Training Burn in Moreno Valley

On Wednesday, January 9, 2018 through Friday, January 12, 2018, CAL FIRE/Riverside County Fire Department's Moreno Valley Division is hosting a training burn, in cooperation with City of Moreno Valley Office of Emergency Management, in Moreno Valley. The location of the burn is 12212 Redlands Boulevard, just north of Highway 60 and south of Ironwood Avenue in Moreno Valley. The training will start at 9:00 a.m. and run until 4:00 p.m. each day. Firefighters from CAL FIRE/Riverside County Fire Department and March Air Reserve Fire Department will participate in this week-long training.

During the training burn, we will be setting several fires within the structure for the purpose of instructing firefighters with the latest fire suppression techniques. At times, smoke will be visible in the area, especially along Highway 60 in the eastern portion of Moreno Valley.

The property was made available to CAL FIRE/Riverside County Fire Department by Diocese of San Bernardino – Office of Construction and Real Estate, located in San Bernardino.

Please contact the CAL FIRE/Riverside County Fire Public Affairs Bureau at (951) 940-6985 with any questions.
