project by the Consultant, shall be subject to the prior approval of the City.

(b) No change in subconsultants or key personnel shall be made by the Consultant without written prior approval of the City.

SPECIAL PROVISIONS

11. It is understood and agreed that the Consultant is, and at all times shall be, an independent contractor and nothing contained herein shall be construed as making the Consultant or any individual whose compensation for services is paid by the Consultant, an agent or employee of the City, or authorizing the Consultant to create or assume any obligation or liability for or on behalf of the City.

12. The Consultant may also retain or subcontract for the services of other necessary consultants with the prior written approval of the City. Payment for such services shall be the responsibility of the Consultant. Any and all subconsultants employed by the Consultant shall be subject to the terms and conditions of this Agreement, except that the City shall have no obligation to pay any subconsultant for services rendered on the Project.

13. The Consultant and the City agree to use reasonable care and diligence to perform their respective services under this Agreement. Unless hereinafter specified, neither party shall be responsible for the services of the other or any subcontractor or sub-consultant employed by the other party.

14. The Consultant shall comply with all applicable federal, state, and local laws in the performance of work under this Agreement.

15. (a) To the maximum extent allowable by law, the Consultant agrees to indemnify, defend, and save the City, the Moreno Valley Housing Authority (MVHA), and the Moreno Valley Community Services District (CSD), their officers, agents and employees harmless from any and all liability, claims, demands, damages, or injuries to any person,

including injury to the Consultant's employees and all claims that arise out of, pertain to, or relate to the negligence, recklessness or willful misconduct of the Consultant, its officers, agents or employees, or its subconsultant(s) or any person acting for the Consultant or under its control or direction; provided, however, that this indemnification and hold harmless shall not include claims arising from the negligence or willful misconduct of the City, MVHA and CDS, their officers, agents or employees.

(b) The City agrees to indemnify, defend and save the Consultant and their officers, agents and employees harmless from any and all liability, claims, damages or injuries to any person, including injury to the City's, MVHA's and CSD's employees and all claims which arise from or are connected with the negligent performance or failure to perform the services or other obligations of the City under this Agreement, or are caused or claim to be caused by the negligent acts of the City, MVHA and CSD, their officers, agents or employees, or its subcontractor(s) or any person acting for the City or under its control or direction; provided, however, that this indemnification and hold harmless shall not include any claims arising from the negligence or willful misconduct of the Consultant, its officers, agents or employees.

16. (a) The Consultant shall procure and maintain, at its sole expense, throughout the term of this Agreement and any extension thereof, Professional Errors and Omission Insurance coverage in the form and substance and with carriers acceptable to the City. Such coverage limits shall not be less than $1,000,000 per claim and aggregate.

(b) During the entire term of this Agreement, the Consultant agrees to procure and maintain General Liability Insurance in form and substance and with carriers

acceptable to the City at its sole expense to protect against loss from liability imposed by law for damages on account of bodily injury, including death therefrom, suffered or alleged to be suffered by any person or persons whomever, resulting directly or indirectly from any act or activities of the Consultant its sub-consultant or any person acting for the Consultant or under its control or direction, and also to protect against loss from liability imposed by law for damages to any property of any persons caused directly or indirectly by or from acts or activities of the Consultant or its subconsultants, or any person acting for the Consultant or under its control or direction.

(c) Such General Liability Insurance shall be maintained in full force and effect throughout the terms of the Agreement and any extension thereof in the minimum limits provided below:

	General Liability
Bodily Injury	$1,000,000 per occurrence
Property Damage	$ 500,000 per occurrence

A combined single limit policy with aggregate limits in the amount of $2,000,000 will be considered equivalent to the above minimum limits.

(d) If the operation under this Agreement results in an increased or decreased risk in the opinion of the City Manager, then the Consultant agrees that the minimum limits hereinabove designated shall be changed accordingly upon request by the City Manager.

(e) The Consultant shall procure and maintain, at its sole expense, and throughout the term of this Agreement and any extension thereof, Public Liability and Property Damage Insurance coverage for owned and non-owned automotive equipment operated on City premises. Such coverage limits shall not be less than $1,000,000 combined single limit.

(f) The Consultant shall procure and maintain, at its sole expense, Workers' Compensation Insurance in such amounts as will fully comply with the laws of the State of California and which shall indemnify, insure and provide legal defense for both the Consultant and the City, MVHA and CSD against any loss, claim, or damage arising from any injuries or occupational diseases happening to any worker employed by the Consultant in the course of carrying out the Agreement.

(g) The City of Moreno Valley, the Moreno Valley Housing Authority, and the Moreno Valley Community Services District, their officers, employees and agents shall be named as additional insured on all policies of insurance except errors and omissions and worker's compensation.

(h) A Certificate of Insurance and appropriate additional insured endorsement evidencing the above insurance coverage shall be submitted to the City Clerk prior to the execution of this Agreement on behalf of the City.

(i) The Certificate of Insurance or an appropriate binder shall bear an endorsement containing the following provisions:

> "Solely as respect to services done by or on behalf of the named insured for the City of Moreno Valley, it is agreed that the City of Moreno Valley, the Moreno Valley Housing Authority, and the Moreno Valley Community Services District, their officers, employees and agents are included as additional insured under this general liability policy and the coverage(s) provided shall be primary insurance and not contributing with any other insurance available to the City of Moreno Valley, the Moreno Valley Housing Authority, and the Moreno Valley Community Services District, its officers, employees and agents, under any third party liability policy."

(j) Insurance companies providing insurance hereunder shall be rated (A minus: VII - Admitted) or better in Best's Insurance Rating Guide and shall be legally licensed and qualified to conduct insurance business in the State of California.

(k) The terms of the insurance policy or policies issued to provide the above insurance coverage shall not be amended to reduce the above required insurance limits and coverages nor shall such policies be canceled by the carrier without thirty (30) days prior written notice by certified or registered mail of amendment or cancellation to the

City, except that cancellation for non-payment of premium shall require ten (10) days prior written notice by certified or registered mail. In the event the said insurance is canceled, the Consultant shall, prior to the cancellation date, submit to the City Clerk new evidence of insurance in the amounts established.

17. During the performance of this Agreement, the Consultant will not unlawfully discriminate against any employee or applicant for employment because of race, religion, creed, color, national origin, sex, or age. The Consultant will take affirmative action to ensure that applicants are legally employed, and that employees are treated during employment without regard to their race, religion, creed, color, national origin, sex, or age.

18. Consultant and subconsultants shall pay prevailing wage rates when required by the Labor Laws of the State of California.

19. (a) The Consultant shall deliver to the Public Works Director/City Engineer of the City or his/her designated representative, immediately upon request in both hard copy and electronic format, all documents, drawings, models, presentation materials, renderings, calculations, specifications, permits and permit-related documents, surveys, materials tests, geotechnical reports, etc., if available, developed to date for the City's project and any other City-provided documents, which shall become the property of the City. The Consultant may retain for its files, at its expense, copies of any and all materials, including drawings, documents, and specifications, produced by the Consultant in performance of this Agreement. It shall be understood that the City shall be the owner of all project-related documents and drawings at all times and during all phases of the project.

The City reserves the right to ask for a hard copy and/or an electronic copy of the documents developed to date at any time during the period of this agreement.

(b) The Consultant shall be entitled to copies of all furnished materials for his files and his subconsultants, if any, for professional services related to the City's project.

(c) The City agrees to hold the Consultant free and harmless from any claim arising from any unauthorized use of computations, maps, and other documents prepared or provided by the Consultant under this Agreement, if used by the City on other projects without the permission of the Consultant. Consultant acknowledges that Consultant work product produced under this agreement may be public record under State law.

20. (a) The City may terminate this Agreement without cause on the part of Consultant by giving at least ten (10) days written notice to the Consultant. The written notice shall specify the date of termination. Upon receipt of such notice, the Consultant may continue services on the project through the date of termination, provided that no service(s) shall be commenced or continued after receipt of the notice, which is not intended to protect the interest of the City. The City shall pay the Consultant within thirty (30) days after the date of termination for all non-objected to services performed by the Consultant in accordance herewith through the date of termination.

(b) Upon notice of termination, the Consultant shall deliver to the Public Works Director/City Engineer of the City or his/her designated representative, in both hard copy and electronic format, all documents, drawings, models, presentation materials, renderings, calculations, specifications, permits and permit-related documents, surveys,

materials tests, geotechnical reports, etc., if available, developed to date for the City's project and any other City-provided documents, which shall become the property of the City. The Consultant may retain for its files, at its expense, copies of any and all materials, including drawings, documents, and specifications, produced by the Consultant in performance of this Agreement. It shall be understood that the City shall be the owner of all project-related documents and drawings, regardless of the completeness of said documents.

(c) The Consultant shall be entitled to copies of all furnished materials for his files and his subconsultants, if any, for professional services related to the City's project.

(d) The City agrees to hold the Consultant harmless from any claim arising from any unauthorized use of computations, maps, and other documents prepared or provided by the Consultant. Consultant acknowledges that Consultant work product produced under this Agreement may be public record under State law.

(e) Either party may terminate this Agreement for cause. In the event the City terminates this Agreement for cause, the Consultant shall perform no further service(s) under the Agreement unless the notice of termination authorizes such further work.

21. This Agreement is binding upon the City and the Consultant and their successors and assigns. Except as otherwise provided herein, neither the City nor the Consultant shall assign, sublet, or transfer its interest in this Agreement or any part thereof without the prior written consent of the other.

22. A City representative shall be designated by the City and a Consultant representative shall be designated by the Consultant. The City representative and the

Consultant representative shall be the primary contact person for each party regarding performance of this Agreement. The City representative shall cooperate with the Consultant, and the Consultant's representative shall cooperate with the City in all matters regarding this Agreement and in such a manner as will result in the performance of the services in a timely and expeditious fashion.

23. This Agreement represents the entire and integrated Agreement between the City and the Consultant, and supersedes all prior negotiations, representations or Agreements, either written or oral. This Agreement may be modified or amended only by a subsequent written Agreement signed by both parties.

24. Where the payment terms provide for compensation on a time and materials basis, the Consultant shall maintain adequate records to permit inspection and audit of the Consultant's time and materials charges under this Agreement. The Consultant shall make such records available to the City at the Consultant's office during normal business hours upon reasonable notice. Nothing herein shall convert such records into public records. Except as may be otherwise required by law, such records will be available only to the City. Such records shall be maintained by the Consultant for three (3) years following completion of the services under this Agreement.

25. The City and the Consultant agree that, to the extent permitted by law, until final approval by the City, all data shall be treated as confidential and will not be released to third parties without the prior written consent of both parties.

26. The Consultant shall employ no City official or employee in the work performed pursuant to this Agreement. No officer or employee of the City shall have any financial interest in this Agreement in violation of federal, state, or local law.

27. Subject to the provisions of Section 19 (a) above, all plans, drawings, specifications, reports, logs, and other documents prepared by the Consultant in its performance under this Agreement shall, upon demand by the City, be delivered to and become the property of the City for the limited use as set out above, provided that the Consultant shall be entitled, at its own expense, to make copies thereof for its own use.

28. The laws of the State of California shall govern the rights, obligations, duties, and liabilities of the parties to this Agreement, and shall also govern the interpretation of this Agreement. Venue shall be vested in the Superior Court of the State of California, County of Riverside.

Exhibit "B" – Consultant's Proposal
Exhibit "C" – City's Responsibility
Exhibit "D" – Terms of Payment
Exhibit "E" – Consultant's Schedule

CITY - SERVICES TO BE PROVIDED
TO CONSULTANT

1. Furnish the Consultant all in-house data which is pertinent to services to be performed by the Consultant and which is within the custody or control of the City, including, but not limited to, copies of record and off-record maps and other record and off-record property data, right-of-way maps and other right-of-way data, pending or proposed subject property land division and development application data, all newly developed and pertinent design and project specification data, and such other pertinent data which may become available to the City.
2. Provide timely review, processing, and reasonably expeditious approval of all submittals by the Consultant.
3. Provide timely City staff liaison with the Consultant when requested and when reasonably needed.

TERMS OF PAYMENT

1. The Consultant's compensation shall not exceed $_____.

2. The Consultant will obtain, and keep current during the term of this Agreement, the required City of Moreno Valley business license. Proof of a current City of Moreno Valley business license will be required prior to any payments by the City. Any invoice not paid because the proof of a current City of Moreno Valley business license has not been provided will not incur any fees, late charges, or other penalties. Complete instructions for obtaining a City of Moreno Valley business license are located at: http://www.moval.org/do_biz/biz-license.shtml

3. The Consultant will electronically submit an invoice to the City for milestone payments along with documentation evidencing services completed to date. The milestone payment is based on actual time and materials expended in furnishing authorized professional services during the preceding period. At no time will the City pay for more services than have been satisfactorily completed and the City Engineer's determination of the amount due for any milestone payment shall be final. The consultant will submit all original invoices to Accounts Payable staff at AccountsPayable@moval.org. Accounts Payable questions can be directed to (951) 413-3073. Copies of invoices may be submitted to the Capital Projects Division at miab@moval.org or calls directed to (951) 413-3155.

4. The Consultant agrees that City payments will be received via Automated

Clearing House (ACH) Direct Deposit and that the required ACH Authorization form will be completed prior to any payments by the City. Any invoice not paid because the completed ACH Authorization Form has not been provided will not incur any fees, late charges, or other penalties. The ACH Authorization Form is located at:

http://www.moval.org/city_hall/forms.shtml#bf

5. The minimum information required on all invoices is:

   A. Vendor Name, Mailing Address, and Phone Number
   B. Invoice Date
   C. Vendor Invoice Number
   D. City-provided Reference Number (e.g. Project, Activity)
   E. Detailed work hours by class title (e.g. Manager, Technician, or Specialist), services performed and rates, explicit portion of a contract amount, or detailed billing information that is sufficient to justify the invoice amount; single, lump amounts without detail are not acceptable.

6. The City shall pay the Consultant for all invoiced, authorized professional services within forty-five (45) days of receipt of the invoice for same.

RE: RFP for Professional Consultant Services associated with the Moreno Valley City Council Chamber Renovation and Television Broadcast Equipment Upgrade Project

Due Date & Time: 12:00 p.m., Tuesday, May 28, 2013

Dear Mr. Ngo,

Thank you for considering Burst for this important city project. We have read the Request for Qualifications document and understand its contents.

We have revised our Fee Proposal per recent discussions. That revision includes the removal of all chairs from the Equipment Purchase and Detailed Design section and the elimination of all previously considered budgetary items. These included the #5 Dais, #12 Staff Tables and #17/18 Council Wall. These items are outside our area of expertise.

We have a monitor and labor to install it per you recent direction.

We have included tax on equipment and materials at 8%.

Please find four copies of our response enclosed. We look forward to hearing from you soon.

Best regards,

Greg Gorian
Sales Engineer

Moreno Valley City Council Chamber Renovation Proposal

V Consultants Proposal

A. Experience

Burst has been providing television systems for over twenty years. In that time we have supplied full turnkey systems, including detailed design, installation, commissioning, testing and training to a variety of clients. These include traditional TV stations, city and other governmental entities, media and entertainment facilities, major professional sports stadiums and arenas.

Our city client database includes the cities of:

- Los Angeles, CA
- Beverly Hills, CA
- Chino, CA
- Westminster, CA
- Dallas, TX
- Denver, CO
- Colorado Springs, CO
- Aurora, CO
- Mission Viejo, CA
- Chino Hills, CA
- Santa Monica

In this twenty plus year span we have been involved at nearly every level of design, engineering, installation, commissioning, testing and training. With respect to work we have performed for cities on projects of similar size and complexity to our understanding of this upgrade. Burst has provided the following services in part or as a unified turnkey package. Typically we provide all the services detailed below.

Initial Design

That phase of a project where Burst meets with the client to establish basic goals and a general Scope of Work (SOW). General signal flow drawings and equipment lists are usually provided at this point.

Detailed Design

This phase of the project is where generalities become specifics. This is the point in the project where decisions need to firmed up and subsequently finalized in order to create firm understandings of workflow, budgets, equipment lists, SOWs and timelines. Solid planning leads to success.

Documentation

While this task spans both initial and detailed design, it becomes critical in the latter. Burst prides itself in producing clean, information design documentation. We do so with two audiences in mind. First is our install team, followed by you the client. Both require solid documentation to install and maintain the systems built.

Project Management

In our turnkey work, the PM may also be the design engineer for smaller projects. If the workload is sufficient, we provide a dedicated PM for the duration of the project.

Procurement

Burst is an authorized vendor for all the product categories contemplated in this RFQ. Our procurement process is driven by design engineering decisions agreed upon by the client. It is worth noting that Burst is also a supplier of equipment to clients not requiring any of the services details here. We have provided equipment to clients performing their own installations on many occasions.

Installation

Burst typically installs its own designs. We offer fully licensed, bonded and insured technicians as required to meet clients' requirements. Many technicians carry certifications. All have years of experience in demanding situations where deadlines are met.

Commissioning

Our engineering staff commissions everything we install. We occasionally commission for others. This process insures a complete working system, meeting client expectations. On occasion we employ manufacturers' staff to commission large or complex items, but hold final responsibility for overall functionality.

Testing

Testing occurs at several points along the project timeline. Burst tests every cable we fabricate prior to installation. We test each input signal through its entire path to final destinations, proving all cabling is proper and each piece of equipment is functioning to specification. Equipment is powered up to mitigate any initial failures and later tested to determine proper functionality. We rarely test for others.

Training

Burst typically provides two levels of training to our clients. Our staff provides general system training and specific training on simpler devices. Manufacturers assist on larger and more complex items. Again, Burst assumes responsibility for client satisfaction of overall training. We rarely train for others.

Completed Projects

City of Los Angeles

LA Cityview 35 (LA 35)

The City of Los Angeles contracted with Burst to upgrade the automation sub-system in Master Control at LA Cityview 35, the city's public access television facility. Burst decommissioned the existing system, installed the replacement, transferred the existing programming database, commissioned, tested and trained city personnel, while maintaining continuous on air operation. The system centered on Sundance Fastbreak Automation products.

Project completed December 2010

Consultant's involvement: Turnkey design and build
Project Value: Approximately $210,000
Length of Design in months: 1.5 months
Construction Time in Calendar Days: 30

Contact Information: Tony Ighani (213) 485-4419

Los Angeles Police Department Headquarters (PAB)

The city of Los Angeles Police Department selected Burst for this turnkey design build project encompassing all the broadcast and audio visual systems for their new headquarters facility in downtown Los Angeles. The project was divided into multiple design and installation phases to meet client deadlines. The facility houses a 300 seat auditorium, Board of Police Commissioners (BOC) hearing room, seating 50, "Compstat" meeting room seating 50+, and many interview, video conference and related rooms. A complete studio style production system provides live broadcast coverage of LAPD BOC events. A Final Cut Pro based non-linear edit system provides post production capabilities

Project Completed: 5-12-2012
Consultant's involvement: Turnkey design and build
Approximate Project Value: $3.1M
Length of Design in months: ~7
Construction Time in Calendar Days: ~900

Project duration: 4-10-2009 through 5-12-2012

Contact Information: Bhavin Patel (213) 847-2199

Los Angeles Emergency Operations Center (EOC)

The City of Los Angeles selected Burst for this turnkey design build integration project encompassing the complex audio visual systems for their emergency response facility in downtown Los Angeles. The project was divided into multiple design and installation phases to meet client deadlines.

The facility houses:

- A Central monitoring room containing quantity 100+ displays where emergency personnel can view all local, national, and international media outlets, directing pertinent information as required to local fire, state and local police, state and national level security personnel. The main display wall is composed of four large venue projectors and six 65" LCD screens with fourteen additional 40" LCD display on conference tables and a PC display for each of the 100+ responders. All equipment is tied via a central backbone providing instant access to any image at any location based on custom written code via a Crestron automation system. Room capacity exceeds 100.

- The 911 call center for metropolitan Los Angeles housing 911 operators and LAFD personnel 24/7/365. 56 shared displays ranging in size from 42" to 70" are controlled via custom written Crestron based code over a Jupiter Pixelnet system providing multiple preset layouts. Sources include LAFD computer based data, internet feeds and other city services.

- LAPD RACR operational center housing up 50 LAPD officers. This room contains 28 42" shared displays controlled via custom written Crestron based code over a Jupiter Pixelnet system providing multiple preset layouts. Sources include LAPD computer based data, internet feeds and other city services. Two conference rooms are integrated into this facility.

- Numerous additional break-out and conference rooms providing additional capabilities for this one of a kind facility.

Consultant's involvement: Turnkey design and build
Approximate Project Value: ~$8.5M
Length of Design in months: ~10
Construction Time in Calendar Days: 1250

Project Duration: 3-2008 through 10-1012

Contact Information: Greg Steinmehl (213) 922-7793

City of Westminster

Automated Production Facility

The City of Westminster selected Burst to design and install a turnkey automated multi-camera production system to augment an existing facility. The system is comprised of four cameras on pan and tilt controllers for use in the city council chambers. The City chose Hitachi HVD15 cameras with SDI output cards and Telemetrics PT-CP-S2 servo pan/tilt heads.
Burst completed the project on time and within budget and did not interrupt any broadcasts.

Project completed May 2007
Consultant's involvement: Turnkey design and build
Approximate Project Value: $94,000
Length of Design in months: ~2
Construction Time in Calendar Days: 60

Project Duration: 3-2008 through 10-1012

Contact Information: Lavada Cordasco (714) 898-3311 ext. 277

West Covina, CA

Faith Community Church (FCC a Catalyst Technologies Project)

Upgrade Back of House to HD

Faith Community Church located in West Covina, California selected Catalyst Technologies to design and implement an upgrade to their Back of House area. Project included new control and machine rooms to support a 5 camera system with a Ross 4 ME Vision mixer and an Evertz 32 x 32 routing system.

Project completed in October 2012
Consultant's involvement: Turnkey design and build
Approximate value of project: $1,500,000
Length of Design in months: 2
Construction Time in Calendar Days: 180

Contact Information: Clete Rodrigez 626-858-8400

City of Denver, CO

City Council Upgrade (DECC)

The City of Denver selected Burst to upgrade their City Council production broadcast system that televises City Council meetings. The system was a full NTSC to SDI upgrade employing dual control rooms, Ross Synergy switchers, Harris Inscriber CG, 11 Panasonic PTZ cameras with Telecast and Telemetrics fiber and PTZ accessories, and associated terminal equipment, consoles and racks.
Consultant's involvement: Turnkey design and build

Burst completed the project on time and budget meeting the customer's expectations.
Consultant's involvement: Turnkey design and build
Project Valued: Approximately $1,000,000
Length of Design in months: 2.5
Construction Time in Calendar Days: 150

Project completed October, 2008.

Contact Information: Alan Hayden: (720) 865-2311

City of Dallas

City Hall Upgrade (DACC)

The City of Dallas selected Burst to upgrade their aging Dallas City Hall production broadcast system that is used to televise City council meetings and briefing room events. The system was a full NTSC to SDI upgrade using a Ross Synergy 2 switcher, Compix 8000 character generator system, Hitachi DV-D15 PTZ cameras, and associated terminal equipment and racks. The onsite installation was accomplished within a one week period keeping the city on the air at all critical times.

Burst completed the project on time and budget exceeding the customer's expectations.
Consultant's involvement: Turnkey design and build
Project Valued: Approximately $181,000

Project completed March, 2007.
Length of Design in months: 2
Construction Time in Calendar Days: 70

Contact Information: Bennie Wilcox (214) 957-1042

PEG/DISD/DFD (DAPG)

Burst completed the final phase of the reconstruction of several facilities that provide community access and conditional access programming for the City of Dallas, TX. The project was divided into segments to allow the city to adjust to each new operation on an incremental basis.

This project has effectively moved the city-controlled channels from a tape-based system operated by AT&T Broadband to server-based channels operated by the city at several locations including Dallas Community Television, Dallas Independent School District, and the Dallas Fire Department. The majority of these installations included automated multi-channel origination capabilities.

Full production and post production facilities were also installed in addition to a new city channel monitoring system at Dallas City Hall. The Dallas Community Television upgrade included two mirrored studios, NLE edit bays and a production vehicle. Project duration was approximately one year with multiple deadlines being met during that time frame.

Consultant's involvement: Turnkey design and build
Project Valued: Approximately $2.6M

Project completed March, 2007.
Length of Design in months: 4.5
Construction Time in Calendar Days: 300

Contact Information: Bennie Wilcox (214) 957-1042

Current Projects

City of Denver

TV-8 (DTV8)

This turnkey design build HDTV project is nearly complete as of 3-15-13. It is composed of a 3 camera studio and Master Control system with required terminal and fiber connectivity between the two systems and equipment room. Project progressed in two phases.

Consultant's involvement: Turnkey design and build
Project Value: Approximately $1,000,000
Length of Design in months: Two phases over four months
Construction Time in Calendar Days: ~300

Contact Information: Brian Schauer (720) 865-2314

City of Beverly Hills (COBH)

This turnkey design build HDTV project is nearly complete as of 3-15-13. It is composed of a 3 camera studio, post production and Master Control system. The system architecture is file based providing end to end tapeless workflow. Studio and post production sub-systems are complete as of this writing. Master control is under re-design due to originally specified equipment not meeting client expectations.

Consultant's involvement: Turnkey design and build
Project Value: Approximately $2.2M
Length of Design in months: 6
Construction Time in Calendar Days: 900

Contact Information: Mark Geddes (310) 285-1176

B. Project Understanding

We understand the critical nature of this project and we will make every effort to complete it by August 19th, when The Council resumes. It is imperative that we work very closely with City personnel to deliver documentation and get timely feedback on any issues that might arise during the design and implementation phases.
Burst Communications intends to break the project into three major pieces consisting of: (1) Technical system, (2) furniture acquisition or modifications and finally (3) wall modification and construction including a new City Seal. We understand that it is imperative that all modifications to The Council Chambers are completed before August 19th.
It is crucial that City officials for Moreno Valley work very closely with Burst Communications to design the "look and feel" of the new dais and wall so no delays are encountered.
Once selected for the project Burst will immediately start ordering some of the core equipment such as equipment racks, patch panels and router to start building the core technical system as soon as possible.
Preliminary designs should be completed within 8 business days from "notice to proceed and the detailed designs will follow close behind.

The project does incorporate certain tasks normally performed by a general contractor, namely the wall and dais modifications. These require an increased level of communication between the selected Consultant and appropriate city personnel. It will be critical to get that process underway immediately and establish a decision making process leading to clearly stated requirements.

Our Project Fee Schedule includes the pricing for the wall, dais and chairs as required. It is worth mentioning that we arrived at the pricing for these elements of the system by pricing all other more traditional technical equipment and services and then allocating the remaining budget across these items. We look forward to discussing this in greater detail.

Burst understands the City of Moreno Valley wishes to improve the level of service to its residents and visitors by improving the quality of service via technology upgrades as described in the RFQ. Burst has provided many such upgrades to similar cities and will bring that experience to this project.

C Project Management and Staffing Plan

Burst is a firm that is experienced in the installation of systems similar in complexity and scale to those required for this project.

In our subcontract relationship with Catalyst Technologies we bring Mark Girard's additional skill sets to bear on the project. Mark Girard will serve as Project Manager throughout the entire project.

The balance of the installation team will be hired from local resources. These individuals are typically independent contractors and have worked with both Burst and Catalyst Technologies. They are proven performers with demonstrated skills.

Please see the attached timeline in the form of a Gantt chart which details the individual tasks required to be completed relative to the schedule.

From a technology perspective this project is fairly straight forward with few issues. The main concerns are with the timeline; specifically identifying and ordering the key technology components in a timely manner and well as the design and construction of the new dais. Those components are as follows:

- Design of new system
- Order key components
  - Cameras
  - Camera controller
  - Video switcher
  - Router
  - CG
  - Video Servers
  - DVD Blu-ray player/ recorders
  - Presentation Computer
  - Monitors
  - Video Projector
  - Terminal equipment (DAs, etc.)
  - Waveform / Vector scope
  - Intercom system
  - Audio Console
  - Microphones
  - Hearing assisted equipment
  - Voting system
  - Design new Dias, podium, ADA compliant table, staff tables and control room console.
  - Remove existing system

- Install new video infrastructure
- Down conversion for cable feeds where necessary
- Address HD copy protect issue for Blu-ray playback
- Install new audio infrastructure
- Install voting system

The non-traditional elements of this project, the wall, dais and chairs will be given special attention and will require timely and succinct feedback and decision making from appropriate city personnel.

Burst maintains a fully staffed and equipped service facility provides support and design personnel within 25 miles of the City of Moreno Valley which enables us to not only provide an integration team but also provide an on-going support team to meet all you technical needs.

Burst is authorized to sell all equipment specified within this system and to pass on full manufacturers warranties.

Burst and Catalyst Technologies have adequate plant, CGL insurance and bonding capabilities to complete the work.

The Insurance Statements are included in Appendix 1.

Burst possesses a current and valid California C7 License# 955656.

Burst Profile

Burst Communications, Inc. was formed in 1991 by Kirk Basefsky and Robin Heywood. It has grown from a three-person firm selling equipment to the broadcast industry to an organization providing multiple services to many different end users. Burst's client base extends from coast to coast and internationally. Our strategic partnerships with nationally known manufacturers enable us to provide the right products to complement the solutions offered by our highly qualified staff.

Burst provides professional services for broadcast television, cable channels, stadiums, sports arenas, universities, school districts, government agencies and worship facilities. We provide full design and integration services to clients in all these markets via our integration division. These services include consultation regarding technical plant evaluations, conceptual designs, complete documentation sets, turnkey systems integration and operation. Burst performs these services and provides equipment procurement as well. Burst produces high quality system documentation that includes AutoCAD drawings, Microsoft Excel equipment lists and cable databases, and Microsoft Project schedules.

Offices are located in Dallas, TX, Albuquerque, NM, Newport Beach, CA, Salt Lake City, UT, with corporate offices in Centennial, Colorado.

Resumes

Mark Girard - Design Engineer and Project Manager

Mark possesses over 29 year's industry technical and managerial experience. He has designed, project managed and built numerous facilities in the southern California area.

His areas of technical expertise include projects as large as 100,000 sq./ft. facilities for Ascent Media to more modest work for the city of Chino Hills. He is experienced in the design, construction, operation and maintenance of live studio, control room and related technologies. He has supervised staff of over 200 individuals in design build project environments. Mark holds a BSC California State Fullerton.
His professional affiliations include:

NARTE Member
SMPTE Committee Member
NAB presenter

Robin Heywood - President

As one of the founders of Burst Communications in 1991, Robin Heywood manages the integration division of the company. This includes the business aspects of systems integration, including finance, operations, and general management. Mr. Heywood has over 25 years experience in the design, implementation and installation of video production, master control, automated playback systems, nonlinear editing systems arena scoreboard display, house of worship and mobile sports production systems.

Mr. Heywood has been involved in projects referenced in this document. He has acted as project manager and senior project manager on multiple projects simultaneously. Recently has focused on Burst's large projects with the city of Los Angeles. He has provided managerial oversight of contract analysis, insurance compliance and many other business issues.

Prior to co-founding Burst Communications with Kirk Basefsky, Mr. Heywood spent several years as sales engineer for Midwest Communications and Ceavco Audio/Visual.

Mr. Heywood holds a B.S. degree in Television Production from Ohio University. He has held operational positions at WOUB/TV, a local PBS affiliate and at the College of Osteopathic Medicine as producer, lighting director, video technician and cinematographer.

Mr. Heywood's professional affiliations include the Society of Motion Picture and Television Engineers (SMPTE) and the Colorado Film and Video Association (CFVA).

Dale Scherbring - VP of Engineering

Dale brings thirty one plus years of broadcast television engineering, maintenance and operations experience to his position as VP of Engineering at Burst. At Burst he provides overall engineering oversight on all projects with all technical staff reporting to him and reports directly to ownership. In addition to managerial responsibilities he provides design, project management, commissioning testing and systems training from time to time. He has direct experience in designing and building g master control, studio and control rooms. In his career Mr. Scherbring has risen through the ranks to achieve the position of VP and Director of Engineering for Pappas Broadcasting and subsequently Burst. His duties while with Pappas included providing technical advice to Pappas Board of Directors, technical staff management for 23 Pappas broadcast properties, planning and managing digital television transition for all Pappas Telecasting full power TV stations, designing and building HD TV upgrades for four Pappas locations, designing and implementing Spanish Network NOC,

program prep workflow, closed caption insertion and internet delivery system for TuVision Network and supervising Technical FCC compliance for 23 Pappas Broadcast Properties. Dale holds a BS degree in Management of Information Systems, Math and Electronics from the University of Omaha. In addition he holds the following credentials.

SBE Certification:
Professional Broadcast Engineer (CPBE)
SBE Member 1985 - Present
FCC General Class License
MSTV, Engineering Committee
ATSC, Technical sub-group, TSG/PC-4: Planning Committee Chair: Jeff Johnson, Gannett Broadcasting
ATSC, Technical sub-group, TSG/S3: Digital ENG and DLR Group Chair: Dane Ericksen, SBE

Letha Koepp - Administrative Project Manager

Letha has over 20 year's industry experience. She began a career in broadcasting at KTWO-TV in Casper, WY in 1985. Her positions there ranged from Master Control Operator, through Traffic Manager, to Operations Manager via a series of promotions.

She has worked closely with Dale Scherbring, VP/Chief Engineer at Burst Communications, Inc. over this period of time and continues to play a strong role in our team. Her duties include equipment procurement and expediting, assisting in crew scheduling and travel coordination, invoicing and a myriad of details required to achieve project success.

Greg Gorian – Sales Engineer

Greg Gorian has been in the Broadcast Equipment sales and integration business for 17 years, the last 16 with Burst. Greg has focused on the governmental market in Southern California and has had the privilege of holding Contract # 59014 with the City of Los Angeles to provide Audio/Video Production equipment, system design/engineering services, and equipment repair support for LA City View Channel 35 and various other city departments. Please see the project descriptions above to gain insight into the scope of Greg's activities.

Mr. Gorian holds a B.A. degree in Economics from San Diego State University.

D. Work Plan & Schedule

Burst understands the City of Moreno Valley requires scheduling this project around the City's mandatory construction timeframe. Please see our attached Gantt chart which details the individual tasks required to be completed relative to the schedule.

Our general approach to this project is to work from our position of demonstrated experience with many similar projects, engage the appropriate personnel with the city and work the plan per the timeline. Necessary project tasks will be performed in a professional and workmanlike manner. Burst performs formal internal project progress meetings on a weekly basis. The team members are in constant communication during certain phases of the project.

Burst expects a single individual to be our formal point of contact with the city. Burst in turn des the same. This is critical to project success as it provides two repositories of complete project understanding.

Please note we have combined the Preliminary and Detailed Designs into one phase on the timeline. The nature of the system and the tight schedule lead us to this decision. Having said that there is a Preliminary Design Review scheduled as item (ID 11) which will function as a corollary to traditional Preliminary Design.

We have scheduled four formal meetings to perform review and provide opportunity for comment and subsequent approvals by the City. We fully expect to spend considerable additional time in direct communication with appropriate City personnel on an informal basis. This informal communication is critical to achieving the project goals and usually results in more productive formal meetings.

Site Preparations

Prior to Burst commencing on-site work the following should have occurred:

- Pathways from the loading dock/rear entrance to the areas where Burst will install equipment must be clear and capable of handling heavy loads.
- Adequate and properly grounded and conditioned electrical power must be available at all specified locations.
- Adequate HVAC for Burst installed equipment must be fully operational.
- Burst recommends that new HVAC ducting should be capped during construction to keep dust out of the system.
- Any required fire suppression equipment in the Burst construction area must be fully operational and tested.
- Room locations containing Burst installed equipment must be free of any other construction trade activities and broom clean.

- All drop tile ceiling must be completely installed.
- Room locations containing Burst installed equipment must be securable.

E. Quality Control and Assurance

This project requires certain measures be undertaken on a per phase basis. Our philosophy is one of planning, communicating plans to the client, requesting feedback, taking any corrective steps and communicating again. We strive to complete the project in a manner the keeps the client fully informed and leads to predictable results; no surpises!

Phase	QC Measure
Preliminary Design	Communicate preliminary equipment list, workflow concepts, request feedback, begin Crestron code writing design, compare progress to schedule, weekly meetings
Detailed Design	Communicate design details as they impact any changes to Preliminary Design concepts, request detailed design acceptance, order equipment based on designs, feedback equipment deliveries to project team as they may impact installation, order most materials, perform Crestron code writing with appropriate feedback to client, submit drawings and cable run list to foreman to review, inspect rooms for room ready conditions, engage City regarding wall, dais, chairs, compare progress to schedule, solicit comments on all work completed to date, weekly meetings
Installation, Construction & Integration	Inspect all equipment upon arrival, test all cables for continuity, perform redlines to drawings as required, Mark Girard is present and in communication with crew on a regular basis, compare progress to schedule, solicit comments on all work completed to date, weekly meetings
Commissioning and Testing	Power up all equipment, asses any "infant mortality" equipment failures,

	load Crestron code, test as soon as possible to allow time for any required modifications, maintain communication with vendors as required to replace any failed equipment, compare progress to schedule, communicate progress to client to prepare training schedule in advance, prepare closeout documentation, inform client of training schedule, review system workflows with client to prepare for training, solicit comments on all work completed to date, weekly meetings
Training & Project Closeout	Submit closeout documents early to allow for review, solicit comments on all work completed to date

Burst's Quality Assurance Project Management System

Objective

The objective of the Burst Quality Assurance Project Management System is Customer Satisfaction. This is accomplished by:

Understanding, meeting, and then exceeding our client's expectations
Being innovative and proactive
Doing the right thing

The following specifics each contribute to our Customer Satisfaction objective.

Design

All Burst projects utilize a team approach. A Burst design engineer will work collaboratively with the end user and other appropriate parties to review all system requirements. Burst does internal reviews including our VP of Engineering, project manager and a project foreman. This information is used to create top level design specification. This is followed by detailed engineering drawings of the total system. The next step is an Implementation Plan and Project Schedule. All of these steps are done in an open and collaborative environment with regular reviews including all appropriate parties.

Project Management

Burst believes project management is a key element to the success of any project. All the items detailed below are affected by project management. As such, Burst will provide a full time dedicated project manager familiar with both broadcast systems and project management experience. The Project Manager's involvement in the project begins with site visits, estimating labor, materials, expenses, etc. and does not end until after final acceptance. This creates a high level of understanding of the project and continuity.

We require consistent feedback from the designers, crew, management and ownership to the project manager. This typically comes in the form of internal progress meetings scheduled as required by the level of activity at any given time. We follow up with the client immediately after our internal meeting with a consecutive meeting that includes the client and others as required to review progress to date. The goal is to provide regular and consistent feedback to the client.

For this project we will schedule both meetings on a weekly basis.

It is worth noting that the Project Manager is copied on all relevant communication. This creates a single point of cross reference so that each discipline is made aware of changes and can act accordingly. For example a design change may require new products and materials to be ordered. This may affect the cable fabrication and/or the construction schedule. Our view is the project manager must coordinate all these efforts in order to create a quality system.

Burst will provide daily/weekly reports to our client as a way to keep the lines of communication flowing. This report consists of progress made since the last report; goals for the upcoming period as well as any obstacles Burst may be having that could affect the project's schedule.

Logistics

Burst's logistics group is headed by the Administrative Project Manager, who controls all purchases and coordinates with the vendors and project team to assure equipment and material are available at the right time in the right place. This group also reconciles orders with receiving documents to guaranty accuracy of shipments, invoicing and inventory.

Offsite Construction

In addition to our construction site at our headquarters in suburban Denver Burst has sites in Southern California and Dallas Texas. These sites offer up to 10,000 square feet of space enabling us to build and test in an organized fashion.

Burst will fabricate most cables off site. All fabricated cables are fully tested. Burst employs custom made testing benches based on industry standard testing equipment.

We sub-divide the construction process into smaller more manageable tasks in order to better track progress. Periodic reviews of construction progress are performed by both the project manager and the design team. This ensures consistency in terms of the quality of construction and minimizes any remedial efforts into smaller more manageable tasks. It also allows us to track budget to actual results against our timeline.

Shipping

Burst controls the shipping process. All equipment and materials will ship to Denver from the manufacturers via carriers who understand the fragile nature of broadcast equipment. Our receiving process includes inspection of all equipment for physical damage and the collection of all applicable serial numbers. We personally pack the freight and build crates as required. Then all items are shipped to the construction site using "white glove" point-to-point freight service. Upon delivery at the construction site we personally unpack the shipment and set items in place. All shipments are insured via our insurance company.

Onsite Construction

Burst will employ highly qualified installers and engineers for this phase of the project. These may be Burst employees and/or contract individuals. Once they have received the shipment from Burst and have placed the racks in position they will begin the process of installing the wiring between racks and the control rooms as well as other interconnections to other subcontractors.

Site Safety Policies

Burst maintains a Site Safety Policy and has an exemplary safety history. It is managed by a full time safety professional, who is responsible for monitoring the safety procedures of our crews at the jobsite.

Testing and Commissioning

Burst will provide a senior engineer and lead technician to perform system testing and commissioning. Burst will work in conjunction with the owner's staff and others to perform system testing. We will also provide manufacturer personnel, as needed, to commission key pieces of equipment.

Our commission effort will be divided in two parts. First we will commission in phases based on sub-systems. Second we will provide staff with specific skill sets in video, audio, control and IT. We believe these two methods of commissioning offer the best results. Burst encourages any local engineers who are intended to maintain and operate the system to be involved. There is always an interest in involving local contract engineers to enable support of the client after the project is finished.

Training

Burst will provide training from our engineering staff and manufacturer-based experts. This training will be coordinated with all appropriate parties, especially the end users.

Warranty

Burst provides a one year warranty against defects in materials and workmanship on all of its installation labor and materials. During the warranty period, Burst will repair or at our option replace at no charge any defects in installation labor or materials. Equipment and products installed as part of a project are covered by the individual manufactures warranty, which passes through to the end-user unaltered. Burst will work with the end user to assist in resolving any manufacture warranty issues. Burst endeavors to contract with a local qualified engineer to provide on site support. Whenever possible this engineer participates in the testing and commissioning of the system. Burst liability does not extend to any special, incidental or consequential damages incurred as a result of any warranty issues.

Event Support

When required, event support is performed by Burst's engineering and installation teams.

Schedule

Burst uses Gantt charts developed with Microsoft Project to design and maintain a schedule. This schedule is designed and coordinated with all appropriate parties to fulfill the project.

Documentation

Burst produces high quality system documentation that includes AutoCAD drawings, Microsoft Excel equipment lists and cable databases, and Microsoft Project schedules. At the conclusion of the project Burst

provides a complete set of "As Built" drawings, lists and databases in editable electronic form as well as hardcopy.

Standards

Burst conforms, where applicable, to the standards published by IEEE, SMPTE, EIA, the National Electrical Code, ANSI, UL, FCC, SCTE, NCTA, TIA and OSHA.

F. **FEE Proposal**

Please see our Fee Proposal attached below. Burst has divided all labor costs on a percentage basis and applied these figures to the Fee Schedule. We have included all equipment, the dais and wall modifications into Phase Three. We are open to discussion regarding final allocation of the Fee pricing.

1. A statement that this Request for Proposal shall be incorporated in its entirety as a part of the Consultant's Proposal.

This RFP is incorporated in its entirety as a part of our Proposal.

2. A statement that this Request for Proposal and the Consultant's Proposal will jointly become part of the Agreement for Professional Consultant Services for this project when said Agreement is fully executed by the Consultant and the City of Moreno Valley.

This Request for Proposal and the Consultant's Proposal will jointly become part of the Agreement for Professional Consultant Services for this project when said Agreement is fully executed by the Consultant and the City of Moreno Valley.

3. A single and separate section with the heading "ADDITIONS OR EXCEPTIONS TO THE CITY'S REQUEST FOR PROPOSAL" containing a complete and detailed description of all of the exceptions to the provisions and conditions of this Request for Proposal upon which the Consultant's Proposal is contingent and which shall take precedent over this Request for Proposal for Professional Design Build Consultant Services.

"ADDITIONS OR EXCEPTIONS TO THE CITY'S REQUEST FOR PROPOSAL"

Burst has no such exceptions

4. A statement of sub-consultant's (include relief personnel) qualifications applicable to this project including the names, qualifications and proposed duties of the sub-consultant's staff to

be assigned to this project; a listing of recent similar projects completed including the names, titles, addresses, and telephone numbers of the appropriate persons whom the City could contact.

Please see our Completed Projects section above for demonstrated proof of our capabilities.
Please see C Project Management and Staffing Plan for our project team qualifications.

5. A statement that the Consultant will document and provide the results of the work to the satisfaction of the City. This may include preparation of daily and final reports, or similar evidence of attainment of the Agreement objectives.

Consultant will document and provide the results of the work to the satisfaction of the City. This may include preparation of daily and final reports, or similar evidence of attainment of the Agreement objectives.

6. A statement that the Consultant will immediately document and notify the City of any defects or hazardous conditions observed in the vicinity of the project site prior, during, or after the construction work.

Consultant will immediately document and notify the City of any defects or hazardous conditions observed in the vicinity of the project site prior, during, or after the construction work.

7. A copy of the Consultant's hourly rate schedule and a statement that said hourly rate schedule is part of the Consultant's Proposal for use in invoicing for progress payments and for extra work incurred that is not part of this Request for Proposal. All extra work will require prior approval from the City.

The following hourly rate schedule is part of the Consultant's Proposal for use in invoicing for progress payments and for extra work incurred that is not part of this Request for Proposal. All extra work will require prior approval from the City.

Category	*Rate*
Design, Engineering, Project Management	*$115/hour*
Crestron Programming	*$115/hours*
Installation Labor	*$51.75/hour*

8. A statement that the Consultant will not discriminate against any employee or applicant for employment because of race, color, religion, sex, or national origin.

Consultant will not discriminate against any employee or applicant for employment because of race, color, religion, sex, or national origin.

9. A statement that all federal laws and regulations shall be adhered to notwithstanding any state or local laws and regulations. In a case of conflict between federal, state or local laws or regulations the strictest shall be adhered to.

All federal laws and regulations shall be adhered to notwithstanding any state or local laws and regulations. In a case of conflict between federal, state or local laws or regulations the strictest shall be adhered to.

10. A statement that the Consultant shall comply with the California Labor Code. Pursuant to the State of California prevailing wage rates

Consultant shall comply with the California Labor Code. Pursuant to the State of California prevailing wage rates.

11. A statement that the Consultant shall comply with the Copeland Anti-Kickback Act (18 USC 874) and the Implementation Regulation (29 CFR 3) issued pursuant thereto, and any amendments thereof.

Consultant shall comply with the Copeland Anti-Kickback Act (18 USC 874) and the Implementation Regulation (29 CFR 3) issued pursuant thereto, and any amendments thereof.

CITY - SERVICES TO BE PROVIDED
TO CONSULTANT

1. Furnish the Consultant all in-house data which is pertinent to services to be performed by the Consultant and which is within the custody or control of the City, including, but not limited to, copies of record and off-record maps and other record and off-record property data, right-of-way maps and other right-of-way data, pending or proposed subject property land division and development application data, all newly developed and pertinent design and project specification data, and such other pertinent data which may become available to the City.
2. Provide timely review, processing, and reasonably expeditious approval of all submittals by the Consultant.
3. Provide timely City staff liaison with the Consultant when requested and when reasonably needed.

EXHIBIT "C"

TERMS OF PAYMENT

1. The Consultant's compensation shall not exceed **$450,720.**

2. The Consultant will obtain, and keep current during the term of this Agreement, the required City of Moreno Valley business license. Proof of a current City of Moreno Valley business license will be required prior to any payments by the City. Any invoice not paid because the proof of a current City of Moreno Valley business license has not been provided will not incur any fees, late charges, or other penalties. Complete instructions for obtaining a City of Moreno Valley business license are located at: http://www.moval.org/do_biz/biz-license.shtml

3. The Consultant will electronically submit an invoice to the City for milestone payments along with documentation evidencing services completed to date. The milestone payment is based on actual time and materials expended in furnishing authorized professional services during the preceding period. At no time will the City pay for more services than have been satisfactorily completed and the City Engineer's determination of the amount due for any milestone payment shall be final. The consultant will submit all original invoices to Accounts Payable staff at AccountsPayable@moval.org. Accounts Payable questions can be directed to (951) 413-3073. Copies of invoices may be submitted to the Capital Projects Division at miab@moval.org or calls directed to (951) 413-3155.

4. The Consultant agrees that City payments will be received via Automated Clearing House (ACH) Direct Deposit and that the required ACH

Authorization form will be completed prior to any payments by the City. Any invoice not paid because the completed ACH Authorization Form has not been provided will not incur any fees, late charges, or other penalties. The ACH Authorization Form is located at:

http://www.moval.org/city_hall/forms.shtml#bf

5. The minimum information required on all invoices is:

   A. Vendor Name, Mailing Address, and Phone Number
   B. Invoice Date
   C. Vendor Invoice Number
   D. City-provided Reference Number (e.g. Project, Activity)
   E. Detailed work hours by class title (e.g. Manager, Technician, or Specialist), services performed and rates, explicit portion of a contract amount, or detailed billing information that is sufficient to justify the invoice amount; single, lump amounts without detail are not acceptable.

6. The City shall pay the Consultant for all invoiced, authorized professional services within forty-five (45) days of receipt of the invoice for same.

CITY ATTORNEY	
CITY MANAGER	

Report to City Council

TO: Mayor and City Council

FROM: Ahmad R. Ansari, P.E., Public Works Director/City Engineer

AGENDA DATE: June 25, 2013

TITLE: SECOND AMENDMENT TO AGREEMENT WITH DMC DESIGN GROUP FOR MORENO TOWNSITE AREA STORM DRAIN AND MISCELLANEOUS STREET IMPROVEMENTS BETWEEN ALESSANDRO BOULEVARD AND DRAINAGE FACILITY LINE F - PROJECT NO. 801 0011 70 77

RECOMMENDED ACTION

Recommendations:

1. Approve the Second Amendment to Agreement for Professional Consultant Services with DMC Design Group for the additional work needed to complete the design for the Moreno Townsite Area Storm Drain and Miscellaneous Street Improvements.

2. Authorize the City Manager to execute the Amendment to Agreement for Professional Consultant Services with DMC Design Group.

3. Authorize an increase to the Purchase Order to DMC Design Group not to exceed the amount of $28,000 once the Amendment to Agreement has been signed by all parties.

BACKGROUND

This project involves the design and construction of a storm drain system to be installed in Redlands Boulevard south of Alessandro Boulevard to mitigate flooding within the Moreno Townsite Area. The project also includes miscellaneous street improvements associated with construction of the storm drain.

On February 8, 2011, the City Council accepted the initial Hazard Mitigation Grant Program (HMGP) funds in the amount of $1,178,000 from the Federal Emergency Management Agency (FEMA).

On April 26, 2011, the City Council approved an agreement with DMC Design Group (DMC) to provide design services, various environmental technical studies, and right-of-way engineering support for the project, as well as accepted additional HMGP funds in the amount of $322,000 from FEMA.

On January 10, 2012, the City Council adopted a Mitigated Negative Declaration (MND) for this project with mitigation measures to be included in the project's specifications to reduce all potential environmental impacts related to the project's construction phase to an acceptable level.

On September 25, 2012, the City Council approved the First Amendment to the Agreement with DMC Design Group and authorized an increase in the Purchase Order to DMC Design Group in the amount of $51,500. This action was necessary due to the changes in the storm drain alignment based on feedback from the neighborhood residents and the Riverside County Flood Control and Water Conservation District (the District). However, DMC Design Group has not been given a notice to proceed with this design revision pending an approval from FEMA on the storm drain alignment changes and on-going negotiations with the District who was interested in doing a joint project with City.

In a letter dated November 29, 2012, the District made a commitment to fund a joint project with the City for the amount of $1,500,000.

In late May 2013, the City received FEMA's approval on the changes of the storm drain alignment and was authorized to move forward with the design for the project.

DISCUSSION

This project is to install a storm drain in Redlands Boulevard from Alessandro Boulevard to the existing drainage facility line F. This project will help mitigate flooding for the Moreno Townsite Area. Repeat flooding has caused damages to local streets and private properties, impacted traffic safety, and disrupted public and utility services. Several homes and roadways have been inundated with storm water, and the area has become inaccessible. Extensive cleanup was required to remove mud and debris from streets and properties after the storm.

The joint project with the District will avoid having two parallel storm drains in Redlands Boulevard because it is proposed to combine the District's existing storm drain in Redlands Boulevard and City's proposed storm drain into one larger storm drain pipe.
The City will take the lead on the design and construction of this joint project, and the District will provide the City with additional funding for the design and construction

related costs through a co-operative agreement which staff will present to City Council for approval in the near future.

This second amendment to DMC Design Group's agreement provides an increase in DMC's fee by an amount of $28,000 for the additional work needed to complete the design of this joint project. With the District joining the project and contributing up to $1.5 million to add to the project's original budget of $2 million, the project's scope of work is expanded to complete the design and bid documents. The original FEMA grant requires the project to be completed by mid-2014. The successful completion of this storm drain project would provide better flood protection for the Moreno Townsite Area and areas along Redlands Boulevard north of Brodiaea Avenue.

ALTERNATIVES

1. Approve and authorize the recommended actions as presented in this staff report. Because FEMA grant funds are involved, the project must continue in an expeditious manner. *This alternative will allow for the project to keep its needed momentum to complete the construction of much needed storm drain and street improvements in the Moreno Townsite Area by mid-2014.*

2. Do not approve and authorize the recommended actions as presented in this staff report. *This alternative will delay much needed storm drain and street improvements within the Moreno Townsite Area and may significantly affect the disposition of the FEMA grant funds.*

FISCAL IMPACT

This project is included in Fiscal Year 2012/2013 Capital Improvements Project Budget and financed by FEMA-HMGP Grant Funds, Measure A as local match funds, and the District's funding. There is no impact to the General Fund.

AVAILABLE FUNDS FOR THE PROJECT:

Street Improvement Program (Account No. 2001-70-77-80001)(Project No. 801 0011 70 77-2001)	$2,120,000
District Funding (To be available once co-op agreement is executed)	$1,500,000
Total	$3,620,000

ESTIMATED PROJECT COSTS:

Design Cost*	$ 63,000
Additional Design Cost	**$ 28,000**
Construction	$3,348,000
Construction Geotechnical Services and Survey Services	$ 80,000
Project Management, Administration and Inspection	$ 80,000
Total	$3,599,000

**Balance of previous funding authorization*

ANTICIPATED PROJECT SCHEDULE

Design Complete.....November 2013
Advertise and Award Construction Contract.....December 2013
Construction Complete.....June 2014

CITY COUNCIL GOALS

PUBLIC FACILITIES AND CAPITAL PROJECTS:
Ensure that needed public facilities, roadway improvements, and other infrastructure improvements are constructed and maintained.

POSITIVE ENVIRONMENT:
Create a positive environment for the development of Moreno Valley's future.

SUMMARY

Staff recommends approval of the Second Amendment to Agreement for Professional Consultant Services and an increase to the purchase order with DMC Design Group in the amount of $28,000 for completing the design and bid documents for the Moreno Townsite Area Storm Drain and Miscellaneous Street Improvements project. These improvements will help mitigate the flooding for this area.

SECOND AMENDMENT TO AGREEMENT FOR DESIGN PROFESSIONAL CONSULTANT SERVICES PROJECT NO. 801 0011 70 77

This Second Amendment to Agreement is by and between the City of Moreno Valley, a municipal corporation, hereinafter referred to as "City," and DMC Design Group, Inc., a California corporation, hereinafter referred to as "Consultant." This Second Amendment to Agreement is made and entered into effective on the date the City signs this Amendment.

RECITALS:

Whereas, the City and Consultant entered into an Agreement entitled "Agreement for Design Professional Consultant Services," hereinafter referred to as "Agreement," dated May 19, 2011.

