Staff recommends that the Economic Development Subcommittee receive and file a presentation by the SERCO Off-Base Transition Training (OBTT) staff.

BACKGROUND / DISCUSSION

The City of Moreno Valley has partnered with SERCO, the Department of Labor contract holder for the Off-Base Transition Training (OBTT) program. This initiative is designed to support veterans, National Guard and Reserve members, and their spouses as they transition from military to civilian careers. The OBTT program features Veteran Tuesday workshops, designed to provide participants with the skills, resources, and guidance necessary to achieve their employment goals. Through this collaboration, the BERC reaffirms its commitment to helping military personnel successfully navigate their career transitions and thrive in the civilian workforce. This presentation provides an update on these programs and potential new initiatives planned for the future.
