Moreno Valley Essential Services Reauthorization (Measure U)

To maintain critical Moreno Valley services, including 9-1-1 response times, robbery/burglary prevention, neighborhood police patrols/fire service levels; address homelessness; repair streets/potholes; keep public areas safe/clean; help retain businesses; and for general government use, shall the measure establishing a locally-controlled 1% transaction and use (sales) tax, first enacted by local voters in 2021, generating approximately \$30,000,000 annually until ended by voters, with audits/spending disclosure, be adopted?

Election Day is November 5, 2024

*Information provided for educational purposes only. The City of Moreno Valley does not advocate a position for or against any candidate or measure.

Information About **MORENO VALLEY MEASURE U**

Staff Report- August 6, 2024, Measure U Adoption Meeting (excerpted)

BACKGROUND

In 2021, in response to years of takeaways of local funds by the State, and to protect the critical services that were projected to be impacted, Moreno Valley voters approved Measure G, enacting a one-cent (1¢) local sales tax, until ended by voters, to maintain 9-1-1 emergency response times, robbery and burglary prevention programs, neighborhood police patrols, and fire engine service levels as well as to address homelessness, repair streets and potholes; keep public areas safe and clean; help retain local businesses; maintain senior services, and establish youth and afterschool programs with funding that cannot be taken by the State....

...the City Attorney believes the most prudent action to take at this time is to ask Moreno Valley voters (again) to re-authorize the one-cent (1¢) sales tax increase they approved two years ago in order for it to go into effect...