Whereas, the Consultant is providing consultant design services for Moreno Townsite Area Storm Drain and Miscellaneous Street Improvements between Alessandro Boulevard and Drainage Facility Line F.

Whereas said Agreement was amended by the “First Amendment to Agreement for Professional Consultant Services” dated November 7, 2012.

Whereas, it is desirable to amend the Agreement to expand the scope of the work to be performed by the Consultant as is more particularly described in Section 1 of this Second Amendment.

Whereas, the Consultant has submitted a Proposal dated June 6, 2013, for expansion of the scope of work to be performed. A copy of said Proposal is attached as “Exhibit A – Second Amendment” and is incorporated herein by this reference.

SECTION 1 AMENDMENT TO ORIGINAL AGREEMENT

1.1 The Agreement termination date is extended from May 31, 2014 to May 31, 2015,

unless the termination date is further extended by an Amendment to the Agreement.

1.2 Exhibit "B" to the Agreement is hereby amended by adding to the scope of work section described in "Exhibit A – Second Amendment," entitled "Proposal for Additional Professional Design Consultant Services for the Realignment of Storm Drain Improvements in the Moreno Townsite Area between Alessandro Boulevard and Drainage Facility Line F (Project No. 801 0011 70 77)."

1.3 Exhibit "D" to the Agreement is hereby further amended by adding to the cost proposal in the amount of $28,000 as described in said "Exhibit A -- Second Amendment."

1.4 The City agrees to pay the Consultant and the Consultant agrees to receive a "Not-to-Exceed" fee of $28,000, in consideration of the Consultant's performance of the work set forth in "Exhibit A -- Second Amendment."

1.5 The total "Not to Exceed" fee for this contract is $251,516 ($172,016 for the original Agreement plus $51,500 for the First Amendment and $28,000 for the Second Amendment to the Agreement).

SECTION 2

2.1 Except as otherwise specifically provided in this Amendment, all other terms and conditions of the Agreement shall remain in full force and effect.

RE Proposal for Additional Professional Design Consultant Services for the Realignment of Storm Drain Improvements in the Moreno Townsite Area between Alessandro Boulevard and Drainage Facility Line F (Project No. 801 0011 70 77)

Dear Mr. Nguyen:

Per a meeting held between DMC Design Group, Inc., the City and Riverside County Flood Control and Water Conservation District (RCFC & WCD), proposed revisions to the storm drain alignment/conceptual plan for proposed drainage improvements in the Moreno Townsite Area were discussed to accommodate a single culvert structure along Redlands Boulevard. With the RCFC & WCD agreement to join the project, the revised design is to include the removal of the existing Line F-2, incorporation of the preliminary revised RCFC & WCD Master Drainage Plan, laterals along Alessandro Boulevard, Kimberly Avenue, Maltby Avenue, and Campbell Avenue to accommodate locate drainage, and necessary improvements to avoid the acquisition of permanent drainage easements through properties within the Moreno Townsite community. To comply with this new alignment, it will be necessary to revise construction plans, specifications and estimates completed to date before proceeding to preparation of final bid ready construction documents.

Based upon the November 1, 2012 meeting and subsequent conversations with the City/RCFC, DMC estimates the following additional effort will be required to revise the existing plans, specifications and estimates:

• **Task 9.02 Special Studies (Drainage / Structural)** 48 hrs @ $110/hr (Design Engineer) + 16 hrs @ $130/hr (Project Engineer)	**$7,360**
• **Task 10 PS&E** 160 hrs @ $90/hr (CAD Op.) + 12 hrs @ $110 (Design Engr.) + 4 hrs @ $130/hr (Proj. Engr.)	**$16,240**
• **Additional Direct Costs and Design Work if Requested by the City**	**$4,400**
Total Additional Costs to Current Contract	**$28,000**

The additional costs outlined above are to revise existing plans to complete level based upon the new alignment and do not include any updates or changes to the environmental clearance. DMC will immediately begin this work once it receives written authorization to proceed from the City.

Should you have any questions or concerns, do not hesitate to contact me.

Sincerely,
DMC Design Group, Inc.

David M. Cosper, P.E., Q.S.D.
Principal Engineer

Report to City Council

TO: Mayor and City Council

FROM: Richard Teichert, Chief Financial Officer

AGENDA DATE: June 25, 2013

TITLE: ADOPT RESOLUTION NO. 2013-59 APPROVING THE LOAN AGREEMENT FROM THE GENERAL FUND TO THE POLICE FACILITIES DEVELOPMENT IMPACT FEE FUND IN THE AMOUNT OF $3,000,000, THE RECREATION CENTER DEVELOPMENT IMPACT FEE FUND IN THE AMOUNT OF $145,000 AND THE ANIMAL SHELTER DEVELOPMENT IMPACT FEE FUND IN THE AMOUNT OF $175,000

RECOMMENDED ACTION

Recommendation:

1. Staff recommends that the Council adopt Resolution 2013-59 approving the Loan Agreements from the General Fund to the Police Facilities Development Impact Fee Fund in the amount of $3,000,000, the Recreation Center Development Impact Fee Fund in the amount of $145,000 and the Animal Services Development Impact Fee Fund in the amount of $175,000. A Resolution of the City Council of the City of Moreno Valley, California, Authorizing an Loan Agreement Between the City of Moreno Valley and the Police Facility Development Impact Fee Fund in the Amount of $3,000,000, the Recreation Center Development Impact Fee Fund in the Amount of $145,000 and the Animal Shelter Development Impact Fee Fund in the Amount of $175,000.

BACKGROUND

The City Council has approved the levy of a fee to mitigate the impacts of new development on various public facilities pursuant to the California Mitigation Fee Act. These fees are collected and recorded in separate funds pending the allocation of

available funds for capital projects or to pay debt service on public facilities or improvements that were constructed from bond proceeds.

DISCUSSION

As of June 30, 2013 the Police Facilities Development Impact Fee Fund, the Recreation Center Development Impact Fee Fund and the Animal Services Development Impact Fee Fund are expected to experience negative cash balances. For reasons described in the following discussion facilities were constructed or land was purchased for future expansion through either the selling of bonds or short-term loans from the General Fund. At the time of the authorization of the transactions it was anticipated that the development impact fee program would provide the levels of revenue required to repay the loans or meet the annual debt service payments. In 2008 with the beginning of the recent recession the City experienced a significant decline in new development which resulted in the decline in development impact fee revenues. As such the development impact fee accounts have been forced to utilized available cash balance to continue to meet the annual debt service requirements or loan repayment. In the case with these three funds the debt service or repayment requirements have depleted their cash balances to zero and will require loans from the General Fund until they have enough revenues to repay the loans or are able to meet their annual debt services requirements. Generally Accepted Accounting Principles (GAAP) require that cash balances cannot be in a negative position at year-end and in the past short-term, one-day, loans from the General Fund were utilized to meet this requirement.

- Police Facilities Development Impact Fees
    - In June 2005 the City issued the 2005 Lease Revenue Bonds totaling $48,205,000. Included in the approved projects for the bonds were various projects which were to be repaid through the utilization of Development Impact Fees that were to be collected from developers in future years. These projects included the expansion of the Public Safety Building, the construction of the Emergency Operations Center (EOC) building, Fire Station 58 and various arterial street projects. The bond documents called for the repayment of this bond over the following 30 years with the final payment occurring in November 2035. The revenue stream from development impact fees for Arterial Streets, Police Facilities and Fire Facilities was pledged to meet these annual debt service requirements associated to each of the funds. The payment of existing debt service has been identified as the first priority from the development fee funds.
- Recreation Center Development Impact Fees
    - In January 2006 upon the completion of the Conference & Recreation Center funds totaling $1.5 million were transferred from the Recreation Center Development Impact Fee Fund to the General Fund. These funds represented the repayment of the start-up loan that had been authorized during the planning and early construction phases of the Conference &

Recreation Center. This transfer exceeded the available fund balance and caused fund balance to go into a negative position. Receipts into the Recreation Center Development Impact Fee account have been used in subsequent years to reduce the amount of the outstanding balance but fund balance continues to be in a negative position.

- Animal Shelter Development Impact Fees
    - During Fiscal Year 2006 the City had the opportunity to purchase the vacant property adjacent to the existing Animal Shelter. Animal Shelter Development Impact fees were identified as the appropriate funding source as this purchase would be able to address future growth needs. At the time the purchase price exceeded the available fund balance but is was anticipated based on revenue levels to that point that DIF revenues would be sufficient to repay the remaining balance over a three-year period. With the decline in the economy and the resulting slow-down of development activities these revenues experienced a sharp decline and as such the revenue levels have not yet been sufficient enough to extinguish the loan. As new DIF revenues come in they are utilized to repay the loan provided by the General Fund.

ALTERNATIVES

1. Adopt proposed resolution approving the Loan Agreement from the General Fund to the Police Facility Development Impact Fee fund ($3,000,000), the Recreation Development Impact Fee fund ($145,000) and the Animal Shelter Development Impact Fee fund ($174,000) to address negative cash balances in these accounts.

2. Do not adopt proposed resolution approving the Loan Agreement and provide staff with other direction.

FISCAL IMPACT

General Fund fund balance will be reduced by the amounts of these loans or $3,320,000. However, $1,000,000 has been reserved to address the potential for the DIF funds revenue being insufficient to cover debt service. This $1,000,000 reserve will be removed with the net reduction in fund balance being $2,320,000 As Development Impact Fee revenues related to the Recreation Center Development Impact Fee and Animal Shelter Impact Fee accounts are received they will be applied to continue to reduce the outstanding loan amounts for these funds. In the case of the Police Facility Development Impact Fee fund debt service of approximately $680,000 will continue until November 2035. The ability of the Police Facility DIF fund to repay this loan will depend on the revenues that are received during the year. Year-to-date through May 2013 the Police Facilities DIF fund has received revenues totaling $102,000.

SUMMARY

The City Council has approved the levy of a fee to mitigate the impacts of new development on various public facilities pursuant to the California Mitigation Fee Act. These fees are collected and recorded in separate funds pending the allocation of available funds for capital projects or to pay debt service on public facilities or improvements that were constructed from bond proceeds. Capital projects have been completed anticipating the use of available DIF funds to pay the initial costs or ongoing debt service. As such the Police Facilities Development Impact Fee fund,($3,000,000) the Recreation Center Development Impact Fee fund,($145,000) and the Animal Shelter Impact Fee fund ($175,000) are currently reporting cash balances which in compliance with Generally Accepted Accounting Principles will require loans from the General Fund until such time as the revenues received by the Development Impact Fee funds is sufficient to extinguish the loan balances.

RESOLUTION NO. 2013-59

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF MORENO VALLEY, CALIFORNIA, AUTHORIZING AN LOAN AGREEMENT BETWEEN THE CITY OF MORENO VALLEY AND THE POLICE FACILITY DEVELOPMENT IMPACT FEE FUND IN THE AMOUNT OF $3,000,000, THE RECREATION CENTER DEVELOPMENT IMPACT FEE FUND IN THE AMOUNT OF $145,000 AND THE ANIMAL SHELTER DEVELOPMENT IMPACT FEE FUND IN THE AMOUNT OF $175,000.

WHEREAS, the City Council levies a fee for the mitigation of the impacts of new development on the City's Police Facilities, the Recreation Centers and the Animal Shelter and related facilities pursuant to the California Mitigation Fee Act (California Government Code Section 6600 et seq.); and

WHEREAS, the City collects and records these fees in separate funds called the Police Facilities Development Impact Fee Fund, the Recreation Center Impact Fee Fund and the Animal Shelter Impact Fee Fund; and

WHEREAS, the City has made disbursement from these funds that have resulted in negative cash balances in the Police Facility Development Impact Fee Fund ($3,000,000), the Recreation Center Development Impact Fee Fund ($145,000) and the Animal Shelter Development Impact Fee Fund; and

WHEREAS, the City has a need to resolve the negative cash balances in these accounts; and

WHEREAS, the City desires to loan funds from the General Fund to the Police Facilities Development Impact Fee Fund, the Recreation Center Development Impact Fee Fund and the Animal Shelter Development Impact Fee Fund amounts sufficient to cover the negative cash balances; and

WHEREAS, the City anticipates receiving future Police Facilities Development Impact Fees, Recreation Center Development Impact Fees and Animal Shelter Development Impact Fees to repay these loans to the General Fund.

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF MORENO VALLEY, CALIFORNIA, DOES HEREBY RESOLVE AS FOLLOWS:

BE IT RESOLVED that the Loan Agreement included as Attachment 1 is hereby approved, authorizing the Loan Agreement from the General Fund to the Police Facility Development Impact Fee Fund in the amount of $3,000,000, to the Recreation Center Development Impact Fee Fund in the amount of $145,000 and to the Animal Shelter Development Impact Fee Fund in the amount of $175,000 to resolve negative cash

balance issues in these funds.

LOAN AGREEMENT

The City or Moreno Valley is authorizing this LOAN AGREEMENT ("Agreement") as an interfund loan entered into as of the twenty fifth day of June, 2013, authorizing the transfer of funds by and between the CITY OF MORENO VALLEY GENERAL FUND (herein the "General Fund") and the CITY OF MORENO VALLEY POLICE FACILITY DEVELOPMENT IMPACT FEE FUND (herein the "Police Facility DIF"), the CITY OF MORENO VALLEY RECREATION CENTER DEVELOPMENT IMPACT FEE FUND (herein the "Recreation Center DIF") and the CITY OF MORENO VALLY ANIMAL SHELTER DEVELOPMENT IMPACT FEE FUND (herein the "Animal Shelter DIF").

RECITALS

A. Pursuant to the provision of the California Mitigation Fee Act (California Government Code Section 66000 et seq,), the City Council of the City of Moreno Valley has approved the levy of a Police Facility Development Impact Fee, a Recreation Center Development Impact Fee and an Animal Shelter Development Impact Fee to collect fee to mitigate the impact of new development on the City's Police, Recreation Center and Animal Shelter facilities.

B. The City has negative cash balances in the Police Facility DIF, Recreation Center DIF and the Animal Shelter DIF.

C. These cash balances are the result of the construction of facilities or the purchase of land for future expansion.

D. The Police Facility DIF, the Recreation Center DIF and Animal Shelter DIF continue to receive revenues related to new development projects within the City.

E. The City desires to loan the Police Facility DIF, the Recreation Center DIF and the Animal Shelter DIF funds in an amount sufficient to resolve the negative cash balances related to these funds.

AGREEMENT

1. The City agrees to transfer to the Police Facility DIF $3,000,000, to the Recreation Center DIF $145,000 and to the Animal Shelter DIF $175,000 as of June 30, 2013.

2. City staff is directed to make necessary appropriation adjustments to effectuate this loan.

3. City staff is directed to appropriately record this loan in the City's General Ledger system and subsequent financial reports, as necessary.

4. This loan is considered to be non-interest bearing.

5. The funds will be repaid by June 30, 2014.

6. If the funds are not repaid on or before June 30, 2014 in full the City Council will reconsider this matter.

IN WITNESS WHEROF, the parties have executed the Agreement as of the date first above written.

Report to City Council

TO: Mayor and City Council

FROM: Richard Teichert, Chief Financial Officer

AGENDA DATE: June 25, 2013

TITLE: ADOPT RESOLUTION NO. 2013-60 APPROVING THE FIRST EXTENSION TO THE LOAN AGREEMENT FROM THE LIBRARY DEVELOPMENT IMPACT FEE FUND TO THE FACILITY CONSTRUCTION FUND

RECOMMENDED ACTION

Recommendations:

1. Adopt Resolution 2013-60. A Resolution of the City Council of the City of Moreno Valley, California, approving the First Extension to the Loan Agreement between the City of Moreno Valley Library Development Impact Fee Fund and the City of Moreno Valley Facility Construction Fund in the amount of $4,000,000 plus interest for the FY 2012/13 period extending the repayment term to June 30, 2014.

2. Authorize the City Manager to execute the First Extension to Loan Agreement for the interfund loan from the Library Development Impact Fee Fund to the Facility Construction Fund.

BACKGROUND

The City Council has approved the levy of a fee to mitigate the impacts of new development on Library services pursuant to the California Mitigation Fee Act. These fees are collected and recorded in a separate fund pending use of the funds to be combined with other funds to build a new Library facility at the City's Civic Center site. This project is included in the City's Capital Improvement Plan and is targeted to be funded and built when the City has operating funds to support the added operating cost of the larger Library facility. The balance of funds in the Library Development Impact Fee (DIF) fund at the time of the loan was $4,197,023.

DISCUSSION

The City Council approved the Economic Development Action Plan on April 26, 2011. This plan identified the need for funding to complete the re-sequencing of capital projects to facilitate the acceleration of certain capital projects. These projects are intended to energize development to create jobs and increase the tax base of the City. One of these projects was the Cactus Avenue from Lasselle Street to Nason Street and Nason Street from Cactus Avenue to Iris Avenue (the "Project"). Staff recommended a loan of funds in the amount of $4,000,000 from the Library DIF Fund to facilitate the funding and accelerated timing of the Project. The loan was recommended for a term consistent with the operating budget, to be repaid by June 30, 2013. Staff is proposing the loan be repaid from a combination of Measure A Sales Tax, State Gas Tax funds, Arterial DIF and Traffic Signal DIF funds.

Pursuant to the terms of the loan agreement, if the funds are not repaid by June 30, 2013, staff would present to City Council for reconsideration at that time. The City Council retains the option to repay the loan with General Fund revenues or fund balance if it so chooses.

Staff is recommending extension of the repayment of this loan to June 30, 2014.

ALTERNATIVES

1. Adopt proposed resolution approving the First Extension to Loan Agreement between the City of Moreno Valley Library Development Impact Fee Fund and the City of Moreno Valley Facility Construction Fund in the amount of $4,000,000 plus interest for the FY 2012/13 period extending the repayment term to June 30, 2014.

2. Do not adopt proposed resolution approving the First Extension to Loan Agreement between the City of Moreno Valley Library Development Impact Fee Fund and the City of Moreno Valley Facility Construction Fund in the amount of $4,000,000 plus interest for the FY 2012/13 period extending the repayment term to June 30, 2014.

FISCAL IMPACT

The approval of the extension to the loan agreement has only an interest bearing impact on the Library Development Impact Fee Fund and the Facility Construction Fund which is estimated and included in the Fiscal Year 2013/14 budget. The approved Capital Improvement Program for FY 2013/14 includes partial repayment of this loan in the amount of $750,000 from Measure A to begin in Fiscal Year 2014/15. Should this repayment not materialize as planned, the City Council may repay the funds during the fiscal year from other funds listed in the agreement, including General Fund fund balance. If this loan is not paid as planned, staff will return with loan repayment or loan agreement options for the Council to consider in June 2014.

SUMMARY

The City Council has approved an Economic Development Action Plan that has established goals to accelerate certain capital projects to energize development to increase jobs and improve the City's tax base as quickly as possible. One of the key elements of this plan was to immediately fund and start construction on the street improvements on Cactus Avenue from Lasselle to Nason and Nason Street from Cactus to Iris. Staff is recommending approval of this first amendment to the interfund loan in the amount of $4,000,000 plus accrued interest to facilitate additional time to accumulate funding to repay this loan.

RESOLUTION NO. 2013-60

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF MORENO VALLEY, CALIFORNIA, APPROVING THE FIRST EXTENSION TO THE LOAN AGREEMENT BETWEEN THE LIBRARY DEVELOPMENT IMPACT FEE FUND AND THE FACILITY CONSTRUCTION FUND IN THE AMOUNT OF $4,000,000 PLUS INTEREST FOR THE PERIOD FY 2012/13

WHEREAS, the City Council levies a fee for the mitigation of the impacts of new development in the City's Library services pursuant to the California Mitigation Fee Act (California Government Code Section 66000 et. Seq.); and

WHEREAS, the City collects and records these fees in a separate fund called the Library Development Impact Fee Fund (Library DIF Fund); and

WHEREAS, the City has a collected balance of funds in the Library DIF Fund totaling $4,197,023 as of June 30, 2011; and

WHEREAS, the City does not intend to begin the Library project until sufficient funding is available for the entire project, which will not occur prior to June 30, 2013; and

WHEREAS, the City has a need to temporarily fund capital improvements included in the Economic Development Action Plan approved by the City Council on April 26, 2011, including the project that includes Cactus Avenue from Lasselle Street to Nason Street and Nason Street from Cactus Avenue to Iris Avenue (the "Project"); and

WHEREAS, the City desires to loan the Library DIF Funds to the City's Capital Construction Fund to temporarily fund the capital construction of the Project; and

WHEREAS, the City anticipates receiving future Measure A Sales Tax Allocations, State Gas Tax Allocations, Arterial Development Impact Fees, and Traffic Signal Impact Fees, which are intended to be used to repay the loan from the Library DIF Fund.

WHEREAS, the Amended Agreements, as extended, (First Extension Agreement) shall extend the repayment of the loan to June 30, 2014.

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF MORENO VALLEY, CALIFORNIA, DOES HEREBY RESOLVE AS FOLLOWS:

BE IT RESOLVED that the First Extension to the Loan Agreement included as Exhibit A is hereby approved, authorizing the repayment of the loan balance of four million dollars ($4,000,000) plus interest for the period FY 2012/13 by June 30, 2014.

FIRST EXTENSION TO LOAN AGREEMENT

The City of Moreno Valley is authorizing this **First Extension to the LOAN AGREEMENT** ("Agreement") that is an Interfund Loan entered into as of the eighth day of November, 2011, by and between the **CITY OF MORENO VALLEY LIBRARY DEVELOPMENT IMPACT FEE FUND** (Fund 2908) (herein the "Library DIF Fund") and the **CITY OF MORENO VALLEY FACILITY CONSTRUCTION FUND** (Fund 3000) (herein the "Facility Construction Fund").

AGREEMENT

1. The Capital Project Fund agrees to pay the City Library DIF Fund, with interest, the Loan Amount from the City Capital Projects Fund revenue sources identified as coming from the following sources:
    a. Measure A Sales Tax Allocations
    b. State Gas Tax Allocations
    c. Arterial Development Impact Fees
    d. Traffic Signal Development Impact Fees

2. Repayment of the funds will be extended to be repaid by June 30, 2014.

3. If the funds are not repaid on or before June 30, 2014 in full, the City Council will reconsider this matter and direct staff regarding payment of the outstanding balance, including consideration of repaying the loan from the City's General Fund.

IN WITNESS WHEREOF, the parties have executed this Agreement as of the date first above written.

AGENDA DATE: June 25, 2013

TITLE: ADOPT RESOLUTION NO. 2013-61 APPROVING THE FIRST EXTENSION TO THE LOAN AGREEMENT FROM THE CORPORATE YARD DEVELOPMENT IMPACT FEE FUND TO THE FACILITY CONSTRUCTION FUND

RECOMMENDED ACTION

Recommendations:

1. Adopt Resolution 2013-61. A Resolution of the City Council of the City of Moreno Valley, California Approving the First Extension to Loan Agreement from the City of Moreno Valley Corporate Yard Development Impact Fee Fund to the City of Moreno Valley Facility Construction Fund in the amount of $2,500,000 plus interest for the FY 2012/13 period extending the repayment term to June 30, 2014.

2. Authorize the City Manager to execute the First Extension to Loan Agreement for the interfund loan from the Corporate Yard Development Impact Fee Fund to the Facility Construction Fund.

BACKGROUND

The City Council has approved the levy of a fee to mitigate the impacts of new development on the Corporate Yard and related facilities pursuant to the California Mitigation Fee Act. These fees are collected and recorded in a separate fund pending use of the funds to be combined with other funds to build a new Corporate Yard facility at the City's current Corporate Yard site. This project is included in the City's Capital Improvement Plan and is targeted to be funded and built when the City has accumulated the additional capital funds for the construction of the larger Corporate

Yard facility. The balance of funds in the Corporate Yard Development Impact Fee (DIF) fund at the time of the loan was $2,571,396.

DISCUSSION

The City Council approved the Economic Development Action Plan on April 26, 2011. This plan identified the need for funding to complete the re-sequencing of capital projects to facilitate the acceleration of certain capital projects. These projects are intended to energize development to create jobs and increase the tax base of the City. One of these projects was the Cactus Avenue from Lasselle Street to Nason Street and Nason Street from Cactus Avenue to Iris Avenue (the "Project"). Staff recommended a loan of funds in the amount of $2,5000,000 from the Corporate Yard DIF Fund to facilitate the funding and accelerated timing of the Project. The loan was recommended for a term consistent with the operating budget, to be repaid by June 30, 2013. Staff is proposing the loan be repaid from a combination of Measure A Sales Tax, State Gas Tax funds, Arterial DIF and Traffic Signal DIF funds.

Pursuant to the terms of the loan agreement, if the funds are not repaid by June 30, 2013, staff would present to City Council for reconsideration at that time. The City Council retains the option to repay the loan with General Fund revenues or fund balance if it so chooses.

Staff is recommending extension of the repayment of this loan to June 30, 2014.

ALTERNATIVES

1. Adopt proposed resolution approving the First Extension to Loan Agreement from the City of Moreno Valley Corporate Yard Development Impact Fee Fund to the City of Moreno Valley Facility Construction Fund in the amount of $2,500,000 plus interest for the FY 2012-13 period extending the repayment term to June 30, 2014.

2. Do not adopt proposed resolution approving the First Extension to Loan Agreement from the City of Moreno Valley Corporate Yard Development Impact Fee Fund to the City of Moreno Valley Facility Construction Fund in the amount of $2,500,000 plus interest for the FY 2012-13 period extending the repayment term to June 30, 2014.

FISCAL IMPACT

The approval of the extension to the loan agreement has only an interest bearing impact on the Corporate Yard Development Impact Fee Fund and the Facility Construction Fund which is estimated and included in the Fiscal Year 2013/14 budget. The approved Capital Improvement Program for FY 2013/14 includes repayment of this loan in full from Gas Tax funds. Should this repayment not materialize as planned, the City Council may repay the funds during the fiscal year from other funds listed in the agreement, including General Fund fund balance. If this loan is not paid as planned, staff will return

with loan repayment or loan agreement options for the Council to consider in June 2014.

SUMMARY

The City Council has approved an Economic Development Action Plan that has established goals to accelerate certain capital projects to energize development to increase jobs and improve the City's tax base as quickly as possible. One of the key elements of this plan was to immediately fund and start construction on the street improvements on Cactus Avenue from Lasselle to Nason and Nason Street from Cactus to Iris. Staff is recommending approval of this first amendment to the interfund loan in the amount of $2,500,000 plus interest to facilitate additional time to accumulate funding to repay this loan.

RESOLUTION NO. 2013-61

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF MORENO VALLEY, CALIFORNIA, APPOVING THE FIRST EXTENSION TO THE LOAN AGREEMENT FROM THE CORPORATE YARD DEVELOPMENT IMPACT FEE FUND TO THE FACILITY CONSTRUCTION FUND IN THE AMOUNT OF $2,500,000 PLUS INTEREST FOR THE FY 2012/13 PERIOD

WHEREAS, the City Council levies a fee for the mitigation of the impacts of new development on the City's Corporate Yard and related facilities pursuant to the California Mitigation Fee Act (California Government Code Section 66000 et. Seq.); and

WHEREAS, the City collects and records these fees in a separate fund called the Corporate Yard Development Impact Fee Fund (Corporate Yard DIF Fund); and

WHEREAS, the City has a collected balance of funds in the Corporate Yard DIF Fund totaling $2,571,396 as of June 30, 2011; and

WHEREAS, the City does not intend to begin the Corporate Yard project until sufficient funding is available for the entire project, which will not occur prior to June 30, 2013; and

WHEREAS, the City has a need to temporarily fund capital improvements included in the Economic Development Action Plan approved by the City Council on April 26, 2011, including the project that includes Cactus Avenue from Lasselle Street to Nason Street and Nason Street from Cactus Avenue to Iris Avenue (the "Project"); and

WHEREAS, the City desires to loan the Corporate Yard DIF Funds to the City's Capital Construction Fund to temporarily fund the capital construction of the Project; and

WHEREAS, the City anticipates receiving future Measure A Sales Tax Allocations, State Gas Tax Allocations, Arterial Development Impact Fees, and Traffic Signal Impact Fees, which are intended to be used to repay the loan from the Corporate Yard DIF Fund.

WHEREAS, the Amended Agreement, as extended, (First Extension Agreement) shall extend the repayment of the loan to June 30, 2014.

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF MORENO VALLEY, CALIFORNIA, DOES HEREBY RESOLVE AS FOLLOWS:

BE IT RESOLVED that the First Extension to the Loan Agreement included as Exhibit A is hereby approved, authorizing the repayment of the loan balance of two million five hundred thousand dollars ($2,500,000) plus interest for the FY 2012/13 period by June 30, 2014.

APPROVED AND ADOPTED this 25TH day of June, 2013.

MV00208741

FIRST EXTENSION TO LOAN AGREEMENT

The City of Moreno Valley is authorizing this **First Extension to the existing LOAN AGREEMENT** ("Agreement") that was an Interfund Loan entered into as of the eighth day of November, 2011, authorizing the transfer of funds by and between the **CITY OF MORENO VALLEY CORPORATE YARD DEVELOPMENT IMPACT FEE FUND** (Fund 2910) (herein the "Corporate Yard DIF Fund") and the **CITY OF MORENO VALLEY FACILITY CONSTRUCTION FUND** (Fund 3000) (herein the "Facility Construction Fund").

AGREEMENT

1. The Capital Project Fund agrees to pay the Corporate Yard DIF Fund, with interest, the Loan Amount from the City Capital Projects Fund revenue sources identified as coming from the following sources:
    a. Measure A Sales Tax Allocations
    b. State Gas Tax Allocations
    c. Arterial Development Impact Fees
    d. Traffic Signal Development Impact Fees

2. Repayment of the funds will be extended to be repaid by June 30, 2014.

3. If the funds are not repaid on or before June 30, 2014 in full, the City Council will reconsider this matter and direct staff regarding payment of the outstanding balance, including consideration of repaying the loan from the City's General Fund.

4. It is the intent of the City Council that the actions authorized by this agreement not delay in any manner the construction of the complete Corporate Yard project to be funded from the Corporate Yard DIF funds.

IN WITNESS WHEREOF, the parties have executed this Agreement as of the date first above written.

Report to City Council

TO: Mayor and City Council

FROM: Thomas M. DeSantis, Assistant City Manager

AGENDA DATE: June 25, 2013

TITLE: AMENDMENTS TO PERSONNEL POLICY 5.14 – MANAGEMENT CONTRACTS

RECOMMENDED ACTION

Recommendation:

1. Approve Personnel Policy 5.14 which updates terms for employment of at-will management employees.

BACKGROUND

Personnel Policy 5.14 prescribes terms for employment of at-will management employees. The recommended updates to the Policy expand its applicability to Division Managers and standardize severance terms.

DISCUSSION

When adopted in 2000, Personnel Policy 5.14 defined the at-will employment status of executive managers and City Attorney classifications.

The updated Policy, as recommended for the Council's approval, features several key provisions:

1. Severance provisions have been streamlined to:

a. Delete numerous restrictions applicable to separations "without cause" within prescribed timeframes following appointment of a new or interim City Manager (or City Attorney for City Attorney classifications).

b. Replace the aforementioned provisions, which could create extended/consecutive administrative leave periods for at-will employees released following a change in the appointing authority, with standardized severance terms.

c. Provide severance payments only upon receipt of a Comprehensive General Release signed by any employee separated "without cause."

d. Authorize the City Manager to address unique recruitment/retention issues within the parameters of Council-approved compensation levels.

2. Recognizing the evolution of the leadership role of Division Managers in achieving organizational goals, future appointments of Division Managers are to be made in an at-will capacity. Division Managers appointed prior to City Council approval of this Policy (designating such positions at-will), retain civil service status unless/until such status is voluntarily waived by said employees or upon entry into a new position which carries at-will status.

The language reflected in this Policy and carried forward into the sample Employment Agreements incorporated therein, are consistent with the underlying provisions of the City Attorney employment agreement recently approved by the City Council.

ALTERNATIVES

1. Approve the recommended updates to Personnel Policy 5.14 to update and streamline terms for employment of at-will management employees. *Staff recommends this alternative.*

2. Forego updates to Personnel Policy 5.14 and the recommended steps to streamline terms for employment of at-will management employees. *Staff does not recommend this alternative.*

FISCAL IMPACT

N/a

NOTIFICATION

Recognizing applicability of the proposed Policy updates to Division Manager employees, staff Met and Conferred with the Moreno Valley Management Association on March 18, 2013.

MANAGEMENT CONTRACTS

PURPOSE: The purpose of this policy is to define the at-will employment relationship of the City Manager, City Attorney, City Clerk, executive managers, division managers, Assistant City Attorney and Deputy City Attorney I/II/III; to establish guidelines for executive and division management contracts.

DEFINITIONS:

At-Will Employment. At-will employees serve at the pleasure of the employer. Those who serve at-will may be terminated from service at any time, without notice, cause or rights of appeal, as outlined in the Employment Agreement.

Executive Managers. As the term is used in this policy, "executive management" refers to certain appointed officials who are appointed by the City Manager. Excluded from this definition are the City Manager, City Attorney, and City Clerk, as these officials are appointed by the City Council.

Division Managers. As the term is used in this policy, "division management" refers to individuals appointed to positions so designated by Classification Specification and described in the City's Personnel Rules and Regulations. Also included in this definition are the Assistant City Attorney and those employed as Deputy City Attorney I/II/III. Division Managers appointed prior to City Council approval of this Policy (designating such positions at-will), retain civil service status unless/until such status is voluntarily waived by said employees or upon entry into a new position which carries at-will status.

POLICY:

I. At-Will Employment

It shall be the policy of the City that individuals serving in the following positions shall be employed as at-will employees, serving at the will of their respective employer:

City Manager
City Attorney
City Clerk
Assistant City Manager
Deputy City Manager
Department Heads (also referred to as executive managers)
Division Managers
Assistant City Attorney
Deputy City Attorney I, II and III

II. Employment Contracts

It shall be the policy of the City that all executive and division managers, as well as those serving in attorney classifications shall be employed under contract. Such contract shall stipulate the employment relationship and significant conditions of employment between the two parties. Contracts with the City Manager, City Attorney, and City Clerk will be negotiated with City Council. Contracts with the Assistant City Attorney and Deputy City Attorney I, II and III will be negotiated with the City Attorney. Contracts with Executive and Division Managers shall be negotiated with the City Manager.

III. Executive and Division Management Contracts

A. Effective with the adoption of this policy, all Executive and Division managers (to include Assistant and Deputy City Attorneys) shall be employed with a Management Contract. Standard contracts are attached hereto and incorporated into this policy by reference.

B. The City Manager shall have the authority to approve the standard Executive and Division Management Contract. The City Attorney shall have the authority to approve the standard Division Management Contract for Assistant/Deputy City Attorneys.

C. Consistent with the Personnel Rules and Regulations, within the general parameters of the standard Contract and consistent with City Policies, the City Manager shall have the authority to approve certain added incentives to aid in the recruitment/retention of At Will employees. Such inducements would generally include placement/movement among higher steps within the Council approved Salary Range, authorization of moving expenses (in rare circumstances), additional vacation or sick leave, vehicle use, cafeteria benefit tier placement to recognize prior service with the City or comparable public agencies, and educational expenses.

D. The City Council approval shall be required for contracts wherein the conditions of employment differ substantially from the standard Executive Management Contract attached hereto.

EMPLOYMENT AGREEMENT (Executive Employees) (SAMPLE)

This Employment Agreement (hereafter referred to herein as "Agreement") is made and entered into this ____ day of ____, 20__, by and between the City of Moreno Valley, California (hereafter referred to herein as "CITY"), a California municipal corporation and general law city, and _____ (hereafter referred to herein as "EMPLOYEE"), an individual, on the following terms and conditions:

RECITALS

A. CITY, by and through the City Manager, desires to employ the services of Employee as _____ of CITY; and

B. _____ desires to accept employment as _____ in consideration of and subject to the terms and conditions set forth in this Agreement.

OPERATIVE PROVISIONS

In consideration of the promises and covenants contained herein, the parties agree as follows:

1. Position and Duties.

1.1 Position. EMPLOYEE accepts employment with CITY as its _____ and shall perform all functions, duties and services set forth in Section 1.4 [Duties] of this Agreement. EMPLOYEE shall provide services at the direction and under the supervision of the City Manager of CITY.

1.2 Duties. The duties of EMPLOYEE shall be as determined by the City Manager, generally in conformance with the job description attached hereto and incorporated herein as though set forth in full as Attachment A to this Agreement. EMPLOYEE shall devote his/her best efforts and full-time attention to the performance of these duties.

1.3 Hours of Work. EMPLOYEE shall devote the time necessary to adequately perform his/her assigned duties. The work schedule shall be the same as the schedule in place for all other Executive Managers of CITY, provided the schedule of such hours provides adequate availability during normal business hours and for the performance of his/her duties in conducting CITY business. The position of _____ shall be deemed an exempt position under applicable wage and hour law. EMPLOYEE hereby acknowledges that he/she shall not be entitled to any compensation for overtime.

1.4 Professional Activity. The City Manager desires EMPLOYEE to be reasonably active in national, statewide, regional and professional organizations that will contribute to his/her professional development and standing and that will contribute to the advancement of the CITY's interests and standing. Toward that end, EMPLOYEE may, upon advance notice to the City Manager, undertake such activities as are directly related to his/her professional development and that advance the interests and standing of the CITY, provided that such activities do not in any way interfere with or adversely affect his/her employment as _____ or the performance of his/her duties as provided herein. CITY agrees to reimburse EMPLOYEE'S reasonable and necessary travel, business and subsistence expenses for his/her activities as provided for in the City's Administrative Policies.

1.5 Other Activity. In accordance with Government Code Section 1126, during the period of his/her employment, EMPLOYEE shall not accept, without the express prior written consent of the City Manager, any other employment or engage, directly or indirectly, in any other business, commercial, or professional activity (except as permitted under Section 1.6 [Professional Activity], regardless of whether for pecuniary advantage, that is or may be competitive with the CITY, that might cause a conflict-of-interest with the CITY, or that otherwise might interfere with the business or operation of the CITY or the satisfactory performance of EMPLOYEE'S duties.

2. Term.

2.1 Term. The term of this Agreement shall commence on _____ (Commencement Date), upon being executed by EMPLOYEE and approved by the City Manager. This Agreement shall remain in effect until such time as this Agreement is terminated pursuant to Section 4, below.

2.2 At-Will Employment. EMPLOYEE acknowledges that he/she is an at-will employee of CITY who shall serve at the pleasure of the City Manager at all times during the period of his/her service under this Agreement. The terms and provisions of CITY's personnel rules, policies, procedures, ordinances and resolutions applicable to at-will employees shall also apply to EMPLOYEE, and he/she shall be entitled to all benefits and rights afforded to other Executive Management (as defined in the City's Personnel Rules) of CITY, except to the extent provided by this Agreement, and, in the case of any conflict between this Agreement, and the Personnel Rules, policies, procedures, ordinances and resolution, the terms of this Agreement shall prevail. Notwithstanding the application of the City's Personnel Rules to this Agreement, and without limitation, EMPLOYEE shall have no rights under sections 9, 10, 11 and 12 of the Personnel Rules. Nothing in this Agreement is intended to, or does, confer upon EMPLOYEE any right to any property interest in continued employment, or any due process right to a hearing before or after a decision by the City Manager to terminate his/her employment, except as is expressly provided in Section 4 [Termination] of this Agreement. Nothing contained in this Agreement shall in any way prevent, limit or otherwise interfere with the right of CITY to terminate the services of

EMPLOYEE as provided in Section 4 [Termination]. Nothing in this Agreement shall prevent, limit or otherwise interfere with the right of EMPLOYEE to resign at any time from this position with CITY, subject only to the provisions set forth in Section 4 [Termination] of this Agreement. This at-will employment Agreement shall be expressly subject to the rights and obligations of CITY and EMPLOYEE, as set forth in Section 4 [Termination] herein.

3. Compensation.

3.1 Salary. For all services performed by EMPLOYEE as the _____ under this Agreement, CITY shall pay EMPLOYEE compensation in accordance with the adopted salary schedule for the position, plus all other compensation benefits afforded by CITY to other full time Executive Management employees. EMPLOYEE shall be entitled to all cost of living and other salary and benefit adjustments implemented by the CITY as applicable to other full time Executive Management employees, to include City's employee furlough program and eligibility for Merit Increases (Section 3.3). The starting salary shall be _____ dollars ($_____) per month, paid bi-weekly according to the payroll schedule in place for CITY employees. All compensation and leave policies applicable to Executive Management employees as contained in CITY'S Personnel Rules and Regulations shall apply.

3.2 Annual Leave. All compensation and leave policies applicable to Executive Management as contained in the City's Personnel Rules and Regulations, Sections 7 and 14, shall apply. EMPLOYEE shall annually accrue _____ hours of Annual Leave, allocated at a rate of _____ hours per pay period. Annual Leave shall be subject to CITY's Personnel Rules and Regulations as they apply to other Executive Management employees.

3.3 Automobile Allowance. EMPLOYEE shall be entitled to an automobile allowance as compensation for the use of personal automobile(s) for CITY business as provided for in CITY policies. This monthly allowance shall equal the amount provided to other Executive Management employees, and is currently five hundred dollars ($500) per month. In addition, EMPLOYEE shall be entitled to excess mileage reimbursement according to adopted CITY policies for any qualifying trip in the course and scope of employment.

4. Termination.

4.1 The City Manager may terminate EMPLOYEE'S employment, and this Agreement "for cause" at any time upon written notice. "For cause" is defined as any of the following:
(i) an act in bad faith and to the detriment of the City; (ii) refusal or failure to act in accordance with any specific lawful direction or order of the City Manager; (iii) unfitness or unavailability for service that exceeds thirty (30) consecutive calendar days and is not the result of any excused illness or medical condition; (iv) commission of an act involving moral turpitude or other acts which harm the reputation of or interests of the City; (v) habitual

neglect of responsibilities, or incompetence; (vi) a conviction of a felony or other crime punishable by jail or imprisonment in the jurisdiction involved (or entry of a plea of guilty or *nolo contendere* with respect to any such crime); (vii) possession of, use of, or working while under the influence of alcoholic beverages or other non-prescribed controlled substances or abuse/misuse of lawfully prescribed controlled substances during working hours; (viii) engaging in an actual conflict of interest; (ix) commission of acts of theft, embezzlement, or fraud; (x) acceptance of bribes or extortion; (xi) material breach of this Agreement by EMPLOYEE. If this Agreement is terminated by the City Manager "for cause," EMPLOYEE'S employment shall be deemed immediately terminated and EMPLOYEE shall surrender all CITY keys, computer passwords, and other CITY property entrusted to EMPLOYEE for the purposes of the discharge of his/her duties. Upon termination for cause, EMPLOYEE shall have no recourse under this AGREEMENT or any administrative procedure for purposes of challenging the termination action.

4.2 In the event EMPLOYEE is terminated "without cause" or asked to resign during such time that EMPLOYEE is willing and able to perform the Duties [Section 2.4] under this Agreement, then CITY agrees, upon receipt of a Comprehensive General Release and Settlement Agreement in the standard form signed by EMPLOYEE, to pay EMPLOYEE a lump sum cash payment equal to 12 months of Salary and benefits [Section 3.1] as severance pay.

4.3 EMPLOYEE shall receive a lump sum payout of any unpaid accruals of Annual Leave [Section 3.2] and Sick Leave upon termination of employment for any reason pursuant to CITY policies.

4.4 EMPLOYEE shall not be entitled to any increases in Salary [Section 3.1], or benefits afforded by CITY to other Executive Management employees following the date of termination.

4.5 This Agreement may be terminated by EMPLOYEE at any time upon 45 days written notice to the City Manager. If such written notice is given, the City has the option to ask EMPLOYEE to leave his/her position sooner than the expiration of 45 days, but, if it does so, the City will continue to honor its obligations under this Agreement until expiration of the 45-day period.

4.6 EMPLOYEE'S employment and this Agreement shall terminate automatically upon EMPLOYEE'S death. In this event, the City shall pay the beneficiary designated by EMPLOYEE in writing, or in the absence of such designation, EMPLOYEE'S estate, his/her accrued and unpaid compensation, and all accrued but unused benefits, if any, through the date of EMPLOYEE'S death.

4.7 If EMPLOYEE becomes disabled and requires accommodation to permit him/her to perform the essential functions of the position, the City shall provide reasonable accommodation if possible and unless doing so creates undue hardship for the City.

5. Proprietary Information.

"Proprietary Information" is all information and any idea pertaining to any economic development engaged in or contemplated by the City (or any CITY affiliate), including marketing plans and development projects. Proprietary Information shall include, without limitation, trade secrets (as further defined in Uniform Trade Secrets Act, Civil Code §3426 et seq.), ideas, inventions, processes, formulae, data, know-how, software and other computer programs, copyrightable material, marketing plans, strategies, sales, financial reports, and forecasts. During his/her employment by CITY, EMPLOYEE shall only use Proprietary Information for the benefit of CITY and as is or may be necessary to perform his/her job responsibilities under this Agreement. Following termination, EMPLOYEE shall not use or disclose any Proprietary Information for the benefit of himself/herself or any third party, except with the express written consent of CITY. EMPLOYEE'S obligations under this Section shall survive the termination of his/her employment and the termination of this Agreement.

6. Conflict Of Interest.

EMPLOYEE represents and warrants to CITY that he/she presently has no interest, and represents that he/she will not acquire any interest, direct or indirect, financial or otherwise, which would conflict in any manner or interfere in any way with performance of his/her services under this Agreement.

7. General Provisions.

7.1 Vehicle Operation. EMPLOYEE shall operate any vehicle used in connection with the performance of his/her duties in a safe manner and otherwise in observance of all established traffic safety laws and ordinances and shall maintain a valid California automobile's driver's license during the period of employment. In addition, EMPLOYEE shall maintain in full force and effect during the Term of this Agreement, valid automobile liability insurance providing coverage for collision, personal injury and medical reimbursement, in accordance with the City's Administrative Policy.

7.2 Notices. All notices, requests, demands and other communications under this Agreement shall be in writing and shall be effective upon delivery by hand or three (3) business days after deposit in the United States mail, postage prepaid, certified or registered, and addressed to CITY at the address below, and at the last known address maintained in EMPLOYEE'S personnel file. EMPLOYEE agrees to notify CITY in writing of any change in his/her address during his/her employment with CITY. Notice of change of address shall be effective only when accomplished in accordance with this Section.

City's Notice Address: City of Moreno Valley c/o City Manager
P.O. Box 88005 14177 Frederick Street Moreno Valley, California 92552-0805

EMPLOYEE'S Address: [Deliver to last updated address in personnel file]

7.3 Indemnification. Subject to, in accordance with, and to the extent provided by the California Tort Claims Act [Government Code Section 810 *et* seq.] the CITY will indemnify, defend, and hold EMPLOYEE harmless from and against any action, demand, suit, monetary judgment or other legal or administrative proceeding, and any liability, injury, loss or other damages, arising out of any act or omission associated with EMPLOYEE'S performance of functions, duties and services set forth in this Agreement.

7.4 Bonding. The CITY shall bear the full cost of any fidelity or other bonds required of EMPLOYEE under any law or ordinance.

7.5 Integration. This Agreement is intended to be the final, complete, and exclusive statement of the terms of EMPLOYEE'S employment by CITY. This Agreement supersedes all other prior and contemporaneous agreements and statements, whether written or oral, express or implied, pertaining in any manner to the employment of EMPLOYEE, and it may not be contradicted by evidence of any prior or contemporaneous statements or agreements. To the extent that the practices, policies, or procedures of CITY, now or in the future, apply to EMPLOYEE and are inconsistent with the terms of this Agreement, the provisions of this Agreement shall control.

7.6 Amendments. This Agreement may not be amended, altered or modified, except in a written document signed by EMPLOYEE, and signed by the City Manager.

7.7 Waiver. Failure to exercise any right under this Agreement shall not constitute a waiver of such right.

7.8 Assignment. EMPLOYEE shall not assign any rights or obligations under this Agreement. CITY may, upon prior written notice to EMPLOYEE, assign its rights and obligations hereunder.

7.9 Severability. If a court holds any provision of this Agreement to be invalid, unenforceable, or void, the remainder of this Agreement shall remain in full force and effect.

7.10 Governing Law. This Agreement shall be governed by and construed in accordance with the laws of the State of California, with venue proper only in Riverside County, State of California.

7.11 Interpretation. This Agreement shall be construed as a whole, according to its fair meaning, and not in favor of or against any party. By way of example and not in limitation, this Agreement shall not be construed in favor of the party receiving a benefit or against the party responsible for any particular language in this Agreement. Captions are used for reference purposes only and should be ignored in the interpretation of the Agreement.

7.12 Acknowledgment. EMPLOYEE acknowledges that he/she has had the

opportunity to consult legal counsel in regard to this Agreement, that he/she has read and understands this Agreement, that he/she is fully aware of its legal effect, and that he/she has entered into it freely and voluntarily and based on his/her own judgment and not on any representations or promises other than those contained in this Agreement.

IN WITNESS WHEREOF, the CITY has caused this Agreement to be signed and executed on its behalf by its City Manager, and EMPLOYEE has signed and executed this Agreement, as of the date first indicated above.

EMPLOYMENT AGREEMENT
(Division Management and Assistant/Deputy City Attorney Employees)
(SAMPLE)

Note: When used for the positions of Assistant/Deputy City Attorney, the standard Agreement will reflect at-will service under supervision of the City Attorney.

This Employment Agreement (hereafter referred to herein as "Agreement") is made and entered into this ____ day of ____, 20__, by and between the City of Moreno Valley, California (hereafter referred to herein as "CITY"), a California municipal corporation and general law city, and _____ (hereafter referred to herein as "EMPLOYEE"), an individual, on the following terms and conditions:

RECITALS

A. CITY, by and through the City Manager, desires to employ the services of Employee as _____ of CITY; and

B. _____ desires to accept employment as _____ in consideration of and subject to the terms and conditions set forth in this Agreement.

OPERATIVE PROVISIONS

In consideration of the promises and covenants contained herein, the parties agree as follows:

1. Position and Duties.

1.1 Position. EMPLOYEE accepts employment with CITY as its _____ and shall perform all functions, duties and services set forth in Section 1.4 [Duties] of this Agreement. EMPLOYEE shall provide services at the direction and under the supervision of the City Manager of CITY.

1.2 Duties. The duties of EMPLOYEE shall be as determined by the City Manager, generally in conformance with the job description attached hereto and incorporated herein as though set forth in full as Attachment A to this Agreement. EMPLOYEE shall devote his/her best efforts and full-time attention to the performance of these duties.

1.3 Hours of Work. EMPLOYEE shall devote the time necessary to adequately perform his/her assigned duties. The work schedule shall be the same as the schedule in place for all other Division Managers of CITY, provided the schedule of such hours provides adequate availability during normal business hours and for the performance of his/her duties in conducting CITY business. The position of _____ shall be deemed an

exempt position under applicable wage and hour law. EMPLOYEE hereby acknowledges that he/she shall not be entitled to any compensation for overtime.

1.4 Professional Activity. The City Manager desires EMPLOYEE to be reasonably active in national, statewide, regional and professional organizations that will contribute to his/her professional development and standing and that will contribute to the advancement of the CITY's interests and standing. Toward that end, EMPLOYEE may, upon advance notice to the City Manager, undertake such activities as are directly related to his/her professional development and that advance the interests and standing of the CITY, provided that such activities do not in any way interfere with or adversely affect his/her employment as _____ or the performance of his/her duties as provided herein. CITY agrees to reimburse EMPLOYEE'S reasonable and necessary travel, business and subsistence expenses for his/her activities as provided for in the City's Administrative Policies.

1.5 Other Activity. In accordance with Government Code Section 1126, during the period of his/her employment, EMPLOYEE shall not accept, without the express prior written consent of the City Manager, any other employment or engage, directly or indirectly, in any other business, commercial, or professional activity (except as permitted under Section 1.6 [Professional Activity], regardless of whether for pecuniary advantage, that is or may be competitive with the CITY, that might cause a conflict-of-interest with the CITY, or that otherwise might interfere with the business or operation of the CITY or the satisfactory performance of EMPLOYEE'S duties.

2. Term.

2.1 Term. The term of this Agreement shall commence on _____ (Commencement Date), upon being executed by EMPLOYEE and approved by the City Manager. This Agreement shall remain in effect until such time as this Agreement is terminated pursuant to Section 4, below.

2.2 At-Will Employment. EMPLOYEE acknowledges that he/she is an at-will employee of CITY who shall serve at the pleasure of the City Manager at all times during the period of his/her service under this Agreement. The terms and provisions of CITY's personnel rules, policies, procedures, ordinances and resolutions applicable to at-will employees shall also apply to EMPLOYEE, and he/she shall be entitled to all benefits and rights afforded to other Division Management (as defined in the City's Personnel Rules) of CITY, except to the extent provided by this Agreement, and, in the case of any conflict between this Agreement, and the Personnel Rules, policies, procedures, ordinances and resolution, the terms of this Agreement shall prevail. Notwithstanding the application of the City's Personnel Rules to this Agreement, and without limitation, EMPLOYEE shall have no rights under sections 9, 10, 11 and 12 of the Personnel Rules. Nothing in this Agreement is intended to, or does, confer upon EMPLOYEE any right to any property interest in continued employment, or any due process right to a hearing before or after a decision by

the City Manager to terminate his/her employment, except as is expressly provided in Section 4 [Termination] of this Agreement. Nothing contained in this Agreement shall in any way prevent, limit or otherwise interfere with the right of CITY to terminate the services of EMPLOYEE as provided in Section 4 [Termination]. Nothing in this Agreement shall prevent, limit or otherwise interfere with the right of EMPLOYEE to resign at any time from this position with CITY, subject only to the provisions set forth in Section 4 [Termination] of this Agreement. This at-will employment Agreement shall be expressly subject to the rights and obligations of CITY and EMPLOYEE, as set forth in Section 4 [Termination] herein.

3. Compensation.

3.1 Salary. For all services performed by EMPLOYEE as the _____ under this Agreement, CITY shall pay EMPLOYEE compensation in accordance with the adopted salary schedule for the position, plus all other compensation benefits afforded by CITY to other full time Division Management employees. EMPLOYEE shall be entitled to all cost of living and other salary and benefit adjustments implemented by the CITY as applicable to other full time Division Management employees, to include City's employee furlough program and eligibility for Merit Increases (Section 3.3). The starting salary shall be _____ dollars ($_____) per month, paid bi-weekly according to the payroll schedule in place for CITY employees. All compensation and leave policies applicable to Division Management employees as contained in CITY'S Personnel Rules and Regulations shall apply.

3.2 Annual Leave. All compensation and leave policies applicable to Division Management as contained in the City's Personnel Rules and Regulations, Sections 7 and 14, shall apply. EMPLOYEE shall annually accrue _____ hours of Annual Leave, allocated at a rate of _____ hours per pay period. Annual Leave shall be subject to CITY's Personnel Rules and Regulations as they apply to other Division Management employees.

3.3 Automobile Allowance. EMPLOYEE shall be entitled to an automobile allowance as compensation for the use of personal automobile(s) for CITY business as provided for in CITY policies. This monthly allowance shall equal the amount provided to other Division Management employees, and is currently three-hundred-fifty dollars ($350) per month. In addition, EMPLOYEE shall be entitled to excess mileage reimbursement according to adopted CITY policies for any qualifying trip in the course and scope of employment.

4. Termination.

4.1 The City Manager may terminate EMPLOYEE'S employment, and this Agreement "for cause" at any time upon written notice. "For cause" is defined as any of the following:
(i) an act in bad faith and to the detriment of the City; (ii) refusal or failure to act in accordance with any specific lawful direction or order of the City Attorney that is not in conflict with the Rules of Professional Conduct and/or the Legal Canon of Ethics for

attorneys in the State of California (as applicable); (iii) unfitness or unavailability for service that exceeds thirty (30) consecutive calendar days and is not the result of any excused illness or medical condition; (iv) commission of an act involving moral turpitude or other acts which harm the reputation of or interests of the City; (v) habitual neglect of responsibilities, or incompetence; (vi) a conviction of a felony or other crime punishable by jail or imprisonment in the jurisdiction involved (or entry of a plea of guilty or *nolo contendere* with respect to any such crime); (vii) possession of, use of, or working while under the influence of alcoholic beverages or other non-prescribed controlled substances or abuse/misuse of lawfully prescribed controlled substances during working hours; (viii) engaging in an actual conflict of interest; (ix) commission of acts of theft, embezzlement, or fraud; (x) acceptance of bribes or extortion; (xi) imposition of professional discipline by the State Bar of California resulting in suspension or disbarment; or (xii) material breach of this Agreement by EMPLOYEE. If this Agreement is terminated by the City Manager "for cause," EMPLOYEE'S employment shall be deemed immediately terminated and EMPLOYEE shall surrender all CITY keys, computer passwords, and other CITY property entrusted to EMPLOYEE for the purposes of the discharge of his/her duties. Upon termination for cause, EMPLOYEE shall have no recourse under this AGREEMENT or any administrative procedure for purposes of challenging the termination action.

4.2 In the event EMPLOYEE is terminated "without cause" or asked to resign during such time that EMPLOYEE is willing and able to perform the Duties [Section 2.4] under this Agreement, then CITY agrees, upon receipt of a Comprehensive General Release and Settlement Agreement in the standard form signed by EMPLOYEE, to pay EMPLOYEE a lump sum cash payment equal to 6 months of Salary and benefits [Section 3.1] as severance pay.

4.3 EMPLOYEE shall receive a lump sum payout of any unpaid accruals of Annual Leave [Section 3.2] and Sick Leave upon termination of employment for any reason pursuant to CITY policies.

4.4 EMPLOYEE shall not be entitled to any increases in Salary [Section 3.1], or benefits afforded by CITY to other Division Management employees following the date of termination.

4.5 This Agreement may be terminated by EMPLOYEE at any time upon 45 days written notice to the City Manager. If such written notice is given, the City has the option to ask EMPLOYEE to leave his/her position sooner than the expiration of 45 days, but, if it does so, the City will continue to honor its obligations under this Agreement until expiration of the 45-day period.

4.6 EMPLOYEE'S employment and this Agreement shall terminate automatically upon EMPLOYEE'S death. In this event, the City shall pay the beneficiary designated by EMPLOYEE in writing, or in the absence of such designation, EMPLOYEE'S estate, his/her accrued and unpaid compensation, and all accrued but unused benefits, if any, through the

date of EMPLOYEE'S death.

4.7 If EMPLOYEE becomes disabled and requires accommodation to permit his/her to perform the essential functions of the position, the City shall provide reasonable accommodation if possible and unless doing so creates undue hardship for the City.

5. Proprietary Information.

"Proprietary Information" is all information and any idea pertaining to any economic development engaged in or contemplated by the City (or any CITY affiliate), including marketing plans and development projects. Proprietary Information shall include, without limitation, trade secrets (as further defined in Uniform Trade Secrets Act, Civil Code §3426 et seq.), ideas, inventions, processes, formulae, data, know-how, software and other computer programs, copyrightable material, marketing plans, strategies, sales, financial reports, and forecasts. During his/her employment by CITY, EMPLOYEE shall only use Proprietary Information for the benefit of CITY and as is or may be necessary to perform his/her job responsibilities under this Agreement. Following termination, EMPLOYEE shall not use or disclose any Proprietary Information for the benefit of himself/herself or any third party, except with the express written consent of CITY. EMPLOYEE'S obligations under this Section shall survive the termination of his/her employment and the termination of this Agreement.

6. Conflict Of Interest.

EMPLOYEE represents and warrants to CITY that he/she presently has no interest, and represents that he/she will not acquire any interest, direct or indirect, financial or otherwise, which would conflict in any manner or interfere in any way with performance of his/her services under this Agreement.

7. General Provisions.

7.1 Vehicle Operation. EMPLOYEE shall operate any vehicle used in connection with the performance of his/her duties in a safe manner and otherwise in observance of all established traffic safety laws and ordinances and shall maintain a valid California automobile's driver's license during the period of employment. In addition, EMPLOYEE shall maintain in full force and effect during the Term of this Agreement, valid automobile liability insurance providing coverage for collision, personal injury and medical reimbursement, in accordance with the City's Administrative Policy.

7.2 Notices. All notices, requests, demands and other communications under this Agreement shall be in writing and shall be effective upon delivery by hand or three (3) business days after deposit in the United States mail, postage prepaid, certified or registered, and addressed to CITY at the address below, and at the last known address maintained in EMPLOYEE'S personnel file. EMPLOYEE agrees to notify CITY in writing of any change in his/her address during his/her employment with CITY. Notice of change of address shall be effective only when accomplished in accordance with this Section.

City's Notice Address: City of Moreno Valley c/o City Manager
P.O. Box 88005 14177 Frederick Street Moreno Valley, California 92552-0805

EMPLOYEE'S Address: [Deliver to last updated address in personnel file]

7.3 Indemnification. Subject to, in accordance with, and to the extent provided by the California Tort Claims Act [Government Code Section 810 *et* seq.] the CITY will indemnify, defend, and hold EMPLOYEE harmless from and against any action, demand, suit, monetary judgment or other legal or administrative proceeding, and any liability, injury, loss or other damages, arising out of any act or omission associated with EMPLOYEE'S performance of functions, duties and services set forth in this Agreement.

7.4 Bonding. The CITY shall bear the full cost of any fidelity or other bonds required of EMPLOYEE under any law or ordinance.

7.5 Integration. This Agreement is intended to be the final, complete, and exclusive statement of the terms of EMPLOYEE'S employment by CITY. This Agreement supersedes all other prior and contemporaneous agreements and statements, whether written or oral, express or implied, pertaining in any manner to the employment of EMPLOYEE, and it may not be contradicted by evidence of any prior or contemporaneous statements or agreements. To the extent that the practices, policies, or procedures of CITY, now or in the future, apply to EMPLOYEE and are inconsistent with the terms of this Agreement, the provisions of this Agreement shall control.

7.6 Amendments. This Agreement may not be amended, altered or modified, except in a written document signed by EMPLOYEE, and signed by the City Manager.

7.7 Waiver. Failure to exercise any right under this Agreement shall not constitute a waiver of such right.

7.8 Assignment. EMPLOYEE shall not assign any rights or obligations under this Agreement. CITY may, upon prior written notice to EMPLOYEE, assign its rights and obligations hereunder.

7.9 Severability. If a court holds any provision of this Agreement to be invalid, unenforceable, or void, the remainder of this Agreement shall remain in full force and effect.

7.10 Governing Law. This Agreement shall be governed by and construed in accordance with the laws of the State of California, with venue proper only in Riverside County, State of California.

7.11 Interpretation. This Agreement shall be construed as a whole, according to its fair meaning, and not in favor of or against any party. By way of example and not in limitation, this Agreement shall not be construed in favor of the party receiving a benefit or

against the party responsible for any particular language in this Agreement. Captions are used for reference purposes only and should be ignored in the interpretation of the Agreement.

7.12 Acknowledgment. EMPLOYEE acknowledges that he/she has had the opportunity to consult legal counsel in regard to this Agreement, that he/she has read and understands this Agreement, that he/she is fully aware of its legal effect, and that he/she has entered into it freely and voluntarily and based on his/her own judgment and not on any representations or promises other than those contained in this Agreement.

IN WITNESS WHEREOF, the CITY has caused this Agreement to be signed and executed on its behalf by its City Manager, and EMPLOYEE has signed and executed this Agreement, as of the date first indicated above.

APPROVALS	
BUDGET OFFICER	
CITY ATTORNEY	SMB
CITY MANAGER	

Report to City Council

TO: Mayor and City Council

FROM: Suzanne M. Bryant, City Attorney

AGENDA DATE: June 25, 2013

TITLE: APPROVAL OF EMPLOYMENT AGREEMENT BETWEEN THE CITY OF MORENO VALLEY AND MICHELLE DAWSON FOR THE POSITION OF CITY MANAGER

RECOMMENDED ACTION

Recommendation:

1. Approve the Employment Agreement between the City of Moreno Valley and Michelle Dawson for the position of City Manager.

DISCUSSION

On May 14, 2013, the City Council appointed Michelle Dawson to serve as City Manager. An Employment Agreement is presented to the City Council consistent with Personnel Policy 514.

Major elements of the proposed Employment Agreement are listed below.

Term: 5-years

Annual Salary: $230,000 (Reduced to $207,000 via 10% furlough or $218,500 under 5% furlough; previous City Manager's contract was not affected by the City's furlough program.)

Benefits: Benefit formulas identical to those provided to all other executive management employees, parity with salary and benefit adjustments implemented for other executive managers (e.g. COLAs, furlough, etc.)

Termination Provisions:

- For Cause: Requires 3 votes of Council to terminate with cause. No severance benefits associated with termination for cause.

- Without Cause: Requires 4 votes of Council to terminate without cause. Severance payment to equal 12 months' salary/benefits, paid only upon receipt of a signed general release/settlement.

ALTERNATIVES

1. Approve the Employment Agreement

2. Do not approve the Employment Agreement.

FISCAL IMPACT

The proposed salary and benefits are within the range established for the position and sufficient funds have been budgeted.

EMPLOYMENT AGREEMENT FOR THE POSITION OF CITY MANAGER

This Employment Agreement (hereafter referred to herein as "Agreement") is made and entered into this 25th day of June, 2013, by and between the City of Moreno Valley, California (hereafter referred to herein as "CITY"), a California municipal corporation and general law city, and Michelle Dawson (hereafter referred to herein as "DAWSON"), an individual, on the following terms and conditions:

RECITALS

A. CITY, by and through the City Council, desires to employ the services of DAWSON as City Manager of CITY, as provided by Chapter 2.08 of Title 2 of the City of Moreno Valley Municipal Code; and

B. DAWSON desires to accept employment as City Manager in consideration of and subject to the terms and conditions set forth in this Agreement.

OPERATIVE PROVISIONS

In consideration of the promises and covenants contained herein, the parties agree as follows:

1. Position, Term and Duties.

1.1 **Position.** Without any impact upon employee benefit levels based upon her original date of hire with the City of Moreno Valley, DAWSON relinquishes her prior position as Assistant City Manager and accepts employment with CITY as its City Manager and shall perform all functions, duties and services set forth in Section 1.4 [Duties] of this Agreement, Chapter 2.08 of Title 2 of the City of Moreno Valley Municipal Code, CITY ordinances, and state law. DAWSON shall provide services at the direction and under the supervision of the City Council of CITY.

1.2 **Term.**

A. The term of this Agreement shall commence on May 15, 2013 (Commencement Date), upon being executed by DAWSON and approved by the City Council.

B. The term of this Agreement shall be five (5) years from the Commencement Date unless terminated earlier pursuant to the provisions in Section 4 (Termination) of this Agreement.

C. If either party desires not to extend or renew this Agreement upon expiration of its five (5) year term, that party shall give written notice of intent not to extend or renew this Agreement no less than one hundred eighty (180) calendar days prior to expiration of its Term. If no such notice is given within such time period, this Agreement shall continue to be effective pursuant to its operative provisions, with the exception that the Term of the Agreement will not be for an additional five (5) years. Rather, this Agreement will continue in force on a day-to-day basis until the expiration of one hundred eighty (180) calendar days after either party does give written notice of intent not to further extend or renew this Agreement, or until it is amended or extended by the parties in writing, or until it is otherwise Terminated in accordance with the

provisions of Section 4 (Termination).

D. This provision for a five (5) year Term shall not be construed to supersede, modify or limit DAWSON's status as an at-will employee of CITY, or the amount or conditions of severance compensation as provided in Section 4 (Termination).

1.3 **At-Will Employment.** DAWSON acknowledges that she is an at-will employee of CITY who shall serve at the pleasure of the City Council at all times during the period of her service under this Agreement. The terms and provisions of CITY's personnel rules, policies, procedures, ordinances and resolutions applicable to At Will employees shall also apply to DAWSON, and she shall be entitled to all benefits and rights afforded to other Executive Management (as defined in the City's Personnel Rules) of CITY, except to the extent provided by this Agreement, and, in the case of any conflict between this Agreement, and the Personnel Rules, policies, procedures, ordinances and resolution, the terms of this Agreement shall prevail. Notwithstanding the application of the City's Personnel Rules to this Agreement, and without limitation, DAWSON shall have no rights under sections 9, 10, 11 and 12 of the Personnel Rules. Nothing in this Agreement is intended to, or does, confer upon DAWSON any right to any property interest in continued employment, or any due process right to a hearing before or after a decision by the City Council to terminate her employment, except as is expressly provided in Section 4 [Termination] of this Agreement. Nothing contained in this Agreement shall in any way prevent, limit or otherwise interfere with the right of CITY to terminate the services of DAWSON as provided in Section 4 [Termination]. Nothing in this Agreement shall prevent, limit or otherwise interfere with the right of DAWSON to resign at any time from this position with CITY, subject only to the provisions set forth in Section 4 [Termination] of this Agreement. This at-will employment Agreement shall be expressly subject to the rights and obligations of CITY and DAWSON, as set forth in Section 4 [Termination] herein.

1.4 **Duties.** DAWSON shall serve as the City Manager and shall be vested with the powers, duties and responsibilities of the City Manager as set forth in the City's applicable ordinances and resolutions, and in Chapter 2.08 of Title 2 of the City of Moreno Valley Municipal Code, as may be amended from time to time, the terms of which are incorporated herein by reference. It is the intent of the City Council for the City Manager to function as the head of administration of the government of CITY under the direction and control of the City Council and be responsible for the efficient administration of all affairs of CITY which are under the control of the City Manager and to keep the City Council apprised of all significant issues affecting CITY. Toward that end, DAWSON shall report directly to the City Council and will periodically, or as may be specifically requested by the City Council, provide status reports to the City Council on her activities and those of CITY. Without additional compensation, DAWSON shall provide such other services as are customary and appropriate to the position of City Manager, including serving as Executive Director of the Moreno Valley Community Services District and the Moreno Valley Housing Authority, together with such additional services assigned from time to time by the City Council as may be consistent with California law and the City of Moreno Valley Municipal Code. DAWSON shall devote her best efforts and full-time attention to the performance of these duties.

1.5 **Hours of Work.** DAWSON shall devote the time necessary to adequately perform her duties as City Manager. The work schedule shall be the same as the schedule in place for all other Executive Managers of CITY, provided the schedule of such hours provides adequate availability to the City Council, City Staff, and members of the community during normal business hours and for the performance of her duties in conducting CITY business. It is recognized that the City Manager must

devote time outside of the normal work schedule on CITY business and it is understood that DAWSON will make herself available to conduct CITY business outside of the normal work schedule as is reasonable and necessary. The position of City Manager shall be deemed an exempt position under applicable wage and hour law. DAWSON hereby acknowledges that she shall not be entitled to any compensation for overtime.

1.6 **Professional Activity.** The City Council desires DAWSON to be reasonably active in national, statewide, regional and professional organizations that will contribute to City Manager's professional development and standing and that will contribute to the advancement of the CITY's interests and standing. Toward that end, DAWSON may, upon advance notice to the City Council, undertake such activities as are directly related to her professional development and that advance the interests and standing of the CITY. These activities may include, without limitation, participation in the California League of Cities, International City Management Association, or other similar national, statewide, regional or professional organizations, provided that such activities do not in any way interfere with or adversely affect her employment as City Manager or the performance of her duties as provided herein. CITY agrees to budget and pay for the reasonable dues and subscriptions of the City Manager necessary for her participation in such organizations. CITY agrees to reimburse DAWSON's reasonable and necessary travel, business and subsistence expenses for her activities as provided for in the City's Administrative Policies.

1.7 **Other Activity.** In accordance with Government Code Section 1126, during the period of her employment, DAWSON shall not accept, without the express prior written consent of the City Council, any other employment or engage, directly or indirectly, in any other business, commercial, or professional activity (except as permitted under Section 1.6 [Professional Activity], regardless of whether for pecuniary advantage, that is or may be competitive with the CITY, that might cause a conflict-of-interest with the CITY, or that otherwise might interfere with the business or operation of the CITY or the satisfactory performance of DAWSON's duties as City Manager.

2. Compensation.

2.1 **Salary.** For all services performed by DAWSON as the City Manager under this Agreement, CITY shall pay DAWSON a salary of Two Hundred Thirty Thousand dollars ($230,000) per year, plus all other compensation benefits afforded by CITY to other full time Executive Management employees. DAWSON shall be entitled to all cost of living and other salary and benefit adjustments implemented by the CITY as applicable to other full time Executive Management employees, to include City's employee furlough program and eligibility for Merit Increases (Section 3.3). The starting salary shall be nineteen thousand one hundred sixty seven dollars ($19,167) per month, paid bi-weekly according to the payroll schedule in place for CITY employees. All compensation and leave policies applicable to Executive Management employees as contained in CITY'S Personnel Rules and Regulations shall apply.

2.2 **Annual Leave**. All compensation and leave policies applicable to Executive Management as contained in the City's Personnel Rules and Regulations, Sections 7 and 14, shall apply. DAWSON shall annually accrue 376 hours of Annual Leave, allocated at a rate of 14.46 hours per pay period. Annual Leave shall be subject to CITY's Personnel Rules and Regulations as they apply to other Executive Management employees.

2.3 **Automobile Allowance.**

A. DAWSON shall be entitled to an automobile allowance as compensation for the

use of personal automobile(s) for CITY business as provided for in CITY policies. This monthly allowance shall equal the amount provided to other Executive Management employees, and is currently five hundred dollars ($500.00) per month. In addition, DAWSON shall be entitled to excess mileage reimbursement according to adopted CITY policies for any qualifying trip in the course and scope of employment.

B. As provided in City Policy 6.25 (Section V), DAWSON is entitled to full use of a City vehicle in lieu of a monthly automobile allowance. Should DAWSON opt for a City vehicle, she will be responsible for all income tax liability associated with personal use.

3. Performance Evaluation.

3.1 The City Council shall review and evaluate DAWSON's performance at least once annually. Said review and evaluation shall be in accordance with specific criteria developed jointly between DAWSON and the City Council. Said criteria may be added to or deleted from as the City Council may determine from time to time in consultation with DAWSON. Further, the Mayor shall provide DAWSON with a summary written statement of the findings of the City Council and provide an adequate opportunity for DAWSON to discuss said evaluation with the entire City Council.

3.2 Annually, the City Council shall define such goals and performance objectives which they determine necessary for the proper function of the City Manager's Office and in the attainment of City Council goals and objectives, and shall further establish a relative priority among the various goals and objectives, said goals and objectives to be reduced to writing. Any such goals or objectives shall generally be attainable within the time limitations as specified and within City Manager Department budgets.

3.3 CITY agrees to consider an increase to DAWSON's Salary [Section 2.1] during said Performance Evaluation; however, any increase to Salary [Section 2.1] shall be at the sole discretion of the City Council.

4. Termination.

4.1 This Agreement may be terminated by DAWSON at any time upon 45 days written notice to the City Council. If such written notice is given, the City has the option to ask DAWSON to leave her position sooner than the expiration of 45 days, but, if it does so, the City will continue to honor its obligations under this Agreement until expiration of the 45-day period.

4.2 The City Council may terminate DAWSON'S employment, and this Agreement "without cause" at any time upon written notice upon affirmative vote by no fewer than four (4) members of the City Council. In the event DAWSON is terminated "without cause" or asked to resign during such time that DAWSON is willing and able to perform the Duties [Section 1.4] under this Agreement, then CITY agrees, upon receipt of a Comprehensive General Release and Settlement Agreement in the standard form signed by DAWSON, to pay DAWSON a lump sum cash payment equal to 12 months of Salary and benefits [Section 2.1] as severance pay.

4.3 The City Council may terminate DAWSON'S employment, and this Agreement "for cause" at any time upon written notice upon affirmative vote by no fewer than three (3) members of the City

Council. "For cause" is defined as any of the following:
(i) an act in bad faith and to the detriment of the City; (ii) refusal or failure to act in accordance with any specific lawful direction or order of the City Council; (iii) unfitness or unavailability for service that exceeds thirty (30) consecutive calendar days and is not the result of any excused illness or medical condition; (iv) commission of an act involving moral turpitude or other acts which harm the reputation of or interests of the City; (v) habitual neglect of responsibilities, or incompetence; (vi) a conviction of a felony or other crime punishable by jail or imprisonment in the jurisdiction involved (or entry of a plea of guilty or *nolo contendere* with respect to any such crime); (vii) possession of, use of, or working while under the influence of alcoholic beverages or other non-prescribed controlled substances or abuse/misuse of lawfully prescribed controlled substances during working hours; (viii) engaging in an actual conflict of interest; (ix) commission of acts of theft, embezzlement, or fraud; (x) acceptance of bribes or extortion; or (xi) material breach of this Agreement by DAWSON. If this Agreement is terminated by the City Council "for cause," DAWSON's employment shall be deemed immediately terminated and DAWSON shall surrender all CITY keys, computer passwords, and other CITY property entrusted to DAWSON for the purposes of the discharge of her duties. Upon termination for cause, DAWSON shall have no recourse under this AGREEMENT or any administrative procedure for purposes of challenging the termination action.

4.4 DAWSON shall receive a lump sum payout of any unpaid accruals of Annual Leave [Section 2.2] and Sick Leave upon termination of employment for any reason pursuant to CITY policies.

4.5 DAWSON shall not be entitled to any increases in Salary [Section 2.1], or benefits afforded by CITY to other Executive Management employees following the date of termination.

4.6 DAWSON'S employment and this Agreement shall terminate automatically upon DAWSON'S death. In this event, the City shall pay the beneficiary designated by DAWSON in writing, or in the absence of such designation, DAWSON'S estate, her accrued and unpaid compensation, and all accrued but unused benefits, if any, through the date of DAWSON'S death.

4.7 If DAWSON becomes disabled and requires accommodation to permit her to perform the essential functions of the position, the City shall provide reasonable accommodation if possible and unless doing so creates undue hardship for the City.

5. Proprietary Information.

"Proprietary Information" is all information and any idea pertaining to any economic development engaged in or contemplated by the City (or any CITY affiliate), including marketing plans and development projects. Proprietary Information shall include, without limitation, trade secrets (as further defined in Uniform Trade Secrets Act, Civil Code §3426 et seq.), ideas, inventions, processes, formulae, data, know-how, software and other computer programs, copyrightable material, marketing plans, strategies, sales, financial reports, and forecasts. During her employment by CITY, DAWSON shall only use Proprietary Information for the benefit of CITY and as is or may be necessary to perform her job responsibilities under this Agreement. Following termination, DAWSON shall not use or disclose any Proprietary Information for the benefit of herself or any third party, except with the express written consent of CITY. DAWSON's obligations under this Section shall survive the termination of her employment and the termination of this Agreement.

6. Conflict Of Interest.

DAWSON represents and warrants to CITY that she presently has no interest, and represents that she will

not acquire any interest, direct or indirect, financial or otherwise, which would conflict in any manner or interfere in any way with performance of her services under this Agreement.

7. General Provisions.

7.1 **Vehicle Operation.** DAWSON shall operate any vehicle used in connection with the performance of her duties as City Manager in a safe manner and otherwise in observance of all established traffic safety laws and ordinances and shall maintain a valid California automobile's driver's license during the period of employment. In addition, DAWSON shall maintain in full force and effect during the Term of this Agreement, valid automobile liability insurance providing coverage for collision, personal injury and medical reimbursement, in accordance with the City's Administrative Policy.

7.2 **Notices.** All notices, requests, demands and other communications under this Agreement shall be in writing and shall be effective upon delivery by hand or three (3) business days after deposit in the United States mail, postage prepaid, certified or registered, and addressed to CITY at the address below, and at the last known address maintained in DAWSON's personnel file. DAWSON agrees to notify CITY in writing of any change in her address during her employment with CITY. Notice of change of address shall be effective only when accomplished in accordance with this Section.

City's Notice Address: City of Moreno Valley c/o City Manager
P.O. Box 88005 14177 Frederick Street Moreno Valley, California 92552-0805

City Manager's Address: [Deliver to last updated address in personnel file]

7.3 **Indemnification.** Subject to, in accordance with, and to the extent provided by the California Tort Claims Act [Government Code Section 810 *et* seq.] the CITY will indemnify, defend, and hold DAWSON harmless from and against any action, demand, suit, monetary judgment or other legal or administrative proceeding, and any liability, injury, loss or other damages, arising out of any act or omission associated with DAWSON's performance of functions, duties and services set forth in this Agreement.

7.4 **Bonding.** The CITY shall bear the full cost of any fidelity or other bonds required of the City Manager under any law or ordinance.

7.5 **Integration.** This Agreement is intended to be the final, complete, and exclusive statement of the terms of DAWSON's employment by CITY. This Agreement supersedes all other prior and contemporaneous agreements and statements, whether written or oral, express or implied, pertaining in any manner to the employment of DAWSON, and it may not be contradicted by evidence of any prior or contemporaneous statements or agreements. To the extent that the practices, policies, or procedures of CITY, now or in the future, apply to DAWSON and are inconsistent with the terms of this Agreement, the provisions of this Agreement shall control.

7.6 **Amendments.** This Agreement may not be amended, altered or modified, except in a written document signed by DAWSON, approved by the City Council and signed by the Mayor.

7.7 **Waiver.** Failure to exercise any right under this Agreement shall not constitute a waiver of such right.

7.8 **Assignment.** DAWSON shall not assign any rights or obligations under this Agreement. CITY may, upon prior written notice to DAWSON, assign its rights and obligations hereunder.

7.9 **Severability.** If a court holds any provision of this Agreement to be invalid, unenforceable, or void, the remainder of this Agreement shall remain in full force and effect.

7.10 **Governing Law.** This Agreement shall be governed by and construed in accordance with the laws of the State of California, with venue proper only in Riverside County, State of California.

7.11 Interpretation. This Agreement shall be construed as a whole, according to its fair meaning, and not in favor of or against any party. By way of example and not in limitation, this Agreement shall not be construed in favor of the party receiving a benefit or against the party responsible for any particular language in this Agreement. Captions are used for reference purposes only and should be ignored in the interpretation of the Agreement.

7.12 Acknowledgment. DAWSON acknowledges that she has had the opportunity to consult legal counsel in regard to this Agreement, that she has read and understands this Agreement, that she is fully aware of its legal effect, and that she has entered into it freely and voluntarily and based on her own judgment and not on any representations or promises other than those contained in this Agreement.

IN WITNESS WHEREOF, the CITY has caused this Agreement to be signed and executed on its behalf by its Mayor and duly attested to by its City Clerk, and DAWSON has signed and executed this Agreement, as of the date first indicated above.

FROM: Thomas M. DeSantis, Assistant City Manager

AGENDA DATE: June 25, 2013

TITLE: REQUEST TO ESTABLISH THE BUILDING & NEIGHBORHOOD SERVICES DIVISION MANAGER POSITION

RECOMMENDED ACTION

Recommendation:

1. Adopt the new position, class specification and salary range of the Building & Neighborhood Services Division Manager in the Community & Economic Development Department.

BACKGROUND

In the Community and Economic Development Department (CEDD), the positions of Redevelopment & Neighborhood Programs Administrator, Building Division Manager and Code & Neighborhood Services Division Manager have been defunded due to budgetary constraints. To achieve required savings, CEDD has proposed creation of a new classification to oversee the activities of a consolidated work unit for Code and Building. The remaining Neighborhood Programs staff will report directly to the Community & Economic Development Director.

DISCUSSION

The Community and Economic Development Department has consolidated its operations from five divisions into the following three divisions:

- Building & Neighborhood Services Division
- Land Development
- Planning

The newly consolidated Building & Neighborhood Services Division will be overseen by a division manager, who will report to the CEDD Director. Human Resources staff has prepared the recommended class specification based upon a description of duties to be performed; the recommended salary level is commensurate with those duties and consistent with the City's salary structure.

ALTERNATIVES

1. Approve the Building & Neighborhood Services Division Manager position and establish the job title, class specification, and salary range for the new classification. *Staff recommends this alternative.*

2. Not approve the Building & Neighborhood Services Division Manager position. *Staff does not recommend this alternative.*

FISCAL IMPACT

In 2013 the City eliminated three management positions within the Community & Economic Development Department. The elimination of the three Division Manager positions that occurred has resulted in net annual savings of more than $400,000 in salary and benefits.

The salary grade for the Building & Neighborhood Service Division Manager position is proposed at Grade 34 ($105,313 - $148,274). This is one grade higher than the former Neighborhood Services Division Manager classification and the same salary grade as the defunded Building Division Manager position. The savings achieved through this consolidation of two formerly separate divisions into a single division were reflected in the FY 2013-14 Budget as approved by the City Council on June 11, 2013. No additional funds are required to create this proposed classification.

CLASS SPECIFICATION
Building & Neighborhood Services Division Manager

GENERAL PURPOSE

Under general direction, plans, directs, manages, integrates, evaluates and oversees a comprehensive municipal building inspection and code enforcement program to ensure compliance with federal, state and local building, housing, zoning and other related codes, ordinances and regulations; and performs related duties as assigned. This is a new position resulting from the combination of the Building & Safety and Code & Neighborhood Services division.

DISTINGUISHING CHARACTERISTICS

This single incumbent class is responsible for planning, directing, managing, integrating, evaluating and overseeing the day-to-day operations and activities of the Building & Neighborhood Services division, including building inspection, permit processing, plan checking and code compliance functions and services. With administrative direction and guidance from the Community & Economic Development Director, the incumbent carries out responsibilities and assignments that are broad in scope and require considerable independent judgment on issues which are complex, interpretive and evaluative in nature. Assignments are broad in scope and allow for a high degree of administrative discretion in their execution.

ESSENTIAL DUTIES AND RESPONSIBILITIES

The duties listed below are intended only as illustrations of the various types of work that may be performed. The omission of specific statements of duties does not exclude them from the position if the work is similar, related or a logical assignment to this class.

1. Plans, organizes, controls, manages and evaluates the work of the Building & Neighborhood Services division; with subordinate supervisors and staff, participates in establishing operational plans and initiatives to meet division goals and objectives; implements division's plans, work programs, processes, procedures and policies required to achieve overall division's performance results; coordinates and integrates division's functions and responsibilities to achieve optimal efficiency and effectiveness; participates in developing and monitoring performance against the annual division's budgets.

2. Plans and evaluates the performance of assigned staff; establishes performance requirements and personal development targets; monitors performance and provides coaching for performance improvement and development; provides or recommends compensation and other rewards to recognize performance; takes disciplinary action, up to and including termination, to address performance deficiencies, subject to management concurrence, in accordance with the City's human resources policies and procedures and labor contract provisions.

3. Provides day-to-day leadership and works with staff to ensure a high performance, customer service-oriented work environment which supports achieving City objectives and service expectations;

provides leadership and participates in programs and activities that promote a positive employee relations environment.

4. Directs, manages, evaluates and oversees the City's building inspection, permit processing, plan checking, code compliance programs and activities to ensure proper enforcement of federal, state and local building, housing and zoning codes and ordinances; analyzes, develops, implements and manages building and safety and code and neighborhood preservation programs and projects and determines priorities and scheduling; estimates personnel, resources and time required for program and project completion.

5. Ensures the proper administration and enforcement of the City's building, zoning, housing and related safety codes; manages and directs the preparation of new City ordinances and codes and the revision of existing ordinances and codes and initiates code adoption proceedings; interprets and enforces accessibility, ADA and energy regulations; determines appropriate acceptance of building materials and procedures for the City; approves building permit extensions and issues Certificates of Occupancy; conducts the most complex and difficult field inspections and plan checks.

6. Coordinates division projects and programs with other City divisions and departments; meets with business and community representatives, residents and other interested parties to encourage action or resolve building and safety problems and issues; interprets the division's functions, policies and plans to boards, commissions, community groups, contractors, homeowners and the public; assembles necessary resources to solve a broad range of building inspection and code compliance program and service delivery problems.

7. Monitors and keeps informed of current trends in the municipal building, safety and code enforcement field, evaluates their impact on division operations and recommends policy and procedural improvements.

8. Prepares complete, accurate and concise written technical reports and correspondence.

OTHER DUTIES

1. Provides disaster response services and damage assessments.

QUALIFICATIONS

Knowledge of:

1. Federal, state and local laws, regulations and court decisions applicable to assigned areas of responsibility.

2. Trends, approaches and problem-solving techniques used in municipal code inspection and code compliance programs.

3. City organization and the functions and practices of municipal building inspection, permit processing, plan checking and code compliance programs.

4. Modern methods of building construction and structural design concepts.

5. Research methods and statistical techniques and applications.

6. Principles and practices of effective management and supervision.
7. City human resources policies and procedures and labor contract provisions.

Ability to:

1. Plan, organize, direct, manage, evaluate and integrate comprehensive building inspection and code compliance programs and functions.
2. Understand, interpret, explain and apply federal, state and local law and regulations governing building inspection and code compliance services.
3. Analyze, research and compile technical and statistical information.
4. Communicate clearly and effectively, both orally and in writing.
5. Present proposals and recommendations clearly, logically and persuasively in public meetings.
6. Prepare clear, concise and comprehensive correspondence, reports, studies and other written materials.
7. Exercise sound, expert independent judgment within general policy guidelines.
8. Exercise tact and diplomacy in dealing with sensitive and complex issues and situations.
9. Establish and maintain effective working relationships with City management, staff, business and community groups, residents and others encountered in the course of work.

Education, Training and Experience:

A typical way of obtaining the knowledge, skills and abilities outlined above is graduation from a four-year college or university with a degree in public or business administration, engineering, architecture, construction management or a related field; and seven years of increasingly responsible professional experience in building inspection and/or code compliance services, at least three years of which were in a supervisory or program/project management capacity; or an equivalent combination of training and experience.

Licenses; Certificates; Special Requirements:

A valid California driver's license and the ability to maintain insurability under the City's vehicle insurance policy.

Current, valid certification as a Building Official (BO) from the International Code Council (ICC).

PHYSICAL AND MENTAL DEMANDS

The physical and mental demands described here are representative of those that must be met by an employee to successfully perform the essential functions of this class. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.

Physical Demands

While performing the duties of this job, the employee is regularly required to sit; talk or hear, both in person and by telephone; use hands to finger, handle and feel computers and standard business equipment; and reach with hands and arms. The employee is frequently required to stand and walk.

Specific vision abilities required by this job include close vision and the ability to adjust focus.

Mental Demands

While performing the duties of this class, the incumbent is regularly required to use written and oral communication skills; read and interpret complex data, information and documents; analyze and solve complex problems; use math/mathematical reasoning; perform highly detailed work under changing, intensive deadlines, on multiple concurrent tasks; work with constant interruptions, and interact with City management, staff, business and community groups, residents and others encountered in the course of work.

WORK ENVIRONMENT

The work environment characteristics described here are representative of those an employee encounters while performing the essential functions of this class. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.

The employee works under typical office conditions, and the noise level is usually quiet. The employee may occasionally be required to work in outside conditions, exposed to wet and/or humid conditions, where the noise level may be loud.

FROM: Mike McCarty, Director of Parks and Community Services

AGENDA DATE: June 25, 2013

TITLE: AUTHORIZATION TO CLOSE PUBLIC STREETS FOR THE INDEPENDENCE DAY FESTIVITIES ON THURSDAY, JULY 4, 2013

RECOMMENDED ACTION

Recommendations:

1. Authorize the closure of the following streets between the hours of 6:00 a.m. and 12:00 noon for the purpose of conducting the Fourth of July Parade scheduled to take place on July 4, 2013.

    a. TownGate Boulevard between Frederick Street, Eucalyptus Avenue and Memorial Way;
    b. Frederick Street between Centerpointe Drive and Cactus Avenue;
    c. Cottonwood Avenue between Pan Am Boulevard and Dunhill Drive;
    d. Eucalyptus Avenue between Pan Am Boulevard and Kochi Drive;
    e. Dracaea Avenue between Pan Am Boulevard and Kochi Drive;
    f. Atlantic Circle east of Frederick Street;
    g. Brabham Street between Frederick Street and Andretti Street;
    h. TownGate Boulevard between Frederick Street and Heritage Way;
    i. Bay Avenue between Kristina Court and Courage Street;
    j. Alessandro Boulevard between Chagall Court and Elsworth Street;
    k. Brodiaea Avenue between Joy Street, and Frederick Street;
    l. Resource Way between Frederick Street and Corporate Way;
    m. Corporate Way between Calle San Juan de Los Lagos and Resource Way;
    n. Eastridge Street between Frederick Street and Heritage Way;

o. Calle San Juan De Los Lagos between Frederick Street and Veterans Way;
p. Veterans Way between Business Center Drive and Alessandro Boulevard;
q. New Hope between Veterans Way and Elsworth;
r. Veterans Way between Cactus Avenue and Alessandro Boulevard, and
s. Heritage Way between TownGate Boulevard and Town Circle.

2. Authorize the closure of Dracaea Avenue between Morrison Street and Nason Street, between the hours of 6:00 a.m. on Thursday, July 4, 2013 through 5:00 p.m. on Friday, July 5, 2013 for the purpose of conducting the Fourth of July Festival and Fireworks Program scheduled to take place on July 4, 2013.

3. For a short period of time and immediately following the fireworks display, authorize one-way traffic on various streets in the vicinity of Morrison Park as directed by the Moreno Valley Police Department.

ADVISORY BOARD/COMMISSION RECOMMENDATION

Not applicable.

BACKGROUND

For the past 26 years, the City has sponsored the Independence Day Celebration, which includes the parade, festivities, and fireworks program. The parade in 2012 was a success with more than 100 entries comprised largely of local businesses, church groups, youth groups, and other non-profit organizations. Approximately 7,000 spectators attended the 2012 Independence Day Parade.

The Independence Day Festival and Fireworks Display were also successful in attracting an estimated 20,000 spectators to Morrison Park and Mountain View Middle School. Those in attendance enjoyed the festival atmosphere throughout the day and the excitement of the fireworks display that evening.

Street closures for both the parade and the festival site are the same as those closures for the 2012 event.

DISCUSSION

Detailed below is the discussion of the events planned and the street closures for the Independence Day 2013 Program activities:

1. Parade Discussion

   The parade this year will take place on July 4, 2013. Parade participants will enter north onto Veterans Way from Golden Crest or Cactus Avenue and check in near San Juan De Los Lagos. Staging for the parade will take place on Calle San Juan de Los Lagos, Corporate Way, and Resource Way. The parade route will begin on Frederick Street at Alessandro Boulevard and go north on Frederick Street to TownGate Boulevard, turn west on TownGate Boulevard, turn north onto Heritage Way and disband into the parking lot located between the rear of

the Burlington Coat Factory store and the theater in the TownGate Shopping Center. The parade will begin promptly at 9:30 a.m. and conclude prior to 12:00 noon.

The street closures being requested will allow sufficient time for safe passage during the event for all event participants and spectators. Traffic entering and/or leaving commercial establishments will be restricted during the parade. All barricades at intersections will be removed no later than 12:00 noon. Police officers will be stationed at the following major intersections for safety purposes.

- Cactus Avenue and Frederick Street
- Alessandro Boulevard and Frederick Street
- Cottonwood Avenue and Frederick Street
- Frederick Street and TownGate Boulevard
- TownGate Boulevard and Heritage Way
- Veterans Way and Alessandro Boulevard
- Heritage Way and Town Circle

2. Festival and Fireworks Display Discussion

Festivities will continue on July 4, 2013 from 2:00 p.m. to 10:00 p.m. with the Family Fun Fest activities at Mountain View Middle School/Morrison Park. Similar to the previous year's 2012 festival, the afternoon activities will be held at Mountain View Middle School and Morrison Park. Staff is anticipating approximately 20,000 spectators to attend the festivities. Gates open at 1:00 p.m. with the festival beginning at 2:00 p.m. There will be food, arts and crafts, game booths, clowns and entertainment. This year's festival will again include a wine and beer garden. An entry may be charged to get into the festival, and there may be a minimal fee for the various activities, such as the bouncers and game booths.

A main stage and a community stage will guarantee enjoyment for the entire family. There will be several entertainers this year. At 3:00 p.m., Pacific Crest Band will perform at the festival site. At 4:00 p.m., a performance by "Mrs. Jones Revenge – A tribute to Classic Rock," followed by "Ghost in the Machine – A Tribute to the Police and Sting," and then "Hollywood Stones – A Tribute to Rolling Stones." As a grand finale, the event will conclude with a fireworks extravaganza at 9:00 p.m., which will be simulcast with patriotic music by KOLA (99.9 FM).

Presale tickets for the event are available at the Moreno Valley Conference and Recreation Center from June 11 to July 3. Cost is $2 per person or $10 for a family (up to 6 people). On July 4, entry is free between 1:00 p.m. and 4:00 pm. After 4:00 p.m., entry fee is $3 per person. Military service members with valid identification and children under 5 are free.

Based on past years, the Moreno Valley Police Department and the Transportation Division are recommending closure of the previously mentioned streets to allow sufficient time for safe passage before, during, and after the event for all event participants and spectators. Barricades placed at intersections designated for one-way traffic will be removed no later than 11:00 p.m. Police officers will be stationed at major intersections as directed by the Moreno Valley Police Department.

As part of the Fourth of July planning process, businesses and residents that are potentially affected by the street closures will receive written notification of the street closures scheduled to take place.

ALTERNATIVES

1. Approve street closures as outlined above.

2. Provide direction to staff on alternate parade route and/or street closures.

FISCAL IMPACT

The planning and coordinating of this event begin prior to the FY 2012/2013. Funds proposed for the Independence Day Celebration are partially allocated in the Moreno Valley Community Services District Zone A fund FY 2012/2013 and partially allocated in the proposed Moreno Valley Community Services District Zone A fund FY 2013/2014. In an effort to offset expenditures, staff has been soliciting sponsors for this event.

SUMMARY

The 2013 Independence Day festivities this year will take place on July 4, 2013. Staff is requesting that City Council authorize the street closures outlined above for the City's Independence Day Celebration. The parade street closures are similar to the street closures for the 2012 parade route. The parade will step off at 9:30 a.m. from Frederick Street, south of Alessandro Boulevard. The festival will be held at Mountain View Middle School and Morrison Park; street closures affected are adjacent to the festival site.

Report to City Council

TO: Mayor and City Council Acting in its Capacity as President and Members of the Board of Directors of the Moreno Valley Community Services District (CSD)

FROM: Richard Teichert, Chief Financial Officer

AGENDA DATE: June 25, 2013

TITLE: APPROVAL OF THE CALCULATION OF THE MORENO VALLEY COMMUNITY FACILITIES DISTRICT NO. 1 MAXIMUM SPECIAL TAX RATE FOR FISCAL YEAR 2013/14

RECOMMENDED ACTION

Recommendation:

1. Acting in its capacity as President and Members of the Board of Directors of the CSD ("CSD Board") and as the legislative body of Community Facilities District No. 1 ("CFD No. 1" or "District") approve and adopt Resolution No. CSD 2013-15 approving the calculation of the Community Facilities District No. 1 maximum special tax rate for fiscal year 2013/14. A Resolution of the Moreno Valley Community Services District of the City of Moreno Valley, California, Approving the Calculation of the Community Facilities District No. 1 Maximum Special Tax Rate for Fiscal Year 2013/14

ADVISORY BOARD/COMMISSION RECOMMENDATION

Not applicable

BACKGROUND

Prior to city incorporation, park and recreation services were provided by the County of Riverside. Park and recreation services provided by the County were funded through County Service Area charges, which were levied on the property tax bill. CSD Zone A was established as part of city incorporation to fund the continuation of the park and community services as provided by the City of Moreno Valley.

The cost to provide community and park maintenance services steadily increased over the years, while the CSD Zone A annual tax of $87.50 per parcel or per dwelling unit "DU" for multifamily parcels remained fixed since fiscal year ("FY") 1992/93. Rising program costs along with an increase of new residential developments created a need for additional funding to support the new park areas. CSD Zone A funds could not adequately accommodate the maintenance costs of both existing and newly constructed park facilities. The CSD formed CFD No. 1 in an effort to provide for the ongoing maintenance and safety of new parks, without jeopardizing CSD Zone A funding for the existing park facilities and community services.

On July 8, 2003, the CSD Board conducted a Public Hearing for the formation of CFD No. 1, approved a resolution to provide for future territory annexation into CFD No. 1, and authorized a special tax levy. The special tax funds public services such as ongoing maintenance and/or repair of park facilities, park improvements, and all efforts by Park Rangers that are devoted to the maintenance and safety of the newly constructed parks accepted by the City of Moreno Valley Parks and Community Services Department for maintenance after District formation in July 2003. FY 2003/04 was the first year the special tax was levied. Residential developments that create the need for new parks or are in a proximity to a District facility are conditioned to participate in CFD No. 1.

Proposition 218, a constitutional initiative known as the Right to Vote on Taxes Act, was approved by California voters in November 1996. Proposition 218 requires that any new or proposed increase in property-related assessments, fees, charges, or taxes be submitted to property owners for approval. Subsequently, increases not addressed in the rate and method of apportionment of special tax ("RMA") will be subject to a two-thirds approval by the property owners within CFD No. 1.

DISCUSSION

The CSD Board shall consider authorizing the City Treasurer to levy the special tax in accordance with the RMA to cover the FY 2013/14 special tax requirement for CFD No. 1. Per the RMA, the maximum special tax shall be increased each FY by the percentage increase in the Consumer Price Index (All Items) for Los Angeles-Riverside-Orange County, or by two percent (2%), whichever is greater. The special tax is collected on the Riverside County property tax bill and is applied only to those parcels that have annexed into the District. The CFD No. 1 maximum special tax rate for FY 2013/14 is $152.28 per parcel/DU; however, a lower amount may be levied depending on projected District expenses for the FY. The calculation and history of the applied special tax is in the Table below.

The Preliminary Annual Special Tax Report ("Report"), which has been filed in the office of the City Treasurer, provides a description of the CFD proceedings, identification of participating developments, park facilities maintained within the District, description of services, and the projected special tax to be levied for FY 2013/14. Following the submission of the annual special taxes to the County of Riverside, the City shall prepare

and file with the City Treasurer the final Annual Report, which shall identify the final calculation of the applied annual special tax rate.

Fiscal Year	Annual Adjustment	Maximum Special Tax	Applied Special Tax
2003/04	-	$ 115.00	$ 115.00
2004/05	2.00%	117.30	117.00
2005/06	4.40%	122.46	119.00
2006/07	4.50%	127.96	119.00
2007/08	3.30%	132.18	119.00
2008/09	4.20%	137.72	120.00
2009/10	2.00%	140.46	120.00
2010/11	2.00%	143.26	120.00
2011/12	2.00%	146.12	120.00
2012/13	2.17%	149.29	120.00
2013/14	2.00%	152.28	TBD

ALTERNATIVES

1. **Approve and adopt the proposed resolution** approving the calculation of the Community Facilities District No. 1 maximum special tax rate for FY 2013/14. *This approval will allow collection of monies necessary to fund ongoing maintenance and administrative services in CFD No. 1.*

2. **Do not approve or adopt the proposed resolution** approving the calculation of the Community Facilities District No. 1 maximum special tax rate for FY 2013/14. *If the special tax is not authorized to be levied, then the existing fund balance will need to be utilized to pay for ongoing maintenance and administrative services in CFD No. 1 until such time that all available funds have been expended.*

FISCAL IMPACT

The special tax shall be levied on all properties within CFD No. 1 on the 2013/14 Riverside County property tax bills. **The special tax collected can only be used to cover costs associated with administration and maintenance of park facilities within the District and constructed after the formation of the CFD. Collection of the CFD No. 1 special tax reduces the burden to CSD Zone A for the maintenance of park facilities accepted since District formation.** Commercial and industrial properties are not affected by the levy of this special tax. The CSD Zone A tax of $87.50 per parcel/DU will continue to be collected to support maintenance of existing park facilities and community programs.

CITY COUNCIL GOALS

Revenue Diversification and Preservation

A special tax for CFD No. 1 is collected in accordance with the provisions outlined in the Mello-Roos Community Facilities Act of 1982 and provides funding for program costs, which include maintenance and administration.

SUMMARY

The CSD Board shall consider authorizing the City Treasurer to levy the special tax in accordance with the RMA to cover the FY 2013/14 special tax requirement for CFD No. 1.

RESOLUTION NO. CSD 2013-15

A RESOLUTION OF THE MORENO VALLEY COMMUNITY SERVICES DISTRICT OF THE CITY OF MORENO VALLEY, CALIFORNIA, APPROVING THE CALCULATION OF THE COMMUNITY FACILITIES DISTRICT NO. 1 MAXIMUM SPECIAL TAX RATE FOR FISCAL YEAR 2013/14

WHEREAS, the CITY COUNCIL for the CITY OF MORENO VALLEY, CALIFORNIA, acting in its capacity as the President and Members of the Board of Directors of the Moreno Valley Community Services District ("CSD Board"), did form Community Facilities District No. 1 ("CFD No. 1" or "District") pursuant to the terms and provisions of the Mello-Roos Community Facilities Act of 1982, Chapter 2.5, Part 1, Division 2, Title 5 of the Government Code of the State of California; and

WHEREAS, following approval by the qualified electors of the District, the CSD Board, acting as the legislative body, did introduce and adopt Ordinance No. CSD-40 (Urgency Ordinance) and CSD-41 (an Ordinance to authorize the levy of a special tax within CFD No. 1); and

WHEREAS, Ordinance No. CSD-41 authorizes the CSD Board, by resolution, to annually determine the special tax to be levied in the District; provided, however, the special tax to be levied shall not exceed the maximum special tax authorized to be levied pursuant to the rate and method of apportionment ("RMA"); and

WHEREAS, the CSD Board adopted Resolution No. CSD 2003-26 authorizing annexation of Territory in the future to CFD No. 1; and

WHEREAS, annexations to CFD No. 1 have been conducted by the Community Services District following formation of the District; and

WHEREAS, the County of Riverside requires the adoption of a resolution for submission with the annual special taxes for placement on the Riverside County property tax bills; and

WHEREAS, the maximum annual special tax for developed and undeveloped property has been established by the RMA at $115.00 per parcel/dwelling unit for fiscal year ("FY") 2003/04. Per the RMA, beginning in FY 2004/05 and for each subsequent FY, the maximum annual special tax shall be increased by the percentage increase in the Consumer Price Index (All Items) for Los Angeles-Riverside-Orange County, or by two percent (2%), whichever is greater; and

WHEREAS, the calculation of the special tax is in compliance with laws pertaining to the levy of the special taxes; and

WHEREAS, the special tax is levied without regard to property valuation; and

WHEREAS, the City has prepared and submitted the Preliminary Annual Special Tax Report ("Report") for FY 2013/14; and a copy of said Report is on file in the office of the City Treasurer and is incorporated herein by this reference as if fully set forth; and

WHEREAS, following the submission of the annual special taxes to Riverside County, the City shall prepare and file in the office of the City Treasurer the final Annual Report, which shall identify the final calculation of the applied annual special tax rate, in an amount not to exceed the maximum special tax.

NOW, THEREFORE, THE MORENO VALLEY COMMUNITY SERVICES DISTRICT OF THE CITY OF MORENO VALLEY, CALIFORNIA, DOES HEREBY RESOLVE AS FOLLOWS:

1. That the above recitals are all true and correct.

2. That the Report for FY 2013/14, as on file in the office of the City Treasurer, is hereby received and filed.

3. That this legislative body hereby authorizes the City Treasurer to levy the special tax in accordance with the RMA as required to cover the annual special tax requirement, up to the maximum special tax, for CFD No. 1 as set forth in the Report and hereby is levied during FY 2013/14 against the parcels within the District.

APPROVED AND ADOPTED this 25th day of June, 2013.

APPROVALS	
BUDGET OFFICER	
CITY ATTORNEY	
CITY MANAGER	

Report to City Council

TO: Mayor and City Council, acting in its capacity as President and Members of the Board of Directors of the Moreno Valley Community Services District (CSD)

FROM: Richard Teichert, Chief Financial Officer

AGENDA DATE: June 25, 2013

TITLE: AWARD OF AN INDEPENDENT CONTRACTOR AGREEMENT FOR PROJECT NO. E-2 (HIDDEN SPRINGS) MAINTENANCE OF PARKWAY, MEDIAN AND OPEN SPACE LANDSCAPING AND IRRIGATION

RECOMMENDED ACTION

Recommendations:

1. Approve the Agreement for Project No. E-2/13-14 (Hidden Springs) Maintenance of Parkway, Median and Open Space Landscaping and Irrigation with Mariposa Landscapes, Inc., 15529 Arrow Highway, Irwindale, CA 91706 for landscape maintenance services of the parkways, medians and paseos (open spaces).

2. Authorize the City Manager to execute the Agreement for Project No. E- 2/13-14 with Mariposa Landscapes, Inc.

3. Authorize the issuance of purchase orders for services beginning July 1, 2013 to Mariposa Landscapes, Inc. in the not–to-exceed (NTE) amount of $104,282.00 ($85,482.00 for base and $18,800.00 for additional work).

4. Authorize the City Manager to execute subsequent Extensions or Amendments to the Agreement, including the authority to authorize associated purchase orders (P.O.s) in accordance with the terms of the Agreement, subject to the approval of the City Attorney.

ADVISORY BOARD/COMMISSION RECOMMENDATION

N/A

BACKGROUND

The Moreno Valley Community Services District (CSD) furnishes parkway, median and open space landscape maintenance services to designated tracts and developments. Property owners pay a parcel charge as part of their annual property tax bill, which funds the cost of providing the service. Revenue from the parcel charges collected may only be used for landscape maintenance services for the zone in which they were collected. CSD landscape maintenance areas include:

> Zone D (landscape maintenance) services to non-specific plan tracts, which are provided at either a standard (DSG-1) or reduced (DSG-2) level of landscape maintenance services.
>
> Zone E (extensive landscape maintenance), provides landscape maintenance services at full (standard) or reduced service levels, for the parkways, medians, and landscaped open space areas of specific plan developments. Zone E areas include: E-1 (Towngate), E-1A (Renaissance Park), E-2 (Hidden Springs), E-3 (Moreno Valley Ranch-West), E-3A (Lasselle Powerline Parkway), E-4 (Moreno Valley Ranch-East), E-4A (Daybreak), E-7 (Centerpointe), E-8 (Promontory Park), E-12 (Stoneridge Ranch), E-14 (Mahogany Fields), E-15 (Celebration), and E-16 (Shadow Mountain).
>
> Zone M (Commercial, Industrial, and/or Multifamily Improved Median Maintenance), provides landscape maintenance of certain landscaped median areas citywide, and
>
> Zone S (Sunnymead Boulevard) provides median and parkway landscape maintenance to certain improvements along Sunnymead Boulevard.

Maintenance provided to the CSD landscaped areas is performed via contract services by professionally licensed and insured contractors that perform landscape or specialty maintenance services. The landscape maintenance scope of services is broken into either "base services" or "additional work services":

> "Base services" is the regular, routine landscape maintenance service and typically applies to medians and parkways. These services may include: mowing, edging and trimming of turf grass areas (if applicable), pruning and trimming of shrubs, bushes and ground coverings in planter areas, litter pick-up and removal within the parkway and/or median landscaped areas, fertilization of turf grass, shrubs/bushes and groundcovers, and pesticide applications. For open space areas (e.g. Hidden Springs paseo area), base services may include: irrigation monitoring, annual weed abatement, and vegetation clearance. The vegetation clearing is to maintain a 24 inch width of clearance of open space from abutting residential parcels. Typically, the cost for this service is a set monthly cost.

"Additional work services" includes, but is not necessarily limited to: additional labor and material costs for irrigation repairs, plant material replacement, fertilizer applications and if applicable, the addition of added square footage of landscaped areas. The cost for these services vary based upon needs determined throughout the term of the Agreement and is based on the unit prices for additional work as specified in the Agreement.

The frequency of the base services (i.e. standard service vs. reduced service) and level of additional work services depends upon the financial resources available within the budget of the specific zone. The CSD Board adopted service levels guidelines (most recently amended on April 26, 2011) for both Zones D and E defining the frequency of such services.

Landscape maintenance and landscape related specialty service agreements are awarded through a competitive Request for Proposal (RFP) process and entered into via an Independent Contractor Agreement. In accordance with the terms of the Agreement, annual extensions may be granted up to four times, based on services being sufficiently performed at or better than the specifications as outlined in the Agreement, with concurrence of both the CSD and Contractor, and contingent upon available program funding.

Zone E-2

In May 2011, the property owners within Zone E-2 did not support an increase in their parcel charge to support increasing costs to continue providing landscape maintenance at a standard service level. As a result, the base services were reduced for the landscape maintenance of the paseo area (maintenance of the parkways was retained at a standard service level) and additional work services were reduced (e.g. reduction in the number of replants) in order to balance the budget. The modified reduced service schedule became effective October 1, 2011. The current Agreement is no longer eligible for extensions and necessitated commencement of an RFP process.

DISCUSSION

An RFP soliciting proposals to provide landscape maintenance services to the Hidden Springs area (Zone E-2) was issued at the end of March 2013. In addition to the current level of service being provided (standard service to the parkways and once a year service to the paseos), proposers were requested to provide responses for different frequency levels of service. This strategy provides the CSD flexibility in adjusting service levels based on available funding without incurring additional costs of issuing another RFP.

The RFP was advertised in *The Press-Enterprise* on April 2, 2013, and April 6, 2013 and posted to the City's website. Representatives from seven landscape maintenance companies attended the mandatory pre-submittal meeting on April 9, 2013, at which time the scope of the project, information being requested in the RFP, and the proposal submittal and selection process were reviewed.

On May 8, 2013, six companies submitted proposals to the office of the City Clerk. A review of the proposals was conducted by the City's Senior Landscape Services Inspector, an Associate Engineer and a Senior Parks Maintenance Technician, all of whom have

experience with landscape maintenance and contract management. The review rating scores from each reviewer were collectively totaled, which identified Mariposa Landscapes, Inc. as the top ranked proposer based upon their overall understanding of the project and services to be performed, staffing levels, and cost. The costs as confirmed are their best and final offer for these services. In addition, the costs provided by Mariposa will allow for an increase in the frequency of services levels for the paseos from the once a year service that the area was transitioned to in October 2011 to a six times per year service level, while still coming in below the 2013/14 budgeted amount for this service. Further, Mariposa has demonstrated its work quality with its satisfactory performance during the original term and granted first extension of the agreement covering landscape maintenance of the CSD Zone D reduced service parkways and medians. Therefore, staff recommends awarding the contract for landscape maintenance within the Hidden Springs area (Zone E-2) to Mariposa Landscapes, Inc.

Authority for City Manager Approval of Future Extension Agreements for the Balance of Available Extensions to the Agreement

Pursuant to City Council Resolution No. 2008-115, the City Council/CSD shall provide approval of procurements greater than $100,000. Because the current Procurement Policy (Policy #3.18, Section V.B.3) allows the original agreement to be extended for four additional one-year terms, the total potential value of the Agreement is being taken into consideration when determining signature authority. The following table shows a cumulative overview of the costs for the Agreement as may be allowed per the terms of the Agreement.

Project No. E-2/13-14						
	FY 2012/13[1] Proposed Original Agreement	FY 2013/14 Potential First Extension[2]	FY 2013/14 Potential Second Extension[2]	FY 2014/15 Potential Third Extension[2]	FY 2015/16 Potential Fourth Extension[2]	Cumulative Total
Base	$ 85,482.00	$ 85,482.00	$ 85,482.00	$ 85,482.00	$ 85,482.00	$ 427,410.00
Additional Work	$ 18,800.00	$ 18,800.00	$ 18,800.00	$ 18,800.00	$ 18,800.00	$ 94,000.00
Total	$ 104,282.00	$104,282.00	$104,282.00	$ 104,282.00	$ 104,282.00	$ 521,410.00

[1]Amount for the maintenance of the landscaped parkways and medians at the standard service level and landscaped maintenance of the paseo area at the every-other month, 6 times a year, service level.

[2]Dollar amounts are based upon presently known information and may change in the future for reasons including, but not limited to adding additional service area (water quality basins) or emergency work.

Staff is requesting the CSD Board authorize the City Manager to approve the Agreement and any future extensions or amendments, as well as associated purchase orders (P.O.) for the Agreement and all future amendments/extensions available, in accordance with the terms of the Agreement and subject to the approval of the City Attorney. Such extensions and amendments shall only be entered into upon determination that sufficient funding appropriations and program approvals have been granted by the CSD Board and

demonstration by the Contractor of having provided satisfactory performance of the services, and both the CSD and the Contractor mutually agreeing to extend the Agreement.

ALTERNATIVES

1. Approve the Agreement for Project No. E-2/13-14 (Hidden Springs) Maintenance of Parkway, Median and Open Space Landscaping and Irrigation with Mariposa Landscapes, Inc., in the form attached hereto to provide for the continuation of landscape maintenance services of the parkways, medians and open areas of Zone E-2 (Hidden Springs); authorize the City Manager to execute said Agreement; authorize issuance of purchase orders for FY 2013/14 in the NTE amount of $104,282.00 ($85,482.00 for base services and $18,800.00 for additional work services); and authorize the City Manager to execute subsequent extensions or amendments to the Agreement including authorizing the associated P.O.s as may be required, in accordance with the terms of the Agreement, subject to the approval of the City Attorney. *By selecting this alternative the CSD Board will ensure uninterrupted maintenance of the parkways, medians, and open space landscaped areas in Zone E-2.*

2. Do not approve the Agreement for Project No. E-2/13-14 (Hidden Springs) Maintenance of Parkway, Median and Open Space Landscaping and Irrigation with Mariposa Landscapes, Inc., in the form attached hereto; nor authorize the City Manager to execute said Agreement; nor authorize issuance of purchase orders for FY 2013/14 in the NTE amount of $ 104,282.00 ($85,482.00 for base services and $18,800.00 for additional work services); and do not authorize the City Manager to execute subsequent extensions or amendments to the Agreement nor authorize associated P.O.s as may be required, in accordance with the terms of the Agreement. *By selecting this alternative, there will be an interruption in the maintenance of the parkways, medians and open space areas associated with Zone E-2 (Hidden Springs). This will cause landscaping to be deficient in receiving any level of landscape maintenance services and result in additional costs to obtain another contractor to provide these services with no guarantee that a more qualified contractor can be found at a better cost.*

FISCAL IMPACT

Administration and maintenance of Zone E-2 is funded through a property owner approved parcel charge, which is levied and collected on the property tax bills. Revenue from the parcel charges collected for Zone E-2 may only be used for landscape maintenance services associated with the parkways, medians and open spaces in Zone E-2. **The costs for these maintenance services have been budgeted for in the coming fiscal year and are below approved amounts**. **These actions will not impact the City's General Fund.**

The following table represents the base service and additional work service costs of the Agreement for FY 2013/14.

Service Area	Contractor	GL Account	2013/14 Base Agreement Amount	Additional Work Agreement Amount	2013/14 Total Agreement Amount
Zone E-2	Mariposa Landscapes, Inc.	5013-30-79-25708-620910	$ 85,482.00	$ 18,800.00	$ 104,282.00
		Total	$ 85,482.00	$ 18,800.00	$ 104,282.00

CITY COUNCIL GOALS

COMMUNITY IMAGE, NEIGHBORHOOD PRIDE AN CLEANLINESS
By accepting the proposal of Mariposa Landscapes, Inc., the CSD Board will continue to promote community image, as well as neighborhood pride and cleanliness, while ensuring that these public facilities are being properly maintained.

SUMMARY

The actions before the City Council are to approve the Agreement for Project No. E-2/13-14 (Hidden Springs) Maintenance of Parkway, Median and Open Space Landscaping and Irrigation, authorize the City Manager to execute the Agreement for Project No. E-2/13-14 with Mariposa Landscapes, Inc., authorize the issuance of purchase orders for service in the NTE amount of $104,282.00 ($85,482.00 for base services and $18,800.00 for additional work) and authorize the City Manager to execute subsequent extensions or amendments to the Agreement including authority to authorize the associated P.O.s in accordance with the terms of the Agreement, subject to the approval of the City Attorney.

INDEPENDENT CONTRACTOR AGREEMENT

RFP NO. 12/13-10
PROJECT NO. E-2 /13-14
HIDDEN SPRINGS (E-2)
MAINTENANCE OF PARKWAY MEDIAN AND OPEN SPACE
LANDSCAPING AND IRRIGATION

This Contract Agreement, effective as of the day signed by the City Manager (acting in the capacity of District Manager to the Moreno Valley Community Services District) or Mayor (acting in the capacity of President to the Moreno Valley Community Services District), is made between the Moreno Valley Community Services District, a Community Services District established pursuant to Section 61000 and following of the California Government Code, hereinafter referred to as the "District", and the following named independent contractor, hereinafter referred to as the "Contractor," based upon District policies and the following legal citations:

A. Government Code Section 53060 authorizes the engagement of persons to perform special services as independent contractors; and

B. The public interest, convenience, necessity and general welfare will be served by this Agreement.

1. CONTRACTOR INFORMATION:

Contractor's Name	Mariposa Landscapes, Inc.
Street Address	15529 Arrow Highway
Street Address	
City, State, Zip	Irwindale, CA 91706
Mailing Address	
(If same as Street Address,	Same as Above
write same or same as above)	
Business Phone (with area code)	(626) 960-0196
Cell or Mobile Phone (with area code)	
Other Contact Number (with area code)	(909)429-2546
Fax Number	(626) 960-8477
Email Address	
Social Security Number	
Business License Number	16607
Federal Tax ID Number	95-4245898
Contractor's License Number & Classification	592268 , Class C-27, A C61/D49

2. CONTRACTOR SERVICES, FEES, AND RELEVANT DATES:

A. The Contractor's scope of work, responsibilities, requirements, provisions, and

additional terms and conditions required to be performed by the Contractor the services of this RFP are described in Exhibit "A" attached hereto and incorporated herein by this reference.

B. The District's responsibilities, other than payment, are described in Exhibit "B" attached hereto and incorporated herein by this reference.

C. Payment terms are provided in Exhibit "C" attached hereto and incorporated herein by this reference.

D. The Contract Starting Date is July 1, 2013 and the Contract Ending Date is June 30, 2014. Any provisions for extending the term of the Contract for subsequent terms are provided in Exhibit "D" attached hereto and incorporated herein by this reference. The District acknowledges that it will consider Contractor's requests for extensions of time in which to complete the work required. The Contractor shall not be responsible for performance delays caused by others or delays beyond the Contractor's reasonable control (excluding delays caused by non-performance or unjustified delay by Contractor, his/her/its employees, or subcontractors), and such delays shall extend the time for performance of the work by the Contractor.

E. Contractor's Proposal, including but not limited to the Bid Schedule, Additional Work Price List, Contract Proposal, Proposed Project Work Schedules, Proposed Annual Material Schedule, Contractor Information, Certification of Non-Discrimination, and List of Subcontractors, are described in Exhibit "E" attached hereto and incorporated by this reference.

3. STANDARD TERMS AND CONDITIONS:

A. Control of Work. Except for compliance with service schedules, general and technical provisions (which may also be referred to herein as specifications) and performance standards as provided for in Exhibit "A," the Contractor is solely responsible for the content and sequence of the work, and will not be subject to control and direction as to the details and means for accomplishing the anticipated results of services. The District will not provide, nor be responsible to provide, any training to the Contractor or his/her/its employees.

B. Intent of Parties. Contractor is, and at all times shall be, an independent contractor and nothing contained herein shall be construed as making the Contractor or any individual whose compensation for services paid by the Contractor, an agent or employee of the District, or authorizing the Contractor to create or assume any obligation or liability for or on behalf of the District, or entitling the Contractor to any right, benefit, or privilege applicable to any officer or employee of the District.

C. Subcontracting. Contractor may retain or subcontract for the services of other necessary contractors with the prior written approval of the District. Payment for such services shall be the responsibility of the Contractor. Any and all subcontractors shall be subject to the terms and conditions of this Contract, with

the exception that the District shall have no obligation to pay for any subcontractor services rendered. Contractor shall be responsible for paying prevailing wages where required by law [See California Labor Code Sections 1770 through 1777.7].

D. Legal Considerations. The Contractor shall comply with applicable federal, state, and local laws in the performance of this Contract.

E. Contractor Indemnification. Contractor shall indemnify, defend and hold the City of Moreno Valley (City), the Moreno Valley Housing Authority (Housing Authority), and the Moreno Valley Community Services District (District), and the their officers, agents and employees harmless from any and all claims, damages, losses, causes of action and demands, including reasonable attorney's fees and costs, incurred in connection with or in any manner arising out of Contractor's performance of the work contemplated by this Contract. Acceptance of these terms by both parties constitutes a Contract and signifies that the Contractor is not covered under the City's general liability insurance, employee benefits, or worker's compensation. It further establishes that the Contractor shall be fully responsible for such coverage.

F. District Indemnification. The District agrees to indemnify, defend and save the Contractor and his/her/its officers, agents and employees harmless from any and all liability, claims, damages or injuries to any person, including injury to the City's, Housing Authority's and the District's employees and all claims which arise from or are connected with the negligent performance or failure to perform the services or other obligations of the District under this Contract, or are caused or claim to be caused by the negligent acts of the City, Housing Authority, and the District, their officers, agents or employees, or its subcontractor(s) or any person acting for the District or under its control or direction; provided, however, that this indemnification and hold harmless shall not include any claims arising from the sole negligence or willful misconduct of the Contractor, its officers, agent, employees, or subcontractors.

G. Insurance Requirements. Where determined applicable by the District, Contractor will comply with the following insurance requirements at its sole expense. Insurance companies shall be rated (A Minus: VII—Admitted) or better in Best's Insurance Rating Guide and shall be legally licensed and qualified to conduct business in the State of California:

☒ General Liability Insurance—to protect against loss from liability imposed by law for damages on account of bodily injury, including death, and/or property damage suffered or alleged to be suffered by any person or persons whomever, resulting directly or indirectly from any act or activities of the Contractor, subcontractor, or any person acting for the Contractor or under its control or direction. Such insurance shall be maintained in full force and effect throughout the terms of the Contract and any extension thereof in the minimum amounts provided below:

Bodily Injury	$1,000,000 per occurrence/ $2,000,000 aggregate
Property Damage	$1,000,000 per occurrence/ $2,000,000 aggregate

☐ Professional Errors and Omission Insurance—such coverage shall not be less than $1,000,000 per claim and aggregate.

☒ Worker's Compensation Insurance—in such amounts as will fully comply with the laws of the State of California and which shall indemnify, insure and provide legal defense for both the Contractor and the City, Housing Authority, and District against any loss, claim or damage arising from any injuries or occupational diseases happening to any worker employed by the Contractor in the course of carrying out the Agreement. This coverage may be waived if the Contractor is determined to be functioning as a sole proprietor and the city provided form "Exception to Worker's Compensation Coverage" is signed, notarized and attached to this Contract

☒ Liability and Property Damage Insurance coverage for owned and non-owned automotive equipment operated on City/RDA/District premises. Such coverage limits shall not be less than $1,000,000 combined single limit.

☐ Insurance requirements waived with Risk Manager's approval.
By: _____ Date: _____
(Risk Manager)

☐ Insurance requirements modified with Risk Manager's approval and attached hereto as Exhibit "F" and incorporated herein by this reference.

A Certificate of Insurance and appropriate additional insured endorsement evidencing the above applicable insurance coverage shall be submitted to the City's Risk Manager prior to the execution of this Contract. The Certificate of Insurance or an appropriate binder shall bear an endorsement containing the following provisions:

> Solely as respect to services done by or on behalf of the named insured for the Moreno Valley Community Services District, it is agreed that the City of Moreno Valley, the Moreno Valley Housing Authority, and the Moreno Valley Community Services District, their officers, employees and agents are included as additional insured under this policy and the coverage(s) provided shall be primary insurance and not contributing with any other insurance available to the City of Moreno Valley, the Moreno Valley Housing Authority, the Moreno Valley Community Services District, and, their officers, employees and agents, under any third party liability policy.

The terms of the insurance policy or policies issued to provide the above coverage shall neither be amended to reduce the required insurance limits and coverages nor shall such policies be canceled by the carrier without thirty (30) days prior written notice by certified or registered mail to the City of amendment or cancellation, except that cancellation for non-payment of premium shall require ten (10) days prior written notice by certified or registered mail. In the event the insurance is canceled, the Contractor shall, prior to the cancellation date, submit to the Risk Manager new evidence of insurance in the amounts established.

H. Intellectual Property. Any system or documents developed, produced or provided under this Contract, including any intellectual property discovered or developed by Contractor in the course of performing or otherwise as a result of its work, shall become the sole property of the District unless explicitly stated otherwise in this Contract. The Contractor may retain copies of any and all material, including drawings, documents, and specifications, produced by the Contractor in performance of this Contract. The District and the Contractor agree that to the extent permitted by law, until final approval by the District, all data shall be treated as confidential and will not be released to third parties without the prior written consent of both parties.

I. Entire of the Contract. This Contract constitutes the entire agreement between the parties. There are no understandings, agreements, or representations of warranties, expressed or implied, not specified in this Contract. This Contract applies only to the proposal attached. This Contract may be modified or amended only by a subsequent written Contract signed by both parties. Assignment of this Contract is prohibited without prior written consent.

J. Termination.

1. Either party may terminate this Contract upon breach of the Contract by the other party. In the event the District terminates the Contract, the Contractor shall perform no further services under the Contract unless the notice of termination authorizes such further work.

2. The District may terminate this Contract without fault on the part of the Contractor by giving at least ten (10) days written notice to the Contractor. The written notice shall specify the date of termination. Upon receipt of such notice, the Contractor may continue services on the project through the date of termination, provided that no service(s) shall be commenced or continued after receipt of the notice, which is not intended to protect the interest of the District. The District shall pay the Contractor within thirty (30) days after the date of termination for all non-objected to services performed by the Contractor in accordance herewith through the date of termination.

K. Payment. Payments to the Contractor, pursuant to this Contract will be reported to Federal and State taxing authorities as required. The District will not withhold any sums from compensation payable to Contractor, except as provided for in Exhibit "C". Contractor is independently responsible for the payment of all applicable taxes. Where the payment terms provide for compensation on a time and materials basis, the Contractor shall maintain adequate records to permit inspection and audit of the Contractor's time and materials charges under the Contract. Upon reasonable notice, such records must be made available to the District's agent; however, nothing herein shall convert such records into public records. Such records shall be retained by the Contractor for three (3) years following completion of the services under the Contract.

L. Restrictions on District / City Employees. The Contractor shall not employ any

District or City employee or official in the work performed pursuant to this Contract. No officer or employee of the District or City shall have any financial interest in this Contract in violation of federal, state, or local laws.

M. Choice of Law and Venue. The laws of the State of California shall govern the rights, obligations, duties, and liabilities of the parties to this Contract, and shall govern the interpretation of this Contract. Any legal proceeding arising from this Contract shall be brought in the appropriate court located in Riverside County, State of California.

N. Notices. All notices, requests, demands or other communications ("notice") under this Contract by any party shall be in writing, shall be properly addressed as set forth below (or to such other address as any party may later designate), and shall be sufficiently given on the date: (a) of service if served personally upon the person to whom notice is to be given, (b) receipt is confirmed with the addressee by telephone if a notice is sent by telex, telecopier, facsimile or other telecommunication facility, or (c) of receipt if a notice is sent by courier or by registered or certified mail, return receipt requested, postage prepaid:

INSTRUCTIONS FOR COMPLETING THIS FORM

Any acknowledgment completed in California must contain verbiage exactly as appears above in the notary section or a separate acknowledgment form must be property completed and attached to that document. The only exception is if a document is recorded outside of California. In such instances, any alternative acknowledgment verbiage as may be printed on such a document so long as the verbiage does not require the notary to do something that is illegal for a notary in California (i.e. certifying the authorized capacity of the signer). Please check the document carefully for proper notarial wording and attach this form if required.

- State and County information must be the State and County where the document signer(s) personally appeared before the notary public for acknowledgment.
- Date of notarization must be the date that the signer(s) personally appeared which must also be the same date the acknowledgment is completed.
- The notary public must print his or her name as it appears within his or her commission followed by a comma and then your title (notary public).
- Print the name(s) of document signer(s) who personally appear at the time of notarization.
- Indicate the correct singular or plural forms by crossing off incorrect forms (i.e. ~~he~~/she/~~they~~, is/~~are~~) or circling the correct forms. Failure to correctly indicate this information may lead to rejection of document recording.
- The notary seal impression must be clear and photographically reproducible. Impression must not cover text or lines. If seal impression smudges, re-seal if a sufficient area permits, otherwise complete a different acknowledgment form.
- Signature of the notary public must match the signature on file with the office of the county clerk.
  - ❖ Additional information is not required but could help to ensure this acknowledgment is not misused or attached to a different document.
  - ❖ Indicate title or type of attached document, number of pages and date.
  - ❖ Indicate the capacity claimed by the signer. If the claimed capacity is a corporate officer, indicate the title (i.e. CEO, CFO, Secretary).
  - ❖ Securely attach this document to the signed docum

KNOW ALL MEN AND WOMEN BY THESE PRESENTS:

THAT WHEREAS, the Board of Directors of the Moreno Valley Community Services District, State of California, known as "CSD," has awarded to _____, as Principal hereinafter designated as "Contractor" and CSD is about to entered into an Agreement whereby the Contractor agrees to maintain the Streetscape Landscaping and Irrigation, as outlined in said Agreement, effective on the date signed by the President of the CSD Board or the District Manager to the CSD Board, and identified as **PROJECT NO. E-2 /13-14**, is hereby referred to and made a part hereof; and

WHEREAS, said Contractor under the terms of said Agreement is required to furnish a bond guaranteeing the faithful performance of said Agreement;

NOW THEREFORE, we the undersigned Contractor and_____, as Surety, are held and firmly bound unto the Moreno Valley Community Services District, County of Riverside, in the penal sum of_____ dollars, ($_____), lawful money of the United States, to be paid to the said CSD or its certain attorney, its successors and assigns; for which payment, well and truly to be made, we bind ourselves, our heirs, executors and administrators, successors and assigns, jointly and severally liable (CCP 995.320 (a)(1)), firmly by these presents.

THE CONDITION OF THIS OBLIGATION IS SUCH, that if the above bound Contractor, his or her or its heirs, executors, administrators, successors or assigns, shall in all things stand to and abide by, and well and truly keep and perform the covenants, conditions and provisions in said Agreement and any alterations thereof made as therein provided, on his or her or their part, to be kept and performed at the time and in the manner therein specified, and in all respects according to their true intent and meaning, and shall indemnify and save harmless the City of Moreno Valley, its officers, agents and employees, as therein stipulated, then this obligation shall become null and void; otherwise it shall be and remain in full force and effect. In the event suit is brought upon this bond by the City and judgment is recovered, the Surety shall pay all costs incurred by the City in such suit, including a reasonable attorney fee to be fixed by the court.

The Surety hereby stipulates and agrees that no change, extension of time, alteration, or addition to the terms of the Agreement or to the work to be performed thereunder, or the Provisions accompanying the same shall in any way affect its obligations on this bond, and it does hereby waive notice of any such change, extension of time, alteration or addition to the terms of the Agreement or to the work or the Provisions.

EXHIBIT A

RFP NO. 12/13-10
PROJECT NO. E-2 /13-14
HIDDEN SPRINGS (E-2)
MAINTENANCE OF PARKWAY MEDIAN AND OPEN SPACE
LANDSCAPING AND IRRIGATION

1. GENERAL PROVISIONS - SCOPE OF WORK

A. The work to be performed under this Contract shall include the furnishing of all labor, material, and equipment necessary for the provision of landscape and appurtenant maintenance services within the boundaries of the various zones of the District as determined in the resolutions of the City Council (Community Services District Board) establishing said zones, and as said boundaries may have been heretofore or may be hereafter altered, and as more particularly shown on the Location Map or Maps attached at the end of this exhibit, Section 21, Project Location Map.

B. The Contractor shall have the duty to: mow, edge, trim, and fertilize turf, if applicable, groundcover, and shrub areas designated hereunder; regularly maintain and prune those portions of trees up to eighteen feet (18') in height; remove litter and debris from all sites as required under this Contract; provide general pest control services as requested, including but not limited to weeds, insects, and diseases; maintain irrigation systems; hand water and bleed valves as necessary during emergencies when automatic systems are not functioning.

C. All work shall be performed in accordance with usual and customary horticultural practices to achieve, and maintain healthy, viable landscapes. The Chief Financial Officer/City Treasurer of the City of Moreno Valley, or his/her delegated representative(s), hereinafter designated as "Director" will periodically inspect all the operations and approve or reject the work performed, and methods or materials used, and make changes in work scheduling.

D. The Contractor shall be responsible for carefully reviewing the site(s), and verifying the square footage noted for each location of proposed work is included in the Proposal. The Contractor shall not be relieved of his/her/its liability under this Contract, nor the District or City be held liable for any loss sustained by the Contractor as a result of any variance between conditions as referred to in the Technical Provisions, and the actual conditions revealed during the examination of the locations of the proposed work.

E. All work shall be performed in accordance with the General and Technical Provisions of this Contract and in accordance with an approved service schedule, as approved by the Director. Service schedules may be modified with 30 days advance written notice by the District.

2. GENERAL PROVISIONS - SCHEDULING OF WORK

A. The Contractor will adhere to the facilities, equipment and monthly and annual work schedules submitted as a part of the Contractor's RFP, and incorporated herein by this reference. These schedules, and any approved revisions thereto, will be used by the District as a basis for determining Contractor's satisfactory performance.

B. Revisions to facilities, equipment, or monthly and annual work schedules may not be implemented without the prior written approval of the Director. The Contractor is required to submit proposed revisions regarding facilities, equipment or monthly and annual work schedules in writing to the District at the address as set forth in the Independent Contractor Agreement, Section 3, paragraph N. at least ten (10) working days prior to commencing work per the proposed revisions.

C. Failure to submit proposed revisions concerning facilities, equipment, or work schedules by the time limits established hereinabove may result in the Contractor becoming liable to the District for non-performance penalties per Exhibit C, Section 4.

D. The above provisions shall not be construed to eliminate the Contractor's responsibility for complying with the requirement to notify the Director for Specialty type maintenance as set forth immediately hereinafter.

E. The Contractor shall notify the Director in writing at least five (5) working days prior to the date and time of all "Specialty" type maintenance operations. Specialty type maintenance operations includes, but is not limited to:

1. Fertilization;
2. Turf Aeration;
3. Application of pesticides by any method;
4. Other operations so designated by the Director.

Notification of "Specialty" maintenance operations shall include a brief description of intended method(s) of execution, materials to be used, and the dates for commencement and completion of said operations. Failure to complete "Specialty" operations by the indicated date may result in the assessment of non-performance penalties per Exhibit C, Section 4.

F. When inclement weather renders performance per the approved schedule unsafe, impractical, or liable to damage landscaping, the Contractor is required to adjust his work force in order to accomplish those work items not affected by weather, and will contact District field staff to inform them of said alternate work assignments. Failure to advise the District may be cause for assessment of non-performance penalties per Exhibit C, Section 4.

G. For the purposes of this Contract, "Working Days" are Mondays through Thursdays, excluding holidays as provided herein. The hours of on-site maintenance service will be from 7:00 a.m. to 4:30 p.m., not including mobilization to or from work site, on those days maintenance is to be provided pursuant to the work schedule as approved by the Director. Any work the Contractor proposes to perform outside of the days and hours set forth hereinabove, as well as on legal City holidays, shall not be undertaken without the prior written approval of the Director.

The following days have been designated as holidays by the City:

New Year's Day	January 1
Martin Luther King Jr. Day	3rd Monday in January
President's Day	3rd Monday in February
Memorial Day	Last Monday in May
Independence Day	July 4
Labor Day	1st Monday in September
Veteran's Day	November 11
Thanksgiving Day	4th Thursday in November
Day after Thanksgiving	4th Friday in November
Christmas Eve	December 24
Christmas Day	December 25

If a holiday falls upon a Sunday, the following Monday shall be the day the holiday is observed. If a holiday falls upon a Saturday, the preceding Friday shall be the day the holiday is observed. If a scheduled maintenance service day falls on a designated holiday, the Contractor shall submit a proposed make-up day for the Director's approval.

3. GENERAL PROVISIONS - FUNCTIONS AND RESPONSIBILITIES

A. The Director and Contractor shall conduct an inspection of all sites covered under this Contract as soon as practicable after its execution, and prior to commencement of Contractor's operations. Following said inspection, the Contractor shall submit to the Director a written affidavit certifying the actual condition of the site(s) relative to District Specifications, including but not limited to the nature and extent of any deficiencies noted by the Contractor, and acknowledged by the Director. The Contractor is hereby advised that this affidavit shall serve as the benchmark for the Director's evaluation of Contractor's performance under this Contract. Failure to maintain site(s) up to this established standard may result in the District deducting payment of all or part of the Contractor's compensation, as further described in Exhibit C., Section 3.

B. The Contractor shall on an ongoing basis maintain a monthly log that records all work performed by the Contractor. Said log shall be in a form and content acceptable to the Director (see Exhibit G, Monthly Landscape Services Report Form), and shall be submitted to the Director by the tenth day of each month, one (1) month in arrears.

C. The monthly payment for the work so reported will not be authorized until such report (Monthly Report) is received, and approved by the Director.

D. The Director may require the Contractor to attend meetings with the District field staff at some fixed interval to review the Contractor's operations, and schedule future work as may be ordered by the Director. Failure to attend regularly scheduled meetings may result in the assessment of non-performance penalties per Exhibit C., Section 4.

E. The Contractor shall maintain an office at some fixed place, and be listed in the telephone directory in Contractor's own name or in the Contractor's company name. Contractor shall at all times employ some responsible person(s) to receive phone calls and take the necessary action regarding all inquiries, complaints, and/or emergency calls that may be received from the Director or other authorized individuals or agencies as listed in Exhibit A, Section 3., paragraph ~~E~~ F. below. This person(s) shall be reachable twenty-four (24) hours per day, seven (7) days a week. During normal working hours, the Contractor's Supervisor or employee designated as being responsible for providing maintenance services to the District shall be directly available for immediate notification through some type of reliable electronic means, including but not limited to, mobile or cellular phone. The Contractor or Contractor's designated employee shall confirm said notification within one (1) hour of receipt. An answering service will be considered an acceptable substitute for coverage <u>only</u> during periods outside of normal working hours, provided Contractor is advised of emergency calls within one (1) hour of receipt of the call by the answering service and within twenty-four (24) hours after receipt of non-emergency calls by the answering service. The above provision for Contractor's communication with the District is the <u>minimum</u> acceptable standard under this Contract. Failure to regularly provide said communication capability may result in the Contractor being assessed non-performance penalties, per Exhibit C., Section 4.

F. The Contractor shall respond to an emergency call from any of the parties listed below no later than two (2) hours following first notification by telephone, written email, written mailed correspondence or facsimile transmission. In situations involving emergency repair work after normal working hours, the Contractor shall dispatch qualified personnel, and equipment to reach the site within two (2) hours of first notification. An emergency may be called by the following individuals or agencies at **<u>any</u>** time:

1. City Manager
2. Chief Fin. Officer/City Treasurer
3. Police Department
4. Fire Department
5. Special Districts Division Manager
6. Street Maintenance Supervisor
7. Senior Landscape Services Inspector
8. Landscape Services Inspector
9. Landscape Irrigation Technician

Contractor's emergency response and any necessary corrective work shall be considered Additional Work as defined in Exhibit C., Section 2, unless said emergency is determined to have been caused by an act or omission attributable to the Contractor.

4. GENERAL PROVISIONS - CONTRACTOR'S STAFF

A. The Contractor shall provide sufficient personnel to perform all work in accordance with the Specifications set forth herein. All of the Contractor's maintenance personnel shall be supervised at the work site(s) by a qualified Supervisor in the employ of the Contractor. Work Site Supervisors must be able to demonstrate to the satisfaction of the Director that they possess adequate technical background, and communication skills to perform the intended services. Adequate and competent supervision shall be provided for all work done by the Contractor's employees to ensure accomplishment of high quality work, which will be acceptable to the Director. Any order or communication given to the Work Site Supervisor shall be deemed to have been delivered to the Contractor.

B. The Contractor and his employees and subcontractors, if any, shall conduct themselves in a proper, professional, and efficient manner at all times, and shall cause the least possible inconvenience to the public.

C. The Director may require the Contractor to remove from the work site any employee(s) deemed careless, incompetent, or otherwise objectionable, whose continued employment on the job is considered to be contrary to the best interests of the District.

D. The Contractor shall require each employee performing work under the Contract to adhere to basic public works standards of working attire, including but not limited to wearing of proper clothing, proper shoes, and other gear required by applicable Safety Regulations and/or fertilizer/pesticide label requirements.

   Shirts shall be worn at all times, and shall be buttoned. Approved safety vests shall be worn by Contractor's employees when working on parkway medians, monuments, parkways, and other high traffic-hazard areas as determined by the Director. Failure to comply with the above requirements may make the Contractor liable for assessment of non-performance penalties, per Exhibit C., Section 4.

E. The Contractor shall establish an identification system for Contractor's personnel which clearly indicates to the public the name of the Contractor. The identification system shall be furnished at the Contractor's expense and may include appropriate attire, and/or name badges as specified by the Director.

5. GENERAL PROVISIONS - EMPLOYMENT OF APPRENTICES

The provisions of Sections 1777.5, 1777.6, and 1777.7 of the California Labor Code regarding the employment of properly registered apprentices may apply to this Contract if the Contractor, or any subcontractors thereunder, employs workers in any apprenticeable craft or trade. It is the Contractor's sole responsibility to comply with the Labor Code sections cited above. Information relative to apprenticeship standards, wage schedules, and other requirements may be obtained from the California Department of Industrial Relations.

6. GENERAL PROVISIONS - COMPLAINTS

A. All complaints shall be responded to as soon as possible after notification, but in all cases within twenty-four (24) hours, to the satisfaction of the Director. If any complaint is not satisfactorily responded to within twenty-four (24) hours, the Director shall be notified immediately of the reason for not remedying the complaint followed by a written report to the Director within five (5) working days. If the complaints are not remedied within the time specified, and to the satisfaction of the Director, the Director may correct the specific complaint by using an alternative source. The total cost incurred by the District to effect necessary remedies will be deducted from the payments owing to the Contractor from the District, per Exhibit C., Section 3.

B. The Contractor shall maintain a written log of all complaints, the date and time thereof, and the action taken pursuant thereto, or the reason for non-action. Said log shall be submitted to the Director monthly as set forth in Section 3, paragraph B.

C. In addition to the provisions of Section 6., paragraph A. in the event of a failure by the Contractor to satisfactorily remedy a complaint in a timely manner or for any other breach of this Contract by Contractor, the District may immediately upon written notice to the Contractor terminate this Contract.

7. GENERAL PROVISIONS - SAFETY

A. The Contractor agrees to perform all work as outlined in the Provisions listed herein in such a manner as to meet all accepted standards for safe practices and to safely maintain equipment, machines, and materials, and prescribe and employ all precautions and safety procedures related to other hazards consequential to the work; and accepts additionally the sole responsibility for complying with all local, State, Federal and other legal requirements including but not limited to, full compliance with the terms of any and all applicable OSHA and Cal/OSHA Safety Orders at all times so as to protect all persons, including Contractor's employees and subcontractors, agents of the District, City, materialmen, vendors, members of the public and others from foreseeable injury, or damage to their property.

B. The Contractor's operations shall be conducted in such a manner as to cause the least possible obstruction, and inconvenience to public traffic. The Contractor shall furnish, erect and maintain such fences, barriers, lights and warning signs as may be deemed necessary by the Director, or any duly constituted public safety official.

   Contractor's work area traffic control, including but not limited to type and placement of signs, barricades, and delineators, shall be in accordance with the "Manual of Uniform Traffic Control Devices, 2009 (or most current revised version) California Supplement".

   Contractor's work should not encroach into open lanes of traffic between the hours of 7:00 a.m. and 8:30 a.m., or between the hours of 3:30 p.m. and 6:00 p.m.

C. The Contractor shall maintain all work sites free of hazards to persons or property resulting from Contractor's operations. The Contractor shall inspect for all potential hazards at said areas under maintenance, and keep a log indicating date inspected, and action taken. Said log shall be submitted to the Director monthly as set forth in Section 3, paragraph B. above. Any hazardous condition noted by the Contractor, which is not a result of Contractor's operations, shall be immediately reported to the Director.

D. The Contractor shall be responsible for making minor corrections, including but not limited to, filling holes in turf areas, replacing valve box covers, and repairing irrigation systems, so as to protect members of the public or others from injury.

   The Contractor shall cooperate fully with the District or City in the investigation of any accidental injury or death occurring on the site, including a complete written report thereof to the Director within five (5) working days following the occurrence.

E. Failure to comply with the provisions of this section of Exhibit A may result in: payment deduction per Exhibit C, Section 3 of the Contract, or assessment of non-performance penalties per Exhibit C., Section 4. Repeated failure to comply with the provisions of this section may result in contract termination, per Exhibit A, Section 3, paragraph J of the Contract Agreement.

8. USE OF CHEMICALS

A. Before the beginning of the Contract period, the Contractor is required to submit a list, which shall include the exact Brand Name, Label, and Material Safety and Data Sheet (MSDS) of all chemicals proposed for use under this Contract, including but not limited to fertilizers and pesticides, for approval by the Director. Where applicable, materials included on this list shall be chemicals as approved by the State of California Department of Food and Agriculture.

B. Director shall be notified in writing of any changes or deviations from the above list. Use or application of said materials shall not be made prior to approval by the Director. Failure to comply with this requirement may result in the assessment of non-performance penalties, per Exhibit C., Section 4.

C. Chemical applications, including but not limited to fertilizers and pesticides, shall be made in strict compliance with the label directions, restrictions, and precautions as well as with any other requirements deemed necessary by any county, state, or federal regulatory agency, or the Financial & Management Services Department of the City of Moreno Valley.

D. Contractor shall report all fertilizers and pesticides used in the performance of the work as an element of Contractor's Monthly Report, as set forth in Exhibit A, Section 3, paragraph B. This report shall include: the date, time of day, location, type of material, method of application, and environmental data.

9. NATIONAL POLLUTANT DISCHARGE ELIMINATION SYSTEM (NPDES) PERMIT - REQUIRED URBAN RUNOFF MANAGEMENT TRAINING

The Contractor shall provide National Pollutant Discharge Elimination System (NPDES) Permit training for Urban Runoff Management to Contractor's employees and subcontractors if any. Failure to provide Urban Runoff Management training is a violation of Order No. R8-2002-0011, NPDES No. CAS 618033 (Municipal Separate Storm Sewer System NPDES Permit), Section XI.I, for each day of which such failure occurs, and shall in addition, be a breach of the Contract with the City of Moreno Valley (City) and/or the City of Moreno Valley Community Services District (District). Contractor understands and agrees that NPDES Permit violations are grounds for enforcement action by the Environmental Protection Agency, the State/Regional Water Resources Control Board, and the City and may result in permit termination (stop work order), civil and criminal fines, and termination of Contract. By submitting a proposal, the Contractor certifies to the City and District that Contractor's employees and subcontractors, if any, have been trained for Urban Runoff Management, and sufficient sums are included in the proposal's amount to cover costs of such said training.

10. LICENSES AND PERMITS

The Contractor shall, without additional expense to the District or City, possess all licenses and permits, including but not limited to a valid City Business License, required for the performance of the work under this Contract.

11. PREVAILING WAGE

A. Pursuant to provision of Section 1773 of the Labor Code of the State of California, the Moreno Valley Community Services District has obtained the general prevailing rate of per diem wages applicable for the work to be done, including but not limited to: straight time, overtime and holiday work; travel and subsistence payments;

employee payments of health and welfare, vacation, pension, and similar purposes. Said rate and scale are on file with the Financial & Management Services Department of the City of Moreno Valley, and copies will be made available to any interested party on request. These rates shall be the minimum wage rates for this project. Throughout the term of this Contract, the Contractor will be required to post a copy of said rate, and scale as required by the Labor Code.

B. Pursuant to provisions of Section 1775 of the Labor Code, the Contractor shall forfeit as penalty to the Moreno Valley Community Services District, not more than fifty dollars ($50.00) for each laborer, workman, or mechanic employed for each calendar day or portion thereof, if such laborer, workman, or mechanic is paid less than the general prevailing rate of wages hereinabove stipulated for any work done under the attached contract, by the Contractor or by any subcontractor under Contractor's direction and control, in violation of the provisions of said Labor Code.

12. PAYROLL RECORDS

A. The Contractor, and any subcontractor thereunder, shall keep complete and accurate payroll records for each workman employed by Contractor/subcontractor in connection with this Contract, as required by California Labor Code Section 1776.

B. The Contractor, and any subcontractor thereunder, shall make available to the District upon its request certified payroll records for each workman employed in connection with this contract as required by California Labor Code Section 1776.

C. The District may withhold from Contractor's progress payments the penal sum of twenty-five dollars ($25.00) per calendar day (or portion thereof) for each worker employed in connection with this Contract should Contractor, or any subcontractors thereunder, fail to strictly comply with California Labor Code 1776 after receiving written notice of non-compliance.

13. BONDS

Pursuant to Section 3247 of the Civil Code, the Contractor hereby agrees to provide and maintain in full force and effect for the duration of this Contract, two (2) good, and sufficient surety bonds, to wit:

A. A "Faithful Performance Bond" in the amount of one hundred percent (100%) of the contract price, which shall guarantee the faithful performance of all work, and;

B. A "Materials and Labor Bond" in the amount of one hundred percent (100%) of the contract price, which shall secure the payment of the claims of labor, mechanics or materialmen for all work performed hereunder.

14. SUBSTITUTION OF SECURITIES

Pursuant to California Public Contract Code Section 22300, the Contractor will be permitted the substitution of securities for any monies withheld by the Moreno Valley Community Services District to ensure performance under Contract. At the request and expense of the Contractor, securities equivalent to the amount withheld shall be deposited with the Moreno Valley Community Services District, or with a state or federally chartered bank as the escrow agent, who shall pay such monies to the Contractor. Securities eligible for substitution under this section shall include those listed in Section 16430 of the Government Code, bank or savings and loan certificates of deposit, interest-bearing demand deposit accounts, and standby letters of credit. The Contractor shall be the beneficial owner of any securities substituted for monies withheld, and shall receive any dividends or interest thereon. The Contractor shall give the District written notice within thirty (30) days after the Contract is awarded that it desires to substitute securities for money that would ordinarily be withheld. If the substituted securities are deposited into an escrow, the escrow shall be governed by a written escrow agreement in a form which is substantially similar to the agreement set forth in Section 22300 of the Public Contract Code.

15. CONTRACTOR'S LIABILITY

The Contractor shall be responsible for all damages to people and/or property that occur as a result of the fault or negligence attributable to Contractor in connection with the performance under this Contract. Any and all restitution or repairs deemed necessary by the Director to remedy such damages shall be furnished and performed at the Contractor's sole expense, and shall be completed within the time limits established by the Director.

16. CONTRACTORS LICENSE

Contractors are required by law to be licensed, and regulated by the Contractors' State License Board. Contractor will comply with all applicable licensing laws, and regulations. Any questions concerning a Contractor may be referred to the Registrar, Contractors' State License Board, 9821 Business Park Driver, Sacramento, CA 95827. Mailing address: P.O. Box 26000, Sacramento, CA 95826.

17. TECHNICAL PROVISIONS

A. TURF CARE (IF APPLICABLE)

1. All turf areas shall be mowed, edged, and trimmed per the Frequency of Service Table, as set forth in Exhibit E. Should weather and/or site conditions preclude the normally scheduled frequency of this service during any month, or portion thereof, the maintenance schedule shall be modified at the discretion and approval of the Director.

2. At the discretion of the Director, turf areas may be mowed with mulching-type mowers of a type acceptable to the District.

3. All mowing and edging equipment shall: be in proper working order; have blades properly sharpened, balanced, and aligned; be thoroughly cleaned of all excess clippings, soil, and debris prior to move-in at each site.

4. All clippings, soil, and debris generated by mowing and edging operations shall be immediately collected, removed from the site, and disposed of in a legal manner. For the purposes of this Specification the term "site" shall include, but is not limited to, appurtenant hardscaping, sidewalks, curbs and gutters.

5. Machines operating on turf known to have a disease, fungus, or insect infestation shall be sterilized with a ten percent (10%) chlorine bleach, and water solution prior to move-in to any other site.

6. Mowing height for cool season grasses shall not exceed three inches (3") maximum, or two inches (2") minimum, and shall be adjusted within these parameters on a seasonal basis.

7. Mowing height for warm season grasses shall not exceed one and one-half inches (1½") maximum, or three-quarters of an inch (¾") minimum, and shall be adjusted within these parameters on a seasonal basis.

8. All turf borders shall be cut with a vertical blade edger. Use of string trimmers to perform this task is not acceptable.

9. Trimming around turf appurtenances (i.e., valve and meter boxes, backflow devices and controller enclosures, sprinklers) may be accomplished through the use of string trimmers.

10. Whenever trees occur in turf areas, a six inch (6") ring of grass shall be removed from around the trunks in order to protect the crowns from mechanical damage. These rings shall be maintained in a clean, weed free condition.

11. Thin areas in turf shall be resodded or reseeded as necessary to prevent invasion of weeds.

12. Fertilization: See Technical Provisions - Fertilization, Section 18.

13. Pest control: See Technical Provisions - Pesticide Use, Section 19.

14. Aeration:

    (a) All turf areas shall be aerated per the Frequency of Service Table, as set forth in Exhibit E, unless otherwise directed by the Director;

(b) Aeration equipment shall be of the hollow tine type. The tines shall have a minimum diameter of one-half inch (½"), and a penetration depth of at least two inches (2"). There shall be no more than six inches (6") between tines;

(c) Areas to be treated shall be adequately irrigated prior to treatment to allow maximum tine penetration;

(d) Any soil cores remaining on the turf surface two (2) weeks after treatment must be removed;

(e) Humus base fertilizer is to be applied directly following spring and fall aeration operations. See Technical Provisions – Fertilization, Section 18.

15. Renovation/thatching and additional areation operations are to be considered Additional Work, per Exhibit C., Section 2.

16. Failure to adhere to the Technical Provisions of this section may result in the assessment of non-performance penalties per Exhibit C., Section 4.

B. TREE CARE

1. All trees are to be maintained in a manner that will promote normal, healthy growth.

2. For the purposes of these Specifications, trimming, pruning, and pest control operations for those portions of trees in excess of eighteen feet (18') in height is to be considered Additional Work, per Exhibit C., Section 2.

3. Whenever site conditions permit, trees are to be allowed to grow to assume their full, natural shape, with the minimum constraints necessary to assure public safety and tree survival. All tree pruning shall be done in conformance with **ANSI 300-2001**, (or most current revision); safety requirements shall be per **ANSI Z133-1994** (or most current revision) standards.

4. Trees shall be pruned at any time in order to:

(a) Remove dead, diseased, or damaged branches;

(b) Remove unwanted encroachments into public and/or utility rights-of-way;

(c) Correct any condition which the Director has deemed to be hazardous.

5. Portions of trees up to eighteen feet (18') in height shall:

   (a) Be pruned to enable successful adaptation to their particular site situation;

   (b) Have no more than one-third (1/3) of living branches removed annually;

   (c) Be fertilized only as directed by District field staff.

6. Portions of trees over eighteen feet (18') in height shall:

   (a) Be inspected annually;

   (b) Pruned and/or trimmed as necessary to maintain proper site orientation;

   (c) Pruned and/or trimmed as necessary to remove unwanted encroachments into public, and/or utility rights-of-way;

   (d) Pruned and/or trimmed as necessary to correct any condition which the Director has deemed to be hazardous.

7. Pruning tools shall:

   (a) Be kept properly sharpened, and in proper working order;

   (b) Be sterilized with five percent (5%) chlorine bleach and water solution before commencing work, and between cuts on any tree known to be diseased.

8. The following practices shall <u>not</u> be allowed:

   (a) internodal cuts of any kind (a.k.a. "stubbing", "shearing", "tipping", "topping");

   (b) Cuts made flush with trunk or branch. The integrity of branch collars is to be maintained at all times;

   (c) Use of pruning paint/pruning compound/wound dressing;

   (d) Use of climbing spurs or gaffs.

9. All prunings/trimmings and debris generated by pruning operations shall be immediately removed from the site, and disposed of in a legal manner.

10. Trees shall be staked/guyed in a manner, and with materials that are acceptable to the Director. Double staking with two (2) lodge pole-type stakes is the minimum District standard.

11. Tree stakes, tree ties, and guy wires shall be inspected regularly to ensure against girdling and abrasion, and removed as soon as possible after tree establishment, and site conditions allow.

12. Pest control: See Technical Provisions – Pesticide Use, Section 19.

13. Failure to adhere to the Technical Provisions of this section may result in the assessment of non-performance penalties per Exhibit C., Section 4.

C. SHRUB CARE

1. All shrubs are to be maintained in a manner that will promote normal, healthy growth.

2. For the purposes of these Specifications, shrubs are defined as any multi-stemmed/low branching woody plants whose height at maturity is not less than one foot (1'), or greater than ten feet (10').

3. Whenever site conditions permit, shrubs are to be allowed to grow to assume their full, natural shape, with the minimum constraints necessary to assure public safety and plant survival.

4. Shrubs shall be pruned and/or trimmed per the Frequency of Service Table, as set forth in Exhibit E, unless otherwise directed by the Director, in order to:

   (a) Remove dead, diseased, or damaged branches;

   (b) Remove unwanted encroachments into public and/or utility rights-of-way;

   (c) Correct any condition which the Director has deemed to be hazardous.

5. Shrubs shall be pruned in a manner that will:

   (a) Enable successful adaptation to their particular site situation;

   (b) Follow the maturation of the leaves/needles of the first seasonal growth flush, unless accepted practices for a particular species (i.e. roses) dictate otherwise;

6. Pruning tools must:

   (a) Be kept properly sharpened, and in proper working order;

   (b) Be sterilized with a five percent (5%) chlorine bleach and water solution before commencing work, and between cuts on any shrub known to be diseased.

7. The following practices are not allowed:

   (a) Internodal cuts (a.k.a. "stubbing", "tipping", "topping"). Shearing (a.k.a. "boxing", "hedging", "balling", "poodling") will be done only when authorized by the Director on a site-specific basis.

   (b) Cuts made flush with trunk or branch. The integrity of branch collars is to be maintained at all times.

   (c) Use of pruning paint/pruning compound/wound dressing.

8. Fertilization: See Technical Provisions - Fertilization, Section 18.

9. Pest control: See Technical Provisions –Pesticide Use, Section 19.

10. Failure to adhere to the Technical Provisions of this section may result in the assessment of non-performance penalties per Exhibit C., Section 4.

D. GROUND COVER CARE

1. All ground covers are to be maintained in a manner that will promote normal, healthy growth.

2. For the purposes of these Technical Provisions, ground covers are defined as mass plantings of same-species, multi-stemmed plants with a trailing growth habit, whose height at maturity does not exceed ± one foot (1').

3. Ground covers shall be pruned/trimmed per the Frequency of Service Table, as set forth in Exhibit E , unless otherwise directed by the Director in order to:

   (a) Remove dead, diseased, or damaged branches/crowns;

   (b) Remove unwanted encroachments into or upon public and/or utility rights-of-way, as well as other landscape components (i.e., shrubs, trees, turf areas, irrigation equipment, walls, and monuments);

   (c) Correct any condition which the Director has deemed to be hazardous.

4. Ground covers shall be pruned/trimmed/renovated:

   (a) To enable successful adaptation to their particular site situation;

   (b) In accordance with accepted practices for the particular species in question;

5. Pruning tools shall:

   (a) Be kept properly sharpened, and in proper working order;

   (b) Be sterilized with a five percent (5%) chlorine bleach, and water solution before commencing operations at any site.

6. String trimmers shall not be used for any of the above described operations unless authorized by the Director on a site-specific, task-specific basis.

7. Fertilization: See Technical Provisions - Fertilization, Section 18.

8. Pest control: See Technical Provisions –Pesticide Use, Section 19.

9. Failure to adhere to the Technical Provisions of this section may result in the assessment of non-performance penalties per Exhibit C., Section 4.

E. WEED CONTROL

1. For the purposes of these Specifications, weeds are defined as any plant species whose presence on a site is detrimental to: the appearance of the site, as determined by the Director, and; the normal, healthy growth of the plant materials intended for that site. Any plants which, in the opinion of the Director, constitute a public health or safety hazard shall also be defined as weeds.

2. Weed control shall be addressed per the Frequency of Service Table, as set forth in Exhibit E, unless otherwise directed by the Director.

3. Chemical weed control: See Technical Provisions – Pesticide Use, Section 19.

4. Site areas subject to weed control per these Specifications include, but are not limited to: turf areas, tree wells, shrub, planter, and ground cover beds; hardscape areas, including, but not limited to curbs, gutters, and sidewalks; and non-landscaped portions of sites, as determined by the Director.

5. Debris generated by manual and/or mechanical weed control operations shall be immediately removed from the site, and disposed of in a legal manner.

6. Failure to adhere to the specifications of this section of the Technical Provisions may result in the assessment of non-performance penalties per Exhibit C., Section 4.

F. IRRIGATION

1. Water shall be delivered by means of automatic or manually operated sprinkler systems, quick couplers, hose bibbs, or water tank, as specific site and/or weather conditions require.

2. It shall be the Contractor's duty to maintain all District irrigation systems in a manner that assures their full working capability at all times. Said maintenance shall include, but not be limited to: visual and operational inspections; cleaning/adjusting sprinkler nozzles; flushing of lines; trimming around sprinklers to assure proper coverage; routine repairs; and other tasks as assigned by District field staff.

3. For the purposes of this section, routine irrigation repairs are defined as repair and/or replacement of existing sprinklers or sprinkler components and/or non-pressurized pipe and/or fittings ("lateral lines") that have been rendered inoperable due to: 1) normal operation ("wear and tear"), and; 2) vandalism, theft, and acts or omissions by third parties.

4. All repairs to, and/or replacement of, irrigation system control components (i.e., backflow prevention assemblies, controllers and control wires, manual and remote control valves) and pressurized pipe and fittings ("mainlines") rendered inoperable due to circumstances other than Contractor's operations, shall be considered Additional Work, per Exhibit C., Section 2.

5. The Contractor shall furnish, at no cost to the District, a remote valve actuating device that is compatible with the make, and model installed at the site(s). This device shall be used by Contractor's personnel while conducting operational irrigation system inspections, and/or repairs.

6. Automatic irrigation systems shall:

   (a) Be inspected for, and repaired as necessary to, ensure proper operation and coverage;

   (b) Be turned off during periods of rainfall, or as directed by District field staff;

   (c) Have controller and backflow preventer enclosures, utility vaults and/or pedestals, and valve boxes properly secured at all times.

7. Manually operated irrigation systems shall:

   (a) Be operated only when Contractor's personnel are present on site;

   (b) Be inspected for, and repaired as necessary to, ensure proper operation and coverage not less than at each time of operation;

(c) Have any and/or all enclosures, vaults, and valve boxes properly secured at all times.

8. Parts/components used to effect irrigation system repairs shall be of the same manufacture as those originally installed unless otherwise approved by the Director prior to repair operations.

9. Failure to adhere to the Technical Provisions of this section may result in the assessment of non-performance penalties, per Exhibit C., Section 4.

G. DEBRIS/LITTER

1. Debris/litter control shall be provided per the Frequency of Service Table, as set forth in Exhibit E, unless otherwise stated herein this Section and/or as directed by the Director.

2. The Contractor shall remove immediately after pruning, trimming, weeding, edging or other work required under this Agreement, all debris generated by his or her performance of the work.

3. Contractor shall remove from both planted areas and adjacent hardscapes/walkways the following items, which include but are not limited to: bottles, cans, paper/plastic, cardboard, dog litter, tumbleweeds/windblown plant litter, automobile tires, or metallic items. Sites that are, in the opinion of the Director, exceptionally littered shall be cleared by the Contractor before the close of business the working day following notification of this condition.

4. All hardscape areas that include, but are not limited to sidewalks, curbs, and gutters shall be maintained in a hazard-free condition.

5. The Contractor shall dispose of all debris and litter, as described in paragraphs 1 and 2 above, off-site, and in a legal manner.

6. The Contractor shall notify the Director immediately whenever suspicious and/or hazardous waste materials are discovered within service area sites. Such materials may include, but are not limited to: discarded motor oil, or other petroleum-based liquids; paint; chemical compounds, pesticides, both liquid and dry; any unknown liquid or dry material in an unmarked container; household appliances; household electronic devices such as, televisions, computers and computer monitors; firearms, ammunition or other appliances. Any such articles shall not be touched, handled, or in any way disturbed or moved from the location where they were discovered. Contractor's staff shall secure the area against entry by any third party until District staff arrives at the site.

7. Failure to adhere to the specifications of this section of the Technical Provisions may result in the assessment of non-performance penalties, per Exhibit C., Section 4.

H. GREENWASTE RECYCLING

1. The Public Resources Code (PRC), Division 30, Sections 41000 through 41780 requires that the City of Moreno Valley divert from landfills fifty percent (50%) of the solid waste, including greenwaste, generated within its jurisdiction.

2. For the purposes of this contract, materials defined as "greenwaste" shall include all plant parts (i.e., trimmings, prunings, grass clippings, etc.) removed from contract sites by the Contractor, or any subcontractors thereunder, in the performance of contract's Scope of Work.

3. Contractor, or any subcontractor thereunder, shall deposit all greenwaste generated in the course of the performing the contract's Scope of Work services at a landscape material recycling center, or reuse said greenwaste in some manner. Contractor, or any subcontractor thereunder, shall be solely responsible for all costs incurred in complying with this requirement.

4. The Contractor shall submit a Monthly Greenwaste Report, (see Exhibit I), per The Frequency of Service Table as an element of Contractor's Monthly Reporting requirements, as set forth in Section 3. – Functions and Responsibilities. The Contractor shall provide responses to all information requested therein and shall include, on a separate Monthly Greenwaste Report form, any greenwaste generated through the operations of any subcontractors performing under Contractor's Scope of Work.

5. Failure to adhere to the Technical Provisions of this section may result in the assessment of non-performance penalties, per Exhibit C., Section 4.

18. TECHNICAL PROVISIONS - FERTILIZER

A. TURF FERTILIZATION (IF APPLICABLE)

1. Per the Technical Provisions, Exhibit A, Section 17, No. 14, e. f., a humus base fertilizer shall be applied to turf areas in accordance with Table I, below. At the discretion and request of the Director additional applications at the pricing terms as listed in the additional work section of Scheduled II may be provided. Failure to adhere to this specification may result in the assessment of non-performance penalties, per Exhibit C., Section 4. All turf areas are to be fertilized as per Table I. All fertilizers are to be of indicated analysis or better.

TABLE I

Month	Number of Apps	Type of Fertilizer	Rates per 1,000 sq. ft. Lbs. of Actual N	Lbs. of Fertilizer
FEB	1	22-0-6**	1	4.5 lbs
JUN	1	22-5-5*	1.25	5.7 lbs
OCT	1	22-5-5*	1.25	5.7 lbs

*22-5-5/BEST® TURF GOLD or approved equal Controlled-Release fertilizer. These fertilizers to contain micronutrients including iron. See the following section on fertilizers.

**22-0-6/SCOTTS® PROTURF® + Pre-emergent Weed Control or approved equivalent. These fertilizers to contain micronutrients including iron. See the following sections, below, regarding fertilizers.

2. Humus base fertilizers to be applied by drop spreader only.

3. Humus base fertilizers to be composted, screened, and have a minimum nitrogen level of one-half of one percent (0.5%) (Growpower, EZ Green or equal).

4. Any fertilizers containing iron will be completely removed from concrete sidewalks before irrigation to prevent staining.

5. Contractor shall supply to the Director a list of all proposed fertilizers to be used in the fulfillment of this specification, per Exhibit A, Section 8. – Use of Chemicals. Any changes to said list shall be reported per Exhibit A, Section 8. – Use of Chemicals.

6. Written notification is required to Director five (5) working days prior to fertilizer application.

B. SHRUB & GROUND COVER FERTILIZATION

1. The Specifications contained in this Section 18,B. do not apply to the Open Space Areas (Paseos).

2. All shrubs and ground covers shall be fertilized per the Frequency of Service Table, as set forth in Exhibit E. Table II, below provides the standard fertilization guidelines, however the frequency of the application shall comply with the application frequency rates as identified in the Frequency of Service Table, as set forth in Exhibit E. Failure to adhere to this specification may result in the assessment of non-performance penalties, per Exhibit C., Section 4.

TABLE II

Month	Number of Apps	Type of Fertilizer	Rates per 1,000 sq. ft. Lbs. of Actual N	Lbs. of Fertilizer
April	1	23-5-10 *	1.5	6.5 lbs
Sept	1	23-5-10 *	1.5	6.5 lbs

* 23-5-10/BEST@POLY SUPREME or approved equal

3. Any fertilizers containing iron will be removed from concrete sidewalks before irrigation to prevent staining.

4. Contractor shall supply to the Director a list of all proposed fertilizers to be used in the fulfillment of said Contract, per Exhibit A, Section 8. – Use of Chemicals. Any changes to said list shall be reported per Exhibit A, Section 8. – Use of Chemicals.

5. Written notification is required to Director five (5) working days prior to fertilizer application.

6. For fertilizer application reporting specifications, see Exhibit A, Section 3 – Functions and Responsibilities and Exhibit A, Section 8. – Use of Chemicals.

C. TREE FERTILIZATION

1. The intent of tree fertilization is to maintain normal and healthy growth of trees, not to produce excessive, rapid, or unnatural growth. Tree fertilization shall be considered Additional Work, per Exhibit C., Section 2.

2. All trees shall be fertilized as directed by District field staff. Fertilizer type and rates will be specified on a per job basis.

   (a) Fertilizer will be placed per manufacturer's recommendations, or as directed by District field staff.

   (b) No injecting or drilling into tree trunk will be allowed.

   (c) Applications shall be made when the first growth flush of the year is at 80% leaf expansion, but not before April 30.

   (d) Any fertilizers containing iron will be removed from concrete surfaces before irrigation to prevent staining.

3. Contractor shall supply to the Director a list of all proposed fertilizers to be used in the fulfillment of said Contract, per, Exhibit A Section 8. – Use of Chemicals. Any changes to said list shall be reported per Exhibit A, Section 8. – Use of Chemicals.

4. Written notification to the Director is required a minimum of five (5) working days prior to fertilizer application.

5. For fertilizer application reporting specifications, see Exhibit A, Section 3 – Functions and Responsibilities and Exhibit A, Section 8. – Use of Chemicals.

19. TECHNICAL PROVISIONS – PESTICIDE USE

A. GENERAL

1. The Moreno Valley Community Services District encourages the use of effective alternative pest control measures.

2. All pesticide applications shall be made by or under the supervision of a person holding a valid license, permit or certificate issued pursuant to Sections 11701 and following, and Sections 14151 and following, of the California Food and Agricultural Code. Said person or company is to be registered to conduct a pest control business in the State of California, and the County of Riverside during the entire term of this Contract.

3. All pesticide applications shall be applied as directed by the Director.

4. All pesticide use recommendations shall be in writing, and shall be made by a person holding a valid State of California pest control adviser license pursuant to Sections 12001, and following of the California Food and Agricultural Code. Said person is to be registered with the office of the Agricultural Commissioner of the County of Riverside during the entire term of this Agreement.

5. Before the beginning of the Contract period, Contractor shall supply to the Director a list of all proposed pesticides to be used, along with a use recommendation for each pesticide, in the fulfillment of said Contract, per Exhibit A, Section 8 – Use of Chemicals. No pesticide application shall be made prior to Contractor's submittal and Director's approval of said list, and recommendations. Per Exhibit A, Section 8. – Use of Chemicals, any changes, additions, deletions or substitutions to the recommended pesticides listed shall be submitted in writing to the Director for approval prior to any use of newly recommended material. Failure to adhere to any part of this specification may result in the assessment of non-performance penalties, per Exhibit C., Section 4.

6. Disposal of empty pesticide containers, if made in the County of Riverside, shall be in strict compliance with label direction, restrictions and precautions, and all applicable federal, state, county, and local regulations, including but not limited to California Code of Regulations, Sections 6684, 3142, and 3143. The Director may require proof of such compliance in the form of a

copy of Contractor's annual Letter of Compliance, as issued by the County Agricultural Commissioner, and submitted by Contractor to the County Waste Management Department.

B. REPORTING SPECIFICATIONS

1. Contractor shall be responsible for the filing of all required records and reports, including but not limited to Notice of Intent to Apply, and Pesticide Use Reports, as specified by all county, state and federal agencies. Said reports shall contain accurate and valid information. The Director may require copies of all such records and reports be made available for inspection by District staff after giving twenty-four (24) hour notice to Contractor.

2. For pesticide application reporting specifications, see Exhibit A, Section 3 – Functions and Responsibilities and Exhibit A, Section 8. – Use of Chemicals.

3. A written notice shall be provided to the Director five (5) working days prior to any pesticide application. Notice shall include: name of chemical, area, rate and method of application, and time of day. Failure to adhere to this specification may result in the assessment of non-performance penalties, per Exhibit C., Section 4.

C. GROUND COVERS, SHRUBS, & TREES - PESTICIDE USAGE CRITERIA

1. Weed Control

   (a) All shrub bed areas shall be treated with an appropriate pre-emergent herbicide at the maximum allowable rate according to the label, and state regulations. This treatment shall be performed twice a year, as determined by the Director.

   (b) Appropriate chemical control must be used on the following weeds.

   Bermuda Grass
   Kikuyu Grass
   Nutsedge
   Field Bindweed
   Spurge

   The aforementioned list is inclusive; other species may be added by the Director as necessary

   (c) Failure to adhere to the above specifications for weed control may result in the assessment of non-performance penalties, per Exhibit C., Section 4.

2. Snail Control

   (a) Snails shall be controlled on a regular basis on the following plant species:

   Agapanthus africanus
   Aptenia sp.
   Gazania sp.
   Hemerocallis sp.

   (b) Snails shall be controlled on an as needed basis on all other plant material.

   (c) Failure to adhere to the above specifications for snail control may result in the assessment of non-performance penalties, per Exhibit C., Section 4.

3. Insect and Disease Control

   (a) The Director may require certain tree species, which are subjected to excessively dusty conditions be rinsed off with water, as directed by District field staff. Rinsing operations that require the use of powered delivery systems shall be considered Additional Work, per Exhibit C., Section 2.

   (b) The Director may require all Platanus species be sprayed annually with two applications of a copper based dormant spray should an infestation be detected. Applications that require the use of powered delivery systems shall be considered Additional Work, per Exhibit C., Section 2.

   (c) The Director may require all Pyrus and Pyracantha species found to be infected with fireblight be treated with annual applications of a copper based dormant spray. Applications that require the use of powered delivery systems shall be considered Additional Work, per Exhibit C., Section 2.

   (d) The Director may require all Juniperus, Pinus, Cupressus and Pyracantha species found to be infested with mites be treated with an appropriate acaricide. Applications that require the use of powered delivery systems shall be considered Additional Work, per Exhibit C., Section 2.

   (e) All other insect, disease, and fungus problems will be treated on a site- and need-specific basis as determined by the Director. Any preventative or curative treatment that requires the use of powered delivery systems shall be considered Additional Work, per Exhibit C., Section 2.

4. Vertebrate Pest Control

All vertebrate pests, including but not limited to gophers, ground squirrels, moles, voles, and mice, shall be controlled on a regular basis wherever and whenever found on the site(s). Control methods shall be as approved by the Director and shall include, but not be limited to, chemical, and mechanical methods. Failure to treat site(s) for vertebrate pests within seven (7) calendar days of notification from the Director may result in the assessment of non-performance penalties, per Exhibit C., Section 4.

D. TURF - PESTICIDE USAGE CRITERIA (IF APPLICABLE)

1. Weed Control

(a) When the Director determines that the turf weed population at any site(s) exceeds acceptable levels, an appropriate herbicide shall be applied in accordance with all label specifications. Treatments that require the use of powered delivery systems may be considered Additional Work, per Exhibit C., Section 2.

(b) All turf areas that the Director has determined to be prone to annual weed grass intrusion shall require annual applications of pre-emergent herbicides labeled for such use. Any preventative treatment that requires the use of powered delivery systems may be considered Additional Work, per Exhibit C., Section 2.

(c) Failure to apply turf weed control materials within the time frames established by the Director may result in the assessment of non-performance penalties, per Exhibit C., Section 4.

2. Insect and Disease Control

(a) All turf areas that the Director has determined to have a history of fungus infection shall be treated annually with an appropriate fungicide, as directed. Treatments that require the use of powered delivery systems may be considered Additional Work, per Exhibit C., Section 2.

(b) All other insect, disease, and fungus problems will be treated on a site and need-specific basis as determined by the Director. Any preventative or curative treatment that requires the use of powered delivery systems may be considered Additional Work, per Exhibit C., Section 2.

3. Vertebrate Pest Control

All vertebrate pests, including but not limited to gophers, ground squirrels, moles, voles, and mice, shall be controlled on a regular basis wherever, and whenever found on the site(s). Control methods shall be as approved by the Director and shall include, but are not limited to, chemical, and mechanical methods. Failure to treat site(s) for vertebrate pests, within forty-eight (48) hours of being noticed by the Director, may result in the assessment of non-performance penalties, per Exhibit C., Section 4.

20. OPEN SPACE AREA (PASEO) PROVISIONS – E-2 HIDDEN SPRINGS

E. GENERAL GUIDELINES

1. The following provisions are intended to address routine maintenance of the open area (paseos) located within and throughout the residential community of Hidden Springs (E-2). Should a conflict between these Special Provisions as outlined herein and the preceding Specification Sections of this document, these Special Provisions shall prevail regarding maintenance of the open area (paseos) located within and throughout Hidden Springs (E-2). These Special Provisions DO NOT APPLY to the landscaped parkway and median areas of Hidden Springs (E-2).

   (a) All open space areas shall be maintained in a condition free of unwanted plant species, as determined by the Director.

   (b) Non-woody plants, such as grasses and annual forbs shall be trimmed to a height of twenty-four (24) inches or lower at a frequency of no less than one (1) time per year, as determined by the Director.

   (c) Woody slope plantings shall be maintained in a manner that minimizes the accumulation of dead wood. This shall be accomplished by means of periodic trimming, pruning, and/or roguing, as determined by the Director.

   (d) A band of bare soil, twenty-four (24) inches in width shall be maintained per the Frequency of Service Table wherever Open Space (Paseo) areas abut residential parcels.

   (e) Newly planted and/or established tree and woody shrub plantings shall receive irrigation adequate to maintain soil moisture and plant vigor; in no case shall the interval between irrigations be greater than once per week. This work may require the use of a water tanker. Contractor shall be liable for replacement of any new or establishing plan materials lost due to Contractor's negligence, as determined by Director.

(f) Watering basins for newly planted and/or establishing tree and woody shrub plantings shall be continuously maintained and kept free of unwanted plant species until properly established, as determined by the Director.

(g) All areas damaged by erosion shall be immediately repaired to the originally intended condition and soil. Contractor shall be liable for the cost of repairing all erosion damage caused by Contractor's negligence.

(h) All areas damaged by rodent burrowings shall be immediately repaired to the originally intended condition and soil.

(i) All catch basins, drain lines, brow ditches, and lower slope swale areas shall at all times be kept clean and clear for proper drainage.

(j) Minimum flow channels shall be maintained in a manner that assures unimpeded flow of nuisance water per limits of design intent. This work may require periodic thinning/rouging of existing riparian plans, as determined by Director.

21. PROJECT LOCATION MAPS

EXHIBIT B: District Responsibilities

RFP NO. 12/13-10
PROJECT NO. E-2 /13-14
HIDDEN SPRINGS (E-2)
MAINTENANCE OF PARKWAY MEDIAN AND OPEN SPACE
LANDSCAPING AND IRRIGATION

1. CONTRACT SUPERVISION

A. The Contract shall be administered on behalf of the Chief Financial Officer/City Treasurer of the City of Moreno Valley, or his/her delegated representative(s), hereinafter designated as "Director."

B. The Director will decide all questions which may arise as to the manner of performance and completion per schedule, acceptable fulfillment of the Contract by the Contractor, interpretation of the Specifications, and compensation to include completion of work by alternate sources.

2. IRRIGATION SYSTEMS

The District shall manage the operation of all automatically controlled irrigation systems, including but not limited to irrigation controller programming and scheduling. The Contractor shall monitor the operation of, and maintain said irrigation systems as required by the Director. The Contractor shall operate manually controlled irrigation systems as directed by District field staff.

3. UTILITIES

It shall be the District's duty to provide the utilities necessary for irrigation (i.e., water, electricity and communications), and to maintain their appurtenances (i.e., water and electrical meters and backflow devices). The District will pay the water, electricity, and communications costs used in the sites covered by this Contract. The Contractor shall report any interruption of these services for whatever reason immediately upon Contractor's observation of same to the Director.

4. RESTRICTED PESTICIDE MATERIALS PERMIT / USE CONSENT

A. The District shall maintain in full force and effect throughout the entire term of the Contract a valid Restricted Materials Permit issued by the Agricultural Commissioner of the County of Riverside on behalf of the California Department of Pesticide Regulation. The Contractor shall comply with all permit conditions that pertain to any of the pest control materials listed on said permit that may be used in the course of Contractor's operations under this Contract.

B. Director must give consent in writing prior to application of any Category I pesticide.

EXHIBIT C: Payment Terms

RFP NO. 12/13-10
PROJECT NO. E-2 /13-14
HIDDEN SPRINGS (E-2)
MAINTENANCE OF PARKWAY MEDIAN AND OPEN SPACE
LANDSCAPING AND IRRIGATION

1. CONTRACTOR'S COMPENSATION

A. The Contractor will be paid monthly per site based upon successful performance of the maintenance services provided in accordance with an approved service schedule for each area/site and in compliance with the terms and provisions of this Contract. By the tenth of each month the Contractor shall submit to the Director detailed reports of the following: 1) Maintenance performed, 2) Greenwaste, 3) Complaints received, 3) Hazards noted, and 4) Chemicals used in the prior month, along with 5) A detailed invoice for services in accordance with the Contract price for the work performed, which shall become the basis for payment. No payment(s) shall be made until the reports, listed herein, have been submitted and approved.

The Contractor will submit all original invoices to Accounts Payable staff at AccountsPayable@moval.org. Accounts Payable questions can be directed to 951.413.3073.

Copies of invoices and reports will be submitted to the Special Districts Division of the Financial and Management Services ~~Public Works~~ Department at specialdistricts@moval.org. Calls may also be directed to the Special Districts Division at 951.413.3480.

B. The Contractor will obtain and keep current during the term of this Contract, the required City of Moreno Valley business license. Proof of a current City of Moreno Valley business license will be required prior to any payments by the City. Any invoice not paid because the proof of a current City of Moreno Valley business license has not been provided will not incur any fees, late charges, or other penalties. Complete instructions for obtaining a City of Moreno Valley business license are located at http://www.moval.org/do_biz/biz-license.shtml.

C. Except where additional compensation is specifically provided for in this Contract, the District will pay the Contractor for all work (labor, material, supplies, equipment, etc.) performed under this Contract the total amount of seven thousand one hundred and twenty-three and 50/100 ($7,123.50) per month, one (1) month in arrears, on the last day of the month. The total contract amount for twelve (12) months shall not exceed eighty-five thousand four hundred eighty-two and 00/100 dollars and 00/100 ($85,482.00), except as provided for in Section 2 below.

D. The Contractor agrees that City payments will be received via Automated Clearing House (ACH) Direct Deposit and that the required ACH Authorization form will be

completed prior to any payments by the City. Any invoice not paid because the completed ACH Authorization Form has not been provided will not incur any fees, late charges, or other penalties. The ACH Authorization Form is located at: http://www.moval.org/city_hall_forms.shtml#bf.

E. The minimum information required on all invoices includes:

1. Vendor Name, Mailing Address and Phone Number

2. Invoice Date

3. Vendor Invoice Number

4. City – provided Reference Number (Project No. and Title)

5. Detailed work hours by class title (e.g. Manager, Technician or Specialist), services performed, and rates, explicit portion of a contract amount or detailed billing information is sufficient to justify the invoice amount: single or lump sum amounts without detail are not acceptable.

F. The City shall pay the Contractor for all invoiced and authorized maintenance services within thirty (30) days of receipt of invoice for the same.

G. Should this Contract commence or terminate on other than the first day of a calendar month, the Contractor's compensation for that partial calendar month shall be prorated at the rate of 1/30 of the full month rate per day for the number of days during which the Contract is effective.

2. ADDITIONAL WORK

A. During the term of this Contract the District may, at its discretion, authorize the Contractor to perform certain Additional Work as included in Section 2, paragraph C. herein this Exhibit, in addition to the work set forth in Exhibit A, General Provisions - Scope of Work.

If the District determines it to be in the District's best interest, said Additional work may include: Acts of God (i.e., earthquake damage, storm damage), or vandalism, theft, and acts or omissions by third parties.

Compensation for all such Additional Work shall be calculated either: at the prices set forth by the Contractor in the Exhibit E, Schedule II, Section B & C or at a price based on the Contractor's written estimate (lump sum, time and materials, or cost plus basis), as determined by the Director. Except as set forth in Section 2, paragraph B. below, the Contractor shall not perform any such Additional Work without first obtaining express written authorization from the District.

B. Notwithstanding the above requirement for prior written authorization, when a condition exists wherein there is imminent danger of injury to the public or damage

to property, the District may verbally authorize the work to be performed upon receiving a verbal estimate from the Contractor. Within twenty-four (24) hours after receiving a verbal authorization, the Contractor must submit a written estimate to the District for written approval. Whenever immediate action is required to prevent impending injury, death, or property damage to the facilities being maintained, the

District may, after reasonable attempt to notify the Contractor, cause such action to be taken by the District or City's work force.

C. The Contractor shall maintain as Additional Work, at a unit price comparable to landscape areas described herein, additional landscape areas that the District may add to this Contract. In the event that notification is made, at other than the beginning of a monthly period, the unit cost as set forth by Contractor in Exhibit E, Schedule II , shall be prorated from the day the Contractor commences work on the additional areas.

D. Routine repairs to project irrigation system(s) shall be considered Additional Work to the extent that the Contractor shall charge only for materials used to perform said repairs at Contractor's cost plus a percentage of that cost, as set forth in Exhibit E, Schedule II, Section D. For the purposes of this Contract, routine irrigation repairs are defined as replacement of existing sprinklers or sprinkler components, and/or non-pressurized pipe, and/or fittings ("lateral lines") that have been rendered inoperable due to: 1) normal "wear and tear", and 2) vandalism or theft, (which includes acts or omissions by third parties).

E. Except as specifically approved by subsequent action of the District Board of Directors, the Director may not authorize Additional Work pursuant to paragraphs A., B., and C. above in excess of the cumulative total of eighteen thousand eight hundred and 00/100 dollars ($18,800.00) for each contract year during the term of this Contract.

3. PAYMENT DEDUCTIONS

The District may deduct payment to such extent as may be necessary to protect the District from loss due to:

A. Work required in the General or Technical Provisions which is: not performed, or; not performed to the standards set forth therein, or; not performed at or within the time(s) specified therein, or; is incomplete;

B. Claims filed or reasonable evidence indicating probable filing of claims by laborers, materialmen, subcontractors, or third parties.

4. NON-PERFORMANCE PENALTIES

The Contractor may become liable for payment of non-performance penalties for failure to: provide adequate communications; provide adequate work area safety; complete "Specialty" operations in a timely manner as set forth in the General Provisions; submit notifications or

reports required by the Contract, or General or Special Provisions at the intervals and/or frequencies set forth therein, or; perform work as required by the General or Special Provisions at the intervals and/or frequencies as set forth therein, or as set forth in Contractor's approved work schedule, or as directed by the District. For each of the categories set forth hereinabove, the penal sum of $100.00 (one hundred dollars) per working day will be assessed for each working day the deficiencies remain uncorrected.

If non-performance penalties are to be assessed, the Contractor will be notified immediately by written email, telephone, facsimile transmission or in writing.

The Contractor will not be assessed non-performance penalties for delays caused by the District, or by the owner of a utility to provide for the removal or relocation of utility facilities.

5. EXCESSIVE UTILITY USAGE

Contractor shall pay for all excessive utility usage due to Contractor's failure to monitor irrigation system malfunctions or unauthorized increases in the frequency of irrigation. The excess cost will be determined by comparing the current usage with the historical usage for the same time period. The excess cost factor, to be deducted from the payments to the Contractor, will be presented by the Director to the Contractor prior to actual deduction by the District to allow for explanations.

EXHIBIT D: Term of Contract

RFP NO. 12/13-10
PROJECT NO. E-2 /13-14
HIDDEN SPRINGS (E-2)
MAINTENANCE OF PARKWAY MEDIAN AND OPEN SPACE
LANDSCAPING AND IRRIGATION

1. TERM OF CONTRACT

A. Following approval by both parties, the Contract will commence on July 1, 2013, and shall terminate June 30, 2014 (12) months thereafter.

B. At the expiration of its term, the Contract may be extended for up to four (4) additional twelve (12) month periods with the concurrence of both parties. Written notice of the District's intent to invoke this subsection of the Contract (Exhibit D., Section 1., paragraph B.) shall be given to the Contractor at least thirty (30) days prior to the expiration of the initial term of the Contract or any extension thereof.

C. In considering the option to extend the Contract, as set forth in paragraph B. above, the District shall determine the following:

That the Contractor's performance during the preceding twelve months has been satisfactory, and;

That any request for increase of Contractor's compensation is based on an annual inflation adjustment based on the percentage increase calculated for the previous calendar year in the Los Angeles-Riverside-Orange County Regional Consumer Price Index for All Urban Consumers, as published by the Department of Labor's Bureau of Labor Statistics.

D. At the expiration of its term, and with the concurrence of both parties, the Contract may be extended for up to three (3) additional periods of thirty (30) days each, subject to all terms and conditions in effect during the current term of the Contract. Written notice of the District's intent to invoke this subsection of the Contract (Exhibit D., Section 1., paragraph D.) shall be given to the Contractor at least fifteen (15) days prior to the expiration of the initial term of this Contract, or any extensions thereof.

E. It should be noted that multiyear contracts may be continued each fiscal year only after funding appropriations and program approvals have been granted by the City Council of the City of Moreno Valley and the City Council acting in the capacity as President and Members of the Board of Directors of the Moreno Valley Community Services District. (CSD) In the event that the City Council and/or the City Council acting in the capacity as President and Members of the Board of Directors for the CSD does not grant necessary funding appropriations and/or program approval, the affected multiyear contract becomes null and void, effective July 1st of the fiscal year for which such approvals have been denied.

III: PROPOSED FACILITIES, EQUIPMENT, & STAFFING SCHEDULE

A. **Facilities** – List the facility(ies) location and/or address where work crews and equipment will be dispatched. Use additional sheets as necessary to provide a full and comprehensive response.

Mariposa Landscapes, Inc.
11093 Almond Ave
Fontana, CA 92337

Mariposa Landscapes, Inc.
15529 Arrow Highway
Irwindale, CA 91706

B. List the equipment, motor vehicles, and tools, in the areas below that will be furnished to execute work tasks specified in the Agreement, General Provisions, and Special Provisions. Indicate with (S) any listed equipment to be shared with another contract/ project. Use additional sheets as necessary to provide a full and comprehensive response.

1. Equipment:

Weedeater (S)
Backpack blowers (S)
Various hand tools (S)

2. Motor Vehicles:

3/4 ton full size pick up (S)
3/4 ton full size ext. cab pickup (S)
3/4 ton full size irrigation truck (S)
utility trailer (S)

3. Turf Maintenance Power Equipment/Tools:

N/A

4. **Tree, Shrub, Ground Cover Trimming/Pruning Equipment/Tools:**
(List both powered and hand equipment/tools)

Hedgetrimmer
Stick hedgetrimmer
Pole Saw
Hand Pruner
lopers
Rakes
Brulaps

5. **Irrigation System Maintenance Equipment:**
(List both powered and hand equipment/tools)

Shovels (various)
picks
pipe cutter
pipe wrenches (various)
screw drivers (various)
volt meter
wire tracer
hand held remote
pliers

6. **Fertilizer Application Equipment:**
(List both powered and hand equipment/tools)

walk behind broadcast spreader
hand held broadcast spreader

7. **Pesticide Application Equipment:**
(List both powered and hand equipment/tools)

backpack spayer
100 gallon spray tank (if necessary)

C. **Staff**: - List the employees, both labor and supervision, to be routinely assigned to execute work tasks specified in the Agreement, General Provisions, and Special Provisions. Be sure to note by title any applicable licenses/certifications held by assigned personnel. Indicate with (S) if listed personnel are to be shared with another contract / project. Use additional sheets as necessary to provide a full and comprehensive response.

1. **General Landscape Maintenance:**
(List labor, administrative, and field supervisory personnel – include any relevant education, certification, licensing information for each person listed)

Luis Valenzuela-Maintenance Division Manager, CLT, QAC, Arborist (aslo refer to attached resume
Jaime Garcia-Maintenance Supervisor-QAC (also refer to attached resume)
Forman-to be assigned upon award of contract
Irrigator-to be assigned upon award of contract
Laborer 1-to be assigned upon award of contract
Laborer 2-to be assigned upon award of contract (subject to change or modify)

2. **Tree Trimming/Maintenance:**
(List any ISA or equivalent certified personnel)

Tasks to be performed by Assigned Routine Crew

3. **Irrigation System Maintenance:**
(List technical personnel – include any relevant education, certification, licensing information for each person listed)

Irrigator to be assigned upon award of contract

4. **Pesticide Application:**
(List licensed and/or certified personnel. All non-licensed, non-certified personnel must have received verifiable annual training.)

Tasks to be performed by Assigned Routine Crew.

IV: PROPOSED PROJECT WORK SCHEDULES

Pages 73-76 contain blank Monthly and Annual Schedule Sheets. Proposers are to complete these schedule sheets by writing in their proposed scheduled for performing the services as describe in Exhibit A. For those services listed under the Technical Provisions found in Exhibit A, Sections 17, A., C., D., E., and G.; 18 A. and B.; and 19 C. 1 (a), refer to the FREQUENCY OF SERVICE TABLE located in Exhibit E, Section V., A Parkways and Medians for **Service Schedule Level 1**, and B Open Spaces (Paseos) **for Service Level 4** on page 77. Use additional sheets as necessary to provide a full and comprehensive response on each of the schedule sheets.

If selected, the awarded Contractor will provide the CSD, within 30 days after contract execution, a mapped work schedule for E-2. Sample mapped work schedules have been provided for reference.

A. MONTHLY SCHEDULE SHEET

1. List all tasks specified to be performed on a weekly or monthly basis for the E-2 area in the box corresponding to the day of the week/month the work is proposed to be performed.

2. Be sure to include administrative tasks such as report submittals, meetings, etc.

3. Fill in the schedule sheet for the entire month. Schedule sheets that are not completed for the entire month will be considered to be non-responsive.

B. ANNUAL SCHEDULE SHEET

1. List all tasks specified to be performed for the E-2 area~~s~~ at intervals greater than one (1) month in the box corresponding to the month(s) of the year in which they are either so specified, or, if not specified, the month(s) in which the work is proposed to be performed.

2. Be sure to include any administrative tasks such as report submittals, meetings, etc.

3. Fill in the schedule sheet for the entire year. Schedule sheets that are not completed for the entire year will be considered to be non-responsive.

FREQUENCY OF SERVICE TABLES (continued)

(Sign here) _____

By signing, I hereby acknowledge review of the aforementioned Frequency of Services and have incorporated reference of the frequencies in the Bid Schedule, including the Optional Bid Schedule, and the proposed monthly and annual schedule sheets for the services to be provided consistent with the terms of this Contract.

SAMPLE SERVICE SCHEDULES

A. E-2 - 4 WEEK ROTATION (Service Schedule Level 1)

B. E-2 - 8 WEEK ROTATION (Service Schedule Level 2)

C. E-2 - 12 WEEK ROTATION (Service Schedule Level 3)

VII. PROPOSED ANNUAL MATERIAL SCHEDULE

A. Fertilizers:

List the fertilizers to be furnished to execute work tasks specified in Exhibit A. Specify the type (analysis/brand name), estimated amount of each type to be supplied annually, and estimated annual cost for each type (include applicable sales tax, overhead, and mark-up). Use additional sheets as necessary to provide a full and comprehensive response.

TYPE	ESTIMATED ANNUAL AMOUNT	ESTIMATED ANNUAL COST
23-5-10	2,000 lbs	$2,048.00
Misc	1 lump sum	$150.00

B. Pesticides:

List pesticides to be furnished to execute work tasks specified in Exhibit A. Specify the type (i.e., pre-emergent herbicide, rodent/snail bait, insecticide, etc.), the brand name, estimated amount of each type/brand to be supplied annually, and the estimated annual cost for each type/brand (include applicable sales tax, overhead, and mark-up). Use additional sheets as necessary to provide a full and comprehensive response.

TYPE	ESTIMATED ANNUAL AMOUNT	ESTIMATED ANNUAL COST
Glyphosate	7 gallons	$274.00
Pre-emergent	4 gallons	$308.00
Fumitoxin	6 flasks	$336.00
Misc chemicals	1 lump sum	$150.00

VIII. COMMUNICATIONS, TRAFFIC SAFETY, & GREENWASTE RECYCLING

A. Communications:

The General Provisions require that the selected Contractor possess, and maintain an effective company-wide communications system. The Contractor must also designate responsible staff to be available on a twenty-four (24) hour basis to receive, and respond to emergency calls.

Describe your company's internal communications system, both in the office and in the field, and how it will enable your company to provide the communication capability as required in Scope of Services specifications. Also, describe how your company will provide the required twenty-four (24) hour communication capability. Use additional sheets as necessary to provide a full, and comprehensive response.

All communications will be routed through our main office and dispatch center in Irwindale. A 24-hour "800" number will be provided to the City of Moreno Valley and will use all of the current communication methods such as two way radios, and cellular phones.
The Supervisor responsible for the crew and foreman performing the work is in daily communication with the foreman personally or by cellular phone, or radio communications to insure that the schedule of work operations is followed in strict accordance to the guidelines of the contact. Furthermore, the Supervisor routinely inspects the job site by walking it with his foreman or crew, identifying areas of concern and keeping the Branch Manager in charge of landscape maintenance operations informed as to the condition of the sites in question. All work not in compliance in the opinion of the Supervisor will be addressed immediately through specific instructions to the foreman and crew to perform the corrective work. Our office is open for communications from 5:30am to 4:30pm, Monday-Friday and we are available 24 hours a day through the answering service to address emergency call outs. We have a full support staff of mechanics that can respond to emergencies immediately and a depth of replacement equipment that will allow us to stay consistent with our schedules.

B. Traffic Safety:

The General Provisions require that the selected Contractor provide safe and effective work area traffic control, per Caltrans' "Manual On Uniform Traffic Control Devices 2010 (or most current) California Supplement, Part 6, Temporary Traffic Control". Please describe your company's general traffic control practices and training, and how your company intends, if selected, to conduct work area traffic control operations to provide service for this project. Use additional sheets as necessary to provide a full and comprehensive response.

We pride ourselves in safety. Our company's goal is to have no work-related injuries. Mariposa strongly believes that a clean, safe and healthy environment should be provided for all employees. Every reasonable precaution is taken to provide all employees with a safe place to work including on job locations.
Mariposa periodically conduct training for various safety topics and issues, from defensive driving to driving in wet/icy weather.
Our company follow the WATCH manual when it comes to conducting traffic control on projects in traffic areas. Mariposa also conducts periodic training on the WATCH manual.
Mariposa owns and utilize arrow boards, delineators, cones, signs and any other necessary traffic control equipment (as necessary).

C. Greenwaste Recycling:

AB 939 mandates that the City of Moreno Valley divert from landfills fifty percent (50%) of the solid waste, including greenwaste, generated within its jurisdiction. Please describe your company's program to insure that the City receives credit for the greenwaste that will be generated from executing the project's Scope of Work (Exhibit A). Be sure to include the name(s), address(es) and phone number(s) of the recycling facility(ies) that will be accepting the greenwaste generated from your operations on the project. If planning to use any recycled greenwaste products (mulch, compost, soil amendments, etc.) on the project, please give name/address/phone information of the producer if different from those listed above. Use additional sheets as necessary to provide a full and comprehensive response.

Mariposa Landscapes, Inc. uses effort to initiate "green" environment and energy conservation. Our company has a recycling program for green waste and paper products. We implement this program at our local offices and at all the job sites.

Mariposa will provide the City of Moreno Valley any documentation necessary to meet the mandate such as receipts and any other documentation.
For this project site, one potential location to take the greenwaste is:

Robert A. Nelson Transfer Station
1830 Agua Mansa Road
Riverside, CA 92509
(951) 786-0655

IX. LIST OF SUBCONTRACTORS

A. SUBCONTRACTORS:

In compliance with the provisions of Government Code, Section 4102, the undersigned Proposer sets forth the name and location (address) of the place of business of each subcontractor who will perform work, labor or render service to the Contractor in or about the construction of the work or improvement in an amount in excess of one-half of one percent (0.5%) of the general contractor's total proposal, and the portion of the work which will be done by each subcontractor, as follows:

Name, License, and Classification No.	Place of Business and Telephone	Description of Work
None		

X. CERTIFICATION OF NON-DISCRIMINATION

Pursuant to California Labor Code Section 1735, as added by Chapter 643 statutes of 2039, and as amended,

No discrimination shall be made in the employment of persons upon Public Works because of race, religion creed, color, national origin, ancestry, physical handicaps, mental condition, marital status or sex of such persons, except as provided in Section 12940, of the California Labor Code and every Contractor of Public Works violating this section is subject to all penalties imposed for a violation of the Chapter.

I certify that I have read, and understand the foregoing:

IV. PROPOSAL SURETY BOND

KNOW ALL MEN BY THESE PRESENTS, that we Mariposa Landscapes, Inc.

_____, as

principals, and The Ohio Casualty Insurance Company, a duly

authorized corporate surety: Business Address 790 The City Drive South, Suite 200,

Orange, CA 92868,

Phone 714-634-3311, are held and firmly bound unto the Moreno Valley Community Services District, as Surety, in the sum of Ten Percent of the Total Amount Bid Dollars, ($ 10%), for payment of which sum well and truly to be made, we bind ourselves, and each of our heirs, successors, executors, administrators and assignees, jointly, and severally, firmly by these presents.

The condition of the foregoing obligation is such that whereas said principal(s) (is) (are) about to hand in and submit to the Board of Directors of the Moreno Valley Community Services District, a proposal for **PROJECT NO. E-2 ~~AND E-16/~~13-14 -, HIDDEN SPRINGS (E-2) ~~AND SHADOW MOUNTAIN (E-16)~~ MAINTENANCE OF PARKWAY, MEDIAN & OPEN SPACE LANDSCAPING AND IRRIGATION**, for the performance of the work therein mentioned, in compliance with the specifications therefore, under an invitation of said Board of Directors contained in the Notice Requesting Proposals attached to said proposal.

NOW, THEREFORE, if the said bond or proposal of the said principal shall be accepted, and said work be awarded to said principal thereupon by said Board of Directors, and if the said principal shall fail or neglect to enter into a Contract therefore within the required time, then in that case the undersigned obligors will pay to the Moreno Valley Community Services District the full sum of Ten Percent of the Total Amount Bid Dollars,

($ 10%), as liquidated damages for such failure and neglect.

WITNESS our hands this 18th day of April, 20 13.

American Fire and Casualty Company
The Ohio Casualty Insurance Company
Liberty Mutual Insurance Company
West American Insurance Company

POWER OF ATTORNEY

KNOWN ALL PERSONS BY THESE PRESENTS: That American Fire & Casualty Company and The Ohio Casualty Insurance Company are corporations duly organized under the laws of the State of New Hampshire, that Liberty Mutual Insurance Company is a corporation duly organized under the laws of the State of Massachusetts, and West American Insurance Company is a corporation duly organized under the laws of the State of Indiana (herein collectively called the "Companies"), pursuant to and by authority herein set forth, does hereby name, constitute and appoint, Jeffrey R Gryde

all of the city of Laguna Niguel, state of CA each individually if there be more than one named, its true and lawful attorney-in-fact to make, execute, seal, acknowledge and deliver, for and on its behalf as surety and as its act and deed, any and all undertakings, bonds, recognizances and other surety obligations, in pursuance of these presents and shall be as binding upon the Companies as if they have been duly signed by the president and attested by the secretary of the Companies in their own proper persons.

IN WITNESS WHEREOF, this Power of Attorney has been subscribed by an authorized officer or official of the Companies and the corporate seals of the Companies have been affixed thereto this 19th day of December, 2012.

American Fire and Casualty Company
The Ohio Casualty Insurance Company
Liberty Mutual Insurance Company
West American Insurance Company

By: _____
Gregory W. Davenport, Assistant Secretary

STATE OF WASHINGTON ss
COUNTY OF KING

On this 19th day of December, 2012, before me personally appeared Gregory W. Davenport, who acknowledged himself to be the Assistant Secretary of American Fire and Casualty Company, Liberty Mutual Insurance Company, The Ohio Casualty Company, and West American Insurance Company, and that he, as such, being authorized so to do, execute the foregoing instrument for the purposes therein contained by signing on behalf of the corporations by himself as a duly authorized officer.

IN WITNESS WHEREOF, I have hereunto subscribed my name and affixed my notarial seal at Seattle, Washington, on the day and year first above written.

By: KD Riley
KD Riley, Notary Public

This Power of Attorney is made and executed pursuant to and by authority of the following By-laws and Authorizations of American Fire and Casualty Company, The Ohio Casualty Insurance Company, Liberty Mutual Insurance Company, and West American Insurance Company which resolutions are now in full force and effect reading as follows:

ARTICLE IV – OFFICERS – Section 12. Power of Attorney. Any officer or other official of the Corporation authorized for that purpose in writing by the Chairman or the President, and subject to such limitation as the Chairman or the President may prescribe, shall appoint such attorneys-in-fact, as may be necessary to act in behalf of the Corporation to make, execute, seal, acknowledge and deliver as surety any and all undertakings, bonds, recognizances and other surety obligations. Such attorneys-in-fact, subject to the limitations set forth in their respective powers of attorney, shall have full power to bind the Corporation by their signature and execution of any such instruments and to attach thereto the seal of the Corporation. When so executed, such instruments shall be as binding as if signed by the President and attested to by the Secretary. Any power or authority granted to any representative or attorney-in-fact under the provisions of this article may be revoked at any time by the Board, the Chairman, the President or by the officer or officers granting such power or authority.

ARTICLE XIII – Execution of Contracts – SECTION 5. Surety Bonds and Undertakings. Any officer of the Company authorized for that purpose in writing by the chairman or the president, and subject to such limitations as the chairman or the president may prescribe, shall appoint such attorneys-in-fact, as may be necessary to act in behalf of the Company to make, execute, seal, acknowledge and deliver as surety any and all undertakings, bonds, recognizances and other surety obligations. Such attorneys-in-fact subject to the limitations set forth in their respective powers of attorney, shall have full power to bind the Company by their signature and execution of any such instruments and to attach thereto the seal of the Company. When so executed such instruments shall be as binding as if signed by the president and attested by the secretary.

Certificate of Designation – The President of the Company, acting pursuant to the Bylaws of the Company, authorizes Gregory W. Davenport, Assistant Secretary to appoint such attorneys-in-fact as may be necessary to act on behalf of the Company to make, execute, seal, acknowledge and deliver as surety any and all undertakings, bonds, recognizances and other surety obligations.

Authorization – By unanimous consent of the Company's Board of Directors, the Company consents that facsimile or mechanically reproduced signature of any assistant secretary of the Company, wherever appearing upon a certified copy of any power of attorney issued by the Company in connection with surety bonds, shall be valid and binding upon the Company with the same force and effect as though manually affixed.

I, David M. Carey, the undersigned, Assistant Secretary, of American Fire and Casualty Company, The Ohio Casualty Insurance Company, Liberty Mutual Insurance Company, and West American Insurance Company do hereby certify that the original power of attorney of which the foregoing is a full, true and correct copy of the Power of Attorney executed by said Companies, is in full force and effect and has not been revoked.

IN TESTIMONY WHEREOF, I have hereunto set my hand and affixed the seals of said Companies this 18th day of April, 20 13.

INSTRUCTIONS FOR COMPLETING THIS FORM

Any acknowledgment completed in California must contain verbiage exactly as appears above in the notary section or a separate acknowledgment form must be properly completed and attached to that document. The only exception is if a document is to be recorded outside of California. In such instances, any alternative acknowledgment verbiage as may be printed on such a document so long as the verbiage does not require the notary to do something that is illegal for a notary in California (i.e. certifying the authorized capacity of the signer). Please check the document carefully for proper notarial wording and attach this form if required.

- State and County information must be the State and County where the document signer(s) personally appeared before the notary public for acknowledgment.
- Date of notarization must be the date that the signer(s) personally appeared which must also be the same date the acknowledgment is completed.
- The notary public must print his or her name as it appears within his or her commission followed by a comma and then your title (notary public).
- Print the name(s) of document signer(s) who personally appear at the time of notarization.
- Indicate the correct singular or plural forms by crossing off incorrect forms (i.e. he/she/~~they~~ - is /~~are~~) or circling the correct forms. Failure to correctly indicate this information may lead to rejection of document recording.
- The notary seal impression must be clear and photographically reproducible. Impression must not cover text or lines. If seal impression smudges, re-seal if a sufficient area permits, otherwise complete a different acknowledgment form.
- Signature of the notary public must match the signature on file with the office of the county clerk.
  - Additional information is not required but could help to ensure this acknowledgment is not misused or attached to a different document.
  - Indicate title or type of attached document, number of pages and date.
  - Indicate the capacity claimed by the signer. If the claimed capacity is a corporate officer, indicate the title (i.e. CEO, CFO, Secretary).
- Securely attach this document to the signed document

Item No. B.5

CALIFORNIA ALL-PURPOSE CERTIFICATE OF ACKNOWLEDGMENT

State of California

County of Los Angeles

On May 8, 2013 before me, J. Cho, Notary Public,
(Here insert name and title of the officer)

Personally appeared Terry Noriega, President,

who proved to me on the basis of satisfactory evidence to be the person(~~s~~) whose name(~~s~~) is/~~are~~ subscribed to the within instrument and acknowledgement to me that he/~~she they~~ executed the same in his/~~her/their~~ authorized capacity(~~ies~~), and that by his/~~her/their~~ signature(~~s~~) on the instrument the person(~~s~~), or the entity upon behalf of which the person(~~s~~) acted, executed the instrument.

I certify under PENALTY OF PERJURY under the laws of the State of California that the foregoing paragraph is true and correct.

WITNESS my hand and official seal.

Any acknowledgment completed in California must contain verbiage exactly as appears above in the notary section or a separate acknowledgment form must be property completed and attached to that document. The only exception is if a document is recorded outside of California. In such instances, any alternative acknowledgment verbiage as may be printed on such a document so long as the verbiage does not require the notary to do something that is illegal for a notary in California (i.e. certifying the authorized capacity of the signer). Please check the document carefully for proper notarial wording and attach this form if required.

- State and County information must be the State and County where the document signer(s) personally appeared before the notary public for acknowledgment.
- Date of notarization must be the date that the signer(s) personally appeared which must also be the same date the acknowledgment is completed.
- The notary public must print his or her name as it appears within his or her commission followed by a comma and then your title (notary public).
- Print the name(s) of document signer(s) who personally appear at the time of notarization.
- Indicate the correct singular or plural forms by crossing off incorrect forms (i.e. ~~he~~/she/~~they~~, is/~~are~~) or circling the correct forms. Failure to correctly indicate this information may lead to rejection of document recording.
- The notary seal impression must be clear and photographically reproducible. Impression must not cover text or lines. If seal impression smudges, re-seal if a sufficient area permits, otherwise complete a different acknowledgment form.
- Signature of the notary public must match the signature on file with the office of the county clerk.
  - Additional information is not required but could help to ensure this acknowledgment is not misused or attached to a different document.
  - Indicate title or type of attached document, number of pages and date.
  - Indicate the capacity claimed by the signer. If the claimed capacity is a corporate officer, indicate the title (i.e. CEO, CFO, Secretary).
- Securely attach this document to the signed document.

Craft is not apprenticeable.

NOTE: If there are two rates, the first rate is for routine work, the second rate is for complex work.

[a] $0.22 after 3 years of service.
[b] Computation is based on the first years of employment. This rate should be increased by any applicable vacation increase as stated in other footnotes.
[c] $0.31 after 2 years of service.
[d] $0.54 after 2 years of service: $0.81 after 3 years of service.
[e] $0.24 after 3 years of service: $0.37 after 7 years of service.
[f] $0.22 after 4 years of service.
[g] $0.40 after 3 years of service.
[h] $0.23 after 2 years of service.
[i] $0.27 after 2 years of service.
[j] $0.38 after 3 years of service.
[k] $0.29 after 2 years of service.
[l] $0.31 after 2 years of service.

RECOGNIZED HOLIDAYS: Holidays upon which the general prevailing hourly wage rate for Holiday work shall be paid, shall be all holidays in the collective bargaining agreement, applicable to the particular craft, classification, or type of worker employed on the project, which is on file with the Director of Industrial Relations. If the prevailing rate is not based on a collectively bargained rate, the holidays upon which the prevailing rate shall be paid shall be as provided in Section 6700 of the Government Code. You may obtain the holiday provisions for the current determinations on the Internet at http://www.dir.ca.gov/DLSR/PWD. Holiday provisions for current or superseded determinations may be obtained by contacting the Prevailing Wage Unit at (415) 703-4774.

TRAVEL AND/OR SUBSISTENCE PAYMENT: In accordance with Labor Code Sections 1773.1 and 1773.9, contractors shall make travel and/or subsistence payments to each worker to execute the work. You may obtain the travel and subsistence provisions for the current determinations on the Internet at http://www.dir.ca.gov/DLSR/PWD. Travel and subsistence provisions for current or superseded determinations may be obtained by contacting the Prevailing Wage Unit at (415) 703-4774.

ADDENDUM NO. 1

CITY OF MORENO VALLEY
HIDDEN SPRINGS (E-2) AND
SHADOW MOUNTAIN (E-16)
MAINTENANCE OF PARKWAY, MEDIAN AND OPEN SPACE
LANDSCAPING AND IRRIGATION
RFP NO. 12/13-10
PROJECT NO. E-2 AND E-16/13-14

The changes, omissions, and/or additions to the contract documents as noted on the attached shall apply to proposals made for and to the execution of the various parts of the work affected thereby; all other conditions shall remain the same.

Careful note of the Addendum shall be taken by all parties of interest so that the proper allowances may be made in strict accordance with Addendum No. 1 and all trades shall be fully advised in the performance of the work, which will be required of them.

In case of conflict between the contract documents and this Addendum, Addendum No. 1, this addendum shall govern.

CONTRACT DOCUMENT CHANGES – ADDENDUM 1

- Exhibit E, Section V: FREQUENCY OF SERVICE TABLE, Letter A. – Page 77. The following revision has been made to the original RFP document as follows:

  - Addition of 17. F. 2. Irrigation system will be checked on a weekly basis for all service levels. Irrigation system should be maintained in a working order at all times.

  - Revision of 19. C. 1. (a) Includes reference to Pre-emergent. No other change has been made to this frequency other than the addition of pre-emergent.

Attached is the revised page 77 with the aforementioned revision to be included with your proposal submission.

I: FREQUENCY OF SERVICE TABLES

A. PARKWAYS AND MEDIANS

Service Type	Service Schedule Level 1 (4 Week)	Service Schedule Level 2 (8 Week)	Service Schedule Level 3 (12 Week)
17.A. Turf Care[1]			
Mow/edge/trim	Weekly	Every other week	Every other week
Aeration	Bi-annually (Spring & Fall)	Bi-annually (Spring & Fall)	Annually (Spring)
17.C. Shrub Care			
Prune/trim	Monthly	6x's per year	4x's per year

NOTICE REQUESTING PROPOSALS

RFP NO. 12/13-10
PROJECT NO. E-2 ~~AND E-16~~/13-14
HIDDEN SPRINGS (E-2) ~~AND SHADOW MOUNTAIN (E-16)~~
MAINTENANCE OF PARKWAY MEDIAN AND OPEN SPACE
LANDSCAPING AND IRRIGATION

Proposers are invited to submit a response to the Request For Proposal, RFP No 12/13-10, Project No. E-2 ~~and E-16~~/13-14 Hidden Springs (E-2) ~~and Shadow Mountain (E-16)~~ Maintenance of Parkway Median and Open Space Landscaping and Irrigation for the purpose of providing landscape maintenance services for the parkway and median landscaped areas of Hidden Springs (E-2) ~~and Shadow Mountain (E-16)~~ along with the open space paseo areas of Hidden Springs (E-2) under the direction of the City of Moreno Valley Community Services District (CSD) for twelve (12) months, with the possibility of contract extensions for up to four (4) additional one (1) year contract extensions.

RECEIPT OF PROPOSAL:

Sealed proposals will be received by the office of the City Clerk, located in the City Hall building, at 14177 Frederick Street, Moreno Valley, California, 92553 SUBMISSIONS MUST BE SENT SO THEY ARE RECEIVED IN THE CITY CLERK'S OFFICE BEFORE 2:00 P.M. on **WEDNESDAY, MAY 8, 2013** ~~THURSDAY, April 25, 2013~~. **Late submissions will not be accepted and postmarks will NOT constitute receipt of a proposal**.

OBTAINING CONTRACT DOCUMENTS:

You may download the RFP and Contract documents (document set) from the City's website at www.moval.org or, the document set may be obtained from the City of Moreno Valley Finance Department, located in the Moreno Valley City Hall, at 14177 Frederick Street, Moreno Valley, CA 92553, 1st floor customer service front counter, for a nonrefundable twenty-five dollar ($25.00) charge per set to cover printing costs. The RFP and contract documents may also be received by mail by contacting the SPECIAL DISTRICTS DIVISION OFFICE at 951.413.3480 or by email at SpecialDist@moval.org to request having document set(s) mailed. A five dollar ($5.00) mailing charge per set, plus twenty-five dollar ($25.00) per set printing cost is required prior to having document sets mailed.

MANDATORY PRE-SUBMITTAL MEETING:

A **mandatory** pre-submittal meeting will be held at **9:00 A.M. on MONDAY, APRIL 9, 2013 in the TECHNOLOGY SERVICES CONFERENCE ROOM located in Annex 1. The Annex building is located south of City Hall at 14331 Frederick Street, Suite 6, Moreno Valley, CA 92553.** COMPANIES WISHING TO SUBMIT A PROPOSAL FOR THIS PROJECT ARE REQUIRED TO ATTEND THIS MEETING. **Late arrivals will be denied entrance to this meeting.**

PROPOSAL GUARANTEE:

Each proposal shall be accompanied by a certified or cashier's check or surety bond in an amount equal to ten percent (10%) of the total proposal price, payable to the Moreno Valley Community Services District (CSD) as a guarantee that if the proposer's proposal, is accepted, the proposer will promptly execute the Contract, and secure Worker's Compensation Insurance. The Moreno Valley Community Services District (District) will retain the proposal guarantees from all companies whose proposals are selected for consideration until such time as the Contract is fully executed. Submitted proposal guarantees by all other proposers will be released within thirty (30) days after the date the awarded Contract is fully executed.

WAGE RATES:

Pursuant to provision of Section 1773 of the Labor Code of the State of California, the District has obtained the general prevailing rate of per diem wages applicable for the work to be done, including but not limited to: straight time, overtime and holiday work; travel and subsistence payments; employee payments of health and welfare, vacation, pension, and similar purposes. Said rate and scale are on file with the Public Works Department of the City of Moreno Valley, and copies will be made available to any interested party on request. These rates shall be the minimum wage rates for this project. The proposer whose proposal receives the Award of Contract and becomes the Contractor will be required to post a copy of said rate, and scale as required by the Labor Code throughout the term of this contract.

STATE LICENSE:

Contractors submitting proposals shall hold a valid California State Contractor's License which shall be a Class C-27. The Contractor's California State License Number and Classification shall be clearly stated on the Proposer's Proposal.

OWNER'S RIGHT RESERVED:

Within such limits as may be prescribed by law, the Board of Directors of the Moreno Valley Community Services District reserves the right to reject any and all proposals, to accept, reject, or waive minor variances and/or any informality in a proposal, or to accept the proposal or proposals that best serve the interests of the District.

CONTRACT/ACREAGE LIMITATION:

The Moreno Valley Community Services District divides parkway and median landscape maintenance sites into separate and distinct Contract Service Areas. The District has historically adhered to these guidelines of limiting awards of maintenance service contracts based on contract and acreage limits to more fairly and evenly distribute maintenance contracts among various contracting entities to decrease the risk to the District in the event of non-performance by a Contractor to perform the contracted maintenance services. **However in the interest of the community being served, the Moreno Valley Community Services District reserves the right to limit or waive the requirements of this Section.**

Said Contract/Acreage Limitations are as follows:

- No single contracting company or entity may hold District maintenance contracts whose combined Base Compensation is valued at more than forty percent (40%) of the total Base Compensation cost of all of the District's Service Area contracts;

-AND-

- No single contracting company or entity may hold District maintenance contracts whose combined acreage totals more than sixty percent (60%) of the total acreage of all District Service Areas.

For technical information relating to the details of the proposed project and/or proposal requirements, please contact the City of Moreno Valley, Department of Public Works, Special Districts Division at 951. 413.3480.

By Order of the Board of Directors of the Moreno Valley Community Services District.

  A PROPOSAL SURETY BOND MUST INCLUDE NOTARY CERTIFICATES AND NOTARIZED SIGNATURES FOR BOTH ATTORNEY-IN-FACT AND PRINCIPAL(S).
- ☐ NON-COLLUSION AFFIDAVIT (signed and notarized)

INSTRUCTIONS TO PROPOSERS

RFP NO. 12/13-10
PROJECT NO. E-2 ~~AND E-16~~/13-14
HIDDEN SPRINGS (E-2) ~~AND SHADOW MOUNTAIN (E-16)~~
MAINTENANCE OF PARKWAY MEDIAN AND OPEN SPACE
LANDSCAPING AND IRRIGATION

A. GENERAL

Proposals under these specifications shall be submitted on the Proposal Submittal Documents (Exhibit E) furnished herewith. When presented, they must be fully completed in the manner and form indicated therein, showing clearly and legibly the proposed prices in both words and numerals, and must be properly signed and where required notarized by the proposer, and include Proposer's address, telephone number, and California Contractor's License Number, and Classification. The Board of Directors of the Moreno Valley Community Services District ("District") reserves the right to reject any proposal which does not furnish all of the above information.

Proposal submissions will be received **Before 2:00P.M., WEDNESDAY MAY 8, 2013 ~~THURSDAY, APRIL 25, 2013~~.** Proposals should be submitted as follows in two separate sealed envelopes:

The first envelope should include **one (1) original and two (2) copies** of the information as requested in Exhibit "E" Proposal Submittal Documents, Schedule I; and the 'Check-Off' list, as identified on page 4. The envelope must be clearly labeled: "RESPONSE TO REQUEST FOR PROPOSAL – RFP NO. 12/13-10 PROJECT NO. E-2 ~~AND E-16~~/13-14 – MORENO VALLEY COMMUNITY SERVICES DISTRICT – SCHEDULE I – **DO NOT OPEN WITH REGULAR MAIL**"

The second envelope should include **one (1) original and two (2) copies** of the information as requested in Exhibit "E" Proposal Submittal Documents, Schedule II; and include all items as listed under the SCHEDULE II heading as identified on the check list on page 4. The envelope must be clearly labeled: "RESPONSE TO REQUEST FOR PROPOSAL - RFP NO. 12/13-10 PROJECT NO. E-2 ~~AND E-16~~/13-14 – MORENO VALLEY COMMUNITY SERVICES DISTRICT – SCHEDULE II - **DO NOT OPEN WITH REGULAR MAIL**."

IMPORTANT

IDENTIFYING YOUR RESPONSE

The Request for Proposal (RFP) must be visibly shown on the outside of both proposal submission envelopes as noted above.

ON-TIME RECEIPT OF YOUR RESPONSE

The responsibility of ensuring that your time-sensitive proposal submission is received by the City of Moreno Valley, City Clerk's office prior to the due date and time as stated in the RFP, rests solely with the sender. You may hand deliver your documents to the proper office listed in the invitation. Only an official time stamp from the City office listed in our invitation is acceptable as proof of timely delivery. A delivery time stated by a delivery service is NOT valid as proof of timely delivery. The City of Moreno Valley, the Moreno Valley Community Services District (CSD), and the Moreno Valley Housing Authority assumes no responsibility for proposals, which arrive at the City office beyond the stated due date and time as stated in the Notice Requesting Proposals.

You are encouraged to call the City Clerk's Office at 951.413.3001 for verification of proposal package receipt. Proposals may be mailed or delivered by messenger; however, it is the proposer's responsibility alone to ensure delivery of the proposal to the office of the City Clerk prior to the submittal deadline stipulated in the Notice Requesting Proposals. Late proposals will not be considered.

PLEASE NOTE: Deliveries made to the City by the United States Postal Service, or any other delivery service, will be routed through an internal delivery system. Utilizing any delivery service will delay delivery to the actual addressed City office or individual and may cause your response to be late and unacceptable.

Regardless of the method you choose to submit your time-sensitive document, you must allow additional time for the City's internal delivery system to process your item through before the due date and time, as stated in the RFP, to the City Clerk's office. In order to be fair to all responders, late bids, proposals or quotes will not be accepted and will be returned unopened.

B. EXAMINATION OF WORK SITES

Proposers must satisfy themselves by personal examination of the locations of the proposed work, and by such other means as they may choose, as to the actual conditions and requirements of the work, and shall not at any time after submission of the proposal assert, complaint or dispute that there was any misunderstanding in regard to the nature or amount of work to be done.

C. DISQUALIFICATION OF PROPOSERS AND PROPOSALS

More than one (1) proposal for the same work from any individual, company, partnership, corporation, or association under the same or different names will not be accepted; and shall be considered reasonable grounds to deem that a proposer has a financial interest in more than one (1) proposal for the work, which will be cause for rejecting all proposals in which such said proposer is interested.

Proposals which contain prices that are obviously unbalanced, and those which are incomplete or show alterations of form, or contain any additions or conditional or alternate quotations that are not called for or otherwise permitted, may be rejected. A proposal on which the signature of the proposer has been omitted will be rejected.

D. SIGNATURE OF CONTRACT PROPOSAL

Corporations

The signature must contain the name of the corporation, must be signed by the President and Secretary or Assistant Secretary, and the corporate seal must be affixed. Other persons may sign for the corporation in lieu of the above, if a certified copy of a resolution of the Corporate Board of Directors, so authorizing them to do so, accompanies the Proposal.

Partnership

The names of all persons comprising the partnership or co-partnership must be stated. The Proposal must be signed by all partners comprising the partnership unless proof, in the form of a certified copy of a Certificate of Partnership acknowledging the signer to be a general partner accompanies the Proposal, in which case a general partner may sign.

Joint Ventures

Proposals submitted as joint ventures must so state and be signed by or on behalf of each joint venturer, in compliance with the signature requirements for an individual, a partnership or a corporation, as applicable.

Individuals and/or Sole Proprietors

Proposals submitted on behalf of an individual must be signed by such individual. The above rules also apply in the case of the use of a fictitious business name. In addition, where a fictitious business name is used it must be so indicated in the signature.

E. PROPOSAL GUARANTEE

Exhibit "E" - Schedule II. must be accompanied by a cashier's check, certified check or surety bond in an amount not less than ten percent (10%) of the proposal amount. Checks shall be made payable to the Moreno Valley Community Services District. Surety bonds shall name as obligee the Board of Directors of the Moreno Valley Community Services District. **Execution of the bond must be acknowledged before a Notary Public by both the Contractor, and the corporate surety**.

F. ACCEPTANCE OR REJECTION

Within the limits prescribed by law, the right is reserved to reject any and all proposals, or to accept the proposal deemed best for the District. The Board of Directors shall be and is hereby constituted the exclusive judge as to what proposal is best for the District, and, in ascertaining that fact, the Board of Directors will take into consideration the business integrity, references, financial resources, facilities and equipment for performing the work, and experience in similar operations of the various proposing companies.

G. AWARD CRITERIA

The award of this Contract shall be made based upon the following criteria, as determined solely by the CSD:

- Pricing.
- Proposal's demonstration of ability to provide the described services.
- Demonstration of qualifications and certifications in accordance with accepted standards.
- Reference responses from other municipalities/public agencies where similar landscaping and irrigation services currently are and/or have been provided

The District reserves the right to reject any or all proposals, waive informalities, and make award in the best interests of the District. Upon award, the Contractor selected will be expected to enter into an Independent Contractor Agreement with the Moreno Valley Community Services District for the terms as stated in this Request For Proposal.

H. AWARD OF CONTRACT

The award, if made, will be made by the District as expeditiously as possible after the opening of the proposals, but in no case will an award be made until the District is satisfied as to the responsibility of the party to whom it is proposed to award the Contract.

I. RETURN OF PROPOSAL GUARANTIES

The District will return the proposal guaranties accompanying those, which in the District's judgment are not to be considered in making the award. All other proposal guaranties will be held until the Contract has been awarded, after which they will be returned to the respective companies whose proposals they accompany, with the exception of the proposer to whom the award has been made. After satisfactory security has been furnished and the Contract has been fully executed and approved, the successful proposer's guaranty will be returned.

J. INSURANCE REQUIREMENTS

During the entire term of the Contract, the Contractor agrees to procure and maintain commercial general liability insurance at its sole expense to protect against loss from liability imposed by law for damages on account of bodily injury, including death therefrom, suffered or alleged to be suffered by any person or persons whomsoever, resulting directly or indirectly from any act or activities of the Contractor, its subcontractors, or any person acting for the Contractor or under his/her/its control or direction, and also to protect against loss from liability imposed by law for damages to any property of any person(s) caused directly or indirectly by or from acts, omissions or activities of the Contractor, its subcontractors, or any person acting for the Contractor or under his/her/its control or direction. Such liability and property damage insurance shall also provide for and protect the Moreno Valley Community Services District, the Moreno Valley Housing Authority, and the City of Moreno Valley, against incurring any legal cost in defending claims for alleged loss.

Such liability and property damage insurance shall be maintained in full force and effect throughout the term of the Contract, and any extension thereof in the minimum limits provided below:

Bodily Injury	$1,000,000 per occurrence
Property Damage	$1,000,000 per occurrence

A combined single limit policy with limits not less than $2,000,000 per occurrence shall be considered equivalent to the above minimum limits.

If the operation under this Contract results in an increased or decreased risk in the opinion of the District's Risk Manager, then the Contractor agrees that the minimum limits hereinabove designated shall be changed accordingly upon request by the Risk Manager.

During the entire term of this Contract, the Contractor shall procure and maintain, at its sole expense, liability and property damage insurance coverage for owned, leased, hired or borrowed automotive equipment with coverage limits of not less than $1,000,000 combined single limit.

During the entire term of this Contract, the Contractor or any subcontractors hired by the Contractor shall procure and maintain, at its sole expense, Workers' Compensation Insurance in such amounts as will fully comply with the laws of the State of California, and employer's liability limits of $1,000,000 per occurrence.

The insurer shall agree to waive all rights of subrogation against the District, the Moreno Valley Housing Authority, and the City, their officers, officials, employees, volunteers or agents for losses arising from work performed by the Contractor for the District, Housing Authority, and/or the City of Moreno Valley, respectively.

A certificate of insurance or an appropriate insurance binder evidencing each of the above referenced insurance coverages shall be submitted prior to the execution of this Contract. Such evidence of insurance shall be sent to the attention of the requesting department, and shall reference the project name or number, where appropriate.

Except for Worker's Compensation and Professional Liability Insurance, and solely as respects to work done by or on behalf of the named insured for the Moreno Valley Community Services District, it is agreed that the Moreno Valley Community Services District, the Moreno Valley Housing Authority of the City of Moreno Valley, and the City of Moreno Valley, their officers, officials, employees, volunteers, and agents are added as Additional Insured on all required insurance policies. A policy endorsement or an appropriate insurance binder evidencing the required insurance must accompany the certificate of insurance and shall bear an endorsement containing the following provisions:

> "Solely as respect to services done by or on behalf of the named insured for the Moreno Valley Community Services District, it is agreed that the City of Moreno Valley, the Moreno Valley Community Services District, and the Moreno Valley Housing Authority of the City of Moreno Valley, their officers, employees, agents, and volunteers are included as additional insured under this general liability policy and the coverage(s) provided shall be primary insurance and not contributing with any other insurance available to the Moreno Valley Community Services District, City of Moreno Valley, and the Moreno Valley Housing Authority of the City of Moreno Valley, their officers, employees, agents, and volunteers, under any third party liability policy.

The endorsement shall be signed by a person authorized by that insurer to bind coverage on its behalf.

The Contractor shall also include all subcontractors as an additional insured under its policies or shall furnish separate insurance certificates, and endorsements for each subcontractor. All coverage for subcontractors shall be subject to all of the requirements stated herein.

The coverage provided pursuant to this Contract shall be primary insurance and not contributory with any other insurance. Insurance companies providing insurance hereunder shall be rated A- VII (or better) in Best's Insurance Rating Guide, and shall be legally admitted to the business of an insurance carrier by the State of California Department of Insurance.

The terms of the insurance policies issued to provide the above insurance coverages may not be amended or canceled by the carrier without thirty (30) days prior written notice by certified or registered mail to the District, Housing Authority, and the City, except that cancellation for

non-payment of premium shall require ten (10) days prior written notice by certified or registered mail. In the event that the said insurance is canceled, the Contractor shall, prior to the cancellation date, submit to the City Clerk new evidence of insurance in the amounts established.

Any deductibles or self-insured retentions must be declared to and approved by the District, Housing Authority, and the City. At the option of the District, Housing Authority, and the City, either the insurer shall reduce or eliminate such deductibles or self-insured retention as respects to the District, Housing Authority, and the City, their officers, officials, employees, volunteers and agents, or the Contractor shall provide a financial guarantee satisfactory to the District, Housing Authority, and the City guaranteeing payment of losses and related investigations, claim administration, and defense expenses.

Any failure to comply with reporting or other provisions of the policies including breaches of warranties shall not affect coverage provided to the District, Housing Authority, and the City, their officers, officials, employees, volunteers, and agents.

Contractor certifies by Contractor's signature hereunder that said Contractor is aware of the provisions of Section 3700 of the Labor Code, which requires every employer to be insured against liability for workers' compensation or to undertake self-insurance in accordance with the provisions of that code, and the Contractor will comply with such provisions before commencing the performance of the work of this Contract.

K. INDEMNIFICATION & DEFENSE REQUIREMENT

Per the terms of the Contract, the Contractor shall agree to indemnify, defend, and hold the District, Housing Authority, and the City of Moreno Valley, their officers, officials, employees, volunteers, and agents harmless from any and all liability, claims, damages or injuries to any person, including injury to the Contractor's employees and all claims which arise from or are connected with the negligent performance of or failure to perform the work or other obligations of this Contract, or are caused or claimed to be caused by the negligent acts or willful misconduct of the Contractor, its subcontractors, suppliers, officers, officials, employees, volunteers or agents, and all expenses of investigating and defending against the same, provided, however, that this indemnification and hold harmless shall not include claims arising from the sole negligence or willful misconduct of the District, Housing Authority, and the City, their officers, officials, employees, volunteers, and agents.

L. EXECUTION OF THE CONTRACT

The Contract shall be signed by the successful proposer and returned, together with the required documents, within fourteen (14) calendar days from the date of the Notice of Award of Contract. No award shall be considered binding upon the District until the full execution of the Contract.

Failure to execute a Contract and file acceptable documents, as required herein shall be just cause for the annulment of the award and forfeiture of the proposal guaranty, not as a penalty, but as liquidated damages as a reasonable estimate of the damages which would be suffered by the District, which cannot be determined with reasonable particularity at this time. Award may then be made to the next proposer deemed to be fit in all respects to perform the Scope Of Work, or the work may be re-advertised or may be maintained by District employees as the Board of Directors of the Moreno Valley Community Services District may determine.

M. CONTRACTOR'S BONDS

The Contractor shall furnish good and sufficient Surety Bonds issued by a surety company authorized to do business in the State of California, or other acceptable security, in an amount equal to one hundred percent (100%) of the total Proposed Compensation amount, conditioned for the faithful performance by the Contractor of all covenants, stipulations and agreements contained in said Contract; in addition, the Contractor shall furnish a material and labor bond in a sum equal to one-hundred percent (100%) of the Contract price, as required by the Public Contract Code.

Surety companies providing surety bonds hereunder shall be rated A- VII (or better) in the Best's Insurance Rating Guide, and shall be legally admitted to the business of a surety provider by the State of California Department of Insurance.

INDEPENDENT CONTRACTOR AGREEMENT

RFP NO. 12/13-10
PROJECT NO. E-2 ~~AND E-16~~/13-14
HIDDEN SPRINGS (E-2) ~~AND SHADOW MOUNTAIN (E-16)~~
MAINTENANCE OF PARKWAY MEDIAN AND OPEN SPACE
LANDSCAPING AND IRRIGATION

This Contract Agreement, effective as of the day signed by the City Manager (acting in the capacity of District Manager to the Moreno Valley Community Services District) or Mayor (acting in the capacity of President to the Moreno Valley Community Services District), is made between the Moreno Valley Community Services District, a Community Services District established pursuant to Section 61000 and following of the California Government Code, hereinafter referred to as the "District", and the following named independent contractor, hereinafter referred to as the "Contractor," based upon District policies and the following legal citations:

A. Government Code Section 53060 authorizes the engagement of persons to perform special services as independent contractors; and

B. The public interest, convenience, necessity and general welfare will be served by this Agreement.

1. CONTRACTOR INFORMATION:

Contractor's Name _____
Street Address _____
Street Address _____
City, State, Zip _____
Mailing Address _____
(If same as Street Address, _____
write same or same as above) _____
Business Phone (with area code) _____
Cell or Mobile Phone (with area code) _____
Other Contact Number (with area code) _____
Fax Number _____
Email Address _____
Social Security Number _____
Business License Number _____
Federal Tax ID Number _____
Contractor's License Number & Classification _____

2. CONTRACTOR SERVICES, FEES, AND RELEVANT DATES:

A. The Contractor's scope of work, responsibilities, requirements, provisions, and

additional terms and conditions required to be performed by the Contractor the services of this RFP are described in Exhibit "A" attached hereto and incorporated herein by this reference.

B. The District's responsibilities, other than payment, are described in Exhibit "B" attached hereto and incorporated herein by this reference.

C. Payment terms are provided in Exhibit "C" attached hereto and incorporated herein by this reference.

D. The Contract Starting Date is July 1, 2013 and the Contract Ending Date is June 30, 2014. Any provisions for extending the term of the Contract for subsequent terms are provided in Exhibit "D" attached hereto and incorporated herein by this reference. The District acknowledges that it will consider Contractor's requests for extensions of time in which to complete the work required. The Contractor shall not be responsible for performance delays caused by others or delays beyond the Contractor's reasonable control (excluding delays caused by non-performance or unjustified delay by Contractor, his/her/its employees, or subcontractors), and such delays shall extend the time for performance of the work by the Contractor.

E. Contractor's Proposal, including but not limited to the Bid Schedule, Additional Work Price List, Contract Proposal, Proposed Project Work Schedules, Proposed Annual Material Schedule, Contractor Information, Certification of Non-Discrimination, and List of Subcontractors, are described in Exhibit "E" attached hereto and incorporated by this reference.

3. STANDARD TERMS AND CONDITIONS:

A. Control of Work. Except for compliance with service schedules, general and technical provisions (which may also be referred to herein as specifications) and performance standards as provided for in Exhibit "A," the Contractor is solely responsible for the content and sequence of the work, and will not be subject to control and direction as to the details and means for accomplishing the anticipated results of services. The District will not provide, nor be responsible to provide, any training to the Contractor or his/her/its employees.

B. Intent of Parties. Contractor is, and at all times shall be, an independent contractor and nothing contained herein shall be construed as making the Contractor or any individual whose compensation for services paid by the Contractor, an agent or employee of the District, or authorizing the Contractor to create or assume any obligation or liability for or on behalf of the District, or entitling the Contractor to any right, benefit, or privilege applicable to any officer or employee of the District.

C. Subcontracting. Contractor may retain or subcontract for the services of other necessary contractors with the prior written approval of the District. Payment for such services shall be the responsibility of the Contractor. Any and all subcontractors shall be subject to the terms and conditions of this Contract, with

the exception that the District shall have no obligation to pay for any subcontractor services rendered. Contractor shall be responsible for paying prevailing wages where required by law [See California Labor Code Sections 1770 through 1777.7].

D. Legal Considerations. The Contractor shall comply with applicable federal, state, and local laws in the performance of this Contract.

E. Contractor Indemnification. Contractor shall indemnify, defend and hold the City of Moreno Valley (City), the Moreno Valley Housing Authority (Housing Authority), and the Moreno Valley Community Services District (District), and the their officers, agents and employees harmless from any and all claims, damages, losses, causes of action and demands, including reasonable attorney's fees and costs, incurred in connection with or in any manner arising out of Contractor's performance of the work contemplated by this Contract. Acceptance of these terms by both parties constitutes a Contract and signifies that the Contractor is not covered under the City's general liability insurance, employee benefits, or worker's compensation. It further establishes that the Contractor shall be fully responsible for such coverage.

F. District Indemnification. The District agrees to indemnify, defend and save the Contractor and his/her/its officers, agents and employees harmless from any and all liability, claims, damages or injuries to any person, including injury to the City's, Housing Authority's and the District's employees and all claims which arise from or are connected with the negligent performance or failure to perform the services or other obligations of the District under this Contract, or are caused or claim to be caused by the negligent acts of the City, Housing Authority, and the District, their officers, agents or employees, or its subcontractor(s) or any person acting for the District or under its control or direction; provided, however, that this indemnification and hold harmless shall not include any claims arising from the sole negligence or willful misconduct of the Contractor, its officers, agent, employees, or subcontractors.

G. Insurance Requirements. Where determined applicable by the District, Contractor will comply with the following insurance requirements at its sole expense. Insurance companies shall be rated (A Minus: VII—Admitted) or better in Best's Insurance Rating Guide and shall be legally licensed and qualified to conduct business in the State of California:

☒ General Liability Insurance—to protect against loss from liability imposed by law for damages on account of bodily injury, including death, and/or property damage suffered or alleged to be suffered by any person or persons whomever, resulting directly or indirectly from any act or activities of the Contractor, subcontractor, or any person acting for the Contractor or under its control or direction. Such insurance shall be maintained in full force and effect throughout the terms of the Contract and any extension thereof in the minimum amounts provided below:

Bodily Injury	$1,000,000 per occurrence/ $2,000,000 aggregate
Property Damage	$1,000,000 per occurrence/ $2,000,000 aggregate

☐ Professional Errors and Omission Insurance—such coverage shall not be less than $1,000,000 per claim and aggregate.

☒ Worker's Compensation Insurance—in such amounts as will fully comply with the laws of the State of California and which shall indemnify, insure and provide legal defense for both the Contractor and the City, Housing Authority, and District against any loss, claim or damage arising from any injuries or occupational diseases happening to any worker employed by the Contractor in the course of carrying out the Agreement. This coverage may be waived if the Contractor is determined to be functioning as a sole proprietor and the city provided form "Exception to Worker's Compensation Coverage" is signed, notarized and attached to this Contract

☒ Liability and Property Damage Insurance coverage for owned and non-owned automotive equipment operated on City/RDA/District premises. Such coverage limits shall not be less than $1,000,000 combined single limit.

☐ Insurance requirements waived with Risk Manager's approval.
By: _____ Date: _____
(Risk Manager)

☐ Insurance requirements modified with Risk Manager's approval and attached hereto as Exhibit "F" and incorporated herein by this reference.

A Certificate of Insurance and appropriate additional insured endorsement evidencing the above applicable insurance coverage shall be submitted to the City's Risk Manager prior to the execution of this Contract. The Certificate of Insurance or an appropriate binder shall bear an endorsement containing the following provisions:

> Solely as respect to services done by or on behalf of the named insured for the Moreno Valley Community Services District, it is agreed that the City of Moreno Valley, the Moreno Valley Housing Authority, and the Moreno Valley Community Services District, their officers, employees and agents are included as additional insured under this policy and the coverage(s) provided shall be primary insurance and not contributing with any other insurance available to the City of Moreno Valley, the Moreno Valley Housing Authority, the Moreno Valley Community Services District, and, their officers, employees and agents, under any third party liability policy.

The terms of the insurance policy or policies issued to provide the above coverage shall neither be amended to reduce the required insurance limits and coverages nor shall such policies be canceled by the carrier without thirty (30) days prior written notice by certified or registered mail to the City of amendment or cancellation, except that cancellation for non-payment of premium shall require ten (10) days prior written notice by certified or registered mail. In the event the insurance is canceled, the Contractor shall, prior to the cancellation date, submit to the Risk Manager new evidence of insurance in the amounts established.

H. Intellectual Property. Any system or documents developed, produced or provided under this Contract, including any intellectual property discovered or developed by Contractor in the course of performing or otherwise as a result of its work, shall become the sole property of the District unless explicitly stated otherwise in this Contract. The Contractor may retain copies of any and all material, including drawings, documents, and specifications, produced by the Contractor in performance of this Contract. The District and the Contractor agree that to the extent permitted by law, until final approval by the District, all data shall be treated as confidential and will not be released to third parties without the prior written consent of both parties.

I. Entire of the Contract. This Contract constitutes the entire agreement between the parties. There are no understandings, agreements, or representations of warranties, expressed or implied, not specified in this Contract. This Contract applies only to the proposal attached. This Contract may be modified or amended only by a subsequent written Contract signed by both parties. Assignment of this Contract is prohibited without prior written consent.

J. Termination.

1. Either party may terminate this Contract upon breach of the Contract by the other party. In the event the District terminates the Contract, the Contractor shall perform no further services under the Contract unless the notice of termination authorizes such further work.

2. The District may terminate this Contract without fault on the part of the Contractor by giving at least ten (10) days written notice to the Contractor. The written notice shall specify the date of termination. Upon receipt of such notice, the Contractor may continue services on the project through the date of termination, provided that no service(s) shall be commenced or continued after receipt of the notice, which is not intended to protect the interest of the District. The District shall pay the Contractor within thirty (30) days after the date of termination for all non-objected to services performed by the Contractor in accordance herewith through the date of termination.

K. Payment. Payments to the Contractor, pursuant to this Contract will be reported to Federal and State taxing authorities as required. The District will not withhold any sums from compensation payable to Contractor, except as provided for in Exhibit "C". Contractor is independently responsible for the payment of all applicable taxes. Where the payment terms provide for compensation on a time and materials basis, the Contractor shall maintain adequate records to permit inspection and audit of the Contractor's time and materials charges under the Contract. Upon reasonable notice, such records must be made available to the District's agent; however, nothing herein shall convert such records into public records. Such records shall be retained by the Contractor for three (3) years following completion of the services under the Contract.

L. Restrictions on District / City Employees. The Contractor shall not employ any

District or City employee or official in the work performed pursuant to this Contract. No officer or employee of the District or City shall have any financial interest in this Contract in violation of federal, state, or local laws.

M. Choice of Law and Venue. The laws of the State of California shall govern the rights, obligations, duties, and liabilities of the parties to this Contract, and shall govern the interpretation of this Contract. Any legal proceeding arising from this Contract shall be brought in the appropriate court located in Riverside County, State of California.

N. Notices. All notices, requests, demands or other communications ("notice") under this Contract by any party shall be in writing, shall be properly addressed as set forth below (or to such other address as any party may later designate), and shall be sufficiently given on the date: (a) of service if served personally upon the person to whom notice is to be given, (b) receipt is confirmed with the addressee by telephone if a notice is sent by telex, telecopier, facsimile or other telecommunication facility, or (c) of receipt if a notice is sent by courier or by registered or certified mail, return receipt requested, postage prepaid:

ADDITIONAL OPTIONAL INFORMATION

INSTRUCTIONS FOR COMPLETING THIS FORM

Any acknowledgment completed in California must contain verbiage exactly as appears above in the notary section or a separate acknowledgment form must be property completed and attached to that document. The only exception is if a document is recorded outside of California. In such instances, any alternative acknowledgment verbiage as may be printed on such a document so long as the verbiage does not require the notary to do something that is illegal for a notary in California (i.e. certifying the authorized capacity of the signer). Please check the document carefully for proper notarial wording and attach this form if required.

- State and County information must be the State and County where the document signer(s) personally appeared before the notary public for acknowledgment.
- Date of notarization must be the date that the signer(s) personally appeared which must also be the same date the acknowledgment is completed.
- The notary public must print his or her name as it appears within his or her commission followed by a comma and then your title (notary public).
- Print the name(s) of document signer(s) who personally appear at the time of notarization.
- Indicate the correct singular or plural forms by crossing off incorrect forms (i.e. ~~he~~/she/~~they~~, is/~~are~~) or circling the correct forms. Failure to correctly indicate this information may lead to rejection of document recording.
- The notary seal impression must be clear and photographically reproducible. Impression must not cover text or lines. If seal impression smudges, re-seal if a sufficient area permits, otherwise complete a different acknowledgment form.
- Signature of the notary public must match the signature on file with the office of the county clerk.
  - ❖ Additional information is not required but could help to ensure this acknowledgment is not misused or attached to a different document.
  - ❖ Indicate title or type of attached document, number of pages and date.
  - ❖ Indicate the capacity claimed by the signer. If the claimed capacity is a corporate officer, indicate the title (i.e. CEO, CFO, Secretary).
- Securely attach this document to the signed document.

KNOW ALL MEN AND WOMEN BY THESE PRESENTS:

THAT WHEREAS, the Board of Directors of the Moreno Valley Community Services District, State of California, known as "CSD," has awarded to _____, as Principal hereinafter designated as "Contractor" and CSD is about to entered into an Agreement whereby the Contractor agrees to maintain the Streetscape Landscaping and Irrigation, as outlined in said Agreement, effective on the date signed by the President of the CSD Board or the District Manager to the CSD Board, and identified as **PROJECT NO. E-2 ~~AND E-16~~/13-14**, is hereby referred to and made a part hereof; and

WHEREAS, said Contractor under the terms of said Agreement is required to furnish a bond guaranteeing the faithful performance of said Agreement;

NOW THEREFORE, we the undersigned Contractor and_____, as Surety, are held and firmly bound unto the Moreno Valley Community Services District, County of Riverside, in the penal sum of_____ dollars, ($_____), lawful money of the United States, to be paid to the said CSD or its certain attorney, its successors and assigns; for which payment, well and truly to be made, we bind ourselves, our heirs, executors and administrators, successors and assigns, jointly and severally liable (CCP 995.320 (a)(1)), firmly by these presents.

THE CONDITION OF THIS OBLIGATION IS SUCH, that if the above bound Contractor, his or her or its heirs, executors, administrators, successors or assigns, shall in all things stand to and abide by, and well and truly keep and perform the covenants, conditions and provisions in said Agreement and any alterations thereof made as therein provided, on his or her or their part, to be kept and performed at the time and in the manner therein specified, and in all respects according to their true intent and meaning, and shall indemnify and save harmless the City of Moreno Valley, its officers, agents and employees, as therein stipulated, then this obligation shall become null and void; otherwise it shall be and remain in full force and effect. In the event suit is brought upon this bond by the City and judgment is recovered, the Surety shall pay all costs incurred by the City in such suit, including a reasonable attorney fee to be fixed by the court.

The Surety hereby stipulates and agrees that no change, extension of time, alteration, or addition to the terms of the Agreement or to the work to be performed thereunder, or the Provisions accompanying the same shall in any way affect its obligations on this bond, and it does hereby waive notice of any such change, extension of time, alteration or addition to the terms of the Agreement or to the work or the Provisions.

HIDDEN SPRINGS (E-2) ~~AND SHADOW MOUNTAIN (E-16)~~
MAINTENANCE OF PARKWAY MEDIAN AND OPEN SPACE
LANDSCAPING AND IRRIGATION

1. GENERAL PROVISIONS - SCOPE OF WORK

A. The work to be performed under this Contract shall include the furnishing of all labor, material, and equipment necessary for the provision of landscape and appurtenant maintenance services within the boundaries of the various zones of the District as determined in the resolutions of the City Council (Community Services District Board) establishing said zones, and as said boundaries may have been heretofore or may be hereafter altered, and as more particularly shown on the Location Map or Maps attached at the end of this exhibit, Section 21, Project Location Map.

B. The Contractor shall have the duty to: mow, edge, trim, and fertilize turf, if applicable, groundcover, and shrub areas designated hereunder; regularly maintain and prune those portions of trees up to eighteen feet (18') in height; remove litter and debris from all sites as required under this Contract; provide general pest control services as requested, including but not limited to weeds, insects, and diseases; maintain irrigation systems; hand water and bleed valves as necessary during emergencies when automatic systems are not functioning.

C. All work shall be performed in accordance with usual and customary horticultural practices to achieve, and maintain healthy, viable landscapes. The ~~Financial and Management Services Director~~ Chief Financial Officer/City Treasurer of the City of Moreno Valley, or his/her delegated representative(s), hereinafter designated as "Director" will periodically inspect all the operations and approve or reject the work performed, and methods or materials used, and make changes in work scheduling.

D. The Contractor shall be responsible for carefully reviewing the site(s), and verifying the square footage noted for each location of proposed work is included in the Proposal. The Contractor shall not be relieved of his/her/its liability under this Contract, nor the District or City be held liable for any loss sustained by the Contractor as a result of any variance between conditions as referred to in the Technical Provisions, and the actual conditions revealed during the examination of the locations of the proposed work.

E. All work shall be performed in accordance with the General and Technical Provisions of this Contract and in accordance with an approved service schedule, as approved by the Director. Service schedules may be modified with 30 days advance written notice by the District.

2. GENERAL PROVISIONS - SCHEDULING OF WORK

A. The Contractor will adhere to the facilities, equipment and monthly and annual work schedules submitted as a part of the Contractor's RFP, and incorporated herein by this reference. These schedules, and any approved revisions thereto, will be used by the District as a basis for determining Contractor's satisfactory performance.

B. Revisions to facilities, equipment, or monthly and annual work schedules may not be implemented without the prior written approval of the Director. The Contractor is required to submit proposed revisions regarding facilities, equipment or monthly and annual work schedules in writing to the District at the address as set forth in the Independent Contractor Agreement, Section 3, paragraph N. at least ten (10) working days prior to commencing work per the proposed revisions.

C. Failure to submit proposed revisions concerning facilities, equipment, or work schedules by the time limits established hereinabove may result in the Contractor becoming liable to the District for non-performance penalties per Exhibit C, Section 4.

D. The above provisions shall not be construed to eliminate the Contractor's responsibility for complying with the requirement to notify the Director for Specialty type maintenance as set forth immediately hereinafter.

E. The Contractor shall notify the Director in writing at least five (5) working days prior to the date and time of all "Specialty" type maintenance operations. Specialty type maintenance operations includes, but is not limited to:

1. Fertilization;
2. Turf Aeration;
3. Application of pesticides by any method;
4. Other operations so designated by the Director.

Notification of "Specialty" maintenance operations shall include a brief description of intended method(s) of execution, materials to be used, and the dates for commencement and completion of said operations. Failure to complete "Specialty" operations by the indicated date may result in the assessment of non-performance penalties per Exhibit C, Section 4.

F. When inclement weather renders performance per the approved schedule unsafe, impractical, or liable to damage landscaping, the Contractor is required to adjust his work force in order to accomplish those work items not affected by weather, and will contact District field staff to inform them of said alternate work assignments. Failure to advise the District may be cause for assessment of non-performance penalties per Exhibit C, Section 4.

G. For the purposes of this Contract, "Working Days" are Mondays through Thursdays, excluding holidays as provided herein. The hours of on-site maintenance service will be from 7:00 a.m. to 4:30 p.m., not including mobilization to or from work site, on those days maintenance is to be provided pursuant to the work schedule as approved by the Director. Any work the Contractor proposes to perform outside of the days and hours set forth hereinabove, as well as on legal City holidays, shall not be undertaken without the prior written approval of the Director.

The following days have been designated as holidays by the City:

New Year's Day	January 1
Martin Luther King Jr. Day	3rd Monday in January
President's Day	3rd Monday in February
Memorial Day	Last Monday in May
Independence Day	July 4
Labor Day	1st Monday in September
Veteran's Day	November 11
Thanksgiving Day	4th Thursday in November
Day after Thanksgiving	4th Friday in November
Christmas Eve	December 24
Christmas Day	December 25

If a holiday falls upon a Sunday, the following Monday shall be the day the holiday is observed. If a holiday falls upon a Saturday, the preceding Friday shall be the day the holiday is observed. If a scheduled maintenance service day falls on a designated holiday, the Contractor shall submit a proposed make-up day for the Director's approval.

3. GENERAL PROVISIONS - FUNCTIONS AND RESPONSIBILITIES

A. The Director and Contractor shall conduct an inspection of all sites covered under this Contract as soon as practicable after its execution, and prior to commencement of Contractor's operations. Following said inspection, the Contractor shall submit to the Director a written affidavit certifying the actual condition of the site(s) relative to District Specifications, including but not limited to the nature and extent of any deficiencies noted by the Contractor, and acknowledged by the Director. The Contractor is hereby advised that this affidavit shall serve as the benchmark for the Director's evaluation of Contractor's performance under this Contract. Failure to maintain site(s) up to this established standard may result in the District deducting payment of all or part of the Contractor's compensation, as further described in Exhibit C., Section 3.

B. The Contractor shall on an ongoing basis maintain a monthly log that records all work performed by the Contractor. Said log shall be in a form and content acceptable to the Director (see Exhibit G, Monthly Landscape Services Report Form), and shall be submitted to the Director by the tenth day of each month, one (1) month in arrears.

C. The monthly payment for the work so reported will not be authorized until such report (Monthly Report) is received, and approved by the Director.

D. The Director may require the Contractor to attend meetings with the District field staff at some fixed interval to review the Contractor's operations, and schedule future work as may be ordered by the Director. Failure to attend regularly scheduled meetings may result in the assessment of non-performance penalties per Exhibit C., Section 4.

E. The Contractor shall maintain an office at some fixed place, and be listed in the telephone directory in Contractor's own name or in the Contractor's company name. Contractor shall at all times employ some responsible person(s) to receive phone calls and take the necessary action regarding all inquiries, complaints, and/or emergency calls that may be received from the Director or other authorized individuals or agencies as listed in Exhibit A, Section 3., paragraph ~~E~~ F. below. This person(s) shall be reachable twenty-four (24) hours per day, seven (7) days a week. During normal working hours, the Contractor's Supervisor or employee designated as being responsible for providing maintenance services to the District shall be directly available for immediate notification through some type of reliable electronic means, including but not limited to, mobile or cellular phone. The Contractor or Contractor's designated employee shall confirm said notification within one (1) hour of receipt. An answering service will be considered an acceptable substitute for coverage <u>only</u> during periods outside of normal working hours, provided Contractor is advised of emergency calls within one (1) hour of receipt of the call by the answering service and within twenty-four (24) hours after receipt of non-emergency calls by the answering service. The above provision for Contractor's communication with the District is the <u>minimum</u> acceptable standard under this Contract. Failure to regularly provide said communication capability may result in the Contractor being assessed non-performance penalties, per Exhibit C., Section 4.

F. The Contractor shall respond to an emergency call from any of the parties listed below no later than two (2) hours following first notification by telephone, written email, written mailed correspondence or facsimile transmission. In situations involving emergency repair work after normal working hours, the Contractor shall dispatch qualified personnel, and equipment to reach the site within two (2) hours of first notification. An emergency may be called by the following individuals or agencies at **<u>any</u>** time:

1. City Manager
2. Chief Fin. Officer/City Treasurer ~~Financial & Mgmt. Ser. Dir~~.
3. Police Department
4. Fire Department
5. Special Districts Division Manager
6. Street Maintenance Supervisor
7. Senior Landscape Services Inspector
8. Landscape Services Inspector
9. Landscape Irrigation Technician

Contractor's emergency response and any necessary corrective work shall be considered Additional Work as defined in Exhibit C., Section 2, unless said emergency is determined to have been caused by an act or omission attributable to the Contractor.

4. GENERAL PROVISIONS - CONTRACTOR'S STAFF

A. The Contractor shall provide sufficient personnel to perform all work in accordance with the Specifications set forth herein. All of the Contractor's maintenance personnel shall be supervised at the work site(s) by a qualified Supervisor in the employ of the Contractor. Work Site Supervisors must be able to demonstrate to the satisfaction of the Director that they possess adequate technical background, and communication skills to perform the intended services. Adequate and competent supervision shall be provided for all work done by the Contractor's employees to ensure accomplishment of high quality work, which will be acceptable to the Director. Any order or communication given to the Work Site Supervisor shall be deemed to have been delivered to the Contractor.

B. The Contractor and his employees and subcontractors, if any, shall conduct themselves in a proper, professional, and efficient manner at all times, and shall cause the least possible inconvenience to the public.

C. The Director may require the Contractor to remove from the work site any employee(s) deemed careless, incompetent, or otherwise objectionable, whose continued employment on the job is considered to be contrary to the best interests of the District.

D. The Contractor shall require each employee performing work under the Contract to adhere to basic public works standards of working attire, including but not limited to wearing of proper clothing, proper shoes, and other gear required by applicable Safety Regulations and/or fertilizer/pesticide label requirements.

   Shirts shall be worn at all times, and shall be buttoned. Approved safety vests shall be worn by Contractor's employees when working on parkway medians, monuments, parkways, and other high traffic-hazard areas as determined by the Director. Failure to comply with the above requirements may make the Contractor liable for assessment of non-performance penalties, per Exhibit C., Section 4.

E. The Contractor shall establish an identification system for Contractor's personnel which clearly indicates to the public the name of the Contractor. The identification system shall be furnished at the Contractor's expense and may include appropriate attire, and/or name badges as specified by the Director.

5. GENERAL PROVISIONS - EMPLOYMENT OF APPRENTICES

The provisions of Sections 1777.5, 1777.6, and 1777.7 of the California Labor Code regarding the employment of properly registered apprentices may apply to this Contract if the Contractor, or any subcontractors thereunder, employs workers in any apprenticeable craft or trade. It is the Contractor's sole responsibility to comply with the Labor Code sections cited above. Information relative to apprenticeship standards, wage schedules, and other requirements may be obtained from the California Department of Industrial Relations.

6. GENERAL PROVISIONS - COMPLAINTS

A. All complaints shall be responded to as soon as possible after notification, but in all cases within twenty-four (24) hours, to the satisfaction of the Director. If any complaint is not satisfactorily responded to within twenty-four (24) hours, the Director shall be notified immediately of the reason for not remedying the complaint followed by a written report to the Director within five (5) working days. If the complaints are not remedied within the time specified, and to the satisfaction of the Director, the Director may correct the specific complaint by using an alternative source. The total cost incurred by the District to effect necessary remedies will be deducted from the payments owing to the Contractor from the District, per Exhibit C., Section 3.

B. The Contractor shall maintain a written log of all complaints, the date and time thereof, and the action taken pursuant thereto, or the reason for non-action. Said log shall be submitted to the Director monthly as set forth in Section 3, paragraph B.

C. In addition to the provisions of Section 6., paragraph A. in the event of a failure by the Contractor to satisfactorily remedy a complaint in a timely manner or for any other breach of this Contract by Contractor, the District may immediately upon written notice to the Contractor terminate this Contract.

7. GENERAL PROVISIONS - SAFETY

A. The Contractor agrees to perform all work as outlined in the Provisions listed herein in such a manner as to meet all accepted standards for safe practices and to safely maintain equipment, machines, and materials, and prescribe and employ all precautions and safety procedures related to other hazards consequential to the work; and accepts additionally the sole responsibility for complying with all local, State, Federal and other legal requirements including but not limited to, full compliance with the terms of any and all applicable OSHA and Cal/OSHA Safety Orders at all times so as to protect all persons, including Contractor's employees and subcontractors, agents of the District, City, materialmen, vendors, members of the public and others from foreseeable injury, or damage to their property.

B. The Contractor's operations shall be conducted in such a manner as to cause the least possible obstruction, and inconvenience to public traffic. The Contractor shall furnish, erect and maintain such fences, barriers, lights and warning signs as may be deemed necessary by the Director, or any duly constituted public safety official.

   Contractor's work area traffic control, including but not limited to type and placement of signs, barricades, and delineators, shall be in accordance with the "Manual of Uniform Traffic Control Devices, 2009 (or most current revised version) California Supplement".

   Contractor's work should not encroach into open lanes of traffic between the hours of 7:00 a.m. and 8:30 a.m., or between the hours of 3:30 p.m. and 6:00 p.m.

C. The Contractor shall maintain all work sites free of hazards to persons or property resulting from Contractor's operations. The Contractor shall inspect for all potential hazards at said areas under maintenance, and keep a log indicating date inspected, and action taken. Said log shall be submitted to the Director monthly as set forth in Section 3, paragraph B. above. Any hazardous condition noted by the Contractor, which is not a result of Contractor's operations, shall be immediately reported to the Director.

D. The Contractor shall be responsible for making minor corrections, including but not limited to, filling holes in turf areas, replacing valve box covers, and repairing irrigation systems, so as to protect members of the public or others from injury.

   The Contractor shall cooperate fully with the District or City in the investigation of any accidental injury or death occurring on the site, including a complete written report thereof to the Director within five (5) working days following the occurrence.

E. Failure to comply with the provisions of this section of Exhibit A may result in: payment deduction per Exhibit C, Section 3 of the Contract, or assessment of non-performance penalties per Exhibit C., Section 4. Repeated failure to comply with the provisions of this section may result in contract termination, per Exhibit A, Section 3, paragraph J of the Contract Agreement.

8. USE OF CHEMICALS

A. Before the beginning of the Contract period, the Contractor is required to submit a list, which shall include the exact Brand Name, Label, and Material Safety and Data Sheet (MSDS) of all chemicals proposed for use under this Contract, including but not limited to fertilizers and pesticides, for approval by the Director. Where applicable, materials included on this list shall be chemicals as approved by the State of California Department of Food and Agriculture.

B. Director shall be notified in writing of any changes or deviations from the above list. Use or application of said materials shall not be made prior to approval by the Director. Failure to comply with this requirement may result in the assessment of non-performance penalties, per Exhibit C., Section 4.

C. Chemical applications, including but not limited to fertilizers and pesticides, shall be made in strict compliance with the label directions, restrictions, and precautions as well as with any other requirements deemed necessary by any county, state, or federal regulatory agency, or the Financial & Management Services Department of the City of Moreno Valley.

D. Contractor shall report all fertilizers and pesticides used in the performance of the work as an element of Contractor's Monthly Report, as set forth in Exhibit A, Section 3, paragraph B. This report shall include: the date, time of day, location, type of material, method of application, and environmental data.

9. NATIONAL POLLUTANT DISCHARGE ELIMINATION SYSTEM (NPDES) PERMIT - REQUIRED URBAN RUNOFF MANAGEMENT TRAINING

The Contractor shall provide National Pollutant Discharge Elimination System (NPDES) Permit training for Urban Runoff Management to Contractor's employees and subcontractors if any. Failure to provide Urban Runoff Management training is a violation of Order No. R8-2002-0011, NPDES No. CAS 618033 (Municipal Separate Storm Sewer System NPDES Permit), Section XI.I, for each day of which such failure occurs, and shall in addition, be a breach of the Contract with the City of Moreno Valley (City) and/or the City of Moreno Valley Community Services District (District). Contractor understands and agrees that NPDES Permit violations are grounds for enforcement action by the Environmental Protection Agency, the State/Regional Water Resources Control Board, and the City and may result in permit termination (stop work order), civil and criminal fines, and termination of Contract. By submitting a proposal, the Contractor certifies to the City and District that Contractor's employees and subcontractors, if any, have been trained for Urban Runoff Management, and sufficient sums are included in the proposal's amount to cover costs of such said training.

10. LICENSES AND PERMITS

The Contractor shall, without additional expense to the District or City, possess all licenses and permits, including but not limited to a valid City Business License, required for the performance of the work under this Contract.

11. PREVAILING WAGE

A. Pursuant to provision of Section 1773 of the Labor Code of the State of California, the Moreno Valley Community Services District has obtained the general prevailing rate of per diem wages applicable for the work to be done, including but not limited to: straight time, overtime and holiday work; travel and subsistence payments;

employee payments of health and welfare, vacation, pension, and similar purposes. Said rate and scale are on file with the Financial & Management Services Department of the City of Moreno Valley, and copies will be made available to any interested party on request. These rates shall be the minimum wage rates for this project. Throughout the term of this Contract, the Contractor will be required to post a copy of said rate, and scale as required by the Labor Code.

B. Pursuant to provisions of Section 1775 of the Labor Code, the Contractor shall forfeit as penalty to the Moreno Valley Community Services District, not more than fifty dollars ($50.00) for each laborer, workman, or mechanic employed for each calendar day or portion thereof, if such laborer, workman, or mechanic is paid less than the general prevailing rate of wages hereinabove stipulated for any work done under the attached contract, by the Contractor or by any subcontractor under Contractor's direction and control, in violation of the provisions of said Labor Code.

12. PAYROLL RECORDS

A. The Contractor, and any subcontractor thereunder, shall keep complete and accurate payroll records for each workman employed by Contractor/subcontractor in connection with this Contract, as required by California Labor Code Section 1776.

B. The Contractor, and any subcontractor thereunder, shall make available to the District upon its request certified payroll records for each workman employed in connection with this contract as required by California Labor Code Section 1776.

C. The District may withhold from Contractor's progress payments the penal sum of twenty-five dollars ($25.00) per calendar day (or portion thereof) for each worker employed in connection with this Contract should Contractor, or any subcontractors thereunder, fail to strictly comply with California Labor Code 1776 after receiving written notice of non-compliance.

13. BONDS

Pursuant to Section 3247 of the Civil Code, the Contractor hereby agrees to provide and maintain in full force and effect for the duration of this Contract, two (2) good, and sufficient surety bonds, to wit:

A. A "Faithful Performance Bond" in the amount of one hundred percent (100%) of the contract price, which shall guarantee the faithful performance of all work, and;

B. A "Materials and Labor Bond" in the amount of one hundred percent (100%) of the contract price, which shall secure the payment of the claims of labor, mechanics or materialmen for all work performed hereunder.

14. SUBSTITUTION OF SECURITIES

Pursuant to California Public Contract Code Section 22300, the Contractor will be permitted the substitution of securities for any monies withheld by the Moreno Valley Community Services District to ensure performance under Contract. At the request and expense of the Contractor, securities equivalent to the amount withheld shall be deposited with the Moreno Valley Community Services District, or with a state or federally chartered bank as the escrow agent, who shall pay such monies to the Contractor. Securities eligible for substitution under this section shall include those listed in Section 16430 of the Government Code, bank or savings and loan certificates of deposit, interest-bearing demand deposit accounts, and standby letters of credit. The Contractor shall be the beneficial owner of any securities substituted for monies withheld, and shall receive any dividends or interest thereon. The Contractor shall give the District written notice within thirty (30) days after the Contract is awarded that it desires to substitute securities for money that would ordinarily be withheld. If the substituted securities are deposited into an escrow, the escrow shall be governed by a written escrow agreement in a form which is substantially similar to the agreement set forth in Section 22300 of the Public Contract Code.

15. CONTRACTOR'S LIABILITY

The Contractor shall be responsible for all damages to people and/or property that occur as a result of the fault or negligence attributable to Contractor in connection with the performance under this Contract. Any and all restitution or repairs deemed necessary by the Director to remedy such damages shall be furnished and performed at the Contractor's sole expense, and shall be completed within the time limits established by the Director.

16. CONTRACTORS LICENSE

Contractors are required by law to be licensed, and regulated by the Contractors' State License Board. Contractor will comply with all applicable licensing laws, and regulations. Any questions concerning a Contractor may be referred to the Registrar, Contractors' State License Board, 9821 Business Park Driver, Sacramento, CA 95827. Mailing address: P.O. Box 26000, Sacramento, CA 95826.

17. TECHNICAL PROVISIONS

A. TURF CARE (IF APPLICABLE)

1. All turf areas shall be mowed, edged, and trimmed per the Frequency of Service Table, as set forth in Exhibit E. Should weather and/or site conditions preclude the normally scheduled frequency of this service during any month, or portion thereof, the maintenance schedule shall be modified at the discretion and approval of the Director.

2. At the discretion of the Director, turf areas may be mowed with mulching-type mowers of a type acceptable to the District.

3. All mowing and edging equipment shall: be in proper working order; have blades properly sharpened, balanced, and aligned; be thoroughly cleaned of all excess clippings, soil, and debris prior to move-in at each site.

4. All clippings, soil, and debris generated by mowing and edging operations shall be immediately collected, removed from the site, and disposed of in a legal manner. For the purposes of this Specification the term "site" shall include, but is not limited to, appurtenant hardscaping, sidewalks, curbs and gutters.

5. Machines operating on turf known to have a disease, fungus, or insect infestation shall be sterilized with a ten percent (10%) chlorine bleach, and water solution prior to move-in to any other site.

6. Mowing height for cool season grasses shall not exceed three inches (3") maximum, or two inches (2") minimum, and shall be adjusted within these parameters on a seasonal basis.

7. Mowing height for warm season grasses shall not exceed one and one-half inches (1½") maximum, or three-quarters of an inch (¾") minimum, and shall be adjusted within these parameters on a seasonal basis.

8. All turf borders shall be cut with a vertical blade edger. Use of string trimmers to perform this task is not acceptable.

9. Trimming around turf appurtenances (i.e., valve and meter boxes, backflow devices and controller enclosures, sprinklers) may be accomplished through the use of string trimmers.

10. Whenever trees occur in turf areas, a six inch (6") ring of grass shall be removed from around the trunks in order to protect the crowns from mechanical damage. These rings shall be maintained in a clean, weed free condition.

11. Thin areas in turf shall be resodded or reseeded as necessary to prevent invasion of weeds.

12. Fertilization: See Technical Provisions - Fertilization, Section 18.

13. Pest control: See Technical Provisions - Pesticide Use, Section 19.

14. Aeration:

    (a) All turf areas shall be aerated per the Frequency of Service Table, as set forth in Exhibit E, unless otherwise directed by the Director;

(b) Aeration equipment shall be of the hollow tine type. The tines shall have a minimum diameter of one-half inch (½"), and a penetration depth of at least two inches (2"). There shall be no more than six inches (6") between tines;

(c) Areas to be treated shall be adequately irrigated prior to treatment to allow maximum tine penetration;

(d) Any soil cores remaining on the turf surface two (2) weeks after treatment must be removed;

(e) Humus base fertilizer is to be applied directly following spring and fall aeration operations. See Technical Provisions – Fertilization, Section 18.

15. Renovation/thatching and additional areation operations are to be considered Additional Work, per Exhibit C., Section 2.

16. Failure to adhere to the Technical Provisions of this section may result in the assessment of non-performance penalties per Exhibit C., Section 4.

B. TREE CARE

1. All trees are to be maintained in a manner that will promote normal, healthy growth.

2. For the purposes of these Specifications, trimming, pruning, and pest control operations for those portions of trees in excess of eighteen feet (18') in height is to be considered Additional Work, per Exhibit C., Section 2.

3. Whenever site conditions permit, trees are to be allowed to grow to assume their full, natural shape, with the minimum constraints necessary to assure public safety and tree survival. All tree pruning shall be done in conformance with **ANSI 300-2001**, (or most current revision); safety requirements shall be per **ANSI Z133-1994** (or most current revision) standards.

4. Trees shall be pruned at any time in order to:

   (a) Remove dead, diseased, or damaged branches;

   (b) Remove unwanted encroachments into public and/or utility rights-of-way;

   (c) Correct any condition which the Director has deemed to be hazardous.

5. Portions of trees up to eighteen feet (18') in height shall:

   (a) Be pruned to enable successful adaptation to their particular site situation;

   (b) Have no more than one-third (1/3) of living branches removed annually;

   (c) Be fertilized only as directed by District field staff.

6. Portions of trees over eighteen feet (18') in height shall:

   (a) Be inspected annually;

   (b) Pruned and/or trimmed as necessary to maintain proper site orientation;

   (c) Pruned and/or trimmed as necessary to remove unwanted encroachments into public, and/or utility rights-of-way;

   (d) Pruned and/or trimmed as necessary to correct any condition which the Director has deemed to be hazardous.

7. Pruning tools shall:

   (a) Be kept properly sharpened, and in proper working order;

   (b) Be sterilized with five percent (5%) chlorine bleach and water solution before commencing work, and between cuts on any tree known to be diseased.

8. The following practices shall <u>not</u> be allowed:

   (a) internodal cuts of any kind (a.k.a. "stubbing", "shearing", "tipping", "topping");

   (b) Cuts made flush with trunk or branch. The integrity of branch collars is to be maintained at all times;

   (c) Use of pruning paint/pruning compound/wound dressing;

   (d) Use of climbing spurs or gaffs.

9. All prunings/trimmings and debris generated by pruning operations shall be immediately removed from the site, and disposed of in a legal manner.

10. Trees shall be staked/guyed in a manner, and with materials that are acceptable to the Director. Double staking with two (2) lodge pole-type stakes is the minimum District standard.

11. Tree stakes, tree ties, and guy wires shall be inspected regularly to ensure against girdling and abrasion, and removed as soon as possible after tree establishment, and site conditions allow.

12. Pest control: See Technical Provisions – Pesticide Use, Section 19.

13. Failure to adhere to the Technical Provisions of this section may result in the assessment of non-performance penalties per Exhibit C., Section 4.

C. SHRUB CARE

1. All shrubs are to be maintained in a manner that will promote normal, healthy growth.

2. For the purposes of these Specifications, shrubs are defined as any multi-stemmed/low branching woody plants whose height at maturity is not less than one foot (1'), or greater than ten feet (10').

3. Whenever site conditions permit, shrubs are to be allowed to grow to assume their full, natural shape, with the minimum constraints necessary to assure public safety and plant survival.

4. Shrubs shall be pruned and/or trimmed per the Frequency of Service Table, as set forth in Exhibit E, unless otherwise directed by the Director, in order to:

   (a) Remove dead, diseased, or damaged branches;

   (b) Remove unwanted encroachments into public and/or utility rights-of-way;

   (c) Correct any condition which the Director has deemed to be hazardous.

5. Shrubs shall be pruned in a manner that will:

   (a) Enable successful adaptation to their particular site situation;

   (b) Follow the maturation of the leaves/needles of the first seasonal growth flush, unless accepted practices for a particular species (i.e. roses) dictate otherwise;

6. Pruning tools must:

   (a) Be kept properly sharpened, and in proper working order;

   (b) Be sterilized with a five percent (5%) chlorine bleach and water solution before commencing work, and between cuts on any shrub known to be diseased.

7. The following practices are not allowed:

   (a) Internodal cuts (a.k.a. "stubbing", "tipping", "topping"). Shearing (a.k.a. "boxing", "hedging", "balling", "poodling") will be done only when authorized by the Director on a site-specific basis.

   (b) Cuts made flush with trunk or branch. The integrity of branch collars is to be maintained at all times.

   (c) Use of pruning paint/pruning compound/wound dressing.

8. Fertilization: See Technical Provisions - Fertilization, Section 18.

9. Pest control: See Technical Provisions –Pesticide Use, Section 19.

10. Failure to adhere to the Technical Provisions of this section may result in the assessment of non-performance penalties per Exhibit C., Section 4.

D. GROUND COVER CARE

1. All ground covers are to be maintained in a manner that will promote normal, healthy growth.

2. For the purposes of these Technical Provisions, ground covers are defined as mass plantings of same-species, multi-stemmed plants with a trailing growth habit, whose height at maturity does not exceed ± one foot (1').

3. Ground covers shall be pruned/trimmed per the Frequency of Service Table, as set forth in Exhibit E , unless otherwise directed by the Director in order to:

   (a) Remove dead, diseased, or damaged branches/crowns;

   (b) Remove unwanted encroachments into or upon public and/or utility rights-of-way, as well as other landscape components (i.e., shrubs, trees, turf areas, irrigation equipment, walls, and monuments);

   (c) Correct any condition which the Director has deemed to be hazardous.

4. Ground covers shall be pruned/trimmed/renovated:

   (a) To enable successful adaptation to their particular site situation;

   (b) In accordance with accepted practices for the particular species in question;

5. Pruning tools shall:

   (a) Be kept properly sharpened, and in proper working order;

   (b) Be sterilized with a five percent (5%) chlorine bleach, and water solution before commencing operations at any site.

6. String trimmers shall not be used for any of the above described operations unless authorized by the Director on a site-specific, task-specific basis.

7. Fertilization: See Technical Provisions - Fertilization, Section 18.

8. Pest control: See Technical Provisions –Pesticide Use, Section 19.

9. Failure to adhere to the Technical Provisions of this section may result in the assessment of non-performance penalties per Exhibit C., Section 4.

E. WEED CONTROL

1. For the purposes of these Specifications, weeds are defined as any plant species whose presence on a site is detrimental to: the appearance of the site, as determined by the Director, and; the normal, healthy growth of the plant materials intended for that site. Any plants which, in the opinion of the Director, constitute a public health or safety hazard shall also be defined as weeds.

2. Weed control shall be addressed per the Frequency of Service Table, as set forth in Exhibit E, unless otherwise directed by the Director.

3. Chemical weed control: See Technical Provisions – Pesticide Use, Section 19.

4. Site areas subject to weed control per these Specifications include, but are not limited to: turf areas, tree wells, shrub, planter, and ground cover beds; hardscape areas, including, but not limited to curbs, gutters, and sidewalks; and non-landscaped portions of sites, as determined by the Director.

5. Debris generated by manual and/or mechanical weed control operations shall be immediately removed from the site, and disposed of in a legal manner.

6. Failure to adhere to the specifications of this section of the Technical Provisions may result in the assessment of non-performance penalties per Exhibit C., Section 4.

F. IRRIGATION

1. Water shall be delivered by means of automatic or manually operated sprinkler systems, quick couplers, hose bibbs, or water tank, as specific site and/or weather conditions require.

2. It shall be the Contractor's duty to maintain all District irrigation systems in a manner that assures their full working capability at all times. Said maintenance shall include, but not be limited to: visual and operational inspections; cleaning/adjusting sprinkler nozzles; flushing of lines; trimming around sprinklers to assure proper coverage; routine repairs; and other tasks as assigned by District field staff.

3. For the purposes of this section, routine irrigation repairs are defined as repair and/or replacement of existing sprinklers or sprinkler components and/or non-pressurized pipe and/or fittings ("lateral lines") that have been rendered inoperable due to: 1) normal operation ("wear and tear"), and; 2) vandalism, theft, and acts or omissions by third parties.

4. All repairs to, and/or replacement of, irrigation system control components (i.e., backflow prevention assemblies, controllers and control wires, manual and remote control valves) and pressurized pipe and fittings ("mainlines") rendered inoperable due to circumstances other than Contractor's operations, shall be considered Additional Work, per Exhibit C., Section 2.

5. The Contractor shall furnish, at no cost to the District, a remote valve actuating device that is compatible with the make, and model installed at the site(s). This device shall be used by Contractor's personnel while conducting operational irrigation system inspections, and/or repairs.

6. Automatic irrigation systems shall:

   (a) Be inspected for, and repaired as necessary to, ensure proper operation and coverage;

   (b) Be turned off during periods of rainfall, or as directed by District field staff;

   (c) Have controller and backflow preventer enclosures, utility vaults and/or pedestals, and valve boxes properly secured at all times.

7. Manually operated irrigation systems shall:

   (a) Be operated only when Contractor's personnel are present on site;

   (b) Be inspected for, and repaired as necessary to, ensure proper operation and coverage not less than at each time of operation;

(c) Have any and/or all enclosures, vaults, and valve boxes properly secured at all times.

8. Parts/components used to effect irrigation system repairs shall be of the same manufacture as those originally installed unless otherwise approved by the Director prior to repair operations.

9. Failure to adhere to the Technical Provisions of this section may result in the assessment of non-performance penalties, per Exhibit C., Section 4.

G. DEBRIS/LITTER

1. Debris/litter control shall be provided per the Frequency of Service Table, as set forth in Exhibit E, unless otherwise stated herein this Section and/or as directed by the Director.

2. The Contractor shall remove immediately after pruning, trimming, weeding, edging or other work required under this Agreement, all debris generated by his or her performance of the work.

3. Contractor shall remove from both planted areas and adjacent hardscapes/walkways the following items, which include but are not limited to: bottles, cans, paper/plastic, cardboard, dog litter, tumbleweeds/windblown plant litter, automobile tires, or metallic items. Sites that are, in the opinion of the Director, exceptionally littered shall be cleared by the Contractor before the close of business the working day following notification of this condition.

4. All hardscape areas that include, but are not limited to sidewalks, curbs, and gutters shall be maintained in a hazard-free condition.

5. The Contractor shall dispose of all debris and litter, as described in paragraphs 1 and 2 above, off-site, and in a legal manner.

6. The Contractor shall notify the Director immediately whenever suspicious and/or hazardous waste materials are discovered within service area sites. Such materials may include, but are not limited to: discarded motor oil, or other petroleum-based liquids; paint; chemical compounds, pesticides, both liquid and dry; any unknown liquid or dry material in an unmarked container; household appliances; household electronic devices such as, televisions, computers and computer monitors; firearms, ammunition or other appliances. Any such articles shall not be touched, handled, or in any way disturbed or moved from the location where they were discovered. Contractor's staff shall secure the area against entry by any third party until District staff arrives at the site.

7. Failure to adhere to the specifications of this section of the Technical Provisions may result in the assessment of non-performance penalties, per Exhibit C., Section 4.

H. GREENWASTE RECYCLING

1. The Public Resources Code (PRC), Division 30, Sections 41000 through 41780 requires that the City of Moreno Valley divert from landfills fifty percent (50%) of the solid waste, including greenwaste, generated within its jurisdiction.

2. For the purposes of this contract, materials defined as "greenwaste" shall include all plant parts (i.e., trimmings, prunings, grass clippings, etc.) removed from contract sites by the Contractor, or any subcontractors thereunder, in the performance of contract's Scope of Work.

3. Contractor, or any subcontractor thereunder, shall deposit all greenwaste generated in the course of the performing the contract's Scope of Work services at a landscape material recycling center, or reuse said greenwaste in some manner. Contractor, or any subcontractor thereunder, shall be solely responsible for all costs incurred in complying with this requirement.

4. The Contractor shall submit a Monthly Greenwaste Report, (see Exhibit I), per The Frequency of Service Table as an element of Contractor's Monthly Reporting requirements, as set forth in Section 3. – Functions and Responsibilities. The Contractor shall provide responses to all information requested therein and shall include, on a separate Monthly Greenwaste Report form, any greenwaste generated through the operations of any subcontractors performing under Contractor's Scope of Work.

5. Failure to adhere to the Technical Provisions of this section may result in the assessment of non-performance penalties, per Exhibit C., Section 4.

18. TECHNICAL PROVISIONS - FERTILIZER

A. TURF FERTILIZATION (IF APPLICABLE)

1. Per the Technical Provisions, Exhibit A, Section 17, No. 14, e. ~~f~~., a humus base fertilizer shall be applied to turf areas in accordance with Table I, below. At the discretion and request of the Director additional applications at the pricing terms as listed in the additional work section of Scheduled II may be provided. Failure to adhere to this specification may result in the assessment of non-performance penalties, per Exhibit C., Section 4. All turf areas are to be fertilized as per Table I. All fertilizers are to be of indicated analysis or better.

TABLE I

Month	Number of Apps	Type of Fertilizer	Rates per 1,000 sq. ft. Lbs. of Actual N	Lbs. of Fertilizer
FEB	1	22-0-6**	1	4.5 lbs
JUN	1	22-5-5*	1.25	5.7 lbs
OCT	1	22-5-5*	1.25	5.7 lbs

*22-5-5/BEST® TURF GOLD or approved equal Controlled-Release fertilizer. These fertilizers to contain micronutrients including iron. See the following section on fertilizers.

**22-0-6/SCOTTS® PROTURF® + Pre-emergent Weed Control or approved equivalent. These fertilizers to contain micronutrients including iron. See the following sections, below, regarding fertilizers.

2. Humus base fertilizers to be applied by drop spreader only.

3. Humus base fertilizers to be composted, screened, and have a minimum nitrogen level of one-half of one percent (0.5%) (Growpower, EZ Green or equal).

4. Any fertilizers containing iron will be completely removed from concrete sidewalks before irrigation to prevent staining.

5. Contractor shall supply to the Director a list of all proposed fertilizers to be used in the fulfillment of this specification, per Exhibit A, Section 8. – Use of Chemicals. Any changes to said list shall be reported per Exhibit A, Section 8. – Use of Chemicals.

6. Written notification is required to Director five (5) working days prior to fertilizer application.

B. SHRUB & GROUND COVER FERTILIZATION

1. The Specifications contained in this Section 18,B. do not apply to the Open Space Areas (Paseos).

2. All shrubs and ground covers shall be fertilized per the Frequency of Service Table, as set forth in Exhibit E. Table II, below provides the standard fertilization guidelines, however the frequency of the application shall comply with the application frequency rates as identified in the Frequency of Service Table, as set forth in Exhibit E. Failure to adhere to this specification may result in the assessment of non-performance penalties, per Exhibit C., Section 4.

TABLE II

Month	Number of Apps	Type of Fertilizer	Rates per 1,000 sq. ft. Lbs. of Actual N	Lbs. of Fertilizer
April	1	23-5-10 *	1.5	6.5 lbs
Sept	1	23-5-10 *	1.5	6.5 lbs

* 23-5-10/BEST@POLY SUPREME or approved equal

3. Any fertilizers containing iron will be removed from concrete sidewalks before irrigation to prevent staining.

4. Contractor shall supply to the Director a list of all proposed fertilizers to be used in the fulfillment of said Contract, per Exhibit A, Section 8. – Use of Chemicals. Any changes to said list shall be reported per Exhibit A, Section 8. – Use of Chemicals.

5. Written notification is required to Director five (5) working days prior to fertilizer application.

6. For fertilizer application reporting specifications, see Exhibit A, Section 3 – Functions and Responsibilities and Exhibit A, Section 8. – Use of Chemicals.

C. TREE FERTILIZATION

1. The intent of tree fertilization is to maintain normal and healthy growth of trees, not to produce excessive, rapid, or unnatural growth. Tree fertilization shall be considered Additional Work, per Exhibit C., Section 2.

2. All trees shall be fertilized as directed by District field staff. Fertilizer type and rates will be specified on a per job basis.

   (a) Fertilizer will be placed per manufacturer's recommendations, or as directed by District field staff.

   (b) No injecting or drilling into tree trunk will be allowed.

   (c) Applications shall be made when the first growth flush of the year is at 80% leaf expansion, but not before April 30.

   (d) Any fertilizers containing iron will be removed from concrete surfaces before irrigation to prevent staining.

3. Contractor shall supply to the Director a list of all proposed fertilizers to be used in the fulfillment of said Contract, per, Exhibit A Section 8. – Use of Chemicals. Any changes to said list shall be reported per Exhibit A, Section 8. – Use of Chemicals.

4. Written notification to the Director is required a minimum of five (5) working days prior to fertilizer application.

5. For fertilizer application reporting specifications, see Exhibit A, Section 3 – Functions and Responsibilities and Exhibit A, Section 8. – Use of Chemicals.

19. TECHNICAL PROVISIONS – PESTICIDE USE

A. GENERAL

1. The Moreno Valley Community Services District encourages the use of effective alternative pest control measures.

2. All pesticide applications shall be made by or under the supervision of a person holding a valid license, permit or certificate issued pursuant to Sections 11701 and following, and Sections 14151 and following, of the California Food and Agricultural Code. Said person or company is to be registered to conduct a pest control business in the State of California, and the County of Riverside during the entire term of this Contract.

3. All pesticide applications shall be applied as directed by the Director.

4. All pesticide use recommendations shall be in writing, and shall be made by a person holding a valid State of California pest control adviser license pursuant to Sections 12001, and following of the California Food and Agricultural Code. Said person is to be registered with the office of the Agricultural Commissioner of the County of Riverside during the entire term of this Agreement.

5. Before the beginning of the Contract period, Contractor shall supply to the Director a list of all proposed pesticides to be used, along with a use recommendation for each pesticide, in the fulfillment of said Contract, per Exhibit A, Section 8 – Use of Chemicals. No pesticide application shall be made prior to Contractor's submittal and Director's approval of said list, and recommendations. Per Exhibit A, Section 8. – Use of Chemicals, any changes, additions, deletions or substitutions to the recommended pesticides listed shall be submitted in writing to the Director for approval prior to any use of newly recommended material. Failure to adhere to any part of this specification may result in the assessment of non-performance penalties, per Exhibit C., Section 4.

6. Disposal of empty pesticide containers, if made in the County of Riverside, shall be in strict compliance with label direction, restrictions and precautions, and all applicable federal, state, county, and local regulations, including but not limited to California Code of Regulations, Sections 6684, 3142, and 3143. The Director may require proof of such compliance in the form of a

copy of Contractor's annual Letter of Compliance, as issued by the County Agricultural Commissioner, and submitted by Contractor to the County Waste Management Department.

B. REPORTING SPECIFICATIONS

1. Contractor shall be responsible for the filing of all required records and reports, including but not limited to Notice of Intent to Apply, and Pesticide Use Reports, as specified by all county, state and federal agencies. Said reports shall contain accurate and valid information. The Director may require copies of all such records and reports be made available for inspection by District staff after giving twenty-four (24) hour notice to Contractor.

2. For pesticide application reporting specifications, see Exhibit A, Section 3 – Functions and Responsibilities and Exhibit A, Section 8. – Use of Chemicals.

3. A written notice shall be provided to the Director five (5) working days prior to any pesticide application. Notice shall include: name of chemical, area, rate and method of application, and time of day. Failure to adhere to this specification may result in the assessment of non-performance penalties, per Exhibit C., Section 4.

C. GROUND COVERS, SHRUBS, & TREES - PESTICIDE USAGE CRITERIA

1. Weed Control

   (a) All shrub bed areas shall be treated with an appropriate pre-emergent herbicide at the maximum allowable rate according to the label, and state regulations. This treatment shall be performed twice a year, as determined by the Director.

   (b) Appropriate chemical control must be used on the following weeds.

   Bermuda Grass
   Kikuyu Grass
   Nutsedge
   Field Bindweed
   Spurge

   The aforementioned list is inclusive; other species may be added by the Director as necessary

   (c) Failure to adhere to the above specifications for weed control may result in the assessment of non-performance penalties, per Exhibit C., Section 4.

2. Snail Control

   (a) Snails shall be controlled on a regular basis on the following plant species:

   Agapanthus africanus
   Aptenia sp.
   Gazania sp.
   Hemerocallis sp.

   (b) Snails shall be controlled on an as needed basis on all other plant material.

   (c) Failure to adhere to the above specifications for snail control may result in the assessment of non-performance penalties, per Exhibit C., Section 4.

3. Insect and Disease Control

   (a) The Director may require certain tree species, which are subjected to excessively dusty conditions be rinsed off with water, as directed by District field staff. Rinsing operations that require the use of powered delivery systems shall be considered Additional Work, per Exhibit C., Section 2.

   (b) The Director may require all Platanus species be sprayed annually with two applications of a copper based dormant spray should an infestation be detected. Applications that require the use of powered delivery systems shall be considered Additional Work, per Exhibit C., Section 2.

   (c) The Director may require all Pyrus and Pyracantha species found to be infected with fireblight be treated with annual applications of a copper based dormant spray. Applications that require the use of powered delivery systems shall be considered Additional Work, per Exhibit C., Section 2.

   (d) The Director may require all Juniperus, Pinus, Cupressus and Pyracantha species found to be infested with mites be treated with an appropriate acaricide. Applications that require the use of powered delivery systems shall be considered Additional Work, per Exhibit C., Section 2.

   (e) All other insect, disease, and fungus problems will be treated on a site- and need-specific basis as determined by the Director. Any preventative or curative treatment that requires the use of powered delivery systems shall be considered Additional Work, per Exhibit C., Section 2.

4. Vertebrate Pest Control

All vertebrate pests, including but not limited to gophers, ground squirrels, moles, voles, and mice, shall be controlled on a regular basis wherever and whenever found on the site(s). Control methods shall be as approved by the Director and shall include, but not be limited to, chemical, and mechanical methods. Failure to treat site(s) for vertebrate pests within seven (7) calendar days of notification from the Director may result in the assessment of non-performance penalties, per Exhibit C., Section 4.

D. TURF - PESTICIDE USAGE CRITERIA (IF APPLICABLE)

1. Weed Control

(a) When the Director determines that the turf weed population at any site(s) exceeds acceptable levels, an appropriate herbicide shall be applied in accordance with all label specifications. Treatments that require the use of powered delivery systems may be considered Additional Work, per Exhibit C., Section 2.

(b) All turf areas that the Director has determined to be prone to annual weed grass intrusion shall require annual applications of pre-emergent herbicides labeled for such use. Any preventative treatment that requires the use of powered delivery systems may be considered Additional Work, per Exhibit C., Section 2.

(c) Failure to apply turf weed control materials within the time frames established by the Director may result in the assessment of non-performance penalties, per Exhibit C., Section 4.

2. Insect and Disease Control

(a) All turf areas that the Director has determined to have a history of fungus infection shall be treated annually with an appropriate fungicide, as directed. Treatments that require the use of powered delivery systems may be considered Additional Work, per Exhibit C., Section 2.

(b) All other insect, disease, and fungus problems will be treated on a site and need-specific basis as determined by the Director. Any preventative or curative treatment that requires the use of powered delivery systems may be considered Additional Work, per Exhibit C., Section 2.

3. Vertebrate Pest Control

All vertebrate pests, including but not limited to gophers, ground squirrels, moles, voles, and mice, shall be controlled on a regular basis wherever, and whenever found on the site(s). Control methods shall be as approved by the Director and shall include, but are not limited to, chemical, and mechanical methods. Failure to treat site(s) for vertebrate pests, within forty-eight (48) hours of being noticed by the Director, may result in the assessment of non-performance penalties, per Exhibit C., Section 4.

20. OPEN SPACE AREA (PASEO) PROVISIONS – E-2 HIDDEN SPRINGS

E. GENERAL GUIDELINES

1. The following provisions are intended to address routine maintenance of the open area (paseos) located within and throughout the residential community of Hidden Springs (E-2). Should a conflict between these Special Provisions as outlined herein and the preceding Specification Sections of this document, these Special Provisions shall prevail regarding maintenance of the open area (paseos) located within and throughout Hidden Springs (E-2). These Special Provisions DO NOT APPLY to the landscaped parkway and median areas of Hidden Springs (E-2) nor Shadow Mountain (E-16).

   (a) All open space areas shall be maintained in a condition free of unwanted plant species, as determined by the Director.

   (b) Non-woody plants, such as grasses and annual forbs shall be trimmed to a height of twenty-four (24) inches or lower at a frequency of no less than one (1) time per year, as determined by the Director.

   (c) Woody slope plantings shall be maintained in a manner that minimizes the accumulation of dead wood. This shall be accomplished by means of periodic trimming, pruning, and/or roguing, as determined by the Director.

   (d) A band of bare soil, twenty-four (24) inches in width shall be maintained per the Frequency of Service Table wherever Open Space (Paseo) areas abut residential parcels.

   (e) Newly planted and/or established tree and woody shrub plantings shall receive irrigation adequate to maintain soil moisture and plant vigor; in no case shall the interval between irrigations be greater than once per week. This work may require the use of a water tanker. Contractor shall be liable for replacement of any new or establishing plan materials lost due to Contractor's negligence, as determined by Director.

(f) Watering basins for newly planted and/or establishing tree and woody shrub plantings shall be continuously maintained and kept free of unwanted plant species until properly established, as determined by the Director.

(g) All areas damaged by erosion shall be immediately repaired to the originally intended condition and soil. Contractor shall be liable for the cost of repairing all erosion damage caused by Contractor's negligence.

(h) All areas damaged by rodent burrowings shall be immediately repaired to the originally intended condition and soil.

(i) All catch basins, drain lines, brow ditches, and lower slope swale areas shall at all times be kept clean and clear for proper drainage.

(j) Minimum flow channels shall be maintained in a manner that assures unimpeded flow of nuisance water per limits of design intent. This work may require periodic thinning/rouging of existing riparian plans, as determined by Director.

EXHIBIT B: District Responsibilities

RFP NO. 12/13-10
PROJECT NO. E-2 ~~AND E-16~~/13-14
HIDDEN SPRINGS (E-2) ~~AND SHADOW MOUNTAIN (E-16)~~
MAINTENANCE OF PARKWAY MEDIAN AND OPEN SPACE
LANDSCAPING AND IRRIGATION

1. CONTRACT SUPERVISION

A. The Contract shall be administered on behalf of the Chief Financial Officer/City Treasurer ~~Financial and Management Services Director~~ of the City of Moreno Valley, or his/her delegated representative(s), hereinafter designated as "Director."

B. The Director will decide all questions which may arise as to the manner of performance and completion per schedule, acceptable fulfillment of the Contract by the Contractor, interpretation of the Specifications, and compensation to include completion of work by alternate sources.

2. IRRIGATION SYSTEMS

The District shall manage the operation of all automatically controlled irrigation systems, including but not limited to irrigation controller programming and scheduling. The Contractor shall monitor the operation of, and maintain said irrigation systems as required by the Director. The Contractor shall operate manually controlled irrigation systems as directed by District field staff.

3. UTILITIES

It shall be the District's duty to provide the utilities necessary for irrigation (i.e., water, electricity and communications), and to maintain their appurtenances (i.e., water and electrical meters and backflow devices). The District will pay the water, electricity, and communications costs used in the sites covered by this Contract. The Contractor shall report any interruption of these services for whatever reason immediately upon Contractor's observation of same to the Director.

4. RESTRICTED PESTICIDE MATERIALS PERMIT / USE CONSENT

A. The District shall maintain in full force and effect throughout the entire term of the Contract a valid Restricted Materials Permit issued by the Agricultural Commissioner of the County of Riverside on behalf of the California Department of Pesticide Regulation. The Contractor shall comply with all permit conditions that pertain to any of the pest control materials listed on said permit that may be used in the course of Contractor's operations under this Contract.

B. Director must give consent in writing prior to application of any Category I pesticide.

EXHIBIT C: Payment Terms

RFP NO. 12/13-10
PROJECT NO. E-2 ~~AND E-16~~/13-14
HIDDEN SPRINGS (E-2) ~~AND SHADOW MOUNTAIN (E-16)~~
MAINTENANCE OF PARKWAY MEDIAN AND OPEN SPACE
LANDSCAPING AND IRRIGATION

1. CONTRACTOR'S COMPENSATION

A. The Contractor will be paid monthly per site based upon successful performance of the maintenance services provided in accordance with an approved service schedule for each area/site and in compliance with the terms and provisions of this Contract. By the tenth of each month the Contractor shall submit to the Director detailed reports of the following: 1) Maintenance performed, 2) Greenwaste, 3) Complaints received, 3) Hazards noted, and 4) Chemicals used in the prior month, along with 5) A detailed invoice for services in accordance with the Contract price for the work performed, which shall become the basis for payment. No payment(s) shall be made until the reports, listed herein, have been submitted and approved.

The Contractor will submit all original invoices to Accounts Payable staff at AccountsPayable@moval.org. Accounts Payable questions can be directed to 951.413.3073.

Copies of invoices and reports will be submitted to the Special Districts Division of the Financial and Management Services ~~Public Works~~ Department at specialdistricts@moval.org. Calls may also be directed to the Special Districts Division at 951.413.3480.

B. The Contractor will obtain and keep current during the term of this Contract, the required City of Moreno Valley business license. Proof of a current City of Moreno Valley business license will be required prior to any payments by the City. Any invoice not paid because the proof of a current City of Moreno Valley business license has not been provided will not incur any fees, late charges, or other penalties. Complete instructions for obtaining a City of Moreno Valley business license are located at http://www.moval.org/do_biz/biz-license.shtml.

C. Except where additional compensation is specifically provided for in this Contract, the District will pay the Contractor for all work (labor, material, supplies, equipment, etc.) performed under this Contract the total amount of _____ and _____/100 ($_____) per month, one (1) month in arrears, on the last day of the month. The total contract amount for twelve (12) months shall not exceed _____ dollars and _____/100 ($_____), except as provided for in Section 2 below.

D. The Contractor agrees that City payments will be received via Automated Clearing

House (ACH) Direct Deposit and that the required ACH Authorization form will be completed prior to any payments by the City. Any invoice not paid because the completed ACH Authorization Form has not been provided will not incur any fees, late charges, or other penalties. The ACH Authorization Form is located at: http://www.moval.org/city_hall_forms.shtml#bf.

E. The minimum information required on all invoices includes:

1. Vendor Name, Mailing Address and Phone Number

2. Invoice Date

3. Vendor Invoice Number

4. City – provided Reference Number (Project No. and Title)

5. Detailed work hours by class title (e.g. Manager, Technician or Specialist), services performed, and rates, explicit portion of a contract amount or detailed billing information is sufficient to justify the invoice amount: single or lump sum amounts without detail are not acceptable.

F. The City shall pay the Contractor for all invoiced and authorized maintenance services within thirty (30) days of receipt of invoice for the same.

G. Should this Contract commence or terminate on other than the first day of a calendar month, the Contractor's compensation for that partial calendar month shall be prorated at the rate of 1/30 of the full month rate per day for the number of days during which the Contract is effective.

2. ADDITIONAL WORK

A. During the term of this Contract the District may, at its discretion, authorize the Contractor to perform certain Additional Work as included in Section 2, paragraph C. herein this Exhibit, in addition to the work set forth in Exhibit A, General Provisions - Scope of Work.

If the District determines it to be in the District's best interest, said Additional work may include: Acts of God (i.e., earthquake damage, storm damage), or vandalism, theft, and acts or omissions by third parties.

Compensation for all such Additional Work shall be calculated either: at the prices set forth by the Contractor in the Exhibit E, Schedule II, Section B & C or at a price based on the Contractor's written estimate (lump sum, time and materials, or cost plus basis), as determined by the Director. Except as set forth in Section 2, paragraph B. below, the Contractor shall not perform any such Additional Work without first obtaining express written authorization from the District.

B. Notwithstanding the above requirement for prior written authorization, when a

condition exists wherein there is imminent danger of injury to the public or damage to property, the District may verbally authorize the work to be performed upon receiving a verbal estimate from the Contractor. Within twenty-four (24) hours after receiving a verbal authorization, the Contractor must submit a written estimate to the District for written approval. Whenever immediate action is required to prevent impending injury, death, or property damage to the facilities being maintained, the

District may, after reasonable attempt to notify the Contractor, cause such action to be taken by the District or City's work force.

C. The Contractor shall maintain as Additional Work, at a unit price comparable to landscape areas described herein, additional landscape areas that the District may add to this Contract. In the event that notification is made, at other than the beginning of a monthly period, the unit cost as set forth by Contractor in Exhibit E, Schedule II , shall be prorated from the day the Contractor commences work on the additional areas.

D. Routine repairs to project irrigation system(s) shall be considered Additional Work to the extent that the Contractor shall charge only for materials used to perform said repairs at Contractor's cost plus a percentage of that cost, as set forth in Exhibit E, Schedule II, Section D. For the purposes of this Contract, routine irrigation repairs are defined as replacement of existing sprinklers or sprinkler components, and/or non-pressurized pipe, and/or fittings ("lateral lines") that have been rendered inoperable due to: 1) normal "wear and tear", and 2) vandalism or theft, (which includes acts or omissions by third parties).

E. Except as specifically approved by subsequent action of the District Board of Directors, the Director may not authorize Additional Work pursuant to paragraphs A., B., and C. above in excess of the cumulative total of _____ ($_____) for each contract year during the term of this Contract.

3. PAYMENT DEDUCTIONS

The District may deduct payment to such extent as may be necessary to protect the District from loss due to:

A. Work required in the General or Technical Provisions which is: not performed, or; not performed to the standards set forth therein, or; not performed at or within the time(s) specified therein, or; is incomplete;

B. Claims filed or reasonable evidence indicating probable filing of claims by laborers, materialmen, subcontractors, or third parties.

4. NON-PERFORMANCE PENALTIES

The Contractor may become liable for payment of non-performance penalties for failure to: provide adequate communications; provide adequate work area safety; complete "Specialty" operations in a timely manner as set forth in the General Provisions; submit notifications or

reports required by the Contract, or General or Special Provisions at the intervals and/or frequencies set forth therein, or; perform work as required by the General or Special Provisions at the intervals and/or frequencies as set forth therein, or as set forth in Contractor's approved work schedule, or as directed by the District. For each of the categories set forth hereinabove, the penal sum of $100.00 (one hundred dollars) per working day will be assessed for each working day the deficiencies remain uncorrected.

If non-performance penalties are to be assessed, the Contractor will be notified immediately by written email, telephone, facsimile transmission or in writing.

The Contractor will not be assessed non-performance penalties for delays caused by the District, or by the owner of a utility to provide for the removal or relocation of utility facilities.

5. EXCESSIVE UTILITY USAGE

Contractor shall pay for all excessive utility usage due to Contractor's failure to monitor irrigation system malfunctions or unauthorized increases in the frequency of irrigation. The excess cost will be determined by comparing the current usage with the historical usage for the same time period. The excess cost factor, to be deducted from the payments to the Contractor, will be presented by the Director to the Contractor prior to actual deduction by the District to allow for explanations.

EXHIBIT D: Term of Contract

RFP NO. 12/13-10
PROJECT NO. E-2 ~~AND E-16~~/13-14
HIDDEN SPRINGS (E-2) ~~AND SHADOW MOUNTAIN (E-16)~~
MAINTENANCE OF PARKWAY MEDIAN AND OPEN SPACE
LANDSCAPING AND IRRIGATION

1. TERM OF CONTRACT

A. Following approval by both parties, the Contract will commence on July 1, 2013, and shall terminate June 30, 2014 (12) months thereafter.

B. At the expiration of its term, the Contract may be extended for up to four (4) additional twelve (12) month periods with the concurrence of both parties. Written notice of the District's intent to invoke this subsection of the Contract (Exhibit D., Section 1., paragraph B.) shall be given to the Contractor at least thirty (30) days prior to the expiration of the initial term of the Contract or any extension thereof.

C. In considering the option to extend the Contract, as set forth in paragraph B. above, the District shall determine the following:

That the Contractor's performance during the preceding twelve months has been satisfactory, and;

That any request for increase of Contractor's compensation is based on an annual inflation adjustment based on the percentage increase calculated for the previous calendar year in the Los Angeles-Riverside-Orange County Regional Consumer Price Index for All Urban Consumers, as published by the Department of Labor's Bureau of Labor Statistics.

D. At the expiration of its term, and with the concurrence of both parties, the Contract may be extended for up to three (3) additional periods of thirty (30) days each, subject to all terms and conditions in effect during the current term of the Contract. Written notice of the District's intent to invoke this subsection of the Contract (Exhibit D., Section 1., paragraph D.) shall be given to the Contractor at least fifteen (15) days prior to the expiration of the initial term of this Contract, or any extensions thereof.

E. It should be noted that multiyear contracts may be continued each fiscal year only after funding appropriations and program approvals have been granted by the City Council of the City of Moreno Valley and the City Council acting in the capacity as President and Members of the Board of Directors of the Moreno Valley Community Services District. (CSD) In the event that the City Council and/or the City Council acting in the capacity as President and Members of the Board of Directors for the CSD does not grant necessary funding appropriations and/or program approval, the affected multiyear contract becomes null and void, effective July 1st of the fiscal year for which such approvals have been denied.

Attach Responses to this question on additional sheets – One sheet per reference

A. LIST A MINIMUM OF THREE (3) REFERENCES FOR PUBLIC AGENCY LANDSCAPE MAINTENANCE CONTRACTS THAT ARE EITHER CURRENT AND/OR HAVE BEEN SUCCESSFULLY COMPLETED WITHIN THE LAST TWO (2) YEARS.

B. REFERENCE RESPONSES MUST INCLUDE:

1. NAME AND ADDRESS OF AGENCY;
2. NAME AND TELEPHONE NUMBER OF AGENCY PERSON RESPONSIBLE FOR ADMINISTERING CONTRACT;
3. CONTRACT NAME(S) / NUMBER(S);
4. ANNUAL CONTRACT AMOUNT(S);
5. NUMBER OF ACRES MAINTAINED PER CONTRACT(S);
6. LOCATION(S) OF CONTRACT AREAS – WE WILL VISIT SITE(S);
6. LENGTH OF CONTRACT(S).

C. **THE FOLLOWING REFERENCE QUESTIONS WILL BE ASKED OF EACH AGENCY REFERENCED:**

1. How many (number) of contracts and years under contract?
2. What are/were the Scope of the contract(s), acreage amounts, location(s)?
3. What are/were the Contract amount(s)?
4. Do/did they have adequate (quantity/quality) staffing?
5. How are/were the Training/Technical skills (i.e., Irrigation/Pest Control/ Equipment Operation/Safety)?
6. Does staff have the ability to comprehend/speak English?
7. How are/were the appearance, uniforms, and use of safety equipment?
8. Do/did they have availability of additional personnel for extra work/special projects?
9. Is/was the equipment used in good working order?
10. Do/did they have an effective in-company communications system?
11. How is/was the knowledge of project/contract standards?
12. Do/did they have the ability to respond to complaints/requests in a timely fashion?

13. Are/were they willing to resolve questions, disputes, and deficiencies short of "formal" sanctions (i.e., monetary penalties, contract deductions, liquidated damages, claims against bonds)?
14. How accurate & timely is/was billing/invoicing?
15. Have Contract(s) been successfully completed to term?
16. Would you accept future proposals/bids from this company?

III: PROPOSED FACILITIES, EQUIPMENT, & STAFFING SCHEDULE

A. **Facilities** – List the facility(ies) location and/or address where work crews and equipment will be dispatched. Use additional sheets as necessary to provide a full and comprehensive response.

B. List the equipment, motor vehicles, and tools, in the areas below that will be furnished to execute work tasks specified in the Agreement, General Provisions, and Special Provisions. Indicate with (S) any listed equipment to be shared with another contract/ project. Use additional sheets as necessary to provide a full and comprehensive response.

1. Equipment:

2. Motor Vehicles:

3. Turf Maintenance Power Equipment/Tools:

4. **Tree, Shrub, Ground Cover Trimming/Pruning Equipment/Tools:**
(List both powered and hand equipment/tools)

5. **Irrigation System Maintenance Equipment:**
(List both powered and hand equipment/tools)

6. **Fertilizer Application Equipment:**
(List both powered and hand equipment/tools)

7. **Pesticide Application Equipment:**
(List both powered and hand equipment/tools)

C. **Staff**: - List the employees, both labor and supervision, to be routinely assigned to execute work tasks specified in the Agreement, General Provisions, and Special Provisions. Be sure to note by title any applicable licenses/certifications held by assigned personnel. Indicate with (S) if listed personnel are to be shared with another contract / project. Use additional sheets as necessary to provide a full and comprehensive response.

1. **General Landscape Maintenance:**
(List labor, administrative, and field supervisory personnel – include any relevant education, certification, licensing information for each person listed)

2. **Tree Trimming/Maintenance:**
(List any ISA or equivalent certified personnel)

3. **Irrigation System Maintenance:**
(List technical personnel – include any relevant education, certification, licensing information for each person listed)

4. **Pesticide Application:**
(List licensed and/or certified personnel. All non-licensed, non-certified personnel must have received verifiable annual training.)

IV: PROPOSED PROJECT WORK SCHEDULES

Pages 73-76 contain blank Monthly and Annual Schedule Sheets. Proposers are to complete these schedule sheets by writing in their proposed scheduled for performing the services as describe in Exhibit A. For those services listed under the Technical Provisions found in Exhibit A, Sections 17, A., C., D., E., and G.; 18 A. and B.; and 19 C. 1 (a), refer to the FREQUENCY OF SERVICE TABLE located in Exhibit E, Section V., A Parkways and Medians for **Service Schedule Level 1**, and B Open Spaces (Paseos) **for Service Level 4** on page 77. Use additional sheets as necessary to provide a full and comprehensive response on each of the schedule sheets.

If selected, the awarded Contractor will provide the CSD, within 30 days after contract execution, a mapped work schedule for E-2 ~~and E-16~~. Sample mapped work schedules have been provided for reference.

A. MONTHLY SCHEDULE SHEET

1. List all tasks specified to be performed on a weekly or monthly basis for the E-2 ~~and E-16~~ area~~s~~ in the box corresponding to the day of the week/month the work is proposed to be performed.

2. Be sure to include administrative tasks such as report submittals, meetings, etc.

3. Fill in the schedule sheet for the entire month. Schedule sheets that are not completed for the entire month will be considered to be non-responsive.

B. ANNUAL SCHEDULE SHEET

1. List all tasks specified to be performed for the E-2 ~~and E-16~~ area~~s~~ at intervals greater than one (1) month in the box corresponding to the month(s) of the year in which they are either so specified, or, if not specified, the month(s) in which the work is proposed to be performed.

2. Be sure to include any administrative tasks such as report submittals, meetings, etc.

3. Fill in the schedule sheet for the entire year. Schedule sheets that are not completed for the entire year will be considered to be non-responsive.

Level 4 - (Annually)	Annual Maintenance includes: ▪ Monthly irrigation monitoring. ▪ Annual - Clearance to maintain a 24' width of clearance of open space abutting residential parcels. ▪ One Annual weed abatement.

FREQUENCY OF SERVICE TABLES (continued)

_____
(Sign here)

By signing, I hereby acknowledge review of the aforementioned Frequency of Services and have incorporated reference of the frequencies in the Bid Schedule, including the Optional Bid Schedule, and the proposed monthly and annual schedule sheets for the services to be provided consistent with the terms of this Contract.

SAMPLE SERVICE SCHEDULES

A. E-2 - 4 WEEK ROTATION (Service Schedule Level 1)

B. E-2 - 8 WEEK ROTATION (Service Schedule Level 2)

C. E-2 - 12 WEEK ROTATION (Service Schedule Level 3)

~~**D. E-16**~~

~~The E-16 area shall be maintained at the frequency of every 4 weeks (service schedule level 1), 8 weeks (service schedule level 2), or 12 weeks (service schedule level 3).~~

VII. PROPOSED ANNUAL MATERIAL SCHEDULE

A. Fertilizers:

List the fertilizers to be furnished to execute work tasks specified in Exhibit A. Specify the type (analysis/brand name), estimated amount of each type to be supplied annually, and estimated annual cost for each type (include applicable sales tax, overhead, and mark-up). Use additional sheets as necessary to provide a full and comprehensive response.

TYPE	ESTIMATED ANNUAL AMOUNT	ESTIMATED ANNUAL COST

B. Pesticides:

List pesticides to be furnished to execute work tasks specified in Exhibit A. Specify the type (i.e., pre-emergent herbicide, rodent/snail bait, insecticide, etc.), the brand name, estimated amount of each type/brand to be supplied annually, and the estimated annual cost for each type/brand (include applicable sales tax, overhead, and mark-up). Use additional sheets as necessary to provide a full and comprehensive response.

TYPE	ESTIMATED ANNUAL AMOUNT	ESTIMATED ANNUAL COST

VIII. COMMUNICATIONS, TRAFFIC SAFETY, & GREENWASTE RECYCLING

A. Communications:

The General Provisions require that the selected Contractor possess, and maintain an effective company-wide communications system. The Contractor must also designate responsible staff to be available on a twenty-four (24) hour basis to receive, and respond to emergency calls.

Describe your company's internal communications system, both in the office and in the field, and how it will enable your company to provide the communication capability as required in Scope of Services specifications. Also, describe how your company will provide the required twenty-four (24) hour communication capability. Use additional sheets as necessary to provide a full, and comprehensive response.

B. Traffic Safety:

The General Provisions require that the selected Contractor provide safe and effective work area traffic control, per Caltrans' "Manual On Uniform Traffic Control Devices 2010 (or most current) California Supplement, Part 6, Temporary Traffic Control". Please describe your company's general traffic control practices and training, and how your company intends, if selected, to conduct work area traffic control operations to provide service for this project. Use additional sheets as necessary to provide a full and comprehensive response.

C. Greenwaste Recycling:

AB 939 mandates that the City of Moreno Valley divert from landfills fifty percent (50%) of the solid waste, including greenwaste, generated within its jurisdiction. Please describe your company's program to insure that the City receives credit for the greenwaste that will be generated from executing the project's Scope of Work (Exhibit A). Be sure to include the name(s), address(es) and phone number(s) of the recycling facility(ies) that will be accepting the greenwaste generated from your operations on the project. If planning to use any recycled greenwaste products (mulch, compost, soil amendments, etc.) on the project, please give name/address/phone information of the producer if different from those listed above. Use additional sheets as necessary to provide a full and comprehensive response.

IX. LIST OF SUBCONTRACTORS

A. SUBCONTRACTORS:

In compliance with the provisions of Government Code, Section 4102, the undersigned Proposer sets forth the name and location (address) of the place of business of each subcontractor who will perform work, labor or render service to the Contractor in or about the construction of the work or improvement in an amount in excess of one-half of one percent (0.5%) of the general contractor's total proposal, and the portion of the work which will be done by each subcontractor, as follows:

Name, License, and Classification No.	Place of Business and Telephone	Description of Work

X. CERTIFICATION OF NON-DISCRIMINATION

Pursuant to California Labor Code Section 1735, as added by Chapter 643 statutes of 2039, and as amended,

No discrimination shall be made in the employment of persons upon Public Works because of race, religion creed, color, national origin, ancestry, physical handicaps, mental condition, marital status or sex of such persons, except as provided in Section 12940, of the California Labor Code and every Contractor of Public Works violating this section is subject to all penalties imposed for a violation of the Chapter.

I certify that I have read, and understand the foregoing:

Report to City Council

TO: Mayor and City Council

FROM: Ahmad R. Ansari, Public Works Director/City Engineer

AGENDA DATE: June 25, 2013

TITLE: PUBLIC HEARING FOR DELINQUENT RESIDENTIAL SOLID WASTE ACCOUNTS

RECOMMENDED ACTION

Recommendations: That the City Council:

1. Approve placing the submitted list of delinquent solid waste accounts that are attached to this report on the Fiscal Year (FY) 2013/2014 Riverside County property tax roll for collection.

2. Direct the City Clerk to file with the Riverside County Auditor a certified copy of Resolution No. 2012-55 and the list of delinquent solid waste accounts as required by Section 5473.4 of the California Health and Safety Code and Section 6.02.030 of the City of Moreno Valley Municipal Code.

BACKGROUND

Waste Management of the Inland Empire bills residential customers quarterly for solid waste services. Payments are made directly to Waste Management in advance for the following quarter. When a customer fails to make payment and the bill becomes more than sixty (60) days past due, the collection of the delinquent account is placed on the Riverside County property tax roll. This procedure was authorized by prior enactments of the City Council as reflected in Section 6.02.030 of the Moreno Valley Municipal Code. The option to collect delinquent payments was negotiated as part of the franchise agreement.

DISCUSSION

The City Council approved the collection of delinquent solid waste accounts through the property tax roll process on March 1, 1993. Since that time, delinquent charges have been placed on property tax bills annually in June.

Waste Management of the Inland Empire has submitted a preliminary list of approximately 7,900 delinquent accounts. This delinquent list is to be placed on the FY 2013/2014 tax roll if approved by Council. An official copy of the list is available in the City Clerk's office for public viewing. The maximum charge to be placed on the tax roll is $2,283,883.54. Although Waste Management accepted payment on delinquent accounts until June 21, 2013, there may be some additional deletions to the list or minor adjustments to the amounts prior to final submittal to the Riverside County Auditor.

As part of the notification process, Waste Management has mailed a "Notice of Delinquent Account" to the affected property owners and account holders, informing them of the intent to place all delinquent charges on the tax roll. These notifications are mailed on a quarterly basis which is over and above the minimum notification requirements as per Section 5470 of the California Health and Safety Code and the Moreno Valley Municipal Code Section 6.02.030. A public posting of the Council's action, in accordance with Section 6066 of the Government Code, is all that is required by law.

Procedurally, in order to collect these delinquent charges on the County tax roll, the City must file with the County Auditor a certified copy of the proposed resolution along with the report as specified in California Health and Safety Code Section 5473.4 and Section 6.02.030 of the Moreno Valley Municipal Code.

ALTERNATIVES

1. Approve placing the submitted list of delinquent solid waste accounts attached to this report on the Fiscal Year (FY) 2013/2014 Riverside County property tax roll for collection and direct the City Clerk to file with the Riverside County Auditor a certified copy of the proposed resolution and a written report as prescribed by Section 6.02.030(e) of the Moreno Valley Municipal Code.

2. Do not approve placing the submitted list of delinquent solid waste accounts attached to this report on the Fiscal Year (FY) 2013/2014 Riverside County property tax roll for collection and do not direct the City Clerk to file with the Riverside County Auditor a certified copy of the proposed resolution and a written report as prescribed by Section 6.02.030(e) of the Moreno Valley Municipal Code. *If Council does not approve the placement of the delinquent solid waste accounts on the tax roll, it could result in a net loss of revenue to the City of approximately $277,035 in franchise fees.*

FISCAL IMPACT

The City receives a 12.13% franchise fee for revenue generated from the collection of delinquent accounts at the time of collection. Placement of these delinquent charges on

the County property tax roll will ensure the City receives the revenues due from this source which would be approximately $277,035. This amount is deposited into the general fund.

Solid waste services are exempt from Proposition 218, as stated in Section 6(c) Property Related Fees and Charges. This is because the obligation to pay does not arise due to the customer owning the property, it arises because the property is used in a way which generates trash, and the customer did not choose to legally self-haul. Furthermore, the fee is not an encumbrance on the property, although delinquent fees can become the subject of a judgment lien.

CITY COUNCIL GOALS

Revenue Diversification and Preservation - Develop a variety of City revenue sources and policies to create a stable revenue base and fiscal policies to support essential City services, regardless of economic climate.

Community Image, Neighborhood Pride and Cleanliness - Promote a sense of community pride and foster an excellent image about our City by developing and executing programs which will result in quality development, enhanced neighborhood preservation efforts, including home rehabilitation and neighborhood restoration.

NOTIFICATION

A "Notice of Public Hearing" was published on June 11, 2013 and June 18, 2013, in The Press Enterprise in accordance with Section 6066 of the Government Code. A public posting of Council's action will also be done in accordance with Section 6066 of the Government Code. In addition, Waste Management mailed payment requests to the attached accounts through a separate notice sent to property owners where the property could be identified as non-owner occupied. An official list of the submitted delinquent accounts is available in the City Clerk's office. This list represents the maximum charges which can be placed on the property tax roll for FY 2013/2014.

CITY MANAGER	

Report to City Council

TO: Mayor and City Council

FROM: Michelle Dawson, City Manager
Thomas M. DeSantis, Assistant City Manager
Richard Teichert, Chief Financial Officer

AGENDA DATE: June 25, 2013

TITLE: RECOMMENDATION TO OUTSOURCE MORENO VALLEY LIBRARY SERVICES

RECOMMENDED ACTION

Recommendations: That the City Council:

1. Select Library Systems and Services, LSSI to provide library services in the City of Moreno Valley, with a target implementation date prior to September 15, 2013.

2. Authorize the City Manager to sign a contract for provision of outsourced library services consistent with the terms outlined in this report, with approval by the City Attorney.

BACKGROUND

The City Council directed staff to present a fully balanced budget for Fiscal Year 2013-14. The budget development process began with reviewing Deficit Elimination concepts previously explored by the Council, which included potential budget savings to be derived by outsourcing provision of City Library services.

The budget unanimously adopted by the City Council on June 11, 2013 reduced ongoing Library spending by $250,000 annually.

On April 30, 2013 the City Council received a Feasibility Review which addressed the concept of outsourcing Library services in accordance with City Council Policy 2.25, and encouraged the Library staff to submit a proposal to the City Manager for provision of service in a manner consistent with the City Council's fiscal policy direction for Fiscal Year 2013-14.

The City Manager's Office received proposals from Library Systems and Services (LSSI) as well as the City Library staff in accordance with the May 30th submission deadline.

After reviewing the two proposals, the City Manager's Office recommends awarding a contract to LSSI as a means of expanding library services to City residents while simultaneously reducing ongoing annual costs by $250,000. This report provides additional background on this issue, as well as a basic comparative analysis of the two proposals. Representatives from LSSI as well as the City's Library Services Division Manager will attend the June 25th City Council meeting to respond to any questions regarding their respective proposals to provide Library services.

DISCUSSION

The City Library budget for FY 2012/13 totaled $2.045 million. Funding was derived from the following sources:

Property Tax (Dedicated to the City Library):	$1,244,800
Library Fines:	$60,600
Library Fees:	$11,000
Donations:	$2,000
CSD Zone A Subsidy (supports Computer Lab):	$160,000
City General Fund Subsidy:	**$566,641**

Following are the categories of expenditures supported by the FY 2012/13 budget of $2.045 million:

Personnel	$1,343,391
Internal Service costs (e.g. facility maintenance, utilities, facility insurance, technology services, etc.)	$515,200
Materials:	$64,350

Other Direct Operating Expenditures: $122,100

Because the Library's operational costs significantly exceeded its dedicated property tax revenue, the City's General Fund subsidized more than 25% of Library expenditures. This ongoing subsidy has been evaluated in recent years as the City has been faced with making sharp reductions to General Fund spending to close a structural deficit.

Budget planning for Fiscal Year 2013-14 closed an overall $8.3 million gap between the City's ongoing revenues and its ongoing expenditures. As part of this process, previous cost-cutting concepts were revisited in light of the urgency to bring the City budget fully into balance.

In 2011, the City held preliminary discussions with representatives from Library Systems and Services (LSSI), the organization that has provided library services at all branches of the Riverside County Library System since 1997. These discussions revealed the potential to preserve and potentially enhance services while reducing the City's General Fund subsidy of City Library programs and services. Recognizing the potential budget savings, as well as unique advantages which could be available through linkages to the County Library system, staff resumed exploratory discussions in 2013 with LSSI representatives.

Over a series of meetings with the Moreno Valley Library team, staff provided significant detail regarding the City Council's fiscal and service delivery objectives pertaining to the Library...specifically the need to reduce *ongoing* annual spending by $200,000 to $250,000 while expanding services provided to library patrons. Library staff acknowledged these parameters and submitted a proposal to the City Manager.

Following is a basic comparative analysis of the two proposals.

	Library Staff Proposal	**LSSI Proposal**
Public Service Hours	**53 Hours/week** *No Change* at current funding level. Open 5 days per week M-TH: 9 a.m. – 8 p.m. Fri: CLOSED Sat: 9 a.m. – 6 p.m. Sun: CLOSED Could increase from current 53 hours per week to 57 (7% increase) via	**66 Hours/week** *25% increase* at current funding level. Open 7 days per week. M-TH: 9 a.m. – 8 p.m. Fri: 9 a.m. – 6 p.m. Sat: 9 a.m. – 5 p.m. Sun: 12 p.m. – 5 p.m.

	Furlough reduction. Est. additional cost: $67,000	
	Library Staff Proposal	**LSSI Proposal**
Books/Materials (including data base subscriptions)	No Change: $64,350	200% increase: $193,000 Figure to remain constant in each year of contract; may be increased/decreased *only* at City Council's discretion
Staffing	No Change	All current employees to be interviewed for staff positions, LSSI routinely hires local staff
Fixed Costs (Internal Service costs: e.g. facility maintenance, utilities, facility insurance, tech services, etc.)	No Change: ($515,200)	No Change: ($515,200)
Library Commission	No Change: Appointed by City Council, provides recommendations to City Council	No Change: Appointed by City Council, provides recommendations to City Council
Friends of the Library	No Change: Independent, autonomous. Raises/manages/allocates funding at its members' sole discretion	No Change: Independent, autonomous. Raises/manages/allocates funding at its members' sole discretion
Operating Policies	No Change: Set by City Council	No Change: Set by City Council
Fines & Fees	No Change: Set by City, remitted directly to City	No Change: Set by City, remitted directly to City
Donations	No Change: Remitted directly to City	No Change: Remitted directly to City
Ownership of All	No Change: Owned	No Change: Owned entirely by

Assets	entirely by City	City
	Library Staff Proposal	**LSSI Proposal**
Capital Improvements	No Change: City discretion, City responsibility	No Change: City discretion, City responsibility
***One-Time* Transition Costs**	$0	Approximately $240,000 in *one-time* costs.
	Notes: • Costs for unused vacation hours must ultimately be paid as current employees leave City service in future years. • If services are not outsourced, the City's cost for leave payouts will continue to grow over time…thereby *increasing the future cost for this unfunded liability*	Notes: • Costs not imposed by LSSI, but reflect the City's existing obligation to pay accrued leave to departing employees. • Outsourcing services will cap this cost at current levels and *eliminate this unfunded liability*
External Funding	No Change: Library would continue to qualify apply for grant funding to support Library programs/services.	No Change: Library would continue to qualify to apply for grant funding to support Library programs/services.

As indicated earlier in this report, outsourcing Library services is recommended as an element of the City's deficit elimination strategy; it will create an ongoing annual savings. The outsourcing model proposed by LSSI will significantly increase services available to Moreno Valley residents while capping costs.

To provide a valid cost analysis, staff compared the Library's FY 2012/13 baseline budget, upon which the Library staff proposal is based, with the proposal presented by LSSI. As neither Library staff nor LSSI can control the Internal Service Fund charges levied by the City, these charges ($515,200 in the current fiscal year) have been excluded from both proposals.

Library Proposal

City's FY 2012/13 costs for Library staff salaries/benefits:	$1,343,391
• City's FY 2012/13 spending on Books/Materials:	$64,350
• City's FY 2012/13 spending on other Direct Costs:	$122,100
• CITY'S TOTAL BASELINE BUDGET:	$1,529,841

LSSI Proposal

• Proposed 2013/14 costs for Library operations (includes all staff and program costs):	$1,086,840
• Proposed 2013/14 spending on Books/Materials:	$193,000
• TOTAL LSSI COST:	$1,279,840
Annual savings available via LSSI:	***$250,001****
*Outsourcing would eliminate City costs to reduce furlough by 5% effective July 2013, thereby increasing the annual savings amount to:	***$317,171***

Cost containment in future years is essential to capturing *ongoing* savings. As shown below, the LSSI proposal caps cost increases (over a five-year period) to an amount *less than* the City's own cost increases over the past two-year period:

- Library Staff proposal: City Council retains discretion over spending on Library staffing and books/materials.
    - City-approved salary cost increases (4.75% in July 2012 and furlough reduction effective July 2013) total approximately $131,000 *for this two-year period alone.*

- LSSI proposal: City receives guaranteed annual cost for Library operations. Council retains discretion over spending on books/materials.
    - Contract sets maximum annual increase of 2.5% of operating costs in each year of the 5-Year contract.
    - Total cost increases are capped at $112,828 for the entire 5-Year contract.
    - Requires the City to eliminate its unfunded liability for employees' accrued leave benefits via a one-time cost of approximately $240,000.

The Library staff's proposal recommends that the City not outsource Library services for a list of reasons which include:

- One-Time costs for leave buyouts (to eliminate the City's unfunded liability as addressed above)
- Potential for cost escalation beyond the initial contract period. (It should be noted that the neither the Library staff nor LSSI had access to the competing proposal when preparing its own. As a result, Library staff's assertion that LSSI contract cost increases could preclude the City from achieving ongoing cost savings was made without information regarding the fixed cap proposed by LSSI.)
- Potential negative impacts to customer service; Library staff believes that LSSI will reduce the number and composition of staff present to provide services to the public.
- Community demand for library services; Library staff presents detailed statistics showing that the Library serves a high number of visitors each day, responds to more than 122,000 reference questions per year, and circulates nearly 393,000 items annually.
- Staff salaries and benefits; Library staff members are concerned that lower wages and benefits paid to those hired by LSSI will reduce workforce morale translate to a lower level of service provided to residents.
- Potential future legal constraints; Library staff indicate that future legislation may preclude cities which have not yet outsourced libraries from doing so.
- Materials selection; Library staff is concerned that materials will be selected for Moreno Valley's Library by staff who do not understand the unique needs of local patrons.

Summary & Recommendations

After thoughtful analysis of LSSI's proposal, as well as the Library staff's recommendations not to outsource Library services, the City Manager's office recommends selection of Library Systems and Services to provide library services in the City of Moreno Valley. The basis for this recommendation includes:

Service enhancements:	25% increase in Library hours, with services provided 7 days per week.
Books/Materials:	200% increase in the amount spent each year to purchase materials for Library patrons.
Cost Savings:	$250,000 ongoing annual savings, with a projected 5-year savings total of nearly $1.4 million (based on annual cost increases of 2.5% under both outsourcing and City service models).
Cost Containment:	Operating costs locked in for 5-year term.
Local Control:	City Council retains full policy control over Library policies, ownership of all assets, ability to cancel contract "without cause" with six months' notice after the initial year of service.
Service Levels:	Contract specifies service levels that must be delivered to Moreno Valley residents.
Intangible Factors:	Moreno Valley's success in delivering Library services has been tied directly to the staff members who serve local residents. An agreement with LSSI will ensure that all existing staff members will be interviewed for staff positions in a City-owned, LSSI-operated Library. In transitioning public libraries in other communities, LSSI predominantly hires existing branch staff because they are uniquely qualified to deliver services to their local community. Retention of these employees by LSSI is perhaps the best indicator of the company's positive relationship with its professional workforce. In fact, the company reports that 60% of the public library employees who moved from the Riverside County Library system in 1997 are *still* working for LSSI sixteen years later. It should be noted that, as a private, for-profit corporation, LSSI offers competitive, market-driven salaries, but typically lower benefit amounts than are currently provided to public sector employees. For example, City staff hired by LSSI will no longer be included in the PERS retirement system.

Service Demand:	As documented in the Library Staff's proposal, Moreno Valley residents demand high levels of Library service. Outsourcing via LSSI will allow the City to provide greater levels of service to residents of all ages.
Community Collaboration:	No change in the City's direct relationship with the Library Commission and Friends of the Library group as key stakeholders in the Library's success.
Diverse Programming:	Success with programs for adults, teens, children, seniors, and literacy services tailored for Spanish speakers.
Accountability:	Regular, reports to quantify the Library's success in meeting performance standards.
Regional Presence:	LSSI operates 35 library branches (and two bookmobiles) throughout Riverside County. Local cities served include: Calimesa, Canyon Lake, Cathedral City, Coachella, Desert Hot Springs, Eastvale, Indio, Jurupa Valley, La Quinta, Lake Elsinore, Norco, Palm Desert, Perris, San Jacinto, and Temecula.
Proven success:	LSSI's approach to delivery of outsourced library service has proven to be a successful service delivery model since its most significant introduction in 1997 in Riverside County, where its contract has been renewed regularly. Nationwide, 78 communities contract with LSSI to provide library services to their residents.

ALTERNATIVES

1. Select Library Systems and Services to provide library services in the City of Moreno Valley, with a target implementation date prior to September 15, 2013; and Authorize the City Manager to sign a contract for provision of outsourced library services consistent with the terms outlined in this report. *Staff recommends this alternative to expand Library services while capturing ongoing annual savings as required to eliminate the City's General Fund deficit.*

2. Continue to operate the City Library in its current configuration, creating a $250,000 deficit in the City's General Fund. *Staff does not recommend this option as it would be contrary to the Council's direction to fully balance the City's ongoing revenues with ongoing spending, and because this alternative would preclude the City from expanding Library services provided to City residents.*

3. Direct the City Manager to immediately effectuate staff reductions at the Library to reflect the $250,000 decrease in funding appropriated to the Library. *Although preferable to Alternative #2 (above), staff does not recommend this course of*

action as the corresponding loss of staff will diminish the City's ability to provide Library services to Moreno Valley residents.

FISCAL IMPACT

The recommended actions will generate $250,000 in ongoing annual savings, with a projected 5-year savings total of nearly $1.4 million (based on annual cost increases of 2.5% under both outsourcing and City service models). The table below is excerpted from LSSI's proposal and has been reviewed by the City's Chief Financial Officer.

	CY1	CY2	CY3	CY4	CY5	Total
Baseline Budget	$1,529,841	$1,568,087	$1,607,289	$1,647,471	$1,688,658	$8,041,346
Library Operations	$1,086,840	$1,114,011	$1,141,861	$1,170,408	$1,199,668	$5,712,788
Library Materials	$193,000	$193,000	$193,000	$193,000	$193,000	$965,000
Total LSSI Price	$1,279,840	$1,307,011	$1,334,861	$1,363,408	$1,392,668	$6,677,788
Annual Savings	$250,001	$261,076	$272,428	$284,063	$295,990	$1,363,558

The one-time cost to eliminate the City's unfunded liability for Library staff's accrued vacation hours is projected at $240,000. The City is obligated to pay this cost when current employees separate/retire, regardless of whether the City outsources Library services as recommended in this report.

NOTIFICATION

Library managers and staff members have been informed of the City's exploration of cost savings and service level enhancements potentially available through outsourcing operations. The Library Commission has been provided with information on this topic at two of its meetings, as has the Friends of the Library group. The Moreno Valley Management Association and Moreno Valley Employees Association have also been notified of the City's exploration of Library outsourcing within the context of the Deficit Elimination Plan.

LSSI

An Equal Opportunity Employer

Item No. G.1

LSSI
For Your Library

May 22, 2013

Mr. Thomas M. DeSantis
Assistant City Manager
City of Moreno Valley
14177 Frederick Street
P.O. Box 88005
Moreno Valley, CA 92552-0805

RE: Delivery of Library Services in Moreno Valley, California

Dear Mr. DeSantis:

LSSI is pleased to respond to your request for a proposal for the delivery of library services in Moreno Valley, and welcomes the opportunity to offer residents a service model that maintains local control of library resources and facilities, results in lower basic operating costs, and provides for enhanced library services. The City will continue to own all assets of the Library – the building, books, computers and furnishings – and set all policies and guidelines that govern the Library. LSSI will provide the staff and library expertise to administer the Library's operations.

Our proposal describes how LSSI will work with Moreno Valley leadership to ensure the continuation of high-quality library services to your residents. We have proposed to increase hours of service from 53 to 66 per week and increase the amount budgeted for books and materials by 200 percent. Because of efficiencies we can introduce into your operations, we offer a solution that provides $250,000 in savings from your current expenditure levels in the first year of operations. Total projected savings over a five-year contract period are in excess of $1.35 million. We feel certain that the citizens of Moreno Valley will applaud this increased level of service and support the cost savings Moreno Valley can enjoy as a result of the City's partnership with LSSI.

For three decades, LSSI has provided innovative services and products to differing types of libraries, a specialization that focuses all of our corporate resources on this single endeavor. In communities of all types and sizes, ranging from the City of Red Oak, Texas with a population of 10,000, to Riverside County, California with nearly two million residents, LSSI works as a team with our customers, adding our expertise to that of the local authorities, community library groups, and local library staff members to ensure the best possible outcomes are achieved.

Library Systems & Services, LLC ▪ 12850 Middlebrook Rd. Suite 400, Germantown, MD 20874
(p) 301.540.5100 ▪ 800.638.8725 toll free ▪ (f) 301.540.5522 ▪ An Equal Opportunity Employer

We operate community libraries with the best and brightest staff and guarantee the provision of back-ups or replacements, as necessary. LSSI will interview all current staff members who wish to remain with Moreno Valley's Library and will give them preference during the hiring process. They will join our current public library staff of more than 900 nationwide, nearly 15 percent of whom are professional librarians with MLS degrees from ALA-accredited programs. A hallmark of our library staff is their dedication to public service, high energy, and commitment to library best practices and local operating standards and policies.

In summary, by contracting with LSSI in a public-private partnership for the operation of your Library, Moreno Valley will enjoy:

- Increased hours of operation—restoring operations to seven days a week
- Increased funding of books and materials, enhanced by the benefit of LSSI's scale and process
- Complete local control of library assets, planning and policies
- A five year, firm price contract providing increased accountability and overall cost control
- Cost effective operations, with greater efficiencies and lower costs
- Savings of $250,000 over currently budgeted expenditures in the first year
- Improved customer service wherever possible, and
- Enhanced programming relevant to your community's needs.

We offer you a greater return on your tax dollars invested in library services, and we pledge to maintain high service levels and disciplined accountability. LSSI's proposal, including our pricing, is valid through July 31, 2013. If you have any questions about this proposal, please call me at (301) 540-5100, extension 234.

We are eager to join you to ensure that the Library remains a vibrant community asset in Moreno Valley.

Cordially,

Ronald A. Dubberly
Chief Executive Officer
Library Systems & Services, LLC

2. Current LSSI Clients
3. LSSI's Standard Library and Administrative Services Agreement

1. Executive Summary

Nationwide, 78 communities enjoy the benefits of a public-private partnership with LSSI to operate their libraries: improved local control, cost-effective library operations, and increased community support.

Community leaders define their Libraries' policies, priorities, and direction; LSSI operates the Libraries within this local framework, while centralizing and lowering the cost of overhead functions such as human resources, accounting, and technology.

In Moreno Valley, a partnership with LSSI will ensure:

- Your Library will be open 7 days per week for 25 percent more hours
- Increased funding for books and materials, enhanced by the benefits of LSSI's economies of scale, will keep your collection current
- The Library will offer improved programs, addressing unmet needs, i.e., literacy programs, and programs for teens, senior citizens and the Latino community.
- Moreno Valley's Library will be staffed immediately with effective local library personnel
- Your priorities will guide the direction of the Library, in consultation with LSSI library professionals
- Cost savings will allow you flexibility with operations, staffing, and/or acquisitions going forward

LSSI's operation of libraries in other communities has consistently increased library usage, program attendance, and volunteer participation. Recent contracts with LSSI for library operations in the communities of Camarillo, Palmdale, and Santa Clarita have energized residents, staff, and local leadership as they have seen their libraries become enhanced community assets.

2. Introduction

City leaders in Moreno Valley desire a more cost-effective and locally sustainable way to continue high-quality library services to their City's population of more than 196,000. In the recent past, the City has been forced to reduce library hours and lay off staff for budgetary reasons. In contrast, a partnership with LSSI would allow the City to add 13 hours of services per week, an increase of nearly 25 percent; increasing the amount budgeted for books and materials by 200 percent, while saving $250,000 in costs in the first year of operations.

Below we outline what LSSI offers our public library clients and the results we have achieved, in terms of effective services, programming, collections management, financial rigor, and absolute accountability. We then speak directly about our proposed transition and operational activities with Moreno Valley, as well as the pricing associated with our plan for the Moreno Valley Public Library.

3. What You Can Count On: Benefits of a Partnership with LSSI

3.1 Collaboration with Experienced, Engaged Senior Library Professionals

Our public library clients benefit from hands-on guidance and advice from experienced, senior library professionals both as company executives and as fellow library directors in other LSSI sites. Key staff available to Moreno Valley in partnership with LSSI would include noted experts:

Mark Smith, LSSI's Vice President of Western Operations, oversees all LSSI contracts in California and Oregon. Before joining LSSI in 1999, he was the Director of Communications for the Texas Library Association and served at the Texas State Library where he administered a $7.7 million project with more than 80 full-time staff members in ten regional offices who provided funding and technical assistance to Texas public libraries, coordinated their planning activities, and produced a statewide library plan.

For Riverside County, he has overseen important organizational changes, technology advances, fund-raising, and expansions. He and his staff have secured more than $5 million in grants and other supplemental funding, and have won various honors for the Riverside County Library System. He and his staff are on the forefront of library advances and secured a grant in 2009 from the California State Library to support the purchase and field-testing of the Espresso Book Machine, a "print-on-demand" service that prints, covers, and binds books from computer files. He is the author of three books on library subjects, most recently co-authoring the title, "Training Library Staff and Volunteers to Provide Extraordinary Customer Service" (Neal-Schuman, 2006), and was named the California Library Association Member of the Year in 2003. When queried in a recent performance evaluation survey about LSSI's services, a former State Librarian for California (who served in that role until mid-2009), volunteered this concluding observation, "I have very high confidence in the talents of Mark Smith, West Coast manager, who I hope would play a leadership role ..." Mark Smith will be the Vice President responsible for hands-on oversight of the operations of the Moreno Valley Library.

Ron Dubberly, LSSI's CEO, served 27 years as a public library director—including service as the library director in Seattle and Atlanta-Fulton County public libraries. Before joining LSSI, he was a library consultant for ten years, providing professional guidance to libraries across the US on building projects, strategic planning, service improvements, and planning for results. He is a past president of the Public Library Association (1978-80), and one of the moving forces behind that Association's development of the Planning for Results Process. He leads strategic planning sessions for LSSI's customers, and provides guidance and mentoring to LSSI's librarians throughout the country.

Steve Coffman, LSSI's Vice President of Operations Support, oversees a team of professional staff and technology resources that serve all of LSSI's libraries. His group offers collection development services (including securing most favorable pricing and services from vendors); analysis of emerging trends in library services and technologies; recommendations regarding cutting edge improvements as warranted; and integrated library support services. He previously worked for the Los Angeles County Public Library, where he pioneered web-based reference services. Mr. Coffman is recognized nationally as one of the library profession's forward-thinkers and has written many articles for library publications including, "*What If You Ran Your Library Like a Bookstore?*" (American Libraries), and "*Building Earth's Largest Library*" (Searcher).

Bob Windrow has more than 30 years of experience in the field of library automation and has led LSSI's sales and marketing activities since joining the company in 1990. His relationship with potential and current clients includes ongoing assistance with community leaders and with the definition and implementation of state-of-the-art technology upgrades. He began his career at Xerox as District Sales Manager and was named Salesperson of the Year, then was Vice President of Sales with CLSI, an early ILS vendor. At Informatics, Inc., Mr. Windrow was Director, Sales and Marketing for three years, developing successful advertising and promotional campaigns. Just before joining LSSI, he was President/COO of Nationwide Fulfillment Systems, realigning middle management to focus on client services for a dramatic improvement in customer satisfaction.

Luther Brady, LSSI's Director of IT Services, is based in LSSI's California offices and brings to each of our sites the benefits of his more than 20 years of experience with integrated library systems and library networking products. As a result of his long career in library automation, Mr. Brady has developed an extensive network of contacts throughout the library vendor community. Through these contacts and his own personal experience he is able to quickly resolve most technical issues. Mr. Brady and his staff support technology advances in all LSSI-operated libraries nationwide.

Senior staff members assist with transition activities in Santa Clarita.

LSSI's headquarters staff of MLS-degreed librarians, human resources specialists, IT and network administrators, and accountants supports these senior, key staff members. An equally valuable resource to our client libraries is LSSI's corps of senior staff located in LSSI-operated libraries nationwide. They form a corporate network of library expertise, offering insight and support to each other, and occasionally supporting on-site activities in other locations.

3.2 Hands-on, Action-oriented Administration

During all phases of the public-private partnership with LSSI, company officials participate as needed. For example, Mark Smith, as the Vice President in charge of the company's efforts in Moreno Valley, will meet frequently with City officials to share and discuss plans, options, costs, new programming ideas, alternative strategies to address some need, grant or other funding opportunities, next steps, useful data the City would like periodically—a full range of topics concerning administration of the Library. He meets regularly with clients in all our West Coast communities and brings considerable expertise to the discussions. In addition, Moreno Valley officials will have access to the specialized technology expertise within LSSI, our extensive graphic arts talent, and dedicated staff training teams.

3.3 Informed Innovation

Many of LSSI's leaders and staff have been locally or even nationally recognized as innovators in the field, ranging from early technological advances to more recent patron-oriented installations such as the Book Espresso "print-on-demand" machine in Riverside County. They bring a forward-looking approach to library operations, assessing the current needs of all of our libraries and determining recent developments in the field to address those needs effectively and within budget constraints.

Early discussions with community leaders typically involve LSSI's staff sharing an observation and then offering a menu of possibilities to address it. For example, respondents to a recent performance survey mentioned advances in procedures, purchasing, and technology that vastly improved their libraries' functioning by reducing backlogs. In one community, the timeline for acquiring new items and getting them on the shelves for public use dropped to only a few days after LSSI began administering the work. Depending on the needs and priorities of the local population, other possibilities might include popular enhancements such as DVD and book kiosk dispensers in the lobby. Regardless of the details of any particular innovation, the library's staff members benefit from working with LSSI's experts who are knowledgeable about a wide variety of new library approaches and technology and have working experience with these innovations elsewhere.

3.4 A Proven, Effective, Seamless Transition

An important first step in all new LSSI library operations contracts is to conduct an informative, systematic program of public outreach. After meetings have been held with community officials, existing library staff members, Library Commission members, Friends groups, and other library stakeholders, LSSI follows a successful transition plan that incorporates what we learned during the outreach meetings into a series of well-defined steps customized for each library. LSSI's general transition plan is described briefly in Appendix 1. A similar plan would be developed for Moreno Valley residents and officials.

During contract startup and later implementation phases, the level and type of operational and administrative resources provided by LSSI will include input and assistance from LSSI's senior staff in Moreno Valley, in our California headquarters located in Riverside, or in our East Coast locations.

3.5 Judicious Staff Selection, Development, and Long-term Loyalty

LSSI will staff the Moreno Valley Public Library with experienced, well-qualified staff members who will provide services and programs to Library customers during all hours the Library is open to the public. LSSI hires the best and brightest to become LSSI staff members and augments their expertise with that of LSSI's senior support staff and Management Team. Going forward, all employees hired to work in the Moreno Valley Public Library will be LSSI employees, and LSSI will pay all costs related to their employment, including:

- Provision of employee benefits
- Annual and sick leave, and holidays
- Health, dental, life and long-term disability insurance
- Social security
- 401(k) plan with an accompanying contribution by LSSI
- Tuition reimbursement
- ALA membership for senior staff
- Direct deposit for paychecks
- Wide variety of insurance options through AFLAC, including short-term disability
- Employee recognition programs

The staffing structure for each LSSI-operated library system depends on the local needs. Each library system has an LSSI Library Director who is responsible for:

- Overseeing the work of the local staff;
- Coordinating with LSSI's management team to request resources;
- Working with the LSSI HR department to provide the necessary paperwork or electronic files for new hires, employee evaluations, benefits registration, etc.; and
- Developing a team of well-trained and cross-trained staff members who are able to accomplish all of the tasks required in a professional and enthusiastic manner.

LSSI's staff members will also collect and report statistics on library use to both LSSI and the City. In addition to the Library Director, LSSI will designate a back-up person, who will be in charge and responsible for these tasks in the absence of the Library Director.

An indicator of the system-wide effects of LSSI's recruitment, training, and rewards (and sanctions) procedures is the longevity of staff in our libraries. As noted in the box, our turnover is far lower than that seen in the private sector nationally, and regionally in the West. Most notably, nearly 60 percent of the employees in the Riverside County Library System who began employment with us almost 16 years ago are still with LSSI today. This staff stability helps to improve the quality of services to patrons and saves money.

LSSI Employee Satisfaction = Low Employee Turnover

- LSSI offers its clients continuity and stability of library staff.
- US companies average 25-30% employee loss each year. LSSI experiences only 13%.
- US Bureau of Labor Statistics reports a 23-24% annual employee loss in the US West region.
- LSSI's West region sites in CA, OR, and TX experienced only 19% turnover.
- Over time, the differences grow. For 2000-2009, US companies averaged 24% employee loss annually, attrition that would mean a loss of 90% over ten years.
- Turnover at LSSI is much lower: after nearly 16 years of LSSI's operations, the Riverside County Library System has retained nearly 60% of its original staff.

4. Planning Specific to Moreno Valley

Moreno Valley is accustomed to, and expects, excellent library service. It will be LSSI's intention to maintain all existing programming and services while exploring what new services the community desires. LSSI's staff will reach out to other City departments and agencies as well as the corporate and nonprofit sectors in the area to develop working relationships with them. LSSI will consult with City leadership, the Library Commission, the Friends of the Library group and other Library stakeholders to define service priorities needing attention.

4.1 Collection Development

Collection development in the Moreno Valley Public Library will be a local process. Local staff supported by LSSI's team of collection-development experts will make selection decisions as to what belongs on the shelves. This support can take a number of forms, including analysis of the collection to ensure responsiveness to local needs; assistance with selection tools and techniques; streamlined, automated acquisitions processes for materials to reach customers quickly; and support for handling specialized materials. The local Library Director for Moreno Valley will approve all selections made by the library staff before those materials are purchased, as well as the discard list for items targeted for weeding. In addition, LSSI will weed the collection only as agreed to by the City and work with Moreno Valley Friends of the Library group, as is current practice, or whomever the City designates for processing discards.

Analysis of the current collection will include an assessment of items' ages, conditions, and adequacy to meet patron needs (as indicated by present circulation patterns and other usage data). LSSI will pinpoint areas of the collection that are outdated, obsolete, out of scope for community needs, and unused. It will also reveal areas that need to be further developed by the addition of new items. Using information gained through this review, LSSI will build a collection that is responsive to the needs of the community by being current, authoritative, and available in appropriate formats.

LSSI's Collection Management Team will be available on an on-going basis to assist the local staff with routine tasks like order placement and tracking, and weeding of the collection. LSSI's Management Team will review the Collection Development Plan regularly to ensure that it continues to reflect community needs.

LSSI's economies of scale help libraries stretch their library materials budgets. LSSI currently spends more than $7.5 million annually on books and materials for the libraries we operate. Our combined purchasing power commands the highest available discounts on both materials and processing costs. The benefit to the City will be that each dollar spent on the collection will buy more books and materials with LSSI's discounts than it could otherwise purchase.

4.2 Integrated Library System (ILS)

There will be no change to the Integrated Library System at the Moreno Valley Public Library. The Moreno Valley Library is currently part of the Inland Library Network through Riverside County. LSSI operates the Polaris ILS for the Inland Library Network. However, under LSSI operations, the Moreno Valley Library will be able to take advantage of a variety of additional features of the automation system that have been designed to help libraries operated by LSSI simplify ordering procedures and reduce costs, specifically:

- **Electronic ordering and acquisitions system.** Moreno Valley library will be able to take advantage of the LSSI electronic acquisitions system, which allows libraries to place electronic orders and receive electronic invoices from all of the major library vendors, substantially reducing staff time and improving accuracy and fulfillment.

- **LSSI cataloging services.** Under LSSI operations, it will no longer be necessary for the Library to subscribe to expensive cataloging services because LSSI maintains a union database of most of the cataloging records that libraries need; records that cannot be found there can be requested directly from LSSI cataloging staff at no cost, resulting in substantial savings in both direct costs and staff time.

- **Electronic commerce.** All libraries operated by LSSI can take advantage of a web-based PCI-compliant e-commerce system that allows patrons to pay fines and fees or even make donations to the Library online. This is an optional service for those clients that want to use e-commerce systems.

- **Customized reporting and analysis.** LSSI support staff provides customized monthly, quarterly and annual reports for all libraries we operate to help library staff monitor how well their collections, services, and staff are performing, and how performance could be improved. In addition, LSSI staff will create special reports and analyses whenever necessary.

In short, even though the automated library system will remain the same under LSSI operations, the Moreno Valley Library will be able to take advantage of a variety of services that LSSI has built on that automation platform which the Library would not have had access to otherwise.

4.3 Hours of Operation

The Moreno Valley Public Library is currently open just five days per week for 53 hours as a result of recent reductions. LSSI proposes to operate the library seven days per week for a total of 66 hours as follows, subject to the approval of Moreno Valley City Council:

Suggested Schedule of Operation Hours:

Monday thru Thursday:	9am – 8pm	Saturday:	9 am – 5pm
Friday:	9am – 6pm	Sunday:	12 pm – 5pm

4.4 Services and Programs

LSSI staff will review information about residents' needs and interests with the current program and service offerings in mind. In consultation with City leadership, LSSI will propose continuation, refinement, and/or augmentation of the Library's offerings, should there be interest. LSSI can work with City officials and nonprofit leadership to define joint activities. For example, in Collierville, Tennessee, LSSI's Library staff works jointly with AARP to offer safe driving seminars for senior citizens. Upon successful completion, senior citizens can receive a discount on auto insurance rates. In addition, AARP and the library staff partner to offer tax preparation assistance.

LSSI has a successful track record; our libraries provide programming—as appropriate to the community—for adults, teens, children, the underserved, senior citizens, daycare centers, and those in need of literacy and English-language instruction. For example, should City officials wish to augment the Library's programming for the area's Spanish-speaking population, they could examine the curriculum and attendance figures at LSSI's ESL programs. In Riverside County, LSSI's staff members offer an innovative Latino outreach program called, "***Leer Es Triunfar – Reading is Succeeding,***" that has brought thousands of new residents into the Library. (The ALA recognized this program in 2005, which awarded it the John Cotton Dana Award for Library Public Relations Campaigns.) LSSI and its staff members have also taken a lead role in the state of California in promoting Día de los Niños/Día de los Libros (Day of the Child/Day of the Book), an annual celebration of books and reading for all children with an emphasis on multicultural and bilingual children. LSSI's program was initially funded by a grant from the California State Library and was later a recipient of the Raúl and Estela Mora Award from Reforma.

The Palmdale Library was one of six libraries in the nation to receive a grant in 2013 from the Association of Library Services for Children (ALSC), a division of the American Library Association, to present a family Día de los Niños Family Book Grant. The resulting program, ¡Leamos Palmdale! (Let's Read Palmdale) will present four Family Book Club programs where adults and children will discuss themes of four different children's books and how they correspond to experiences in their families.

In the Camarillo Library, our staff has designed a highly interesting and engaging series of programs from cooking demonstrations to master gardener programs. Routinely, every program at the Camarillo Library is standing room only or wait-listed as the Library has developed a reputation for creative programming and events. The Camarillo Library partners with a variety of other educational institutions in the area to host an annual Camarillo Reads series focusing the community on reading a book. In 2012, Father Gregory Boyle, who authored a memoir about mainstreaming Los Angeles gang members to productive work, "Tattoos on the Heart," drew a crowd of more than 530 persons. This year's author, Novela Carpenter, whose book "Farm City" about urban farming in Oakland, drew several hundred people.

In addition to popular children's programming (pajama story times, wacky Wednesdays, lap-sit story times, and family interactive story times, etc.), LSSI's staff has designed programs that have successfully drawn more teens into our libraries. For example, in Finney County, Kansas, LSSI's Teen Advisory Board solicits on-going input from teens themselves about programs of interest and additional services needed. In Germantown, Tennessee, LSSI has begun an extensive anime program, very popular with young adults, that includes anime screenings, presentations and demonstrations by anime artists, and the establishment of an anime discussion group. Anime

attracts a different segment of the teen population from those of more traditional library programs, and LSSI was successful at securing a grant to design and pilot this effort, which is now part of the Library's regular program offerings. Any ideas that have worked in our other settings could easily be offered for consideration to augment existing programming in Moreno Valley.

Children participate in sushi making program in Germantown, TN.

LSSI's staff members also work diligently to creatively attract and then sustain adult interest in a range of library offerings and programs. In Jackson County, Oregon we offer countywide reading programs, lecture series, writing groups, and readings by noted local poets and authors that attract adult participants.

Developing partnerships to build successful programming is a hallmark of LSSI's approach to creating vibrant activities in the library. In 2009, Cal Humanities, the California Council for the Humanities, selected Riverside County Libraries as its partner for an innovative program called "Making a Difference." This effort has encouraged the development of programs for civic engagement in the Library. This type of program has since become popular with the American Library Association and the Public Library Association in developing projects to encourage civic engagement in libraries. Riverside County's project drew the attention of the entire state of California and in 2010 two other library jurisdictions joined RCLS in this project. A feature article describing this project appeared in *Public Libraries* magazine in late 2012 ("Making a Difference: Civic Engagement at the Public Library," *Public Libraries* 51, n 4, 2012).

As noted above, LSSI has also designed and implemented programs specifically for senior citizens. In addition to the joint efforts with AARP, we often offer courses in beginning computer technology and other topics geared specifically toward older users. In Jackson County, Oregon, and Germantown, Tennessee, outreach staffs have established regular schedules for visits to area long-term care and assisted living facilities, as well as special mail services to the homebound.

This overview of possibilities for augmenting Moreno Valley's current offering of services and programming is cited to demonstrate LSSI's creativity and high energy level, both of which result in vibrant, active libraries responsive to the local reading and information needs of the community.

4.5 Performance Monitoring and Reporting

During the first year of operations, LSSI will begin a focused planning process intended to identify service needs and priorities for the Moreno Valley Library. From these discussions, LSSI will consult with all local Library stakeholders to define and prioritize immediate goals and objectives for the Library. In addition to providing a documented road map to the Library's future, this effort will also yield benchmarks for performance dimensions such as circulation volume, number of visits to the Library, program attendance, and availability of materials. The Library staff will track progress toward these goals through the use of statistics, and will focus on improving Library services and Library usage by the community on a continuing basis.

Periodically, as deemed useful by the City, LSSI's staff and officials will revisit these indicators to keep them timely and relevant. LSSI will also review the Library's policies and procedures on an annual basis, and make recommendations to the City for any needed changes. In addition, LSSI will carefully, consistently, and accurately collect all core Library performance measures and use statistics required by the State Public Library Statistics, and will ensure that the data are submitted to the State Library in a timely fashion each year. Using those requirements as a minimum, however, we will also provide additional detailed information to the City as required for its deliberations.

4.6 Community Relations

LSSI will work with Moreno Valley's Friends of the Library group to enliven activities, as appropriate, and perhaps recruit additional members. In addition, we will seek guidance and collaboration with the Library Commission members regarding outreach and engagement of community groups.

LSSI's staff members actively solicit community input and build effective relationships with a variety of library stakeholders in our library communities. Our librarians routinely visit schools, senior citizen centers, local corporations, nonprofit organizations, and other government agencies to establish partnerships for programs and other resources to benefit all parties. Doing so has resulted in formal affiliations with groups such as local historical societies as well as the development of ad hoc or special-purpose working relationships for specific projects. Recent examples include joint efforts with the local gardening club in Collierville, Tennessee, when the traveling Smithsonian exhibit on the White House Gardens was installed at the Library for its month-long stay; the long-standing and now formal relationship with the Tennessee Genealogical Society (which resulted in LSSI operating the Germantown Regional History and Genealogy Center); and local affiliations which have also led to financial support for many of our libraries from merchants such as Target, Walmart, and Mervyns.

Staff in the Shasta Public Libraries in Redding, California, built a network of strategic partnerships to support its literacy program. These partners include the Rotary Clubs, Shasta College, the Redding Unified School District, Scripps Howard Foundation, and several other local businesses and non-profit groups. In Jackson County, Oregon, the Library has partnered with a group called LISTO to provide services for non-English language speakers, including bilingual computer classes. In Riverside County Library, our library staff has developed a partnership with the Workforce Investment Board to develop ways to use the County's Library branches to help connect job seekers and employers.

Robust community relations also stem from having an active volunteer group and finding creative ways to use volunteers in fulfilling assignments that enhance the Library's offerings. LSSI's staff routinely recruits, trains, motivates, and rewards volunteers working in libraries we operate to complement the efforts of paid library staff members. We look forward to working with Moreno Valley in this area.

These are just a few examples of LSSI's approach to community outreach. After consultation with public officials, the Library Commission and other local library stakeholders, we will draw on these and other experiences to design comprehensive outreach efforts appropriate to Moreno Valley.

4.7 Related Experience and References

LSSI's approach to operating a community's library is to establish and maintain a constructive, effective partnership, drawing on the strengths of each party. This partnership will allow the City of Moreno Valley to define local policies and service priorities based on the values and needs of its residents, while delegating the Library operations to LSSI's staff with its expertise in library leadership and technology. We are confident that

you will learn as you check our references shown in the complete client list in Appendix 2, that LSSI's clients and their library customers have benefited greatly from this approach.

4.8 Administrative Decisions

Moreno Valley officials will continue to establish policies, guidelines and regulations for the library. As appropriate, LSSI will suggest policy changes for the City's consideration. After review of Moreno Valley Library's policies, LSSI will train all staff in their application and monitor adherence to those policies. In addition, all data and records related to these and other policy areas will be available at all times for review by Moreno Valley officials.

4.9 Other Facets of Your Partnership with LSSI

Fiscal Stability

LSSI was founded in 1981 and is a fiscally sound and stable company. We have a long history of banking with PNC Bank, and maintain a Line of Credit of $1.5M, although we have seldom needed to access it. LSSI's continued growth, financial reserves, and financial backing make it an excellent business partner for the City of Moreno Valley.

Alternative Revenue Sources

LSSI aggressively seeks supplemental revenue sources including grants, foundation funds, research funds, and property mitigation fees for our clients. Our library staff members in Riverside County, for example, have successfully written, received, and implemented more than $5M in grants and supplemental income to support literacy programs for adults and children, teen reading programs, tutoring, and outreach programs for Latino residents. Additional grants have been awarded to other LSSI libraries to support new library construction, collection development, marketing and outreach.

LSSI brings extensive experience in grant writing and implementation to our libraries, and we will continue to work with the State Library of California as well as with Federal and other sources to win grant funding for programs and resources of interest to Moreno Valley. Other avenues we will explore on your behalf include:

- Corporate and organizational sponsorships to augment Library resources and programming
- Annual Fund Drives for the Library, along with planned giving and earned income programs
- Book-based donation programs

LSSI also handles the federal E-Rate applications and submissions for most of the public libraries we operate. We submit all required paperwork as quickly as possible to ensure prompt reimbursement for the communities we serve.

5. Pricing

In preparing this proposal, LSSI has analyzed the information provided to us regarding the Moreno Valley Public Library's current staffing, operations, and line item budget for FY 2012/13. To briefly summarize the FY 2012/13 budget, the total amount currently budgeted for the Library is $2,045,041. Subtracting Internal Transfers, which total $515,200, the total 'controllable' portion of the FY 2012/13 budget is $1,529,841, which LSSI has used as

the Baseline Budget for comparison purposes. Of that amount, $1,343,391 (88%) is budgeted for Personnel; $64,350 (4%) for database subscriptions and books & materials; and the remainder, $122,100, for Other Direct Operating Expenditures.

LSSI's efficiencies developed through operating 78 community libraries across the nation and the economies of scale our size provides will allow LSSI to reduce controllable (i.e., excluding Internal Transfers) operational costs for the Library by $250,000 in the first year of operations, while increasing the hours of operation for the Library from 53 to 66 hours per week, a 25 percent increase, and increasing the budget for books and materials by 200 percent. The table below shows our price and projected savings for the next five years.

	CY1	CY2	CY3	CY4	CY5	Total
Baseline Budget	**$1,529,841**	**$1,568,087**	**$1,607,289**	**$1,647,471**	**$1,688,658**	**$8,041,346**
Library Operations	$1,086,840	$1,114,011	$1,141,861	$1,170,408	$1,199,668	$5,712,788
Library Materials	$193,000	$193,000	$193,000	$193,000	$193,000	$965,000
Total LSSI Price	**$1,279,840**	**$1,307,011**	**$1,334,861**	**$1,363,408**	**$1,392,668**	**$6,677,788**
Annual Savings	$250,001	$261,076	$272,428	$284,063	$295,990	$1,363,558

Assumptions:

- Baseline budget excludes $515,200 in internal transfers.
- Library Operations costs are escalated annually at 2.5%, except for Library Materials.
- The Library will be open to the public 7 days per week for 66 hours.
- Proposed budget for Library Materials is 200% higher than Baseline Budget.
- The actual budget for Library Materials will be assessed and approved annually by the City Council.
- LSSI will invoice 1/12th of the annual price for Library Operations per month.
- Library expenses budgeted for Library Materials will be billed monthly as incurred.
- The Library Materials budget includes a 5% Material Handling Fee.
- All fines & fees determined solely by the City and collected by the Library, will be remitted to the City.
- Any donations to the Library will be remitted directly to the City.
- The City will continue to maintain the Library facility and grounds; provide I.T. support for Library computers and equipment; provide janitorial and security services for the Library.
- The City will continue to be responsible for all capital improvements and expenditures for the Library.
- The City will continue to provide insurance coverage for the facility.
- The City will continue to provide utility services to the Library.
- The above pricing scenarios are valid until July 31, 2013.

APPENDIX 1. General Transition Plan

[illegible]

- Meet with interested incumbent Library staff members
  - Introduce LSSI
  - Explain LSSI's hiring process
  - Answer questions
- Advertise in local media for applicants for open library positions
- Hold meetings to follow on the earlier outreach effort with:
  - Moreno Valley's City Manager and staff
  - City Council members, committees, staff
  - Other relevant City offices identified by City leadership
  - Library Commission members
  - Friends of the Library
  - Library volunteers
  - Other Library stakeholders and interested parties
  - Community business and civic leaders
- Define the Library staffing configuration if – based on discussion with the City –it needs to be modified
- Staff the Library:
  - Interview interested incumbent Library staff members
  - Make job offers as appropriate
  - Interview and hire new applicants for any remaining open positions
- Schedule and hold LSSI staff orientation session for all employees, both incumbent and new Library staff members:
  - Review LSSI benefits package
  - Discuss performance expectations and performance reviews
  - Discuss transition from public to private employment
  - Answer questions
- Perform an overall assessment of the Library in consultation with the City:
  - Examine the current facility
  - Review existing Library policies
  - Analyze Library operations
  - Evaluate existing programming and identify ways it could be enhanced
  - Review collection and collection development procedures
  - Identify immediate and long-term service to upgrades of interest to Moreno Valley
- Further refine the Transition Plan as needed, to incorporate additional services
- Establish formats and timelines for required periodic financial and performance reports

AT CONTRACT START

- Open the Library on the schedule agreed upon in the contract
- Begin appropriate staff training
- Begin new hours in agreement with the City
- Implement plans for circulation, planning, performance monitoring, budgeting, furnishings, equipment, services, programs, and community outreach
- Compile and submit sample monthly and annual performance reports

[illegible]

- Assess progress according to established milestones
- Consult with designated City representatives, community groups, and Library staff members regarding needed refinements
- Revise plans for upcoming contract periods

Simi Valley, CA	Samantha Argabrite, Asst. to the City Manager	(805) 583-6707

APPENDIX 3. LSSI's Standard Library and Administrative Services Agreement

LIBRARY ADMINISTRATION AND OPERATIONS AGREEMENT

This Agreement is made as of _____, 201_ between:

LIBRARY SYSTEMS & SERVICES, LLC, a Maryland limited liability company with a mailing address at 12850 Middlebrook Road, Suite 400, Germantown, Maryland 20874 ("LSSI"); and _____ _____, with a mailing address at _____, ("Customer"). LSSI and Customer are each sometimes referred to herein as a "Party" and collectively, the "Parties".

The Parties agree as follows:

1. ***Services and Goods.***

(a) Services. During the term of this Agreement, LSSI will provide the labor and administrative services described on Schedule A (collectively, "Services").

(b) Provision of Goods. LSSI may purchase goods for use in the management and operation of the Library (as defined below). At LSSI's sole discretion, LSSI may select sources of goods. Title to all items purchased by LSSI shall at all times reside in Customer. If LSSI furnishes any goods to Customer, LSSI will use good faith efforts to extend the manufacturer's warranty, if any, to Customer.

2. ***Term and Termination.***

(a) Term. This Agreement shall commence on _____, 201_ ("Effective Date"), and continues in force until _____, 201_ ("Expiration Date"), unless sooner terminated in accordance with this Section 2.

(b) Termination for Convenience. Either Party may terminate this Agreement after twelve (12) calendar months from the Effective Date with or without cause by giving the other Party six (6) calendar months written notice of termination prior to the end of Customer's fiscal year which ends in the month of _____.

(c) Termination for Default. If either Party breaches any material provision of this Agreement and fails to correct the breach within thirty (30) days after receiving written notice specifying the breach (or, if the breach cannot be corrected within thirty (30) days, fails to progress diligently towards correction), then the other Party may terminate this Agreement by giving written notice to the breaching Party, except that LSSI shall have the right to terminate this Agreement if Customer fails to pay any amount due LSSI and such failure continues for ten (10) days after written notice thereof.

(d) Renewal. Subject to the termination provisions in accordance with this Section 2, this Agreement shall automatically renew and the Expiration Date extended for successive renewal periods equal in duration to the original term of this Agreement, unless written notice of intent to not renew is given by a Party at least six (6) calendar months prior to the Expiration Date.

3. ***Price and Payment.***

(a) Price. LSSI shall perform the Services for the Charges (exclusive of any current or future taxes) set forth in Section E of Schedule A.

(b) Payments. LSSI shall invoice Customer prior to each month's service for the monthly amount set forth in Section E of Schedule A. Invoices shall be paid by bank wire transfer or Automated Clearing House (ACH) direct debit to a bank account designated by LSSI on or before the fifth (5th) day of such month (the "Due Date") and shall bear interest at the rate of one and one quarter percent (1¼%) per month if not paid in full by the Due Date. If LSSI has not received payment by the Due Date, it may suspend performance contemplated under this Agreement until full payment has been received. LSSI shall add to its invoices any current or future taxes (other than LSSI's income tax) payable by LSSI on account of this Agreement, the Services, or Customer's payments hereunder, except to the extent Customer furnishes in advance a valid certificate of exemption from such taxes.

4. ***Insurance.***

(a) Insurance. During the term of this Agreement, LSSI shall maintain in force at its own expense commercial general liability insurance coverage of at least one million dollars ($1,000,000) each occurrence and two million dollars ($2,000,000) annual aggregate. LSSI also shall maintain workers compensation insurance providing the statutory benefits required by law.

(b) Property Insurance. Customer will keep its buildings and their contents insured against loss, cost, damage or expense resulting from fire, explosion or any other casualty in an amount equal to the full replacement cost thereof ("Casualty Insurance"). If any loss, cost, damage or expense resulting from fire, explosion, or any other casualty or occurrence is incurred by Customer in connection with its buildings or their contents, then Customer hereby releases LSSI, its owners, officers, employees, agents and volunteers from any liability it may have on account of such loss, cost, damage or expense to the extent of any amount receivable by reason of such Casualty Insurance, and waives any right of subrogation which might otherwise have existed or accrued to any person on account thereof.

5. ***Information, Intellectual Property and Employees.***

(a) Information. In the performance of this Agreement, LSSI may be exposed to information regarding the identity of Customer's patrons, Customer may be exposed to information regarding LSSI's proprietary library management techniques, and either Party may be exposed to other information designated in writing by the disclosing Party as confidential (collectively, "Confidential Information"). Each Party shall: (1) use the same care to protect the other Party's Confidential Information from disclosure that such Party uses to protect its own information of like importance; (2) limit duplication of Confidential Information to the extent needed to perform this Agreement; and (3) disclose Confidential Information only to employees having a need to know in connection with performance of this Agreement, and who are informed of the contents of this provision prior to disclosure. This provision shall survive termination or expiration of this Agreement; and, on such termination or expiration, each Party shall return all Confidential Information, including all copies, to the owner of such information and, if requested, shall certify in writing that all such information has been returned. Because the damage resulting from a breach of this provision would be difficult or impossible to quantify and remedy at law, in case of such breach, or the threat of such breach, the Party whose Confidential Information is threatened to be disclosed shall be entitled to injunctive or other equitable relief.

(b) Intellectual Property. Nothing in this Agreement confers any license or right to use any trademark, service mark, copyright or other intellectual property right, whether now owned or hereafter developed, of either Party.

(c) Employees. Customer shall not actively solicit for hire or hire any employee of LSSI during the term of this Agreement or for a period of six (6) months after termination or expiration of this Agreement, unless such employee previously was an employee of Customer.

6. ***Customer's Obligations.***

(a) Facilities, etc. Customer shall make available to LSSI without charge, solely for LSSI's use in performing the Services, all properties, facilities, equipment, collections, supplies, records, files and data used or useful in the operation of the Library that are in Customer's possession, custody or control as of the date hereof. Customer reserves all ownership rights in such properties and LSSI shall return such properties to Customer, ordinary wear and tear excepted, at the termination or expiration of this Agreement.

Customer is responsible for the structure, improvements, maintenance, janitorial services and janitorial supplies, repairs and property insurance at the Library building (except for damage caused by LSSI). This includes the interior and exterior of the structure, all restrooms, electrical, building systems, and the heating and air conditioning system. LSSI shall work with LSSI Staff and City to ensure effective building maintenance by promptly identifying and reporting problems with the facilities.

Customer is responsible for maintaining the entire Library site, including landscaping and grounds maintenance.

(b) *Security*. Customer is responsible for providing security services for the Library and surrounding area.

(c) *Utilities*. Customer is responsible for payment of utilities at the library facilities, including electricity, gas, water, waste disposal and recycling, telecommunications and Internet access.

(d) *Policies*. Customer shall be responsible for setting all policies that govern the operations of the Library.

(e) *Revenue Generating Opportunities*. Customer shall make available to LSSI without charge adequate space in the Library to develop and implement new revenue generating services, such as services to the business community, retail sales (books, gifts, refreshments, etc.) and other fee based services, to benefit the community, Customer and LSSI ("Additional Services"). Customer will use its best efforts to assist LSSI in the promotion and implementation of these Additional Services. Customer shall have the final approval of all Additional Services, with such approval to not be unreasonably withheld, conditioned or delayed. Unless otherwise approved by Customer, the provision of these Additional Services shall not in any way substantially reduce the space or Library services provided prior to the implementation of these Additional Services.

7. *Excluded Services.*

Notwithstanding any other provision of this Agreement to the contrary, the Services shall not include, LSSI shall have no responsibility for and Customer shall be fully responsible for the following:

(a) Any goods or services, including payroll, that were rendered to Customer prior to the Effective Date.

(b) Unfair labor practices, grievances, or any claims or litigation whatsoever arising out of the hiring and/or firing, layoff, subcontracting, assignment, reassignment or discipline of any Library staff not employed by LSSI at the time of the relevant incident.

(c) Any worker's compensation or other claims arising from injuries sustained prior to the Effective Date by any Library staff not employed by LSSI at the time of such injuries.

(d) Any costs of any current or future employee benefits, including payroll taxes, retirement benefits, voluntary retirement incentives, pension contributions, employee buyouts or other similar programs adopted by Customer.

8. Conflict of Interest.

LSSI shall not, directly or indirectly, acquire any interest which will conflict in any manner or degree with the performance of its services hereunder. In this connection, LSSI, its employees and consultants shall make no political contributions to any political campaign or initiative affecting the Customer, nor should the customer make such a request of LSSI to do so.

9. Notices

Any notice regarding the performance of services under this contract shall be considered delivered using regular U.S. mail services, email, or fax to the attention of the parties listed below:

[Customer Name]	LSSI
	Ronald A. Dubberly, CEO 12850 Middlebrook Road, Suite 400 Germantown, MD 20874 Email: Ron.Dubberly@lssi.com Fax: 301-540-5522

10. Miscellaneous.

(a) Independent Contractors. The relationship of the parties is that of independent contractors, and no partnership, joint venture, agency, employment, or other relationship is intended.

(b) Assignment. Neither Party may assign this Agreement to a third party not affiliated with such Party without the prior written consent of the other Party, except that LSSI may subcontract or delegate portions of the Services; provided, however, that in no case shall Customer be liable to any party other than LSSI, or for any amount in excess of the price specified on Schedule A, plus any additional charges permitted hereunder.

(c) Warranty. LSSI warrants that it will perform the Services with at least the care, diligence and expertise generally accepted in the library service industry. **There are no other warranties, express or implied, including warranties of merchantability or fitness for a particular purpose.**

(d) Limitation of Liability. In no case shall either Party be liable for any damages, losses, costs or expenses under or in connection with this Agreement, whether for breach of contract, tort or otherwise in excess of an amount equal to the lesser of (i) the actual damages suffered by the aggrieved Party, or (ii) the Charges for the twelve (12) month period (as shown in Schedule A, as it may be amended) in which such damages allegedly incurred. In no case shall either Party be liable for any punitive, exemplary, incidental, consequential, or special damages arising out of or in connection with this Agreement.

(e) Force Majeure. LSSI shall not be liable for any failure or delay in performance of this Agreement due to causes beyond its control, including, but not limited to, strike, war or civil disturbance, weather emergency, or general failure of any necessary supply, service or utility.

(f) Customer's Representation. Customer represents and warrants that it has all necessary legal authority to enter into and perform this Agreement and that the person executing this Agreement on its behalf is legally authorized to do so.

(g) Notices. Notices required or permitted under this Agreement shall be effective upon the third (3rd) business day after deposit in First Class mail, or the next business day after deposit with a recognized overnight courier, or upon receipt if e-mailed or faxed to the respective e-mail addresses or fax numbers, if addressed to the parties' respective addresses and marked to the attention shown on the first page of this Agreement.

(h) Law and Enforceability. This Agreement shall be governed by and construed in accordance with the laws of the State of _____. If any provision of this Agreement is conclusively determined to be illegal, invalid or unenforceable, then such provision shall be severed, and the remaining provisions of this Agreement shall be so construed to carry out, as nearly as legally permitted, the intentions of the parties.

(i) Survival. The provisions of Sections 5 and 8 shall survive any termination or expiration of this Agreement.

(j) Entire Agreement. This Agreement contains the entire understanding of the parties on the subject matter hereof and supersedes all prior statements and agreements on that subject. No failure or delay by either Party in enforcing any provision of this Agreement shall operate as a waiver. This Agreement may be modified or waived only in writing signed by the Party against whom such modification or waiver is sought to be enforced.

Intending to be legally bound, the parties have caused this Agreement to be executed by their duly authorized representatives.

Schedule A

Agreement for Library Administration and Operations

A. Statement of Work

LSSI will administer the operations of Customer's library facilities (collectively, "Library"), including the accounting for, purchase of and payment for payroll services and goods and services from vendors for budgeted supplies, other direct operating expenditures, Library Materials (as defined below) and Capital Items (as defined below) sufficient to operate the Library in accordance with the policies and guidelines approved by Customer.
